Flour & Grace Valerie Kuhns 2020-09

Implications of Pyrite Oxidation for Engineering Works A. Brian Hawkins 2013-07-30 The book highlights and analyses the distress to buildings caused by sulphate-induced heave, with particular reference to the recent problems in the Dublin area of Ireland. It describes the formation of pyrite, the processes involved in its oxidation and the various ways in which consequential expansion takes place. For the first time in the literature it discusses the way that buildings can be raised above their supporting foundation walls by the expansion of pyritiferous fill which has been used beneath ground-bearing floor slabs in Ireland. The significance of fractures through the iron sulphide microcrystals for the rate and extent of oxidation is discussed. Photographs and profiles of sulphate ingress into concrete/concrete blocks are presented. Case histories from the UK, North America and Ireland are discussed.

The Anatomy of Fashion Colin McDowell 2013-09-30 Why do we dress the way we do? How has fashion changed and evolved over the centuries? How did the 3-piece suit come about? Why have hemlines risen and fallen over time? In *The Anatomy of Fashion*, respected fashion commentator Colin McDowell goes beyond standard fashion histories and narrative surveys to answer these questions and many more. The book's unique structure takes the reader from head to toe in sections such as 'The Body Unclothed,' 'Materials and Texture,' 'Head to Waist,' 'Hips to Feet,' 'Looks and Themes in Dress,' and more. Visually rich, with over 500 photographs, illustrations, paintings, and film stills, the book includes work by designers and labels such as Ralph Lauren, Chanel, Yves Saint Laurent, Alexander McQueen, Versace, Carhartt, Diesel and more. The book's dynamic structure and layout are equally suited for browsing and for serious reference, but *The Anatomy of Fashion* is not simply a picture book. It is a sourcebook by one of the world's leading fashion scholars that seeks nothing less than a thorough analysis of the roots of every aspect of fashion today.

The Hike to Home Jess Rinker 2022-07-05 In this fun middle grade adventure, a young girl and her two new friends brave the wilderness to find a castle, prove a local legend, and discover the true meaning of home. Lin Moser is not looking forward to this summer. After living on the road all her life, hiking mountains and traveling through the country in an RV with her house-flipping parents, she's now stuck in Newbridge, New Jersey for their longest stay yet. With Mom away on a year-long naturalist assignment, Lin has resigned herself to having the most boring summer ever. But then she finds out about a local legend: an ancient ruined castle in the woods that no one has been able to find. Hiking to this castle would be like a quest. . . such an amazing quest that Mom might even come home, and they could adventure together the way they used to. Determined to create her own adventure, Lin sets off on her biggest one yet—braving the wilderness with her two new friends, seeking the castle, and maybe discovering a new idea of home along the way. With her trademark humor and heart, Jess Rinker delivers a story of adventure and growing up in *The Hike to Home*.

The Carhartt WIP Archives Michel Lebugle 2016-10-04 Back in the eighties, when the Western world was deluged by a wave of blue denim, Carhartt's brown duck work coats entered the streets as an antidote. Detached from their original raison d'être of attiring hard-working men in mines and on railroad tracks, they arrived in our cities as some sort of new anti-denim. Soon after, and largely due to the efforts of Carhartt's European distributor Work in Progress, the American workwear classic evolved into the international streetwear icon by which we know it today. **WORK IN PROGRESS: THE CARHARTT WIP ARCHIVES** is the first comprehensive publication exploring that remarkable evolution. Edited by Michel Lebugle and Anna Sinofzik, with texts by Gary Warnett, Mark Kessler and Anna Sinofzik, it features more than 350 images including heaps of hitherto unpublished photographs, artworks, as well as ephemera drawn from the company's own archives and different private collections, providing an unparalleled look into the brand's bustling universe. Featuring the extensive story of the brand from its humble beginning to their most popular garments like the Detroit Jacket, Watch Hat, Siberian Jacket, and Cargo Pants, **WORK IN PROGRESS** is a celebratory, transatlantic stroll through the company's rich and colorful history. This collection will appeal to both fashion enthusiasts and devotees of American cool.

