**Studi piemontesi** 2001

**The Face of Crazy Horse** Cesare Marino 2018-02-14 First published in J.W. Vaughn's classic, With Crook at the Rosebud more than sixty years ago, the "Crazy Horse" tintype has long been the subject of controversy. Most Indians and non-Indians have denied the existence of any possible photographic portrait of the Lakota mystic warrior, including the tintype. With an open-minded approach, The Face of Crazy Horse looks at the photographic history of the Lakota and at Crazy Horse "the man," debunking the false myths created around the heroic figure of the Oglala war chief; including Crazy Horse's refusal to be photographed for fear his soul would be stolen, and the frozen view of Crazy Horse's unrelenting hatred of the White man. Contextual historical and photographic evidence, and a detailed analysis of the debated image, overall appearance, facial features, clothing, medicine bundle, breast-plate, and accessories, provide convincing evidence that the tintype indeed portrays the face and full portrait of Crazy Horse. This identification has long been supported by affidavits and testimonies from within the Lakota community, foremost those of Mrs. Ellen Howard, Jake Herman, and Dewey Beard (aka Iron Hail), and more recently by Francis White Lance and others.

**Egyptian Oedipus** Daniel Stolzenberg 2013-04 Stolzenberg presents a new interpretation of Kircher's hieroglyphic studies, placing them in the context of seventeenth-century scholarship on paganism and Oriental languages. Situating Kircher in the social world of baroque Rome, with its scholars, artists, patrons, and censors, he shows how Kircher's study of ancient paganism depended on the circulation of texts, artifacts, and people between Christian and Islamic civilisations.

**Nature's Nation** Perry Miller 2013-10

**Lares** 1981 Includes music.

**The Way of the Sea Priestess** Louise Tarrier 2012-07-01 The Way of the Sea Priestess - an inner path immerses you into a world of ancient priestesses and long lost spiritual practices. You will discover the ancient rites of the Atlantean Sea Priestesses and their wisdom and healing. Journeying with the moon as it waxes and wanes in the night sky, you will reflect and meditate on the connection between your inner and outer world. Learn about the Goddesses associated with water and invoke them into your life for their blessings and guidance. Listen to the call of the ocean as the tide ebbs and flows. Attune to the natural world and understand how you are an intrinsic part of it through meditation and practical exercises. Keeping a moon diary you will develop a daily practice so that you may truly know your inner nature and become the Sea Priestess that is within us all.

**Lagos Review of English Studies** 1981

**The Ghost-dance Religion and the Sioux Outbreak of 1890** James Mooney 1896

**Subcontinent** Ilaria Bonacossa 2006 The 26 featured artists bring to life images and interpretations of the subcontinent through a diverse range of media including sculpture, painting, video and installation. Includes works by Bani Abidi, Sarnath Banerjee, Enrico David, Chitra Ganesh, Shilpa Gupta, Alia Hasan Khan, Runa Islam, Tushar Joag, Amar Kanwar, Sonia Khurana, Huma Mulji, The Otolith Group, Ashim Purkayastha, Raos Media Collective, Sharmila Smart, Tejal Shah, Varsha Nair, Kiiran Subbaiah, L.N. Tallur, Taxi Onomy, Dayanita Singh.

**Wovoka and the Ghost Dance** Don Lynch 1997-01-01 The religious fervor known as the Ghost Dance movement was precipitated by the prophecies and teachings of a northern Paiute Indian named Wovoka (Jack Wilson). During a solar eclipse on New Year's Day, 1889, Wovoka experienced a revelation that promised harmony, rebirth, and freedom for Native Americans through the repeated performance of the traditional Ghost Dance. In 1890 his message spread rapidly among tribes, developing an intensity that alarmed the federal government and ended in tragedy at Wounded Knee. While the Ghost Dance phenomenon is well known, never before has its founder received such full and authoritative treatment. Indispensable for understanding the prophet behind the messianic movement, Wovoka and the Ghost Dance addresses for the first time basic questions about his message and This expanded edition includes a new chapter and appendices covering sources on Wovoka discovered since the first edition, as well as a supplemental bibliography.

