They demonstrate the development of Shavian comedy and contain early formulations of his idea of the Superman, an extraordinary individual who catalyzes the evolution of mankind.**Arms and the Man** (1894) is Shaw's first commercial success and the first public confirmation that he could make playwrighting his profession. It is the first of what Shaw called his "pleasant plays", comedies that critique idealism in general rather than specific social problems (as his earlier playsdid). Specifically, Shaw undermines the romance of wartime courage, reckless heroism, and nationalist pride among British spectators while using the Serbo-Bulgarian War of 1886 as an exotic veneer.Shaw wrote *The Devil's Disciple* (1897) for William Terriss, an actor known for his swashbuckling roles who had requested a play that would "contain every 'surefire' melodramatic situation" - mistaken identities, terrifying adventures and last-second escapes, and frequent emotional outpourings..**Caesar and Cleopatra** (1898) is Shaw's revision of Shakespeare's Julius Caesar and Antony and Cleopatra as well as a fusion of the pragmatism and unconventionality of the heroes of *Arms and the Man* and *The Devil's Disciple* into a portrait of jocular, morally serious leadership.

The Black Hole,This book is a sequel to The Devil's Double, which was made into a feature film of the same name Latif Yahia 2014-03-31 Book Description: The Black Hole has been banned in Ireland and USA Book Shops.. is the next chapter in the extraordinary and chilling life story of author Latif Yahia. Having escaped the brutal Iraqi regime through Northern Iraq with the help of the CIA in 1992, Latif touched down in Austria. Having family in the pristine and picturesque city of Vienna, Latif is somewhat reassured that his life will be calmer now without Uday Saddam Hussein and his hedonistically violent lifestyle. Alongside Latif is Nusa, a hired girl, a plaything and ego boost for her Baghdadi clientele, although she has never been mentioned in Latif's past works the reasons for her concealment become apparent as the story unfolds. Unfortunately life was never to become the idyll that Latif desired, his knowledge or perceived knowledge of the inner Iraqi regime was to become his saviour and his tormentor. This, left him chained and unable to move forward, as much as he wished to forget, his handlers wanted to know more. Latif became almost a prized item in the world of International Intelligence with nearly all of the world's Intelligence agencies vying for his allegiance, his pleas for neutrality and normality unheard. Ultimately Latif was to pay the price for his uncooperative stance; ten and a half months were spent in a covert Austrian/CIA prison cell in solitary confinement, until by chance his freedom was assured by a visiting judge. One would think that after such events Latif's life may take a quieter turn, this was not to be the case, the game of cat and mouse that played out across the breadth of Europe was interspersed by the tragic death of Latif's beloved father, several assassination attempts and the murder of his first real love a Saudi Arabian Princess Latif Yahia's previous books have sold over one million copies worldwide in twenty languages.

The Devil's in the Details Kimberly Raye 2013 Jess Damon's life is...complicated. Not only is she a man-eating succubus (albeit recently reformed), but she has the mother from hell--literally. Yep, Houston's hottest wedding planner is the daughter of the devil. Though as far as her mother knows, Jess is only in the business to hook up with hunky groomsman, not to find true love. But when demon hunter Cutter Owens rolls into town, turning her back on her evil birthright proves harder than Jess thought. Cutter is out to take down the devil once and for all--and he wants Jess's help to do it. There's no denying Cutter is gorgeous, in that sexy "a demon stole my soul" sort of way. And, sure, Lillian Damon is the queen of evil. But she's still Jess's mom. Now Jess must outfox the world's greatest demon hunter without revealing her true identity or--devil forbid!--falling in love. Sexy, funny, and fiendishly clever, this bewitching paranormal romance is one hell of a read.

The Devil's Double Original Book Latif Yahia 1994-04-01 THE DEVIL'S DOUBLE: is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's 'fidai' (body double) and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has recently been made into a highly acclaimed movie. THE BLACK HOLE: gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice-versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. Forty Shades of Conspiracy: brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug-dealers, Corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. Book Description: In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture, and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double - a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion.