Men and Manners David Coggins 2018-05-15 Today's man may know how to dress with style, but does he know how to behave? Though the rules of civility have changed along with the world, Men and Manners believes in manners. This book doesn't tell you which fork to use or how to write a thank you note. But it is going to remind you of basic, respectful rules you may have forgotten or have chosen to ignore. Comprised of short essays, shorter interviews, and lists of guidelines for men of all ages, this book provides an honest, playful, and humorous look at the conflicted state of manners today. Subjects that may fluster today's man+such as tipping, toasting, texting, grooming, dating, office behavior, and home decor+are explored with the trademark combination of dry wit and self-deprecating attitude that has made David Coggins one of today's most well-respected men's style writers. With humorous illustrations and contributions from some of today's male style icons, Men and Manners makes the case for being the man who offers the best seat to his companion, who knows when to pick up the tab, and who remembers to do what's right even if it isn't always rewarded.

Brotherhood of Locomotive Engineers Journal 1906

Utility-Style Quilts for Everyday Living Sharon Holland 2017-11-07 In *Utility-Style Quilts for Everyday Living*, renowned fabric and quilt designer Sharon Holland provides 12 well-illustrated projects for simple yet beautiful quilts, ranging from table runners to a queen-sized quilt. Each fast-pieced project is great for beginners, with skill-building design tips and suggestions throughout. These lovely patterns are a reason for readers to dig into their stash and make a quilt that will be used and loved for years to come. The quilts are inspired by timeless and well-loved block patterns and use surprising fabric and color choices to put a new, modern spin on tradition.

Contemporary Case Studies on Fashion Production, Marketing and Operations Pui-Sze Chow 2017-12-04 This book adopts a case study based research approach to examine the contemporary issues in the fashion industry. It documents real-world practices in fashion business from production, marketing to operations. Founded on an extensive review of literature, these case studies discuss the challenges that are pertinent to the current business environment in this important industry, provide benchmarks and generate insights to practitioners as well as suggest future directions to researchers. The book serves as a nexus of the theories and the industrial practices that advances knowledge for both the academia and the private sector in fashion business.

Brain Dead Brain Dead 2022-11-15 Inspired by the natural world, sprawling subcultures, and the occasional obscure horror film, Brain Dead is exactly the opposite of what its title suggests. Alive, smart, and keeping their cult fan base guessing. In 2014 Kyle Ng and Ed Davis founded Brain Dead in sunny LA. Quickly they grew to include a global team of talented artists and designers that captivated the attention of fans worldwide. A stakeholder in the underground LA scene, Brain Dead has collaborated with names like Magic The Gathering, the Academy of Motion Picture Arts and Sciences, Marvel, and NTS Radio; brands including Reebok, Converse, A.P.C., the North Face, Asics, Dickies, Kiko Kostadinov, and Oakley. This book chronicles the formation and development of the brand as it has evolved to work with an exciting roster of artists, musicians, filmmakers, and designers. Brilliantly designed with an edge of classic underground zine culture, this volume is teeming with all of Brain Dead's magical creations. An essential read for anyone looking for a window into a more inspired world.

Geospatial Thinking Marco Painho 2010-07-20 For the fourth consecutive year, the Association of Geographic Information Laboratories for Europe (AGILE) promoted the edition of a book with the collection of the scientific papers that were submitted as full-papers to the AGILE annual international conference. Those papers went through a th competitive review process. The 13 AGILE conference call for fu- papers of original and unpublished fundamental scientific research resulted in 54 submissions, of which 21 were accepted for publication in this - lume (acceptance rate of 39%). Published in the Springer Lecture Notes in Geoinformation and Car- thography, this book is associated to the 13 AGILE Conference on G- graphic Information Science, held in 2010 in Guimarães, Portugal, under the title "Geospatial Thinking". The efficient use of geospatial information and related technologies assumes the knowledge of concepts that are fundamental components of Geospatial Thinking, which is built on reasoning processes, spatial conc- tualizations, and representation methods. Geospatial Thinking is associated with a set of cognitive skills consisting of several forms of knowledge and cognitive operators used to transform, combine or, in any other way, act on that same knowledge. The scientific papers published in this volume cover an important set of topics within Geoinformation Science, including: Representation and Visualisation of Geographic Phenomena; Spatiotemporal Data Analysis; Geo-Collaboration, Participation, and Decision Support; Semantics of Geoinformation and Knowledge Discovery; Spatiotemporal Modelling and Reasoning; and Web Services, Geospatial Systems and Real-time Appli- tions.