**Death and Rebirth of Seneca** Anthony Wallace 2010-09-01 This book tells the story of the late colonial and early reservation history of the Seneca Indians, and of the prophet Handsome Lake, his visions, and the moral and religious revitalization of an American Indian society that he and his followers achieved in the

years around 1800.

**Sentieri di carta** Paolo Andreotti 1994

**The 1870 Ghost Dance** Cora Du Bois 2011-06-01 The 1870 Ghost Dance was a significant but too often disregarded transformative historical movement with particular impact on the Native peoples of northern California. The spiritual energies of this "great wave," as Peter Nabokov has called it, have passed down to the present day among Native Californians, some of whose contemporary individual and communal lives can be understood only in light of the dance and the complex religious developments inspired by it. Cora Du Bois's historical study, "The 1870 Ghost Dance," has remained an essential contribution to the ethnographic record of Native Californian cultures for seven decades yet is only now readily available for the first time. Du Bois produced this pioneering work in the field of ethnohistory while still under the tutelage of anthropologist Alfred Louis Kroeber. Her monograph informs our understanding of Kroeber's larger, grand and crucial salvage-ethnographic project in California, its approach and style, and also its limitations. "The 1870 Ghost Dance" adds rich detail to our understanding of anthropology in California before World War II

**Medieval Callings** Jacques Le Goff 1995-12-18 These essays by eleven internationally renowned historians present nuanced profiles of the major social and professional groups—the callings-of the Middle Ages. The contributors focus on attitudes of medieval men and women toward their own society. Through a variety of techniques, from a reading of the Song of Roland to a reading of administrative records, they identify characteristic viewpoints of members of the fighting class, the clergy, and the peasantry. Along with vivid descriptions of what life was like for warrior knights, monks, high churchmen, criminals, lepers, shepherds, and prostitutes, this innovative approach offers a valuable new perspective on the complex social dynamics of feudal Europe. "Very useful discussions of texts, both learned and literary."—Christopher Dyer, Times Literary Supplement Contributors: Mariateresa Fumagalli Beonio Brocchieri, Franco Cardini, Enrico Castelnuovo, Giovanni Cherubini, Bronislaw Geremek, Aron Ja. Gurevich, Christiane Klapisch-Zuber, Jacques Le Goff, Giovanni Miccoli, Jacques Rossiaud, and André Vauchez.

**The Vision of the Vanquished** Nathan Wachtel 1977

**Religion and Ceremonies of the Lenape** Mark Raymond Harrington 1921

**American Indian Holocaust and Survival** Russell Thornton 1987 Demographic overview of North American history describing in detail the holocaust that occurred to the Indians.

**Revisiting the Origins of Human Rights** Pamela Slotte 2015-09-11 Scholars of history, law, theology and anthropology critically revisit the history of human rights.

**Men and Bears** AA.VV. 2020-01-23 The time of Carnival represents a "wild" time at the end of winter and pointing to the beginning of a new season. It is characterized by the irruption of border figures, animal masks, characters which recall the world of the dead and which bring within themselves the germ of a vital force, of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops. This wild domain shows itself under the shapes of a contiguity between human and animal: the costumes, the masks, refer to a world in which the characteristics of the human and those of the animal are fused and intertwined. Among these figures, in particular, emerge those of the Wild Man, the human being who takes on animal-like attributes and aspects, and of the Bear, the animal that, more than all the others, gets as close as possible to the human and seems to reflect a deformed image of it. Such symbolic images come from far off times and places to tell a story that belongs to our common origins. The bear assumes attributes and functions alike in very different cultural contexts, such as the Sámi of Finland or North-American hunter-gatherers, and represents a boundary between the world of nature and the human world, between the domain of animals and the difficult construction of humanity: a process continued for centuries, perhaps millennia, and which cannot still be said complete.

