[And Tango Makes Three](#) Justin Richardson 2015-06-02 The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own.

[Frenched](#) Melanie Harlow 2015-04-29 **This book includes FRENCHED (Mia and Lucas) and YANKED (a Mia and Lucas novella)**FRENCHED: When I got dumped by my stupid fiancé a week before the wedding, my plans involved nothing more than ice cream, and blanket fort, and a bonfire of his possessions. But my friends convinced me that bitter tastes better drowned in Bordeaux, so I came to Paris for a single-moon. Then I met him. He's shown me things I've never seen before, and I'm not talking about the Louvre. Is it just the seduction of Paris? Or could this be the real thing? YANKED:I never expected any of this- Getting dumped. Going to Paris alone. Falling for Lucas (he was so not on my list). We've done the long-distance-love thing for eight months now, and I'm ready for more. But after I discover what he's been hiding, will he stay on my list? Or should I cross him off for good?

[The Tao of Tango](#) Johanna Siegmann 2000 How to achieve balance in your life through Tango even if you can't dance.

[British Women Film Directors in the New Millennium](#) Stella Hockenull 2017-04-27 This book focuses on the output of women film directors in the period post Millennium when the number of female directors working within the film industry rose substantially. Despite the fact that nationally and internationally women film directors are underrepresented within the industry, there is a wealth of talent currently working in Britain. During the early part of the 2000s, the UKFC instigated policies and strategies for gender equality and since then the British Film Institute has continued to encourage diversity. British Women Directors in the New Millennium therefore examines the production, distribution and exhibition of female directors' work in light of policy. The book is divided into two sections: part one includes a historical background of women directors working in the twentieth century before discussing the various diversity funding opportunities available since 2000. The second part of the book examines the innovation, creativity and resourcefulness of British female film directors, as well as the considerable variety of films that they produce, selecting specific examples for analysis in the process.

[Politics of Touch](#) Erin Manning 2007 Political philosophy has long been bound by traditional thinking about the body. Through an engagement with the state-centered vocabulary of this discipline, Politics of Touch examines the ways in which bodies continually run up against existing political structures. In this groundbreaking work, Erin Manning reconsiders how politics attempts to paralyze the body through the idea of the national body politic. In Politics of Touch, Manning develops a new way to conceive the role of the senses, and of touch in particular. Exploring concepts of violence, gender, sexuality, security, democracy, and identity, she traces the ways in which touch informs the body. In an original and expansive analysis of tango - a tactile, rhythmic, and improvisational dance - Manning asserts the necessity of considering the sensing body in motion in order to think about its political implications. With a fresh vision and an original theoretical basis, Manning shows the body as its own ontological category, and in doing so redefines our understanding of the sense of touch in philosophical and political terms.

[Directors in British and Irish Cinema](#) Robert Murphy 2019-07-25 A guide to directors who have worked in the British and Irish film industries between 1895 and 2005. Each of its 980 entries on individuals directors gives a resume of the director's career, evaluates their achievements and provides a complete filmography. It is useful for those interested in film-making in Britain and Ireland.

[Coming Home to Story](#) Geoff Mead 2016-11-21 Stories take us into other worlds so that we may experience our own more deeply. Master storyteller Geoff Mead brings the reader inside the experience of telling and listening to a story. He shows how

stories and storytelling engage our imaginations, strengthen communities and bring adventure and joy into our lives. The narrative is interspersed with consummate retellings of traditional tales from all over the world.

[Twelve Minutes of Love](#) Kapka Kassabova 2011-11-03 Kapka Kassabova first set foot in a tango studio ten years ago and, from that moment, she was hooked. With the beat of tango driving her on and the music filling her head, she's danced across the world, from Auckland to Edinburgh, from Berlin to Buenos Aires, putting in hours of practice for fleeting moments of dance-floor ecstasy, suffering blisters and heart-break along the way. Here, in sparkling, spring-heeled prose, Kapka takes us inside the esoteric world of tango to tell the story of the dance, from its Afro roots to its sequined stars and back. Twelve Minutes of Love is a timeless tale of exile and longing, death and desire, love and belonging.