The Dispossessed John Washington 2020-05-05 The first comprehensive, in-depth book on the Trump administration's assault on asylum protections Arnovis couldn't stay in El Salvador. If he didn't leave, a local gangster promised that his family would dress in mourning—that he would wake up with flies in his mouth. "It was like a bomb exploded in my life," Arnovis said. The Dispossessed tells the story of a twenty-four-year-old Salvadoran man, Arnovis, whose family's search for safety shows how the United States—in concert with other Western nations—has gutted asylum protections for the world's most vulnerable. Crisscrossing the border and Central America, John Washington traces one man's quest for asylum. Arnovis is separated from his daughter by US Border Patrol agents and struggles to find security after being repeatedly deported to a gang-ruled community in El Salvador, traumatic experiences relayed by Washington with vivid

intensity. Adding historical, literary, and current political context to the discussion of migration today, Washington tells the history of asylum law and practice through ages to the present day. Packed with information and reflection, *The Dispossessed* is more than a human portrait of those who cross borders—it is an urgent and persuasive case for sharing the country we call home.

Big Second Grade School Zone 2019-04-10 "This workbook is packed with exercises that makes learning fun! The proven activities can support your child's success in school by teaching important lessons in language arts, math, science, and social studies. The Original #1 Mad Libs Roger Price 1974-02-01 The idea is simple. Someone asks for a part of speech: a verb, a noun, an adjective, or an adverb. We've included definitions and examples of the parts of speech in case you've forgotten. Players call out their ideas to fill in the blanks and in the end, you have a story reeling from one silly sentence to another until nothing makes sense. That's what you call a Mad Lib®, the world's greatest word game. Players have been howling with friends or laughing all to themselves for over 35 years! Here's where the fun begins. Check out *The Original Mad Libs®*. Once you hear the laughs this one inspires, you'll probably want to play the rest.

Tasty...Naughty...Healthy...Nice. Susan Jane White 2017-09-19 Energy-boosting recipes for glowing health from the "queen of guilt-free gobbling." Like many of us, Susan Jane White spent a long time fighting her body, riding the wheat-sugar-dairy merry-go-round, thinking her diet couldn't possibly be the reason she felt so ill. Once she liberated herself from that circuit, she discovered a whole world of fabulous ingredients to explore. Tasty. Naughty. Healthy. Nice. is about discovering true food bliss, and the over 135 recipes are anything but restrictive. Let Susan Jane, in her own hilarious fashion, show you the tasty way to a healthier you—and who says you can't throw in a little naughty while you're at it? Find recipes for: · Breakfasts that give long-lasting energy, such as High-Octane Banana Nutmeg Bars; · Snacks, Soups, and Salads for nutritional pick-me-ups, like the antioxidant all-star Dining al Desko Beet Salad and the protein-rich Superman's Salad; · Satisfying suppers, such as Chocolate Chili con Carne with Coconut Yogurt; Simple Salmon with Asparagus Soldiers and Whipped Green Tea; and Pumpkin Falafel; · Tasty treats that are extra satisfying, such as Goji Berry Halva, Raw Cacao Nib Toffee, and Ice Green Tea with Manuka Honey Cubes. Whether you are a newcomer to whole food living, a busy mom trying to find healthy snacks and meals, or just looking for new healthy inspiration, give yourself a high-five for deciding to dive into these recipes.

