Alabaster Chris Aslan 2016-11-18 Maryam is stuck in an abusive marriage, living with her in-laws, in a conservative, toxically religious Middle Eastern setting. A few years back, her father was given a jar of priceless perfume by a dying leper and it seemed as if their fortunes would improve, but then Maryam's father contracted leprosy and was exiled by the village. Maryam and her brother, Eleazar, and sister, Marta, experience the shame and ostracism this brings. The precious jar that was meant to bring them freedom, but it only seems to have brought destruction. But rumours abound concerning a new doctor; perhaps hope is on the horizon...

Chosen Kellie Lane 2014-07-31 Have you ever wondered what your true purpose is in life? What are you passionate about? What are your gifts and talents? If you could walk out of your job today, what would you pursue? Do you feel that something is missing, but you can't quite put your finger on what it is? Perhaps you have the fine job and the house on the hill, but there is a yearning in your heart for something else that you really can't explain. Maybe you have very little, yet you can sense that greatness is buried within you. How do you activate it? If you've ever pondered any of these questions, Chosen may be the missing piece to your life's puzzle. Allow Life Coach Dr. Kellie Lane to guide you to the place within you where your true riches lie. Through Bible study and life application, Dr. Lane confirms that you are not here by happenstance. There is an assignment for your life, and the time has come for you to discover it. Yes, you can dream again! Yes, you can live a life that is happy and fulfilled! Chosen will empower you to be all about your Father's business.

The Church Cracked Open Stephanie Spellers 2021-03-17 "This book will make a profound difference for the church in this moment in history." — The Most Reverend Michael B. Curry Sometimes it takes disruption and loss to break us open and call us home to God. It's not surprising that a global pandemic and once-in-a-generation reckoning with white supremacy—on top of decades of systemic decline—have spurred Christians everywhere to ask who we are, why God placed us here and what difference that makes to the world. In this critical yet loving book, the author explores the American story and the Episcopal story in order to find out how communities steeped in racism, establishment, and privilege can at last fall in love with Jesus, walk humbly with the most vulnerable and embody beloved community in our own broken but beautiful way. The Church Cracked Open invites us to surrender privilege and redefine church, not just for the sake of others, but for our own salvation and liberation.

The Middle Ages in 50 Objects Elina Gertsman 2018-05-31 The extraordinary array of images included in this volume reveals the full and rich history of the Middle Ages. Exploring material objects from the European, Byzantine and Islamic worlds, the book casts a new light on the cultures that formed them, each culture illuminated by its treasures. The objects are divided among four topics: The Holy and the Faithful; The Sinful and the Spectral; Daily Life and Its Fictions, and Death and Its Aftermath. Each section is organized chronologically, and every object is accompanied by a penetrating essay that focuses on its visual and cultural significance within the wider context in which the object was made and used. Spot maps add yet another way to visualize and consider the significance of the objects and the history that they reveal. Lavishly illustrated, this is an appealing and original guide to the cultural history of the Middle Ages. *English Medieval Alabasters* Francis Cheetham 2005 Francis Cheetham's classic survey of English medieval alabasters includes a richly illustrated catalogue of the Victoria and Albert Museum's unparalleled collection. English alabasters represent a unique contribution to medieval art. Less sophisticated, perhaps, than other contemporary forms of religious art, they were a neglected area of study until this volume was first published in 1984. Stories from the New Testament and The Golden Legend were the most favoured subjects, and the numerous examples that survive in churches and museums throughout Europe attest to their wide and enduring appeal. Francis Cheetham examines here all aspects of their production and demonstrates how the panels and altarpieces can aid our understanding of life and devotional practice in medieval times. At the heart of this fascinating study is a richly illustrated catalogue of the 260 examples in the collection of London's Victoria and Albert Museum: a collection so comprehensive that it would be possible to write a survey of the subject almost without recourse to pieces elsewhere, as Sir Roy Strong notes in his Foreword. Their division into subject categories is an invaluable aid to identification and classification. The late Francis Cheetham was an acknowledged expert on medieval English alabasters, and this reissue of his classic work will be welcomed by historians, art historians, collectors and dealers alike, taking its place alongside his *Alabaster Images of Medieval England* which was published by the Boydell Press in 2003.

The Second Coming Cyrene 2014-04 The Second Coming takes a fresh look at the Gospel of Matthew through the unconditioned eyes of a truth-seeker. The book reinterprets the Gospel of Matthew from a non-dualistic perspective and brings out spiritual insights totally unexpected. The book also brings to the forefront the forgotten character of Joseph as the 'tekton' of the Gospel. The distinctive feature of the book is that it redefines abstruse or undefined biblical terms such as, the Father, the Son, the Holy Spirit, God, heaven, hell, Serpent, Satan, sin, etc., in a new light that makes the interpretation internally consistent, and also consistent with the external reality. According to the book, the message of the Gospel is straightforward: "The human body is the Savior. Therefore, turn to the body." The book goes beneath the literal content of the Gospel of Matthew to discover its soul.

[My Alabaster Box...](#) Catherine Elaine McPherson 2018-11-05 My Alabaster Box . . . Poetry, Prose, and Prayer is the compilation of life experiences written in verse and expounded upon through scripture, enlightened by Holy Spirit wisdom, and sealed with heartfelt prayers. Filtering life through the Christian worldview is demonstrated in the pages of My Alabaster Box. Both new believers, mature followers of Christ, and pre-Christians will find words of encouragement and direction. The author takes identifiable daily struggles and crafts a verse that expresses the emotion of the struggle, the joy of the understanding, or the pain of the loss in rhythm and rhyme that resonates with the soul. A gift from the Lord, the ability to connect heartfelt realities with pen and ink brings awareness to the reader that there is a higher power guiding our lives and that loves us all unconditionally. My Alabaster Box . . . was named from the account of the woman in the Bible who anointed the feet of Jesus with her own precious perfume. Before the sweet aroma was released throughout the house, however, she had to break the alabaster box that contained her life's savings. She held nothing back, even though the breaking of the bottle of oil made her vulnerable to people's reproach. Her response has taught us that in the presence of divinity passion preempts propriety. It is in the same vein of the broken vial that the author offers her own life experiences in verse as an oil of anointing poured out. May the worshipful words, not withheld, bring a wellspring of well-being to all who would venture within. Amen.

The Messiah of Peace Thomas E. Boomershine 2015-06-09 The telling of Mark's story of Jesus as the Messiah of peace in the decades following the Roman-Judean war announced a third way forward for Diaspora Judeans other than warfare against or separation from "the nations." Mark's Gospel was the story of the victory of a nonviolent Messiah who taught and practiced the ways of a new age of peace and reconciliation in contrast to the ancient and modern myth of redemptive violence. The Messiah of Peace is a performance-criticism commentary exploring a new paradigm of biblical scholarship that takes seriously the original experience of the Gospel of Mark as a lively story told to audiences rather than as a text read by readers. The commentary is correlated with the Messiah of Peace website, which features video recordings of the story in both English and Greek. Critical investigation of the sounds of the Markan passion-resurrection narrative reveals the identity of its original audiences as predominantly Judean with a minority of Gentile nonbelievers. Hearing the passion-resurrection story was an experience of involvement in the forces that led to the rejection and death of Jesus--an experience that brought on the challenges inherent in becoming a disciple of the Messiah of peace.
