households for its opulence and the way the light glimmers and plays on the beautiful metallic designs. Those in love with this brilliant style of embroidery can now create their own with easy-to-follow, step-by-step guide. Through calm and deliberate instruction, Chamberlin's book aims to teach the reader how to create a personal sampler - a piece of embroidery containing a mixture of designs and stitches, which shall provide a basis for future projects and enable readers to continue on their goldwork journey. With multiple stitch techniques - from simple laid stitch to the more complex basket stitch, several design motifs with corresponding templates that can be used, and a luminous gallery of finished work interspersed throughout, Chamberlin's work gently introduces beginners to the exquisite needle art of goldwork embroidery.

Hand and Machine is a complete sewing course for first-timers. It starts by telling you which pieces of sewing kit you need to buy, explaining which fabrics to use, and how to use paper patterns. The second part of the book is a structured course of 12 workshops, which build from the most basic hand-sewing techniques through to more advanced dressmaking skills. At the end of each workshop, there is also a step-by-step project, which reinforces the skills mastered in the workshop, allowing you to recognize your progress as you go. The projects range from simple hand-embroidered cushions to a lined throw, and from a Shirred sundress to an organdie pleated skirt. Techniques include embroidery, patchwork, quilting, dressmaking, and curtain-making, and there are useful tips and shortcuts throughout the
