[Teaching Culturally Sustaining and Inclusive Young Adult Literature](#) R. Joseph Rodríguez 2018-07-11 In this book, Rodríguez uses theories of critical literacy and culturally responsive teaching to argue that our

schools, and our culture, need sustaining and inclusive young adult (YA) literature/s to meet the needs of culturally and linguistically diverse readers and all students. This book provides an outline for the study of literature through cultural and literary criticism, via essays that analyze selected YA literature (drama, fiction, nonfiction, and poetry) in four areas: scribal identities and the self-affirmation of adolescents; gender and sexualities; schooling and education of young adult characters; and teachers' roles and influences in characters' coming of age. Applying critical literacy theories and a youth studies lens, this book shines a light on the need for culturally sustaining and inclusive pedagogies to read adolescent worlds. Complementing these essays are critical conversations with seven key contemporary YA literature writers, adding biographical perspectives to further expand the critical scholarship and merits of YA literature.

He's got a chronic illness Isabel's never heard of, something she can't even pronounce. He understands what it means to be sick. He understands her more than her healthy friends. It's complicated— It's dangerous— It's never felt better— —to consider breaking that rule for him.

Gabi, a Girl in Pieces Isabel Quintero 2014-09-22 Named to Kirkus Reviews Best Books of 2014 Named to School Library Journal Best Books of 2014 Gabi Hernandez chronicles her last year in high school in her diary: college applications, Cindy's pregnancy, Sebastian's coming out, the cute boys, her father's meth habit, and the food she craves. And best of all, the poetry that helps forge her identity. July 24 My mother named me Gabriella, after my grandmother who, coincidentally, didn't want to meet me when I was born because my mother was unmarried, and therefore living in sin. My mom has told me the story many, many, MANY, times of how, when she confessed to my grandmother that she was pregnant with me, her mother beat her. BEAT HER! She was twenty-five. That story is the basis of my sexual education and has reiterated why it's important to wait until you're married to give it up. So now, every time I go out with a guy, my mom says, "Ojos abiertos, piernas cerradas." Eyes open, legs closed. That's as far as the birds and the bees talk has gone. And I don't mind it. I don't necessarily agree with that whole wait until you're married crap, though. I mean, this is America and the 21st century; not Mexico one hundred years ago. But, of course, I can't tell my mom that because she will think I'm bad. Or worse: trying to be White. Isabel Quintero is an award-winning writer from the Inland Empire of Southern California. She is also the daughter of Mexican

immigrants. In addition to *Gabi, A Girl in Pieces*, she has also written a chapter book series for young readers, *Ugly Cat and Pablo* (Scholastic, Inc.), a non-fiction YA graphic biography, *Photographic: The Life of Graciela Iturbide* (Getty Publications, 2018), which received the Boston Globe Horn Book Award, and most recently, a picture book, *My Papi Has a Motorcycle* (Kokila, 2019). Isabel also writes poetry and essays. Her work can be found in *The Normal School*, *Huizache*, *The Acentos Review*, *As/Us Journal*, *The James Franco Review*, and other publications.

So when Riley and Fairmont Academy mean girls June Phelan-Park and Dayton Nesseth die under suspicious circumstances, Mila refuses to believe everyone's explanation that her BFF was involved in a suicide pact. Instead, armed with a tube of lip gloss and an ancient grimoire, Mila does the unthinkable to uncover the truth: she brings the girls back to life. Unfortunately, Riley, June, and Dayton have no recollection of their murders. But they do have unfinished business to attend to. Girl in Pieces Kathleen Glasgow 2018-04-10 #1 NEW YORK TIMES BESTSELLER "A haunting, beautiful, and necessary book."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she’s already lost more than most people do in a lifetime. But she’s learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don’t have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie’s heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It’s a story you won’t be able to look away from. And don’t miss Kathleen Glasgow's novels *You’d Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

Nerds, Goths, Geeks, and Freaks Trevor Boffone 2020-03-18 Contributions by Carolina Alonso, Elena Avilés, Trevor Boffone, Christi Cook, Ella Diaz, Amanda Ellis, Cristina Herrera, Guadalupe García McCall, Domino Pérez, Adrianna M. Santos, Roxanne Schroeder-Arce, Lettycia Terrones, and Tim Wadham In *Nerds, Goths, Geeks, and Freaks: Outsiders in Chicanx and Latinx Young Adult Literature*, the outsider intersects with discussions of race, ethnicity, gender, and sexuality. The essays in this volume address questions of outsider identities and how these identities are shaped by mainstream myths around Chicanx and Latinx young people, particularly with the common stereotype of the struggling, underachieving inner-city teens. Contributors also grapple with how young adults reclaim what it means to be an outsider, weirdo,

nerd, or goth, and how the reclamation of these marginalized identities expand conversations around authenticity and narrow understandings of what constitutes cultural identity. Included are analysis of such texts as *I Am Not Your Perfect Mexican Daughter*, *Shadowshaper*, *Swimming While Drowning*, and others. Addressed in the essays are themes of outsiders in Chicana/Latina children's and young adult literature, and the contributors insist that to understand Latina youth identities it is necessary to shed light on outsiders within an already marginalized ethnic group: nerds, goths, geeks, freaks, and others who might not fit within such Latina popular cultural paradigms as the chola and cholo, identities that are ever-present in films, television, and the internet.