A note from the Author : This book was written in 1992, originally it was 1,000 pages long with even more facts and details than contained in the pages herein, because of it's size the original publisher trimmed it down to the 300 or so pages that it is today. After the fall of Saddam Hussein and his regime in 2003 the facts in this book were confirmed. Many of Uday Hussein's employees found new masters over the years since my flight from Iraq, some work for the US intelligence services, some for the UK, but no matter how they may try to discredit me and my story the facts remain and as you now know I had already put them on paper in 1992, eleven years before the regime fell. I did not have a crystal ball to know all these things, I knew them because I was there, that was my life. Uday's employees have admitted in the Western media to being Pimps for him, they also admit to working as spies against him for the US and the UK intelligence services in return for citizenship of the respective country, what I ask is this, If a man is willing to sell women to a man that he knows to be a sadist, if he is willing to sell his country and himself, is it not then conceivable that he will sell his soul and say anything for money? I have paid a high price for my refusal to co-operate with the intelligence services, the CIA in particular, after twenty years in the West I am still stateless, I cannot return to Iraq because the new Government consider me a collaborator of the Hussein regime, although while they were in opposition to Saddam they found my book to be a useful tool against him and his regime. Saddam while in power considered me a traitor. I do not regret my decision to leave Iraq or write my story, but I have not found the Western governments to be as open and democratic as they were portrayed to us in the Middle-East. In my search for a new country to call home, I have found that those whose story is a fabrication are given the protection of the state as they are no threat, money is their only goal in life so they will not rock the boat', while I, who have an opinion and voice it openly (that is probably my biggest problem) am ignored, refused and while not told to leave am not made especially welcome either, I am tolerated. I do not nor did I ever seek fame, I have not made money from my story and if I do it will go to charity. It amuses me how the tables turn, when Saddam was in power my book was held up in the US Congress and given as a reason for Saddam's removal, now that Saddam is gone those that once used my story for their benefit have tried to denounce me, I have been interviewed by the world's biggest and best names over 1,800 TV, Print and Radio, journalist's who do their research and know who to ask for opinion, the old guard who took pride in their work and valued their reputation. While there are still some true journalists out there many work to order if their editor wants a specific story they make it, true or not, there is no oversight. Although it was never my intention, this book has been used as propaganda for the War on Iraq, my intention when I wrote it was to open the eyes of the world to the horrors and atrocities committed by the regime and to spur the Iraqi people into action. It will always disturb me that the Iraqi people never had a chance to participate in The Arab Spring and depose Saddam and his regime themselves, It may be a very different place today if they had had the chance to do so. Best regards to all, Latif Yahia .

The Devil's Disciple George Bernard Shaw 2006-11-01 George Bernard Shaw's only play set in America, *The Devil's Disciple* is a cutting examination of honor and honesty, rebellion and irreverence. Written in 1897 and first published in the 1901 collection *Three Plays for Puritans*, it is the story of Revolutionary War hero Richard Dudgeon, wrongly arrested by British soldiers in a case of mistaken identity who keeps the secret, fully aware he will be hanged for another man's crimes. Like Dicken's *A Tale of Two Cities*, this is an historically incisive drama, highlighting the best men can achieve at the worst of times. Irish playwright GEORGE BERNARD SHAW (1856-1950) won the Nobel Prize in Literature in 1925 and an Academy Award for Adapted Screenplay in 1938, the only person to achieve both honors. Among his many renowned plays are *Arms and the Man* (1894), *Candida* (1894), *Man and Superman* (1903), *Major Barbara* (1905), and *Pygmalion* (1913).

Terrorist's Creed R. Griffin 2012-09-19 *Terrorist's Creed* casts a penetrating beam of empathetic understanding into the disturbing and murky psychological world of fanatical violence, explaining how the fanaticism it demands stems from the profoundly human need to imbue existence with meaning and transcendence.

The Devil's Book of Culture Benjamin Feinberg 2010-01-01 Since the 1950s, the Sierra Mazateca of Oaxaca, Mexico, has drawn a strange assortment of visitors and pilgrims--schoolteachers and government workers, North American and European spelunkers exploring the region's vast cave system, and counterculturalists from hippies (John Lennon and other celebrities supposedly among them) to New Age seekers, all chasing a firsthand experience of transcendence and otherness through the ingestion of psychedelic mushrooms "in context" with a Mazatec shaman. Over time, this steady incursion of the outside world has significantly influenced the Mazatec sense of identity, giving rise to an ongoing discourse about what it means to be "us" and "them." In this highly original ethnography, Benjamin Feinberg investigates how different understandings of Mazatec identity and culture emerge through talk that circulates within and among various groups, including Mazatec-speaking businessmen, curers, peasants, intellectuals, anthropologists, bureaucrats, cavers, and mushroom-seeking tourists. Specifically, he traces how these groups express their sense of culture and identity through narratives about three nearby yet strange discursive "worlds"--the "magic world" of psychedelic mushrooms and shamanic practices, the underground world of caves and its associated folklore of supernatural beings and magical wealth, and the world of the past or the past/present relationship. Feinberg's research refutes the notion of a static Mazatec identity now changed by contact with the outside world, showing instead that identity forms at the intersection of multiple transnational discourses.

The Devil's Double Latif Yahia 2003 In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, his eldest son, and told that because of the great likeness between them, he was chosen to be Uday's double. After a gruesome training programme, Latif was deemed ready. And so began his life as Uday's double, a life on the perimeter of the inner circle of Saddam's eldest son.

