The True Story of a Mouse Who Never Asked for It Ana Cristina Herreros 2021-06-22 The True Story of a Mouse Who Never Asked for It is a visually striking, deeply feminist, contemporary retelling of a Spanish folk tale, rediscovered and brought to new life by author Ana Cristina Herreros and illustrator Violeta Lopiz. In Herreros and Lopiz's version—which sharply diverges from the most mainstream and popularized telling of the story—a mouse is approached by many suitors, rejecting all but one: a cat, whose gentle meow assures her that he won't bring her harm. But one must remember that a kitten always grows up to be a cat...and thusly, will devour the mouse.

Of Mice and Men John Steinbeck 1937 Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

A Tail of Camelot Julie Leung 2016-10

The Song of the Winns: The Spies of Gerander Frances Watts 2013-04-23 After discovering their parents are still alive and their homeland of Gerander is in danger, mouse triplets Alistair, Alice, and Alex, and their friend Tibby Rose, have joined the underground rebel organization FIG. In quick measure, FIG orders Alex and Alice go undercover in Souris to infiltrate Queen Eugenia's palace while Alistair and Tibby Rose are sent to discover Gerander's secret paths, which may be the key Gerandans need to triumph and for the triplets to rescue their parents. Enemy spies, attacking eagles, and blizzarding mountaintops seem all the more challenging when there is a lack of good cheese available, but these four young mice respond with endless creativity and determination. Cheeky and entertaining, The Spies of Gerander is an action filled sequel to the first book in The Song of the Winns series, The Secret of the Ginger Mice.

Flamer Mike Curato 2020-09-01 Award-winning author and artist Mike Curato draws on his own experiences in Flamer, his debut graphic novel, telling a difficult story with humor, compassion, and love. "This book will save lives." —Jarrett J. Krosoczka, author of National Book Award Finalist Hey, Kiddo I know I'm not gay. Gay boys like other boys. I hate boys. They're mean, and scary, and they're always destroying something or saying something dumb or both. I hate that word. Gay. It makes me feel . . . unsafe. It's the summer between middle school and high school, and Aiden Navarro is away at camp. Everyone's going through changes—but for Aiden, the stakes feel higher. As he navigates

friendships, deals with bullies, and spends time with Elias (a boy he can't stop thinking about), he finds himself on a path of self-discovery and acceptance.

The Story Grid Shawn Coyne 2015-05-02 WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story/the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

The Mouse and the Motorcycle Beverly Cleary 2009-10-06 In this imaginative adventure from Newbery Medal-winning author Beverly Cleary, a young mouse named Ralph is thrown into a world of excitement when a boy and his shiny toy motorcycle check in to the Mountain View Inn. When the ever-curious Ralph spots Keith's red toy motorcycle, he vows to ride it. So when Keith leaves the bike unattended in his room one day, Ralph makes his move. But with all this freedom (and speed!) come a lot of obstacles. Whether dodging a rowdy terrier or keeping his nosy cousins away from his new wheels, Ralph has a lot going on! And with a pal like Keith always looking out for him, there's nothing this little mouse can't handle. This timeless classic now features a foreword written by New York Times bestselling author Kate DiCamillo, as well as an exclusive interview with Beverly Cleary herself. The Mouse and the Motorcycle is perfect for independent reading or for shared reading at home or in a classroom. This fun story is the first of a trilogy, along with Runaway Ralph and Ralph S. Mouse, all inspired by the author's hope to create appealing books for boys and girls—and by the sight of her son playing with toy cars. *A House-mouse Christmas* Ellen Jareckie 2004 While the rest of the house is sound asleep, the hardworking mice scurry about to prepare for a festive Christmas day by making snow mice, trimming the tree, and decorating cookies. Who Did It First? 50 Scientists, Artists, and Mathematicians Who Revolutionized the World Julie Leung 2019-10-15 A boldly illustrated and fascinating collection of profiles featuring the women and men who were pioneers of science, technology, engineering, the arts, and mathematics. You likely know that Mae Jemison was the first African American woman in space. And maybe you know that Jane Goodall was the first human accepted into a chimpanzee community. But you might not know that Alan Turing was the first person to introduce the concept of artificial intelligence. Or that Tu Youyou was the first Chinese woman to win a Nobel Prize. Who Did It First? 50 Scientists, Artists, and Mathematicians Who Revolutionized the World brings together all of these trailblazers into one stunning package. With both well-known figures and lesser-known heroes, editor Alex Hart, writer Julie Leung, and illustrator Caitlin Kuhwald celebrate the inspiring innovators who braved uncharted waters to pave the path for future generations. Perfect for fans of Little Leaders, Women in Science, and Rad Women Worldwide, Who Did It First? makes a wonderful gift for any occasion and is a must-have for every young reader’s library. Featuring Ada Lovelace, Mindy Kaling, Temple Grandin, Maria Tallchief, Riz Ahmed, and many others.