[Beginning Argentine Tango](#) Hiroshi Yamada 2012-01-08 Argentine Tango is awesome to watch in shows, and dancing it is famously addictive. However, many people are afraid to take a step to actually dance Argentine Tango. Instructors can teach only the Brave, who actually show up in a class. This book is intended to reach out to all people curious about dancing Tango. This book will get you prepared to dance Argentine Tango. Excerpts from Introduction: "This book is written with one purpose: to provide practical working knowledge for actually dancing Argentine Tango on the dance floor from a dancer's standpoint." "In other words, I wrote this book for the girl whom I met on the Salsa floor and wanted to learn Argentine Tango, for the guy who asked, "wow, that was cool. Can you show me the move again?" and for the couple who watched TV shows and wanted to learn Argentine Tango for their Anniversary." This book explains; Characteristics of Argentine Tango as a Dance, What to Wear, the Music, Floor Usage in Milonga (Argentine Tango party), How to Embrace, the Axis, Six Basic Elements and additional elements, and much more. By reading this book, you'll know; What they are doing in the Tango routine on TV shows Why the step practice you did to learn Salsa doesn't work well for learning Argentine Tango Why Ballet dancers and Figure Skaters are ready to dance Argentine Tango What is the most Important job for the beginning Tango Leader and the Follower, ...etc. [PS. Reasons to read this book] Money: Learning Argentine Tango from the beginning with instructors costs money. One 1-hour group workshop is priced between \$10-\$35, and a private lesson costs \$40-\$80 (or more). This book saves you money. Time: This book gives you guidance, helps to shorten your learning time, and prepares you to enjoy Argentine Tango sooner and faster. Power: Knowledge is power. This book empowers you on the dance floor.the bottom line is that the authors wish to help you get started for dancing Argentine Tango. Soon it will become your journey. Whatever path you choose to take, the authors wish you well for your journey.

[Argentine Queer Tango](#) Mercedes Liska 2016-12-24 Argentine Queer Tango: Dance and Sexuality Politics in Buenos Aires investigates changes in tango dancing in Buenos Aires during the first decade of the twenty-first century and its relationship to contemporary social and cultural transformations. Mercedes Liska focuses on one of the proposed alternatives to conventional tango, queer tango, which proposes to rethink one of the alleged icons of a national culture from a feminist conception and to imagine social transformation processes from bodily experiences.

Specifically, this book analyzes the value of bodily experiences, the redefinition of the mind-body relationship, and the transformation in the dynamics of the dance from the heteronormative movements of tango. In doing so, Liska addresses the ways in which bodily techniques and gender theories are involved in the denaturing and corporeality decoding of tango and its historical senses as well as the connections between different tango dance practices spread throughout the world. [Tiger Shrimp Tango](#) Tim Dorsey 2014-01-28 Determined to save a damsel in distress, the Sunshine State's favorite serial killer and encyclopedia of Florida lore Serge Storms dances a tango of death and mayhem in this funny and dementedly entertaining crime caper from Tim Dorsey, author of the New York Times bestseller The Riptide, Ultra-Glide. Thanks to the Internet, America has become a playground for ruthless scam artists out to make an easy buck. And where do these models of entrepreneurship hail from? Why, the Sunshine State of course! No one loves Florida more, or can keep it safe from invasive criminal species better than self-

appointed Sunshine Sheriff Serge Storms. When a particular scam leads to the death of a few innocents and a young woman's disappearance, Serge and his perpetually self-bent sidekick Coleman—aided by his new pal, latter-day noir private eye Mahoney—load up the car for a riotous road trip to do right. Packed with seafood, mayhem, blood, Coleman's deep thoughts, Floridian lore, and more, Tiger Shrimp Tango is a hilarious treat from the incomparable Tim Dorsey.

Women Screenwriters Jill Nelmes 2015-09-29 Women Screenwriters is a study of more than 300 female writers from 60 nations, from the first film scenarios produced in 1986 to the present day. Divided into six sections by continent, the entries give an overview of the history of women screenwriters in each country, as well as individual biographies of its most influential.