Getting Green Done Auden Schendler 2009-02-24 "Going green is easy and profitable." That's the common refrain from sustainability gurus. In reality, though, many green-leaning businesses, families, and governments are fiddling with the small stuff while the planet burns. Why? Because implementing sustainability is brutally difficult. If we're going to cut CO2 emissions 80 percent by midcentury, it will take more than a recycling program and some hemp shopping bags. We'll only solve our problems if we're realistic about the challenge of climate change. In this witty book, a sustainable business foot soldier with over a decade's worth of experience illuminates the path.

Facing the Fugitive Katrina Hoover Lee 2021-09-20 A quest for clues leads to an exciting adventure. When a trickster tries to pull the wool over their eyes, can three brothers thwart the crook? Indiana, 1987. Thirteen-year-old Gary Fitzpatrick is anxious for answers. Frustrated that he's no closer to the truth about his amputated leg, the determined boy hops the train to Chicago with his family to take in the sights and hunt for elusive information. And when news breaks of an international criminal with a taste for antiquities, he's suspicious of a fellow passenger wanting museum access to draw an ancient cup. Arriving in the city only to find no helpful threads about his lost limb, the downcast youngster and his siblings head to the famous Oriental Institute to see the exhibitions. But when Gary crosses paths with the sketchy young artist from before, the junior sleuth is startled when the building goes on alert. Can he stop the theft of a priceless treasure? Facing the Fugitive is the exciting second book in *The Brady Street Boys Adventure Series*. If you or your child like wholesome entertainment, learning from mistakes, and positive family fun, then you'll love Katrina Hoover Lee's cat-and-mouse tale. Buy *Facing the Fugitive* to expose the bad guy today!

She Gets the Girl Rachael Lippincott 2022-04-05 She's All That meets What If It's Us in this New York Times bestselling hate-to-love YA romantic comedy from the coauthor of *Five Feet Apart* Rachael Lippincott and debut writer Alyson Derrick. Alex Blackwood is a little bit headstrong, with a dash of chaos and a whole lot of flirt. She knows how to get the girl. Keeping her on the other hand..not so much. Molly Parker has everything in her life totally in control, except for her complete awkwardness with just about anyone besides her mom. She knows she's in love with the impossibly cool Cora Myers. She just..hasn't actually talked to her yet. Alex and Molly don't belong on the same planet, let alone the same college campus. But when Alex, fresh off a bad (but hopefully not permanent) breakup, discovers Molly's hidden crush as their paths cross the night before classes start, they realize they might have a common interest after all. Because maybe if Alex volunteers to help Molly learn how to get her dream girl to fall for her, she can prove to her ex that she's not a selfish flirt. That she's ready for an actual commitment. And while Alex is the last person Molly would ever think she could trust, she can't deny Alex knows what she's doing with girls, unlike her. As the two embark on their five-step plans to get their girls to fall for them, though, they both begin to wonder if maybe they're the ones falling..for each other.

The White Sucker Edward Schneberger 1977

The Sustainable Fashion Handbook Sandy Black 2012 A definitive guide to the complex issues surrounding modern clothing production, use, and disposal

Sewing Success? Gladys Lopez-Acevedo 2012-03-14 The end of the MFA was followed by rising apparel exports, falling prices, and a reallocation of production and employment between countries. There were also significant changes within countries. The first main finding of this report is that export and employment patterns after the MFA/ATC did not necessarily match predictions. While many predicted that production would shift to low-wage countries, this book shows that only 13 percent of variation in export changes post-MFA can be explained by the differences in wage levels. Second, changes in exports are usually, but not always, good indicators of what happens to wages and employment within countries. This is especially important for policy because it shows that simply using exports as a metric of 'success' in terms of helping the poor is not sufficient. Third, the Book identifies the specific ways that changes in the global apparel market affected earnings. The Book shows that wage premiums change in predictable ways: rising (in most cases) in countries that were proactive in adapting to the MFA phase-out and expanded their market shares, and falling in countries that failed to respond in a timely fashion to the changing environment. The Book shows that promoting 'upgrading' (defined as shifting to higher-value goods, shifting up the value chain, or 'modernizing' production techniques) seems to be necessary for sustainable competitiveness in the apparel sector but does not necessarily help the poor. Policies that support upgrading need to be complemented with targeted workforce development to make sure that the most vulnerable workers are not left behind. Having a vision for the evolution of the apparel sector that incorporates developing worker skills seems crucial. Otherwise, less-skilled workers could miss out on opportunities to gain valuable work experience in manufacturing.