**The Taking and Displaying of Human Body Parts as Trophies by Amerindians** Richard J. Chacon 2007-08-21 This edited volume mainly focuses on the practice of taking and displaying various body parts as trophies in both North and South America. The editors and contributors (which include Native Peoples from both continents) examine the evidence and causes of Amerindian trophy taking. Additionally, they present objectively and discuss dispassionately the topic of human proclivity toward ritual violence. This book fills the gap in literature on this subject.

**Jesuit Kaddish** James Bernauer, S.J. 2020-03-30 While much has been written about the Catholic Church and the Holocaust, little has been published about the hostile role of priests, in particular Jesuits, toward Jews and Judaism. Jesuit Kaddish is a long overdue study that examines Jesuit hostility toward Judaism before the

Shoah and the development of a new understanding of the Catholic Church's relation to Judaism that culminated with Vatican II's landmark decree *Nostra aetate*. James Bernauer undertakes a self-examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation. Jesuit Kaddish demonstrates the way Jesuit hostility operated, examining Jesuit moral theology's dualistic approach to sexuality and, in the case of Nazi Germany, the articulation of an unholy alliance between a sexualizing and a Judaizing of German culture. Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of *Nostra aetate*. This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as "Righteous Among the Nations" by Israel's Yad Vashem Holocaust Center. Jesuit Kaddish offers a crucial contribution to the fields of Catholicism and Nazism, Catholic-Jewish relations, Jesuit history, and the history of anti-Semitism in Europe.

**Maira Darcy Ribeiro** 1984 Major Nonato dos Anjos, a cavalry officer, is assigned to investigate the mysterious death of a pregnant white woman near the village of some Brazilian Indians  
*Medieval Warfare in Manuscripts* Pamela J. Porter 2000-01-01 The glamour associated with knights in shining armour, colourful tournaments and heroic deeds appeal strongly to the modern imagination. However, few pieces of military dress and equipment have survived to provide direct insight into the way that war was waged in the Middle Ages. For a comprehensive view of the nature of medieval warfare we rely on written documentation and the information preserved in paintings, sculptures, carvings, and other pictorial sources. The most numerous by far of these are the miniatures and drawings found in manuscript books, partly because books tend to survive better than other artefacts and partly because many individual volumes contain multiple representations. Pamela Porter presents and describes a variety of evocative manuscript illuminations in an effort to reveal them as a source of information about military dress, equipment, and practices.

**A History of the Amish** Steven M. Nolt 2016-02-02 The Amish, one of America's most intriguingly private, unique, and often misunderstood religious communities, have survived for three hundred years! How has that happened? While much has been written on the Amish, little has been revealed about their history. This book brings together in one volume a thorough history of the Amish people. From their beginnings in Europe through their settlement in North America, the Amish have struggled to maintain their beliefs and traditions in often hostile settings. Now updated, the book gives an in-depth look at how the modern Amish church continues to grow and change. It covers recent developments in new Amish settlements, the community's conflict and negotiation with government, the Nickel Mines school shooting, and the media's constant fascination with this religious people, from reality TV shows to romance novels. Authoritative, thorough, and interestingly written, *A History of the Amish* presents the deep and rich heritage of the Amish people with dozens of illustrations and updated statistics. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*Catalogo dei libri in commercio* 1999

*General Directory for Catechesis* Catholic Church. Congregatio pro Clericis 2008-03 Revised and updated version of the General catechetical directory, 1971. Includes bibliographical references (p. 2-5) and index.  
*Amish Society* John Andrew Hostetler 1968 Highly acclaimed in previous editions, this classic work by John Hostetler has been expanded and updated to reflect current research on Amish history and culture as well as the new concerns of Amish communities throughout North America.