Dancing Tango Kathy Davis 2015-01-02 Argentinean tango is a global phenomenon. Since its origin among immigrants from the slums of Buenos Aires and Montevideo, it has crossed and re-crossed many borders. Yet, never before has tango been danced by so many people and in so many different places as today. Argentinean tango is more than a specific music and style of dancing. It is also a cultural imaginary which embodies intense passion, hyper-heterosexuality, and dangerous exoticism. In the wake of its latest revival, tango has become both a cultural symbol of Argentinean national identity and a transnational cultural space in which a modest, yet growing number of dancers from different parts of the globe meet on the dance floor. Through interviews and ethnographical research in Amsterdam and Buenos Aires, Kathy Davis shows why a dance from another era and another place appeals to men and women from different parts of the world and what happens to them as they become caught up in the tango salon culture. She shows how they negotiate the ambivalences, contradictions, and hierarchies of gender, sexuality, and global relations of power between North and South in which Argentinean tango is—and has always been—embroiled. Davis also explores her uneasiness about her own passion for a dance which—when seen through the lens of contemporary critical feminist and postcolonial theories—seems, at best, odd, and, at worst, disreputable and even a bit shameful. She uses the disjuncture between the incorrect pleasures and complicated politics of dancing tango as a resource for exploring the workings of passion as experience, as performance, and as cultural discourse. She concludes that dancing tango should be viewed less as a love/hate embrace with colonial overtones than a passionate encounter across many different borders between dancers who share a desire for difference and a taste of the 'elsewhere.' Dancing Tango is a vivid, intriguing account of an important global cultural phenomenon.

Existentialism and Contemporary Cinema Jean-Pierre Boulé 2012-09-15 Simone de Beauvoir's work has not often been associated with film studies. This is paradoxical when it is recognized that she was the first feminist thinker to inaugurate the concept of the gendered "othering" gaze. Moreover, other concepts associated with Beauvoirian existentialism such as ambiguity, gendered alienation, situated freedom, and woman as absolute Other are highly suggestive for reading screen culture. This book is an attempt to redress this balance and reopen the dialogue between Beauvoir's writings and film studies. The authors analyze a range of films, from directors including Claire Denis, Michael Haneke, Lucille Hadzihalilovic, Sam Mendes, and Sally Potter, by drawing from Beauvoir's key works such as *The Second Sex* (1949), *The Ethics of Ambiguity* (1947), and *Old Age* (1970). The breadth of this book demonstrates the extent to which "existential" themes transcend space and time, continue to resonate with contemporary stars and film directors, and add value and meaning to the basic questions about human existence, and the quest for "authenticity."

Tracing Tangueros Kacey Link 2016-01-29 Tracing Tangueros offers an inside view of Argentine tango music in the context of the growth and development of the art form's instrumental and stylistic innovations. Rather than perpetuating the glamorous worldwide conceptions that often only reflect the tango that left Argentina nearly 100 years ago, authors Kacey Link and Kristin Wendland trace tango's historical and stylistic musical trajectory in Argentina, beginning with the guardia nueva's crystallization of the genre in the 1920s, moving through tango's Golden Age (1932-1955), and culminating with the "Music of Buenos Aires" today. Through the transmission, discussion, examination, and analysis of primary sources currently unavailable outside of Argentina, including scores, manuals of style, archival audio/video recordings, and live video footage of performances and demonstrations, Link and Wendland frame and define Argentine tango music as a distinct expression possessing its own musical legacy and characteristic musical elements. Beginning by establishing a broad framework of the tango art form, the book proceeds to move through twelve in-depth profiles of representative tangueros (tango musicians) within the genre's historical and stylistic trajectory. Through this focused examination of tangueros and their music, Link and Wendland show how the dynamic Argentine tango grows from one tanguero linked to another, and how the composition techniques and performance practices of each generation are informed by that of the past.