The Men's Fashion Book Jacob Gallagher 2021 The first-ever authoritative A-Z celebration of the 500 greatest names in men's fashion - 200 years of men's style through the work of designers, brands, photographers, icons, models, retailers, tailors, and stylists around the globe

The World of the American West: A Daily Life Encyclopedia, Volume 1-2 Gordon Morris Bakken

Baby Animals Coloring Book Ruth Soffer 2004-08-01 Nature lovers and coloring book fans of all ages will enjoy coloring such adorable creatures as four little piglets and their mom, two white-tailed fawns, a pair of beagle pups resting under their father's watchful eye, and three lion cubs tended to by their parents. Captions. 30 illustrations.

Towards a Nordic textile strategy David Palm 2014 This report is the primary outcome from Part I of the project "Towards a Nordic textile strategy - Collection, sorting, reuse and recycling of textiles" initiated by the Nordic Waste Group (NAG). The report for Part 2 will be published in December 2014. This report summarizes the work carried out in 2013. The three subreports will be the basis for the work to be performed in 2014. The reports for 2013 are: · International market survey of textile flows in the Nordic region and the market for collection, sorting, preparing for reuse, reselling and waste management of textiles. · Collection and sorting systems A total of 19 collection systems

are compared for collection flows, contamination levels, cost, suitability of collected textile and availability for the consumer. Four sorting systems are described. • Technology review of sorting and recycling of textiles that describes available and future technology. The report is part of the Nordic Prime Ministers' overall green growth initiative: "The Nordic Region – leading in green growth." Read more in the web magazine "Green Growth the Nordic Way" at www.norden.org/greengrowth.

Woman Made Jane Hall 2021 The most comprehensive, fully illustrated book on women designers ever published - a celebration of more than 200 women product designers from the early twentieth century to the present day
Trapped in the Tunnel Katrina Hoover Lee 2021-07-07 A fun-filled place to grow up. When their folks say they may have to move, can a trio of boys step up to save the day? Indiana, 1987. Gary Fitzpatrick refuses to let his wooden leg slow him down. And though his dream of becoming a firefighter has gone up in smoke, the young cancer survivor still loves playing alongside his two supportive brothers. But after their mom's fear of shady strangers in an abandoned house next door threatens to uproot their world, he vows to prove the neighborhood is perfectly safe. As he starts making plans, the thirteen-year-old is surprised when an eccentric antique dealer asks for help finding the owner of a clock. And when the odd man hands over a map with lines interconnecting the homes in the area, Gary suspects it's showing old underground passageways and sees an opportunity to solve the puzzle. Deciding not to tell their parents of the mysterious plot, will Gary and his siblings' choices cost them their lives? Trapped in the Tunnel is the charming first book in The Brady Street Boys Adventure Series. If you like Christian themes, strong family values, and triumphing over adversity, then you'll adore Katrina Hoover Lee's enthralling tale. Buy Trapped in the Tunnel to foil a sinister scheme today!

Fatherless Harold Troyer 2021-04-15 Fatherless is the story of the author's wife Larissa and her mother as they grew up in Ukraine in the waning years of communism. This story vividly portrays the pain and bondage of a life of sin. It also points to the One who can free us from that bondage-the God in heaven who is a Father to all who seek Him, even the fatherless.

