Four Steps in the Clouds Patrick Garland 2007-03-01 Observes the many changes in the traditional way of life in one of the ravishing Mediterranean islands, and a Corsican village, Sant'Antonino. Drawing on several years of journal entries, this book presents a travel memoir.

One Million Steps Ngan H Nguyen 2019-06-27 One Million Steps: Lessons from a Legendary Hike Stretching 500-miles across the northern part of Spain is the Camino Francés of the Camino de Santiago. A pilgrimage to the Spanish city of Santiago de Compostela. It was by fate that I found this path and it became one of the greatest adventures of my life. Over a million steps crossing the rugged Pyrenees and spanning undulating plains before winding through lush hillsides. The path was a unique window into historical, natural and cultural beauty, but even more than that, it was a walk into more depth within my own being. It became a journey of healing and self-love. The many gifts, lessons, and miracles that I came to discover along this path allowed me to see how the path mirrors our journey to any destination we have in mind. Arriving at Santiago de Compostela, I was transformed and the gifts the path brought me was more than I ever

thought was possible. In this book, I tell the story of that adventure as well as the countless powerful lessons I learned in the hope that it may of service to you. May the lessons I learned shine more light on your journey to whatever destination that may be pulling at your consciousness at this moment. Buen Camino - Good Way to You.

A Million Steps Kurt Koontz 2013 Kurt Koontz thought he was well prepared for his 490-mile walking trip on the historic Camino de Santiago pilgrimage route in Spain. He was fit and strong. He had a good guidebook and all the right equipment. His pilgrim passport would grant him access to the shelter of hostels along the way. But all that, however helpful, did not begin to encompass the grandeur of his external or internal adventure. A Million Steps climbs over the high meadows of the Pyrenees, quests through the unceasing wind of the Meseta, and dances in the rains of Galicia. While following the yellow arrows that mark the route, Koontz also navigates through his personal history of addiction, recovery, and love. With outgoing humor and friendliness, he embraces the beauty of the countryside and joyful connections to other pilgrims from around the world. Part diary, part travelogue, A Million Steps is a journey within a journey all the way to the Cathedral de Santiago de Compostela and beyond.
