America's Prisoner Manuel Antonio Noriega 1997 Manuel Noriega is the only American prisoner of war. He may be a demon in the eyes of most Americans, but he has a unique and alarming view of the secrets behind U.S. relations with Panama and the real reasons for the 1989 invasion that removed him from power. In this memoir, certain to be one of the most newsworthy and controversial of the year, Noriega describes for the first time his backstage dealings with George Bush, Oliver North, William Casey and the CIA, Jimmy Carter, Fidel Castro and Moammar Gadhafi. But this is more than a deposed strongman's tell-all that some might find hard to believe. Noriega's story was investigated independently by Peter Eisner, a top foreign correspondent who has written about Latin America for twenty years and covered Noriega's fall for Newsday. Eisner's reporting finds support for some of Noriega's assertions and provides additional perspective for others, in his conduct as head of Panama's military, his secret dealings with Cuba on behalf of the CIA, his relations with key U.S. officials, and the unconscionable damage inflicted upon the people of Panama by the U.S. invasion. Moreover, Eisner raises new questions about the allegations that Noriega was a drug dealer and a murderer. In fact, he concludes Noriega is not guilty of these charges. And then there is Noriega himself, a surprisingly savvy military man who saw himself as a nationalist, an honest broker between his allies in U.S. intelligence and his neighboring Latin American leaders. As Noriega tells it, his problems began when he began to resist the Reagan administration's efforts to fight communism in Central America. America's Prisoner is one of the most unusual and important accounts everwritten about U.S. aggression and duplicity. It is the story of how we have imprisoned a man - and a nation.

The Narrative of Arthur Gordon Pym of Nantucket Edgar Allan Poe 2013-08-13 When Edgar Allan Poe's only novella was first published in 1838, the reviews were slow in coming and dismissive when they arrived. The book's failure left Poe in such dire financial straits that he even accepted a job at one of the magazines that had panned it. But *The Narrative of Arthur Gordon Pym of Nantucket* has since become one of his most influential works: Baudelaire translated it, Paul Theroux read it out loud to Jorge Luis Borges, Jules Verne wrote a sequel to it, H. P. Lovecraft drew on it in creating

his own tales of the Antarctic . . . Ostensibly, it's a classic adventure story about a young boy who runs away to sea and encounters all the classic scenarios: mutinies, storms, shipwrecks, ravenous sharks, hostile natives. And Poe drew on many contemporary accounts of exploration in the South Seas to give his story a sense of verisimilitude. But there are far deeper currents at work in the book than mere adventure: elements of the supernatural as they near the South Pole, evocations of the protagonists' experiences at sea that rival Poe's best tales of horror, and a disturbing ending that continues to stir debate.

Achtung-Panzer! Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Numbered Elias Canetti 1984

Cowboy Graves Roberto Bolaño 2021-02-16 One more voyage to the literary universe of Roberto Bolaño, an essential voice of Latin American literature. Roberto Bolaño's boundless imagination and seemingly inexhaustible gift for shaping the chaos of his reality into enduring fiction is unmistakable in these three exhilarating novellas. In "Fatherland," a young poet reckons with the fascist overthrow of his country, as a friend disappears in the violence that ensues and a Third Reich fighter plane mysteriously writes her poetry in the sky overhead. In "French Comedy of Horrors," in the wake of an eclipse a seventeen year old answers a pay phone and finds himself recruited into the Clandestine Surrealist

Group, a secret society of artists based in the sewers of Paris. And in the title novella, Arturo Belano--one of the recurring heroes of Bolaño's fiction--returns to Chile after the coup to fight for socialism. Cowboy Graves is an unexpected treasure from the vault of a master of contemporary fiction. These three fiercely original tales bear the signatures of Bolaño's extraordinary body of work, echoing the strange characters and uncanny scenes of his fiction, while deepening our understanding of his profound gifts.

The Jungle Book Rudyard Kipling 1920

Veterinary Medicine and Human Health Calvin W. Schwabe 1967

2666 Roberto Bolaño 2013-07-09 A NATIONAL BOOK CRITICS CIRCLE AWARD WINNER THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS" (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, 2666 was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.

Robert Altman Mitchell Zuckoff 2010-12-07 Robert Altman-visionary director, hard-partying hedonist, eccentric family man, Hollywood legend—comes roaring to life in this rollicking oral biography. After an all-American boyhood in Kansas City, a stint flying bombers in World War II, and jobs ranging from dog tattoo entrepreneur to television director, Robert Altman burst onto the scene in 1970 with M*A*S*H. He reinvented American filmmaking, and went on to produce such masterpieces as McCabe & Mrs. Miller, Nashville, The Player, Short Cuts, and Gosford Park. In Robert Altman, Mitchell Zuckoff has woven together Altman's final interviews; an incredible cast of voices including Meryl Streep, Warren Beatty, Paul Newman, among scores of others; and contemporary reviews and news accounts into a riveting tale of an extraordinary life.