Tuesdays with Morrie Mitch Albom 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author "A wonderful book, a story of the heart told by a writer with soul."—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Modern Dancing Vernon Castle 1914

American English File 3E Level 1 Student Book Christina Latham-Koenig 2019-07-11 American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

The Essay Film Timothy Corrigan 2011-08-01 Why have certain kinds of documentary and non-narrative films emerged as the most interesting, exciting, and provocative movies made in the last twenty years? Ranging from the films of Ross McElwee (*Bright Leaves*) and Agnès Varda (*The Gleaners and I*) to those of Abbas Kiarostami (*Close Up*) and Ari Folman (*Waltz with Bashir*), such films have intrigued viewers who at the same time have struggled to categorize them. Sometimes described as personal documentaries or diary films, these eclectic works are, rather, best understood as cinematic variations on the essay. So argues Tim Corrigan in this stimulating and necessary new book. Since Michel de Montaigne, essays have been seen as a lively literary category, and yet—despite the work of pioneers like Chris Marker—seldom discussed as a cinematic tradition. The Essay Film, offering a thoughtful account of the long rapport between literature and film as well as novel interpretations and theoretical models, provides the ideas that will change this.

Lonely Planet Argentina Lonely Planet 2012-08-01 #1 best-selling guide to

Argentina* Lonely Planet Argentina is your passport to all the most relevant and up-to-date advice on what to see, what to skip, and what hidden discoveries await you. Al Quinn Mysteries: Collection 1 Russ Hall 2017-11-28

It Takes One to Tango Winifred M. Reilly 2017-04-04 With a focus on self-empowerment and resilience, this refreshing and witty relationship guide has a reassuring counterintuitive message for unhappy spouses: you only need one partner to initiate far-reaching positive change in a marriage. Conventional wisdom says that "it takes two" to turn a troubled marriage around and that both partners must have a shared commitment to change. So when couples can't agree on how—or whether—to make their marriage better, many give up or settle for a less-than-satisfying marriage (or think the only way out is divorce). Fortunately, there is an alternative. "What distinguishes Reilly's book is that she says a warring couple don't have to agree on the goal of staying together; it takes one person changing, not both, to make a marriage work" (The New York Times). Marriage and family therapist Winifred Reilly has this message for struggling partners: Take the lead. Doing so is effective—and powerful. Through Reilly's own story of reclaiming her now nearly forty-year marriage, along with anecdotes from many clients she's worked with, you'll learn how to: -Focus on your own behaviors and change them in ways that make you feel good about yourself and your marriage -Take a firm stand for what truly matters to you without arguing, cajoling, or resorting to threats -Identify the "big picture" issues at the basis of your repetitive fights—and learn how to unhook from them -Be less reactive, especially in the face of your spouse's provocations -Develop the strength and stamina to be the sole agent of change Combining psychological theory, practical advice, and personal narrative, *It Takes One to Tango* is a "wise and uplifting" (Dr. Ellyn Bader, Director of The Couples Institute) guide that will empower those who choose to take a bold, proactive approach to creating a loving and lasting marriage.

Hold Me Tight and Tango Me Home Maria Finn 2010-02-09 "Beautifully told. Maria Finn relays her adventures in the world of tango with excitement, wit, and insight." —Robert Farris Thompson, author of *Tango: The Art History of Love* Maria Finn's husband was cheating. First she threw him out. Then she cried. Then she signed up for tango lessons. It turns out that tango has a lot to teach about understanding love and loss, about learning how to follow and how to lead, how to live with style and flair, take risks, and sort out what it is you really want. As Maria's world begins to revolve around the friendships she makes in dance class and the milongas (social dances) she attends regularly in New York City, we discover with her the fascinating culture, history, music, moves, and beauty of the Argentine tango. With each new dance step she learns—the embrace, the walk, the sweep, the exit—she is one step closer to returning to the world of the living. Eventually Maria travels to Buenos Aires, the birthplace of tango, and finds the confidence to try romance again. As exhilarating as the dance itself, the story whisks us into the center of the ballroom dancing craze. And buoyed by the author's humor and passion, it imparts surprising insights about how to get on with life after you've lost in love.

Hold Me Tight and Tango Me Home Maria Finn 2010-01-01 The author describes how, after she divorced her cheating husband, tango lessons taught her about love and loss; how to follow and how to lead; and how to live with style and flair, take risks and sort out what you really want, in a book that also explores the culture, history, music, moves and beauty of the Argentine tango. Original.