Scaredy Mouse Alan Macdonald 2021-09-07 Squeak is a scaredy-mouse, but his sister convinces him to go to the kitchen with her to get some chocolate cake. What if he gets lost, though, or comes face-to-face with the big orange cat? With a piece of string tied to his waist so that he will be able to find his way home, Squeak sets out into the dark, shadowy hall....

The Mice of the Round Table 1: A Tail of Camelot Julie Leung 2017-05-04 An epic adventure of daring, legend and legacy begins below the floorboards of Camelot. Below the carpets and flagstones of Camelot lies a secret world much like Arthur’s royal court. Lord Yvers Christopher leads the castle creatures with a steady paw, upholds a tenuous truce with the animals of the Darkling Woods and guards the world’s greatest treasure: the Holy Grail. Unknown to the knights above, the mice of the round table strive to ensure the safety of all who live within the castle walls, human and otherwise. So when Yvers is assassinated, the whole of Camelot is at risk. His grandson Calib Christopher must follow in his pawsteps but does the young mouse have the strength and power to lead his people and unite with the Darklings against the evil that threatens them all? A rich, fun fantastical new series from new talent Julie Leung.

The Acts of King Arthur and His Noble Knights John Steinbeck 2001-05-03 This text is a collection of Steinbeck’s rendition of stories heroic, romantic and tragic from Malory’s Morte D’Arthur which chronicle the life of Arthur, from his mysterious birth through battles and adventures to his establishment as king.

Starring Shapes! Tania Howells 2015-09-01 Shapes play supporting roles in the world around us, but which one will be the star of Shapeston Elementary School’s play? Triangle has experience as a traffic sign, and Square moonlights as a postage stamp, Circle as a lemon slice, Rectangle as the cover of a magazine and Diamond as a kite, while Oval has played a surfboard. A fun and fresh look at basic shapes that will have you seeing them in surprising places.

The Mousetrap Agatha Christie 1982 Melodrama / 5m, 3f / Int. The author comes forth with another hit about a group of strangers stranded in a boarding house during a snow storm, one of whom is a murderer. The suspects include the newly married couple who run the house, and the suspicions that are in their minds nearly wreck their perfect marriage. Others are a spinster with a curious background, an architect who seems better equipped to be a chef, a retired Army major, a strance little man who claims his car has overturned in a drift, and a jurist who makes life miserable for everyone. Into their midst comes a policeman, traveling on skis. He no sooner arrives, than the jurist is killed. Two down, and one to go. To get to the rationale of the murderer’s pattern, the policeman probes the background of everyone present, and rattles a lot of skeletons. Another famous Agatha Christie switch finish! Chalk up another superb intrigue for the foremost mystery writer of her time.

Inside Out & Back Again Thanhha Lai 2013-03-01 Moving to America turns H&à’s life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl’s year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

There’s a Mouse on My Head! Donna L Warwick 2015-08-03 A rhyming picture book for 2-8 year olds, their parents and grandparents.This book explores the incredible imagination of a boy. He imagines that his toy mouse comes alive to help him solve the problem of eating his peas and cheese. Little sister, not wanting to be left out of the fun, gleefully jumps in. Their understanding grandmother is inspired to play along, until the boy’s resourcefulness and creativity get totally out of hand and his fun fantasy runs wild.

