The Dip Seth Godin 2007-05-10 A New York Times, USA Today, and Wall Street Journal bestseller In this iconic bestseller, popular business blogger and bestselling author Seth Godin proves that winners are really just the best quitters. Godin shows that winners quit fast, quit often, and quit without guilt—until they commit to beating the right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it's really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you'll earn profits, glory, and long-term security. Whether you're an intern or a CEO, this fun little book will help you figure out if you're in a Dip that's worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win.

I Know Why the Caged Bird Sings Maya Angelou 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Feminism and Pop Culture Andi Zeisler 2008-10-14 Examines the reciprocal relationship shared between feminism and popular culture from the 1940s to the twenty-first century; and discusses

representations of women on television and in films, music, advertisements, and other medias.

The Poisonwood Bible Barbara Kingsolver 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

Hannibal Thomas Harris 2009-06-23 #1 NEW YORK TIMES BESTSELLER • "Is it as good as *Red Dragon* and *Silence of the Lambs*? No . . . this one is better."—Stephen King, *The New York*

Times Book Review You remember Hannibal Lecter: gentleman, genius, cannibal. Seven years have passed since Dr. Lecter escaped from custody. And for seven years he's been at large, free to savor the scents, the essences, of an unguarded world. But intruders have entered Dr. Lecter's world, piercing his new identity, sensing the evil that surrounds him. For the multimillionaire Hannibal left maimed, for a corrupt Italian policeman, and for FBI agent Clarice Starling, who once stood before Lecter and who has never been the same, the final hunt for Hannibal Lecter has begun. All of them, in their separate ways, want to find Dr. Lecter. And all three will get their wish. But only one will live long enough to savor the reward. . . . Praise for Hannibal "Interested in getting the hell scared out of you? Buy this book on a Friday . . . lock all doors and windows. And by Monday , you might just be able to sleep without a night-light."—Newsday "Strap yourself in for one heck of a ride. . . . It'll scare your socks off."—Denver Post "A stunner . . . writing in language as bright and precise as a surgeon's scalpel, Harris has created a world as mysterious as Hannibal's memory palace and as disturbing as a Goya painting. This is one book you don't want to read alone at night."—The Atlanta Journal-Constitution "Relentless . . . endlessly terrifying . . . 486 fast-paced pages, in which every respite is but a prelude to further furious action . . . Hannibal begins with a murderous paroxysm that leaves the reader breathless. . . . Hannibal speaks to the imagination, to the feelings, to the passions, to exalted senses and to debased ones. Harris's voice will be heard for a while."—Los Angeles Times "A pleasurable sense of dread."—The Wall Street Journal "Enormously satisfying . . . a smashing good time, turning the pages for thrills, chills, horror and finally, a bracing, deliciously wicked slap in the face . . . perhaps the very best the thriller/horror genre is capable of

producing."—San Diego Union-Tribune
The Feminine Mystique Betty Friedan 2001-09-17 Released for the first time in paperback, this landmark social and political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint.

The Help Kathryn Stockett 2011-09-29 Film tie-in edition of the massive word-of-mouth hit novel, first published by Fig Tree in 2009 - to accompany the major new film starring Sissy Spacek, Allison Janney, Bryce Dallas Howard and Emma Stone. Enter a vanished and unjust world: Jackson, Mississippi, 1962. Where black maids raise white children, but aren't trusted not to steal the silver... There's Aibileen, raising her seventeenth white child and nursing the hurt caused by her own son's tragic death; Minny, whose cooking is nearly as sassy as her tongue; and white Miss Skeeter, home from College, who wants to know why her beloved maid has disappeared. Skeeter, Aibileen and Minny. No one would believe they'd be friends; fewer still would tolerate it. But as each woman finds the courage to cross boundaries, they come to depend and rely upon one another. Each is in search of a truth. And together they have an extraordinary story to tell... The other side of *Gone with the Wind* - and just as unputdownable Sunday Times A big, warm girlfriend of a book The Times Harper Lee's classic novel *To Kill a Mockingbird* has changed lives. Its direct descendent *The Help* has the same potential...an astonishing feat of accomplishment Daily Express