Miguel Street V. S. Naipaul 2012-11-13 To the residents of Miguel Street, a derelict corner of Trinidad's capital, their neighbourhood is a complete world, where everybody is quite different from everybody else. There's Popo the carpenter, who neglects his livelihood to build "the thing without a name;" Man-man, who goes from running for public office to staging his own crucifixion; Big Foot, the dreaded bully with glass tear ducts; and the lovely Mrs. Hereira, in thrall to her monstrous husband. Their lives (and the legends their neighbours construct around them) are rendered by V. S. Naipaul with Dickensian verve and Chekhovian compassion in this tender, funny novel.

ChicaNerds in Chicana Young Adult Literature Cristina Herrera 2020-06-24 *ChicaNerds in Chicana Young Adult Literature* analyzes novels by the acclaimed Chicana YA writers Jo Ann Yolanda Hernández, Isabel Quintero, Ashley Hope Pérez, Erika Sánchez, Guadalupe García McCall, and Patricia Santana. Combining the term "Chicana" with "nerd,"

Dr. Herrera coins the term "ChicaNerd" to argue how the young women protagonists in these novels voice astute observations of their identities as nonwhite teenagers, specifically through a lens of nerdiness—a reclamation of brown girl self-love for being a nerd. In analyzing these *ChicaNerds*, the volume examines the reclamation and powerful acceptance of one's nerdy Chicana self. While popular culture and mainstream media have shaped the well-known figure of the nerd as synonymous with white maleness, Chicana YA literature subverts the nerd stereotype through its negation of this identity as always white and male. These *ChicaNerds* unite their burgeoning sociopolitical consciousness as young nonwhite girls with their "nerdy" traits of bookishness, math and literary intelligence, poetic talents, and love of learning. Combining the sociopolitical consciousness of Chicanisma with one aligned to the well-known image of the "nerd," *ChicaNerds* learn to navigate the many complicated layers of coming to an empowered declaration of themselves as smart Chicanas.

Sex Object Jessica Valenti 2016-06-07 New York Times Bestseller - An NPR Best Book of the Year "Sharp and prescient... The appeal of Valenti's memoir lies in her ability to trace objectification through her own life, and to trace what was for a long time her own obliviousness to

it...Sex Object is an antidote to the fun and flirty feminism of selfies and self-help." — New Republic Author and Guardian US columnist Jessica Valenti has been leading the national conversation on gender and politics for over a decade. Now, in a darkly funny and bracing memoir, Valenti explores the toll that sexism takes from the every day to the existential. Sex Object explores the painful, funny, embarrassing, and sometimes illegal moments that shaped Valenti's adolescence and young adulthood in New York City, revealing a much shakier inner life than the confident persona she has cultivated as one of the most recognizable feminists of her generation. In the tradition of writers like Joan Didion and Mary Karr, this literary memoir is sure to shock those already familiar with Valenti's work and enthrall those who are just finding it.

Counselling Children, Adolescents and Families John Sharry 2003-12-04 `I recommend this book to anyone who lives or works with families, children or teenagers' - Nurturing Potential `This is a valuable

book, worth attention in every child and family service. My own agency has ordered a copy!' - Robert Cumming, Nurturing Potential `John Sharry's book is a jewel in the solution-focused literature. It is clearly and engagingly written, draws on a host of ideas from different therapeutic approaches and is packed with practical examples. There is no better book on strengths-based therapy with children and adolescents. Every team should have one' - Chris Iveson, Brief Therapy Practice Counselling Children, Adolescents and Families describes an innovative approach to therapeutic work which builds on the strengths of children and their parents. As the author's experience shows, helping clients to focus on potential solutions rather than problems can be a powerful means of engaging them in the therapeutic process, even in the most conflicting family circumstances. Harnessing the client's personal, family and community resources in this way also helps counteract their feelings of powerlessness and the possibility of increasing reliance on professional services. Part One outlines the basic principles of a solution-focused and strengths-based approach, tackling such thorny issues as how and when to use diagnosis. Part two describes creative applications of the approach, using groupwork, play-based activities and video feedback. Part Three, examines practical issues which arise in more 'difficult' cases, such as child abuse and suicidal teenagers and children. This book is aimed at professionals and trainees in fields including social work, mental health, childcare, education, psychotherapy and counselling.