ZeroZeroZero Roberto Saviano 2016-08-30 An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah “Zero zero zero” flour is the finest, whitest available. It is also the nickname among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano's Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Saviano has broadened his perspective to take in the entire global “corporate” entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world's biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade's axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an investigative story like none other. Praise for ZerZeroZero: “[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators.” —Financial Times

Go Southwest, Old Man Mario Materassi 2009 Go Southwest, Old Man,, a sort of personal remake of 'Go West, Young Man', the founding episteme of the American nineteenth century, conciliates these two souls (well, not to be pretentious, let's simply say two sides) that have actually always lived in harmony. This is a book generated by a quarter of a century spent wandering around the canyons and deserts of Arizona, Colorado, Utah and, above all New Mexico, with a view to penetrating the by now universal legend of the West, approaching the cultures (English, Hispanic and native American), and mastering the literature. The slant is composite: melding the scholarly with the informative and the travel journal, and the writing is composite too, because the book speaks English and Italian. It talks about cinema (lots of John Ford) and about detective stories, the most popular genre here, about visual arts and Latino folklore, about the legend of the West, the so-called 'Soul of the Southwest', and the kitsch style of Santa Fe. And it talks about (and with) some of the greatest writers that the Southwest has spawned: Rudolfo Anaya, Stanley Crawford, John Nichols and Hillerman. So what we have is a first-hand experience of the Southwest; where the ego is not entrenched within a precise disciplinary role but opens up – and exposes itself – to the thrilling risk of the discovery that can renew it.

Mystery Big Cats Merrily Harpur 2021-05 Over the past 30 years every county in Britain, from Caithness to Cornwall, has had recurrent sightings of big cats. Described as being like pumas or panthers, these anomalous big cat sightings are now running at an estimated 1,200 a year. Mystery Big Cats is the first serious and comprehensive book on the subject. This new edition, the first for nearly 20 years, brings this exciting book back up to date with recent developments. From the drama of eyewitnesses verbatim accounts to the intrigue of new insights into these strange and often terrifying experiences, Merrily Harpur gets to grips with what is now the commonest encounter with the unknown in Britain.

Advertising & Art Alessia Alberti 2007 This is neither a manual claiming to be a popular summary nor a systematic treatment of the art of the wall poster. It is an original work, of vast scope, structured into independent essays organised along a cohesive timeline, from 1880 to the second half of the twentieth century, reflecting on various aspects of artistic advertising graphics in an interdisciplinary dimension and with an international perspective. From the establishment of the poster as an innovative form of large-circulation visual communication and from its emancipation from the painting aesthetics of the nineteenth century to the understanding of the influences of advertising on the Pop Art experiences of the 1960s, according to a logic of inverted relations. The constant points of reference show the relations not only with painting but also with graphic processing and design, publishing graphics, original prints and photography; in the background, there also is cinema, decorative arts and urban furnishing. Artists, schools, movements, trade magazines, the book industry, exhibitions and performances, business advertising, political and war propaganda, social topics: these are some of the subjects and phenomena that interact in the history of advertising languages, which have been framed here by the specialist expertise of six authors. There is also the recurrent emergence of the dialects around the instruments and purposes of advertising communication, between practice and experimentation, commercial requirements, professional training and creative demands.

The Second Jungle Book Rudyard Kipling 1897 Presents the further adventures of Mowgli, a boy reared by a pack of wolves, and the wild animals of the jungle. Also includes other short stories set in India.

Cougar! Harold P. Danz 1999 A comprehensive study of cougars that documents more than 150 cougar attacks on humans, discusses how they are threatened by human civilization, and examines the political policies designed to protect their habitat.

In Search of Captain Zero Allan Weisbecker 2002-09-16 In 1996, Allan Weisbecker sold his home and his possessions, loaded his dog and surfboards into his truck, and set off in search of his long-time surfing companion, Patrick, who had vanished into the depths of Central America. In this rollicking memoir of his quest from Mexico to Costa Rica to unravel the circumstances of Patrick's disappearance, Weisbecker intimately describes the people he befriended, the bandits he evaded, the waves he caught and lost en route to finding his friend. In Search of Captain Zero is, according to Outside

magazine, "A subtly affecting tale of friendship and duty. [It] deserves a spot on the microbus dashboard as a hell of a cautionary tale about finding paradise and smoking it away." In Search of Captain Zero: A Surfer's Road Trip Beyond the End of the Road is a Booksense 76 Top Ten selection for September/October.