The Largesse of the Sea Maiden Denis Johnson 2018-01-16 Twenty-five years after Jesus' Son, a haunting new collection of short stories on mortality and transcendence, from National Book Award winner and two-time Pulitzer Prize finalist Denis Johnson NATIONAL BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY Dwight Garner, The New York Times • Maureen Corrigan, NPR's Fresh Air • Chicago Tribune • Newsday • New York • AV Club • Publishers Weekly "Ranks with the best fiction published by any American writer during this short century."—New York "A posthumous masterpiece."—Entertainment Weekly NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • NPR • The Boston Globe • New York Public Library • Kirkus Reviews • Bloomberg The Largesse of the Sea Maiden is the long-awaited new story collection from Denis Johnson. Written in the luminous prose that made him one of the most beloved and important writers of his generation, this collection finds Johnson in new territory, contemplating the ghosts of the past and the elusive and unexpected ways the mysteries of the universe assert themselves. Finished shortly before Johnson's death, this collection is the last word from a writer whose work will live on for many years to come. Praise for The Largesse of the Sea Maiden "An instant classic."—Newsday "Exceptional luminosity . . . hits a powerful vein."—The New York Times Book Review "Grace and oblivion are inextricably yoked in these transcendent stories. . . . [Johnson's] gift is to extract the beauty in all that brokenness."—The Wall Street Journal "Nobody ever wrote like Denis Johnson. Nobody ever came close. . . . We're just left with this miraculous book, these perfect stories, the last words from one of the world's greatest writers."—NPR

Influencer Marketing for Brands Aron Levin 2019-11-30 In the next few years, brands are on track to spend billions of dollars on influencer marketing. This form of marketing—currently utilized with great success on Instagram and YouTube—is not a short-lived fad, but a tectonic shift for the future of digital advertising. It's the way of the future, and the responsibility is on business leaders to keep up. Modern marketing professionals looking to adopt influencer marketing for their brands face equally modern challenges. Like finding the right talent, tracking and measuring results and quantifying how this new marketing opportunity aligns with the overall strategy. Influencer Marketing for Brands is the field guide for the digital age. After working with hundreds of brands from across the globe, author Aron Levin shares his insider knowledge gained from research, strategy, and hands-on experience from more than 10,000 successful collaborations with influencers on Instagram and YouTube. He provides you with valuable insights that help you eliminate guesswork and avoid common mistakes. More importantly, he shows you how to turn influencer marketing into a scalable and sustainable marketing channel. The digital media landscape grows more complicated by the hour, and influencer marketing is no exception. Influencer Marketing for Brands breaks down the art and science of influencer marketing and helps you synthesize, contextualize and transform this new way of creating and distributing content with powerful formulas, proven strategies, and real-world examples. What You Will Learn Plan effective influencer marketing campaigns using a simple 3-step formula Create top performing YouTube videos that drive website traffic, app installs and sales Understand what to pay for influencer marketing and how much you should invest if you're just starting out Who This Book is For Marketing and agency professionals, influencers and content creators, marketing students, those who are looking for more effective forms of advertising and are generally interested in understanding the new and evolving digital media landscape.

Amity and Prosperity Eliza Griswold 2018-06-12 Winner of the 2019 Pulitzer Prize for General Nonfiction In Amity and Prosperity, the prizewinning poet and journalist Eliza Griswold tells the story of the energy boom's impact on a small town at the edge of Appalachia and one woman's transformation from a struggling single parent to an unlikely activist. Stacey Haney is a local nurse working hard to raise two kids and keep up her small farm when the fracking boom comes to

her hometown of Amity, Pennsylvania. Intrigued by reports of lucrative natural gas leases in her neighbors' mailboxes, she strikes a deal with a Texas-based energy company. Soon trucks begin rumbling past her small farm, a fenced-off drill site rises on an adjacent hilltop, and domestic animals and pets start to die. When mysterious sicknesses begin to afflict her children, she appeals to the company for help. Its representatives insist that nothing is wrong. Alarmed by her children's illnesses, Haney joins with neighbors and a committed husband-and-wife legal team to investigate what's really in the water and air. Against local opposition, Haney and her allies doggedly pursue their case in court and begin to expose the damage that's being done to the land her family has lived on for centuries. Soon a community that has long been suspicious of outsiders faces wrenching new questions about who is responsible for their fate, and for redressing it: The faceless corporations that are poisoning the land? The environmentalists who fail to see their economic distress? A federal government that is mandated to protect but fails on the job? Drawing on seven years of immersive reporting, Griswold reveals what happens when an imperiled town faces a crisis of values, and a family wagers everything on an improbable quest for justice.

