I Am Number Four: The Lost Files: The Navigator Pittacus Lore 2015-04-21 In this astonishing one-hundred-page companion novella to the New York Times bestselling I Am Number Four series, meet Lexa, a Loric hacker whose unrivaled skills helped her narrowly escape her doomed planet, and who's been hiding on Earth ever since. Lexa was never part of the Elders' plan. She had no idea the Garde children were being evacuated to our planet. But when the Mogadorian attack began, she used her expertise to get an old spaceship in a museum operational once

more and became irrevocably entwined with the Garde's fate. In addition to her friend, a pack of Chimæra, and a Cêpan named Crayton, her relic of a ship also carried Ella, the tenth Garde. With all of their Cêpans now gone, the Garde think they are the last of the Loric people. But they are wrong. They have forgotten all about the crew that brought them to Earth. Where have the pilots for both ships been all these years? And why haven't they joined in the fight against the Mogs? In *The Navigator*, discover the truth behind their escape from Lorien and what happened to them after they arrived

on our planet.

Generation One Pittacus Lore 2017-06-27 The first book in a pulse-pounding new series that's set in the world of the #1 New York Times bestselling *I Am Number Four* series. The war may be over—but for the next generation, the battle has just begun! It has been over a year since the invasion of Earth was thwarted in Pittacus Lore's *United as One*. But in order to win, our alien allies known as the Garde unleashed their Loric energy that spread throughout the globe. Now human teenagers have begun to develop incredible powers of their own, known as Legacies. To help these incredible and potentially dangerous individuals—and put the world at ease—the Garde have created an academy where they can train this new generation to control their powers and hopefully one day help mankind. But not everyone thinks that's the best use of their talents. And the teens may need to use their Legacies sooner than they ever imagined. Perfect for fans of Marvel's *X-Men* and Rick Yancey's *The 5th Wave*, this epic new series follows a diverse cast of teens as they struggle to hone their abilities and decide what, if anything, they should do with them. Even with the return of an old ally, these superpowered teens aren't strong enough yet to take on an entire army. This novella picks up immediately after the cliffhanger ending of *The Fate of Ten* and coincides with the events of *United as One*, the final book in this epic series. After the Mogadorian leader is struck with a potentially fatal blow, it becomes uncertain who will step in for him and how the Mogs should proceed with their invasion of the planet. This power vacuum has wide-reaching ramifications. One Mog, who has been on a quest for redemption ever since she first let the Garde slip through her fingers, is given an unimaginable opportunity to make things right with the Beloved Leader. Another, who has an unquenchable thirst for blood, jumps at the opportunity to hunt down the human teens who have begun to develop Legacies. And the last Mog, who has been questioning everything since he crossed paths with Adam, is forced to decide once and for all where his allegiances lie.

While the fate of the Mogadorian leader is unknown, the one thing that is for certain is that this war is coming to an end . . . and there can only be one side that wins.
