WebPolitical developments aside, the most visible after-effect of the Rising was the destruction of Sackville Street and adjoining thoroughfares such as Moore Street; this was the combined result of fire and military bombardment. Many contemporaries likened the smouldering ruins to a scene from the First World War.

Webcontroversy. Historically, Moore Street was at the epicentre of the 1916 Rising and for this reason it has been at the heart of fractious contemporaneous debate about the urban development of that part of Dublin's north inner city. This reflective commentary is motivated by two questions. First, how should the

Webthey bought second-hand clothes in Cole's Lane, off Moore Street, or at the many other such markets scattered around the city. These sold useful household utensils, bits of furniture, bric-a-brac, and, of course, the inevitable piles of cast-off clothing. The deprivation and hardship endured by the poor was of such magnitude that few survived it.