The Red Queen Matt Ridley 1994-10-06 Sex is as fascinating to scientists as it is to the rest of us. A vast pool of knowledge, therefore, has been gleaned from research into the nature of sex, from the contentious problem of why the wasteful reproductive process exists at all, to how individuals choose their mates and what traits they find attractive. This fascinating book explores those findings, and their implications for the sexual behaviour of our own species. It uses the Red Queen from 'Alice in Wonderland' – who has to run at full speed to stay where she is – as a metaphor for a whole range of sexual behaviours. The book was shortlisted for the 1994 Rhone-Poulenc Prize for Science Books. 'Animals and plants evolved sex to fend off parasitic infection. Now look where it has got us. Men want BMWs, power and money in order to pair-bond with women who are blonde, youthful and narrow-waisted . . . a brilliant examination of the scientific debates on the hows and whys of sex and evolution' Independent.

Leave Out the Tragic Parts Dave Kindred 2021-02-02 This extraordinary investigation of the death of the author's grandson yields a powerful memoir of addiction, grief, and the stories we choose to tell our families and ourselves. Jared Kindred left his home and family at the age of eighteen, choosing to wander across America on freight train cars and live on the street. Addicted to alcohol most of his short life, and withholding the truth from many who loved him, he never found a way to survive. Through this ordeal, Dave Kindred's love for his grandson has never wavered. Leave Out the Tragic Parts is not merely a reflection on love and addiction and loss. It is a hard-won work of reportage, meticulously reconstructing the life Jared chose for himself--a life that rejected the comforts of civilization in favor of a chance to roam free. Kindred asks painful but important questions about the lies we tell to get along, and what binds families together or allows them to fracture. Jared's story ended in tragedy, but the act of telling it is an act of healing and redemption. This is an important book on how to love your family, from a great writer who has lived its lessons.

Heartland Sarah Smarsh 2019-09-03 *Finalist for the National Book Award* *Finalist for the Kirkus Prize* *Instant New York Times Bestseller* *Named a Best Book of the Year by NPR, New York Post, BuzzFeed, Shelf Awareness, Bustle, and Publishers Weekly* An essential read for our times: an eye-opening memoir of working-class poverty in America that will deepen our understanding of the ways in which class shapes our country and "a deeply humane memoir that crackles with clarifying insight".* Sarah Smarsh was born a fifth generation Kansas wheat farmer on her paternal side, and the product of generations of teen mothers on her maternal side. Through her experiences growing up on a farm thirty miles west of Wichita, we are given a unique and essential look into the lives of poor and working class Americans living in the heartland. During Sarah's turbulent childhood in Kansas in the 1980s and 1990s, she enjoyed the freedom of a country childhood, but observed the painful challenges of the poverty around her; untreated medical conditions for lack of insurance or consistent care, unsafe job conditions, abusive relationships, and limited resources and information that would provide for the upward mobility that is the American Dream. By telling the story of her life and the lives of the people she loves with clarity and precision but without judgement, Smarsh challenges us to look more closely at the class divide in our country. Beautifully written, in a distinctive voice, Heartland combines personal narrative with powerful analysis and cultural commentary, challenging the myths about people thought to be less because they earn less. "Heartland is one of a growing number of important works—including Matthew Desmond's Evicted and Amy Goldstein's Janesville—that together merit their own section in nonfiction aisles across the country: America's postindustrial decline..Smarsh shows how the false promise of the 'American dream' was used to subjugate the poor. It's a powerful mantra" *(The New York Times Book Review).

The Beauty Myth Naomi Wolf 2009-03-17 The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."
