TIMES and USA TODAY Best-Selling Book From the author that brought you 6 New York Times best-selling books including The Harbinger, The Book of Mysteries, and The Oracle Is America heading to judgment? What lies ahead? Discover what no book has ever revealed . . . until now! Are the unprecedented crises of our times, the signs and warnings of coming judgment? Does an ancient mystery hold the secret to the events of our times, and the future of America and the world? Is this mystery even behind the shakings that have now overtaken the world and America? How much time do we have left? In 2012, Jonathan Cahn caused a worldwide sensation with the release of his first book and massive bestseller The Harbinger. It was hailed as 'stunning,' 'prophetic' 'mind-blowing,' and 'astonishing.' Cahn followed it with bestseller after bestseller but he has always held off on writing a sequel. But now, for the first time, Cahn opens up what could not be unlocked before - the mysteries that couldn't be revealed until the present time, the manifestations that have taken place since The Harbinger came out and up to the present hour, and the mysteries of what is yet to come. Ever since The Harbinger was released, people have been asking... Is an ancient mystery determining America's future? Have the harbingers of judgment continued to manifest on American soil? Is America closer now than ever before to judgment and what lies ahead for America and the world? The Harbinger ended by speaking of what was yet to come. That which was written is now coming true. After years of holding back, because he believed it wasn't yet the time, Jonathan Cahn has now written the sequel. The Harbinger II is being hailed as "a prophetic masterpiece" even more powerful and stunning than the first book and will take the mystery to new dimensions

and disclose what could not be revealed in The Harbinger or until now. The Harbinger II will open up the mysteries of the Gate, the Watchmen, the Mystery Ship, the Word in the Ruins, the Book of Days, the Image, the Judgment Tree, the Children of the Ruins, the Convergence, the Handwriting on the Wall, and much more. It will ultimately reveal the mystery of what is yet to come, including the Shakings, the Plague, the Western Terrace, the Island, the Day of the Watchman, and more. As in the first book, the mysteries and revelations of The Harbinger II are completely real and are determining the course of world events to this day. And the mysteries are, likewise, revealed through a narrative. In The Harbinger II, the reader will witness the return of Nouriel, Ana Goren, and the mysterious figure known as 'the prophet.' The prophet will now continue the revelation from where it left off and open up mysteries as stunning and mind-blowing as the first. As in the prophet's first appearance, the revelations will be unlocked, one by one, through the giving of ancient seals, but also through dreams, and a little girl as mysterious as the prophet. In The Harbinger II the reader will be taken on a mysterious and epic journey to uncover the new revelations: from an island in the waters of New England, to the steps of the Supreme Court, to the top of the tower at Ground Zero, to a primeval forest, to the House of Faces, to the pedestal of the Statue of Liberty. The Harbinger II will also reveal the answer and the keys we each need to have for the days that lie ahead. After reading The Harbinger II, you will never see the world the same way again. Prepare to be blown away!

second book in the critically acclaimed Obsidian and Blood trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons--and to the return of their creator, a malevolent goddess only held in check by the War God's power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen... Acatl, High Priest of the Dead, must find the culprit before everything is torn apart. REVIEWS: 'Political intrigue and rivalry among a complex pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most powerful god in his world and put the good of the empire above his antipathy for his rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease and manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.' –Publishers Weekly 'Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author

could choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even more of this rich culture and the many gods and creatures of the dark. I really can't fault this book at all and recommend it to one and all but if you haven't yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you won't be disappointed.' –SF Book Reviews 'Bodard's writing is polished and striking, as she convincingly fills in the colorful elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds... beautiful, grimy, breathtaking, and morbid. 5*' –Examiner 'Alette de Bodard has done it again. *Harbinger of the Storm* is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with amusing snippets here and there... The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final *Obsidian & Blood*.' –Cybermage

The Wormwood Prophecy Thomas Horn 2019-12-03 Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an

instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide.

FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

TIMES Best-Selling Author From the author that brought you 6 New York Times best-selling books including *The Harbinger*, *The Book of Mysteries*, *The Oracle* and *The Harbinger II* Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world...and that they now have returned? *The Return of the Gods* is the most explosive book Jonathan Cahn has ever written. It is so explosive and so revealing that no description here could do it justice. Jonathan Cahn is known for revealing the stunning mysteries, many from ancient times, that lie behind and are playing out in the events of our times. But with *The Return of the Gods*, Cahn takes this to an entirely new level and dimension. *The Return of the Gods*, Cahn takes the reader on a journey from an ancient parable, the ancient inscriptions in Sumer, Assyria, and Babylonia that become the puzzle pieces behind what is taking place in our world to this day, specifically in America. Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming? Who is the Possessor? The Enchanter? The Destroyer? And the Sorceress? Could a sign that has appeared all over America and the world be linked to the gods of Mesopotamia? And if so, what does it actually mean? Could the gods have returned to New York City and an ancient mythology played out on the streets in real time? Is it possible that the gods lie behind everything from what appears on our computer monitors, our televisions and movie screens; to the lessons given in our classrooms; to the breakdown of the family; to wokism; to the occult; to our addictions; to the Supreme Court; to cancel culture; to children's cartoons; to every force and factor that has transformed the

parameters of gender; to that which appears in our stores, on our T-shirts, and on our coffee mugs—to that which is, at this very moment, transforming America and much of the world? Is it possible that behind all these things are ancient mysteries that go back to the Middle East and ancient Mesopotamia? This and so much more, most of which we can't even reveal in this description, will be uncovered. The Return of the Gods is not only one of the most explosive books you'll ever read but also one of the most profound. It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations. You will see things, even in your world, in a whole new light. With such chapters as "The House of Spirits," "The Avatar," "The Masters," "The Deep Magic," and "The Day of the Goddess," The Return of the Gods will take readers on a fascinating, unforgettable, and mind-blowing journey that will leave them stunned and with the ability to see the world as they never have before. Be prepared to be blown away as you open up Jonathan Cahn's most explosive book ever, The Return of the Gods!

The Harbinger David James 2012-09 In *The Harbinger: Fact or Fiction?* author David James exhaustively documents and responds to the serious flaws found throughout the New York Times best-seller from Charisma Media, *The Harbinger*. Messianic rabbi Jonathan Cahn believes he has discovered an "ancient mystery" in Isaiah 9:10 that "explains everything from 9/11 to the collapse of the global economy." As Cahn states at the beginning of his book "What you are about to read is presented in the form of a story, but what is contained within the story is real." Many have accepted Cahn's message as being genuinely from God. However, David James has clearly demonstrated that *The Harbinger* falls far short of meeting the biblical requirements for such a message from God, being based on the mishandling of Scripture, faulty theology, misleading statements, the selective use of historical facts, and unsupported speculation.

From Blood and Ash Jennifer L. Armentrout 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more,

determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