I was Saddam's Son Latif Yahyá 1997 As the stand-in for one of Iraq's most powerful and hated men, he participated in affairs of state, made public appearances, and, during the Gulf War, visited the troops on the front lines while Uday stayed safely in Switzerland. He also saw firsthand the horrors and absurdities of a regime based on corruption and intrigue. He was privy to unbridled scenes of debauchery, and witnessed repeated instances of torture, terror, rape, and murder.

'Who the Devil taught thee so much Italian?' Jason Lawrence 2013-07-19 This book offers a comprehensive account of the methods and practice of learning modern languages, particularly Italian, in late sixteenth and early seventeenth century England. It is the first study to suggest a fundamental connection between language-learning habits and the techniques for both reading and imitating Italian materials employed by a range of poets and dramatists, such as Daniel, Drummond, Marston and Shakespeare, in the period. The widespread use of bilingual parallel-text instruction manuals from the 1570s onwards, most notably those of the Italian teacher John Florio, highlights the importance of translation in the language-learning process. This study emphasises the impact of language-learning translation on contemporary habits of literary imitation, in its detailed analyses of Daniel's sonnet sequence 'Delia' and his pastoral tragicomedies, and Shakespeare's use of Italian materials in 'Measure for Measure' and 'Othello'.

The Devil Never Sleeps Juliette Kayyem 2022-03-29 An urgent, transformative guide to dealing with disasters from one of today's foremost thinkers in crisis management. The future may still be unpredictable, but nowadays, disasters are not. We live in a time of constant, consistent catastrophe, where things more often go wrong than they go right. So why do we still fumble when disaster hits? Why are we always one step behind? In *The Devil Never Sleeps*, Juliette Kayyem lays the groundwork for a new approach to dealing with disasters. Presenting the basic themes of crisis management, Kayyem amends the principles we rely on far too easily. Instead, she offers us a new framework to anticipate the "devil's" inevitable return, highlighting the leadership deficiencies we need to overcome and the forward thinking we need to harness. It's no longer about preventing a disaster from occurring, but learning how to use the tools at our disposal to minimize the consequences when it does. Filled with personal anecdotes and real-life examples from natural disasters like the California wildfires to man-made ones like the Boeing 737 MAX crisis, *The Devil Never Sleeps* is a guide for governments, businesses, and individuals alike on how to alter our thinking so that we can develop effective strategies in the face of perpetual catastrophe.

Unfortunately life was never to become the idyll that Latif desired, his knowledge or perceived knowledge of the inner Iraqi regime was to become his saviour and his tormentor. This, left him chained and unable to move forward, as much as he wished to forget, his handlers wanted to know more. Latif became almost a prized item in the world of International Intelligence with nearly all of the world's Intelligence agencies vying for his allegiance, his pleas for neutrality and normality unheard.

Ultimately Latif was to pay the price for his uncooperative stance; ten and a half months were spent in a covert Austrian/CIA prison cell in solitary confinement, until by chance his freedom was assured by a visiting judge. One would think that after such events Latif's life may take a quieter turn, this was not to be the case, the game of cat and mouse that played out across the breadth of Europe was interspersed by the tragic death of Latif's beloved father, several assassination attempts and the murder of his first real love a Saudi Arabian Princess Latif Yahia's previous books have sold over one million copies worldwide in twenty languages.

Dance With the Devil Sherrilyn Kenyon 2010-04-01 Zarek's Point of View: Dark-Hunter: A soulless guardian who stands between mankind and those who would see mankind destroyed. Yeah, right. I want the truth about what happened the night I was exiled--I have nothing to lose and everything to gain. Astrid (Greek, meaning star): An exceptional woman who can see straight to the truth. Brave and strong, she is a point of light in the darkness. She touches me and I tremble. She smiles and my cold heart shatters. Zarek: They say even the most damned man can be forgiven. The Devil in the Bush Matthew Head 2017-03-20 A missionary doctor is on the hunt for a killer in the Belgian Congo in this 1945 mystery series debut exploring WWII-era Colonial Africa. World War II is raging, but in this dusty backwater of the Belgian Congo, the biggest problem is finding a cold beer. That's the case, at least, for Hooper Taliaferro, a U.S. government gofer sent to Africa on a vague errand related to the war effort. What he finds at the failing Congo-Ruizi plantation won't help the Allies much. Like colonialism itself, the owner is dying of a slow poison, and not even his wife--let alone his staff--can muster the energy to care. Good thing Hooper isn't showing up alone. With him is Dr. Mary Finney, a medical missionary who knows a homicide when she sees one. Middle-aged and unassuming, Mary is used to being underestimated. But with her quick mind and blunt manners, she doesn't suffer fools--or murderers--lightly.