Raymie Nightingale Kate DiCamillo 2016-04-12 A 2016 National Book Award Finalist! Two-time Newbery Medalist Kate DiCamillo returns to her roots with a moving, masterful story of an unforgettable summer friendship. Raymie Clarke has come to realize that everything, absolutely everything, depends on her. And she has a plan. If Raymie can win the Little Miss Central Florida Tire competition, then her father, who left town two days ago with a dental hygienist, will see Raymie’s picture in the paper and (maybe) come home. To win, not only does Raymie have to do good deeds and learn how to twirl a baton; she also has to contend with the wispy, frequently fainting Louisiana Elefante, who has a show-business background, and the fiery, stubborn Beverly Tapinski, who’s determined to sabotage the contest. But as the competition approaches, loneliness, loss, and unanswerable questions draw the three girls into an unlikely friendship — and challenge each of them to come to the rescue in unexpected ways.

The Rise of Liberal Religion Matthew Hedstrom 2013 Winner of the Frank S. and Elizabeth D. Brewer Best First Book Prize of the American Society of Church History Named a Society for U. S. Intellectual History Notable Title in American Intellectual History The story of liberal religion in the twentieth century, Matthew S. Hedstrom contends, is a story of cultural ascendancy. This may come as a surprise-most scholarship in American religious history, after all, equates the numerical decline of the Protestant mainline with the failure of religious liberalism. Yet a look beyond the pews, into the wider culture, reveals a more complex and fascinating story, one Hedstrom tells in The Rise of Liberal Religion. Hedstrom attends especially to the critically important yet little-studied arena of religious book culture-particularly the religious middlebrow of mid-century-as the site where religious liberalism was most effectively popularized. By looking at book weeks, book clubs, public libraries, new publishing enterprises, key authors and bestsellers, wartime reading programs, and fan mail, among other sources, Hedstrom is able to provide a rich, on-the-ground account of the men, women, and organizations that drove religious liberalism’s cultural rise in the 1920s, 1930s, and 1940s. Critically, by the post-WWII period the religious middlebrow had expanded beyond its Protestant roots, using mystical and psychological spirituality as a platform for interreligious exchange. This compelling history of religion and book culture not only shows how reading and book buying were critical twentieth-century religious practices, but also provides a model for thinking about the relationship of religion to consumer culture more broadly. In this way, The Rise of Liberal Religion offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times.

The Wonderling Mira Bartok 2017-09-26 In this extraordinary debut novel with its deft nod to Dickensian heroes and rogues, Mira Bartók tells the story of Arthur, a shy, fox-like foundling with only one ear and a desperate desire to belong, as he seeks his destiny. Have you been unexpectedly burdened by a recently orphaned or unclaimed creature? Worry not! We have just the solution for you! Welcome to the Home for Wayward and Misbegotten Creatures, an institution run by evil Miss Carbunkle, a cunning villainess who believes her terrified young charges exist only to serve and suffer. Part animal and part human, the groundlings toil in classroom and factory, forbidden to enjoy anything regular children have, most particularly singing and music. For the Wonderling, an innocent-hearted, one-eared, fox-like eleven-year-old with only a number rather than a proper name — a 13 etched on a medalion around his neck — it is the only home he has ever known. But unexpected courage leads him to acquire the loyalty of a young bird groundling named Trinket, who gives the Home’s loneliest inhabitant two incredible gifts: a real name — Arthur, like the good king in the old stories — and a best friend. Using Trinket’s ingenious invention, the pair escape over the wall and embark on an adventure that will take them out into the wider world and ultimately down the path of sweet Arthur’s true destiny. Richly imagined, with shimmering language, steampunk motifs, and gripping, magical plot twists, this high adventure fantasy is the debut novel of award-winning memoirist Mira Bartók and has already been put into development for a major motion picture.

Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder’s unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Arnie, the Doughnut Laurie Keller 2018-12-18 This ebook includes audio narration. A deliciously imaginative story about friendship—from the author / illustrator of The Scrambled States of America. Arnie was fascinated as he watched the customers stream into the bakery. One by one, doughnuts were chosen, placed in paper bags, and whisked away with their new owners. Some went by the dozen in giant boxes. "Good-bye!" Arnie yelled to each doughnut. "Have a good trip!" "This is so exciting!" Arnie beamed. "I wonder who will choose ME?" At first glance, Arnie looks like an average doughnut—round, cakey, with a hole in the middle, iced and sprinkled. He was made by one of the best bakeries in town, and admittedly his sprinkles are candy-colored. Still, a doughnut is just a doughnut, right? WRONG! Not if Arnie has anything to say about it. And, for a doughnut, he sure seems to have an awful lot to say. Can Arnie change the fate of all doughnuts—or at least have a hand in his own future? Well, you'll just have to read this funny story and find out for yourself. This title has Common Core connections Arnie, the Doughnut is a 2004 Bank Street - Best Children’s Book of the Year.

Chengli and the Silk Road Caravan Hildi Kang 2011-09-08 Chengli is an orphaned errand boy who lives in Chang’an China in 630 A.D. His mother has died from illness and his father is presumed dead after disappearing into the desert when Chengli was a baby. Now thirteen, Chengli feels ready for independence. He is drawn to the desert, beckoned by the howling of strange winds and the hope of learning something about his father--who he was and how he died. Chengli joins a caravan to travel down the merchant route known as the Silk Road, but it is a dangerous life, as his father knew. The desert is harsh, and there are many bandits--bandits interested in Chengli’s caravan because a princess, her servants, and royal guards are traveling with them. But the desert is full of amazing places and life-changing experiences, as the feisty princess learns the meaning of friendship and Chengli learns the heroism of which he is capable.

The Legend of Luke Brian Jacques 2012-10-31 The twelfth book in the beloved, bestselling Redwall saga - soon to be a major Netflix movie! Martin the Warrior leaves Redwall Abbey on a journey to discover the truth about Luke, the father he barely knew. Alice in Wonderland Lewis Carroll 2009-01-01 Alice in Wonderland (also known as Alice’s Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll’s prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

The Shakespeare Stealer Gary Blackwood 2000-07-01 A delightful adveture full of humor and heart set in Elizabethan England! Widge is an orphan with a rare talent for shorthand. His fearsome master has just one demand: steal Shakespeare’s play "Hamlet"--or else. Widge has no choice but to follow orders, so he works his way into the heart of the Globe Theatre, where Shakespeare’s players perform. As full of twists and turns as a London alleyway, this entertaining novel is rich in period details, colorful characters, villainy, and drama. * "A fast-moving historical

novel that introduces an important era with casual familiarity." --School Library Journal, starred review "Readers will find much to like in Widge, and plenty to enjoy in this gleeful romp through olde England" --Kirkus Reviews "Excels in the lively depictions of Elizabethan stagecraft and street life." --Publishers Weekly An ALA Notable Book

Mice of the Round Table #3: Merlin's Last Quest Julie Leung 2018-10-02 The thrilling conclusion to the epic middle grade fantasy series that Booklist called "a charming blend of Arthurian legend and Brian Jacques' Redwall series." Young mouse Calib Christopher is finally a squire to the Knights of the Round Table. But there is no time to celebrate. His best friend, Cecily, and Merlin's magical treasure are in the clutches of the evil Saxons. Now Calib and his human companion Galahad must venture into enemy territory to rescue both before it's too late. But Morgan le Fay's magic is powerful and treacherous, and it will test all that they have learned in their training—as well as their very allegiance to Camelot. The stars are aligning for a final battle—one that will require Calib and his friends to harness the magic of Merlin as well as the strength, bravery, and wisdom within themselves to become the mythical heroes they were destined to be.