Wildlife of Mexico Aldo Starker Leopold 1959

Pereira Maintains Antonio Tabucchi 2017-02-28 Tabucchi's masterpiece “conjures a state between waking and dreaming” (The New York Times) Dr. Pereira is an aging, lonely, overweight journalist who has failed to notice the menacing cloud of fascism over Salazarist Lisbon. One day he meets Montiero Rossi, an aspiring young writer whose anti-fascist fervor is as strong as Pereira's apolitical languor. Eventually, breaking out of the shell of his own inhibitions, Pereira reluctantly rises to heroism—and this arc is “one of the most intriguing and appealing character studies in recent European fiction” (Kirkus).

The Iguana Anna Maria Ortese 1987 In this magical novel a count from Milan stumbles upon a desolate community of lost noblemen on an uncharted island off the coast of Portugal. When he discovers, to his astonishment, that their ill-treated servant is in fact a maiden iguana, and then proceeds to fall in love with her, the reader is given a fantastic tale of tragic love and delusion that ranks among the most affecting in contemporary literature. "The reptilian servant is only the first in a series of fantastic touches that transform the narrative into a satiric fable dense with the echoes of Shakespeare's 'Tempest' and Kafka's 'Metamorphosis.' . . . The Iguana is a superb performance." "€"New York Times Book Review

A Long Way Down Nick Hornby 2014-05-06 A wise, affecting novel from the beloved, award-winning author of Dickens and Prince, High Fidelity, and About A Boy. New York Times–bestselling author Nick Hornby mines the hearts and psyches of four lost souls who connect just when they've reached the end of the line. A Long Way Down is now a major motion picture from Magnolia Pictures starring Pierce Brosnan, Toni Collette, Aaron Paul, and Imogen Poots. Meet Martin, JJ, Jess, and Maureen. Four people who come together on New Year's Eve: a former TV talk show host, a musician, a teenage girl, and a mother. Three are British, one is American. They encounter one another on the roof of Topper's House, a London destination famous as the last stop for those ready to end their lives. In four distinct and riveting first-person voices, Nick Hornby tells a story of four individuals confronting the limits of choice, circumstance, and their own mortality. This is a tale of connections made and missed, punishing regrets, and the grace of second chances. Intense, hilarious, provocative, and moving, A Long Way Down is a novel about suicide that is, surprisingly, full of life.

The Leu Family's Fabio Paleari 2003-05-01 Contient: The Leu family / by Henk Schiffmacher (p. 6-7); Felix Leu / from an interview with Jonathan Shaw (october 1991), p. 8-9.

Forest Cats of North America 2008

Megalodon Mark Renz 2002

The Making of Bigfoot Greg Long 2004-03 As featured in The Washington PostSkeptic or believer, if you have an interest in Bigfoot, you need to read this book.—Statesman Journal/SalemIf you are interested in [Bigfoot] and would like to see what really happened, this book is an excellent place to start....Certainly it will make you more determined to look deeper when presented evidence for unusual creatures.— SFCrownsnest.co.ukBigfoot! Huge, hairy, foul smelling, this legendary apelike animal continues to captivate the public's imagination. This fascination hinges on a single piece of motion-picture film shot in northern California in 1967. For thirty-five years, Bigfoot believers have been convinced that this sixty-second piece of film proves the physical reality of Bigfoot.But now comes a book that demolishes that belief, that produces final proof that the film footage is a hoax.The Making of Bigfoot tells the amazing story of Roger Patterson of Yakima, Washington. A part-time rodeo rider, chronically unemployed and dying of cancer, Patterson propelled himself into short-lived fame and fortune by exploiting his obsession with the Bigfoot subject and leveraging his expertise in manipulating and conning people to pull off one of the world's great hoaxes.Living within two hours of Patterson's hometown, for three years paranormal investigator and author Greg Long interviewed more than forty witnesses in Yakima who knew Patterson intimately. The voices of these witnesses, combined with facts unearthed from newspaper archives, books, and court documents, tell the real story of Roger Patterson.Both tragic and comical, a unique slice of Americana, The Making of Bigfoot captures the testimony of a colorful cast of characters who bring to life a man and a time in the 1960s when Bigfoot strode into the American imagination, and the world embraced a myth.Greg Long (Bellevue, WA) is a technical editor and writer for an environmental engineering company, and the author of Examining the Earthlight Theory: The Yakima UFO Microcosm, a study of UFO sightings on the Yakima Indian Reservation in south-central Washington state.