Instructions for Dancing Nicola Yoon 2021-06-01 AN INSTANT #1 NEW YORK TIMES BESTSELLER "A charming, wholehearted love story that's sure to make readers swoon."—Entertainment Weekly "Nicola Yoon writes from the heart in this beautiful love story."—Good Morning America "It's like an emotional gut punch—so beautiful and also heart-wrenching."—US Weekly In this romantic page-turner from the author of *Everything, Everything* and *The Sun Is Also a Star*, Evie has the power to see other people's romantic fates—what will happen when she finally sees her own? Evie Thomas doesn't believe in love anymore. Especially after the strangest thing occurs one otherwise ordinary afternoon: She witnesses a couple kiss and is overcome with a vision of how their romance began . . . and how it will end. After all, even the greatest love stories end with a broken heart, eventually. As Evie tries to understand why this is happening, she finds herself at La Brea Dance Studio, learning to waltz, fox-trot, and tango with a boy named X. X is everything that Evie is not: adventurous, passionate, daring. His philosophy is to say yes to everything—including entering a ballroom dance competition with a girl he's only just met. Falling for X is definitely not what Evie had in mind. If her visions of heartbreak have taught her anything, it's that no one escapes love unscathed. But as she and X dance around and toward each other, Evie is forced to question all she thought she knew about life and love. In the end, is love worth the risk?

The Parrot Tico Tango Anna Witte 2019-02-01 Watch out for Tico Tango! He wants all of the fruit in the forest for himself, even though it belongs to other animals. Will he anything make this fruit-snatching parrot learn his lesson? Find out in this musical story that teaches kids about colors, animals, and being grateful for what they have.

From Ballroom to DanceSport Caroline Joan S. Picart 2012-02-01 An insider explores the transformation of ballroom dance into an Olympic sport.

Women Filmmakers Jacqueline Levitin 2012-12-06 This wide-ranging volume of new work brings together women filmmakers and critics who speak about what has changed over the past twenty years. Including such filmmakers as Margarethe von Trotta, Deepa Mehta, and Pratibha Parmar, and such critics as E. Ann Kaplan, this comprehensive volume addresses political, artistic, and economic questions vital to understanding the relationship of women to the art and business of filmmaking. **The Meaning Of Tango** Christine Denniston 2014-12-08 From the backstreets of Buenos Aires to Parisian high society, this is the extraordinary story of the dance that captivated the world - a tale of politics and passion, immigration and romance. The Tango was the cornerstone of Argentine culture, and has lasted for more than a hundred years, popular today in America, Japan and Europe. 'The Meaning of Tango' traces the roots of this captivating dance, from it's birth in the poverty

stricken Buenos Aires, the craze of the early 20th century, right up until it's revival today, thanks to shows such as Strictly Come Dancing. This book offers history, knowledge, teachings and in-sights which makes it valuable for beginners, yet its in-depth analysis makes it essential for experienced dancers. It is an elegant and cohesive critique of the fascinating tale of the Tango, which not only documents its culture and politics, but is also technically useful.

The Tango Lesson Sally Potter 1997 A screenplay by the writer/director of Orlando. A female film-maker, struggling with the writing of her new film, gradually abandons herself to the physical world of the tango, under the tutelage of an Argentinian living and performing in Paris. They fall in love and strike a bargain.

Guide to Jewish Films on Video Larry Ankiewicz 2000 A compendium of information on over 400 feature length films of Jewish interest available on video

Let's Dance Cal Pozo 2007 DVD video instructions are focused on how to lead or follow the dance patterns featured in the book.

25 Tango Lessons Andrea Shepherd 2021-06-14 Andrea discovered Argentine tango in her 20s. Over the next decades it gradually changed - and in many ways became - her life. Just about everything in tango is a microcosm of life at large, and just about everything learned on the dance floor is a life lesson as well. This book is a collection of some of the most interesting and valuable things this passionate and complex dance has taught Andrea over the years she has been practising and teaching it.