The Beast in the Garden: A Modern Parable of Man and Nature David Baron 2010-10-04 The true tale of an edenic Rocky Mountain town and what transpired when a predatory species returned to its ancestral home. When, in the late 1980s, residents of Boulder, Colorado, suddenly began to see mountain lions in their yards, it became clear that the cats had repopulated the land after decades of persecution. Here, in a riveting environmental fable that recalls Peter Benchley's thriller Jaws, journalist David Baron traces the history of the mountain lion and chronicles Boulder's effort to coexist with its new neighbors. A parable for our times, The Beast in the Garden is a scientific detective story and a real-life drama, a tragic tale of the struggle between two highly evolved predators: man and beast.

Grey E. L. James 2015-06-18 In Christianâe(tm)s own words, and through his thoughts, reflections, and dreams, E L James offers a fresh perspective on the love story that has enthralled millions of readers around the world. CHRISTIAN GREY exercises control in all things; his world is neat, disciplined, and utterly empty âe" until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworlly Ana seems to see right through him âe" past the business prodigy and the penthouse lifestyle to Christianâe(tm)s cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?

Ugo Mulas, Vitalità Del Negativo Ugo Mulas 2011 Documentation as art: Ugo Mulas' reportage on the exhibition "Vitalità del negativo nell'arte italiana 1960-1970" (Rome, 1970) and the Italian avant-garde.

Italian Folktales Italo Calvino 1980 Chosen by The New York Times as one of its best books in the year of its original publication, this treasure trove of 200 lively Italian folktales has won a cherished place among fans of the Brothers Grimm and Hans Christian Andersen. In this collection, Calvino combines a sensibility attuned to the fantastical with a singular writerly ability to capture the visions and dreams of a culture.

The Lament of the Linnet Anna Maria Ortese 1997 In 18th century Naples, three visitors from Flanders vie for the hand of a glovemaker's daughter. One is a merchant, a second is a duke and a third a sculptor. All are intrigued be her mysterious sorrow.

Dei Sepolcri: Carme Di Ugo Foscolo Ugo Foscolo 2019-03-03 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. The Skeptics' Guide to the Universe Dr. Steven Novella 2018-10-02 An all-encompassing guide to skeptical thinking from podcast host and academic neurologist at Yale University School of Medicine Steven Novella and his SGU co-hosts, which

Richard Wiseman calls "the perfect primer for anyone who wants to separate fact from fiction." It is intimidating to realize that we live in a world overflowing with misinformation, bias, myths, deception, and flawed knowledge. There really are no ultimate authority figures-no one has the secret, and there is no place to look up the definitive answers to our questions (not even Google). Luckily, *The Skeptic's Guide to the Universe* is your map through this maze of modern life. Here Dr. Steven Novella-along with Bob Novella, Cara Santa Maria, Jay Novella, and Evan Bernstein-will explain the tenets of skeptical thinking and debunk some of the biggest scientific myths, fallacies, and conspiracy theories-from anti-vaccines to homeopathy, UFO sightings to N- rays. You'll learn the difference between science and pseudoscience, essential critical thinking skills, ways to discuss conspiracy theories with that crazy co- worker of yours, and how to combat sloppy reasoning, bad arguments, and superstitious thinking. So are you ready to join them on an epic scientific quest, one that has taken us from huddling in dark caves to setting foot on the moon? (Yes, we really did that.) DON'T PANIC! With *The Skeptic's Guide to the Universe*, we can do this together. "Thorough, informative, and enlightening, *The Skeptic's Guide to the Universe* inoculates you against the frailties and shortcomings of human cognition. If this book does not become required reading for us all, we may well see modern civilization unravel before our eyes." -- Neil deGrasse Tyson "In this age of real and fake information, your ability to reason, to think in scientifically skeptical fashion, is the most important skill you can have. Read *The Skeptics' Guide Universe*; get better at reasoning. And if this claim about the importance of reason is wrong, *The Skeptics' Guide* will help you figure that out, too." -- Bill Nye

[Using Italian Vocabulary](#) Marcel Danesi 2003-08-07 *Using Italian Vocabulary* provides the student of Italian with an in-depth, structured approach to the learning of vocabulary. It can be used for intermediate and advanced undergraduate courses, or as a supplementary manual at all levels - including elementary level - to supplement the study of vocabulary. The book is made up of twenty units covering topics that range from clothing and jewellery, to politics and environmental issues, with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition. The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks. • A practical topic-based textbook that can be inserted into all types of course syllabi • Provides exercises and activities for classroom and self-study • Answers are provided for a number of exercises

Bruno Munari Pierpaolo Antonello 2019-06-06 Bruno Munari was one of the most important and eclectic twentieth-century European artists, pioneering what would later be labelled kinetic art. Through original archival research and illuminating comparisons with other artists and movements, both within and outside Italy, this volume offers a unique analysis of Munari's seven-decade-long career.

Under Arturo's Star Stefania Lucamante 2006 Elsa Morante has long been recognized internationally as one of the most significant, innovative, and important writers of the 20th century Italy. Nonetheless, there has, to date, been no full-length study in English dedicated to her work. Critical perspectives on Morante's literary achievement have shifted dramatically in recent years, and while this volume proposes to offer the first comprehensive evaluation of Morante to appear outside Italy, it also aims to take into account modern critical and theoretical developments. The authors' aim is to underline Morante's centrality in a broader context which goes beyond Italian national frontiers and deserves critical attention across a range of transcultural disciplines, departing from the traditional realm of philological

analysis to encompass approaches informed by cultural and interdisciplinary studies. This volume gives a comprehensive insight into current thinking on and understanding of Elsa Morante's work. This book places her work in a much wider context of European culture, and traces her influence on a younger generation of writers.

Onza! Neil B. Carmony 1995-05 "For centuries, Indian myths and Hispanic legends have told of a mysterious large wildcat, the Onza, said to inhabit the mountains and jungles of Mexico's Sierra Madre Occidental. Not a jaguar, not a mountain lion, the Onza is considered more elusive and ferocious than either. In the 20th century a variety of American hunters, writers, cryptozoologists and roustabouts have sought to unravel the mystery of the Onza. These men, including J. Frank Dobie, the Lee brothers, Robert Marshall, and Russell Annabel, have ranged the Mexican wilds to give the truth or lie to the Onza legend. This book slays the myths, celebrates the lore, and tells their stories of adventure."---Back cover

[Cenozoic Vertebrate Tracks and Traces](#) Spencer G. Lucas 2007

The Cougar Almanac Robert H. Busch 2004 A close-up look at one of the last great predators of North America.

Power of Silence Carlos Castaneda 2013-03-26 Millions of readers worldwide have treasured the visionary brilliance of Carlos Castaneda, who first explore the world of the Yaqui Indian sorcerer in *The Teachings of don Juan*. Now, at last, don Juan returns in *The Power of Silence* -- wise, infuriating, capable or working miracles and playing practical jokes, but always seeking the wisdom of the warrior. *The Power of Silence* is Castaneda's most astonishing book to date -- a brilliant flash of knowledge that illuminates the far reaches of the human mind. Through don Juan's mesmerizing stories, the true meaning of sorcery and magic is finally revealed. Honed in the desert of Sonora, the visions of don Juan give us the vital secrets of belief and self-realization that are transcendental and valid for us all. It is Castaneda's unique genius to show us that all wisdom, strength, and power lie within ourselves -- unleashed with marvelous energy and imaginative force in the teachings of don Juan -- and in the writings of his famous pupil, Carlos Castaneda

Mysteries from Forgotten Worlds Charles Berlitz 1990-05

Wild Cats of the World Mel Sunquist 2017-05-15 Did you know that European royalty once used cheetahs to hunt deer, or that caracals can capture birds by leaping six and a half feet straight up into the air from a standing start? Have you ever wondered whether domestic cats really do land on their feet when they fall, or how Canada lynx can stalk their prey in the winter without falling through the deep snow? *Wild Cats of the World* is a treasure trove of answers to questions like these, and many others, for anyone who's interested in learning more about the world's felids, including the ones with whom we share our homes. Mel and Fiona Sunquist have spent more than a decade gathering information about cats from every available source, many of them quite difficult to find, including scientific papers, descriptions of hunts, archeological findings, observations by naturalists and travelers, reports from government agencies, and newsletters from a wide variety of organizations. Weaving information from these sources together with their own experiences observing wild cats around the world, the Sunquists have created the most comprehensive reference on felids available. Each of their accounts of the 36 species of cat contains a description of the cat, including human interactions with it, as well as detailed data on its distribution, ecology and behavior, status in the wild, and efforts to conserve it. Numerous photographs, including more than 40 in full color, illustrate these accounts. Ranging from the two-pound black-footed cat to the five-hundred-pound tiger, and from the African serval with its satellite-dish ears to the web-footed fishing cat of Asia, *Wild Cats of the World* will fascinate and educate felid fans of any stripe (or spot).