The Bogart File Terence Pettigrew 1977

Tango Lessons Marilyn G. Miller 2014-01-13 From its earliest manifestations on the street corners of nineteenth-century Buenos Aires to its ascendancy as a global cultural form, tango has continually exceeded the confines of the dance floor or the music hall. In *Tango Lessons*, scholars from Latin America and the United States explore tango's enduring vitality. The interdisciplinary group of contributors—including specialists in dance, music, anthropology, linguistics, literature, film, and fine art—take up a broad range of topics. Among these are the productive tensions between tradition and experimentation in tango nuevo, representations of tango in film and contemporary art, and the role of tango in the imagination of Jorge Luis Borges. Taken together, the essays show that tango provides a kaleidoscopic perspective on Argentina's social, cultural, and intellectual history from the late nineteenth to the early twenty-first centuries. Contributors: Esteban Buch, Oscar Conde, Antonio Gómez, Morgan James Luker, Carolyn Merritt, Marilyn G. Miller, Fernando Rosenberg, Alejandro Sust

Tango Camille Cusumano 2008-11-10 Tango is a memoir by a woman who loved, lost, got mad, and decided to dance. The book traces the author's fall, redemption, and renewal through tango. After a violent encounter with her ex's new girlfriend, Camille Cusumano decided she had some serious soul-searching to do. She took off for Buenos Aires intending to stay a few short weeks, but when her search for inner peace met with her true passion for tango, she realized she'd need to stay in Argentina indefinitely. Tango chronicles Camille's experience falling in love with a country through the dance that embodies intensity, freedom, and passion—all pivotal to her own process of self-discovery. From the charm of local barrios to savory empanadas, Camille whole-heartedly embraces the ardent culture of

Argentina, and soon a month-long escape turns into a year-long personal odyssey. Slowly letting go of her anger through a blend of tango, Zen, and a burgeoning group of friends, she discovers that her fierceness and patience can exist in harmony as she learns how to survive in style when love falls apart.

Two to Tango Eduardo Fernández-Arias 2016-06-17 It takes two to tango. Strong public-private collaboration is key for discovering and implementing effective productive development policies to bring out the best in existing economic activities and to foster economic transformation. The 25 Latin American cases analyzed in this volume show how and why many public and private partners are dancing smoothly while others stumble or follow different drummers. This book is a resource for designing institutions to make public-private interaction a win-win strategy.

Global Tangos Melissa A. Fitch 2015-02-25 *Global Tangos: Travels in the Transnational Imaginary* argues against the hackneyed rose-in-mouth clichés of Argentine tango, demonstrating how the dance may be used as a way to understand transformations around the world that have taken place as a result of two defining features of globalization: transnationalism and the rise of social media. *Global Tangos* demonstrates the cultural impact of Argentine tango in the world by assembling an unusual array of cultural narratives created in almost thirty countries, all of which show how tango has mixed and mingled in the global imaginary, sometimes in wildly unexpected forms. Topics include Tango Barbie and Ken, advertising for phone sex, the presence of tango in political upheavals in the Middle East and in animated Japanese children's television programming, gay tango porn, tango orchestras and composers in World War II concentration camps, global tango protests aimed at reclaiming public space, the transformation of Buenos Aires as a result of tango tourism, and the use of tango for palliative care and to treat other ailments. They also include the global development of queer tango theory, activism, and festivals. *Global Tangos* shows how the rise in social media has heralded a new era of political activism, artistry, solidarity, and engagement in the world, one in which virtual global tango communities have indeed become very "real" social and support networks. The text engages some key concepts from contemporary critics in the fields of tourism studies, geography, dance studies, cultural anthropology, literary studies, transnational studies, television studies, feminism, and queer theory. *Global Tangos* underscores the interconnectedness of cultural identity, economics, politics, and power in the production, marketing, distribution, and circulation of global images related to tango—and, by extension, Latin America—that travel the world.

Tango Secrets Educator X 2021-07

Best Practices for Administering Online Programs Daniel Hillman 2020-10-20 *Best Practices for Administering Online Programs* is a practical volume for university teams seeking to manage effective online programs. Defining, designing, implementing, and updating online courses is a highly collaborative effort, particularly with limited resources and expanding student enrollment. This book unites the efforts of program directors, supervisors, department chairs, participating faculty, instructional designers, IT specialists, and support staff toward a common goal: affordable, accessible, and scalable online learning. Readers will find guidelines for fostering quality, faculty skills, academic integrity, learning objectives, course improvement, and more.