*We Talk, You Listen* Vine Deloria 2007-05-01 *We Talk, You Listen* is strong, boldly unconventional medicine from Vine Deloria Jr. (1933-2005), one of the most important voices of twentieth-century Native American affairs. Here the witty and insightful Indian spokesman turns his penetrating vision toward the disintegrating core of American society. Written at a time when the traditions of the formerly omnipotent Anglo-Saxon male were crumbling under the pressures of a changing world, Deloria's book interprets racial conflict, inflation, the ecological crisis, and power groups as symptoms rather than causes of the American malaise: "The glittering generalities and mythologies of American society no longer satisfy the need and desire to belong," a theory as applicable today as it was in 1970. American Indian tribalism, according to Deloria, was positioned to act as America's salvation. Deloria proposes a uniquely Indian solution to the legacy of genocide, imperialism, capitalism, feudalism, and self-defeating liberalism: group identity and real community development, a kind of neo-tribalism. He also offers a fascinating cultural critique of the nascent "tribes" of the 1970s, indicting Chicanos, blacks, hippies, feminists, and others as misguided because they lacked comprehensive strategies and were led by stereotypes rather than an understanding of their uniqueness. Vine Deloria Jr. (Standing Rock Sioux, 1933-2005) was the author of more than twenty books, including *Custer Died for Your Sins*, *Behind the Trail of Broken Treaties*, and *God Is Red*. Suzan Shown Harjo (Cheyenne & Muscogee) is a poet, lecturer, curator, columnist for *Indian Country Today*, policy advocate, and president of the Morning Star Institute, a national Indian rights organization.

**Signs of Cherokee Culture** Margaret Bender 2003-04-03 Based on extensive fieldwork in the community of

the Eastern Band of Cherokee Indians in western North Carolina, this book uses a semiotic approach to investigate the historic and contemporary role of the Sequoyan syllabary--the written system for representing the sounds of the Cherokee language--in Eastern Cherokee life. The Cherokee syllabary was invented in the 1820s by the respected Cherokee Sequoyah. The syllabary quickly replaced alternative writing systems for Cherokee and was reportedly in widespread use by the mid-nineteenth century. After that, literacy in Cherokee declined, except in specialized religious contexts. But as Bender shows, recent interest in cultural revitalization among the Cherokees has increased the use of the syllabary in education, publications, and even signage. Bender also explores the role played by the syllabary within the ever more important context of tourism. (The Eastern Cherokee Band hosts millions of visitors each year in the Great Smoky Mountains.) English is the predominant language used in the Cherokee community, but Bender shows how the syllabary is used in special and subtle ways that help to shape a shared cultural and linguistic identity among the Cherokees. Signs of Cherokee Culture thus makes an important contribution to the ethnographic literature on culturally specific literacies.

*Casa Guidi Windows* Elizabeth Barrett Browning 1851

*Memories of an Indian Boyhood* Charles A. Eastman 2021-04-23 *Memories of an Indian Boyhood* (1902) is a memoir by Charles Eastman. Recognized for his achievements as a pioneering Native American physician, Eastman was also a prolific writer whose personal stories, powerful meditations, and in-depth studies of indigenous culture continue to be read and appreciated today. In this memoir, his debut literary work, he recalls a youth marked by tragedy and perseverance that earned him the name Ohíye S'a, Dakota for "always wins." "What boy would not be an Indian for a while when he thinks of the freest life in the world? This life was mine." Although his birth and youth were marked by tragedy--the death of his mother, his separation from his father and siblings during the Dakota War of 1862--Eastman was able to experience the joys of Dakota Sioux life with his maternal grandmother and her family. "Every day there was a real hunt. There was real game. Occasionally there was a medicine dance away off in the woods where no one could disturb us [...]" Immersed in the traditions of his people, Eastman--whose birthname was Hakadah--developed an identity grounded in the wisdom of his elders, yet open to the world outside. Nostalgic and full of gorgeous detail, *Memories of an Indian Boyhood* is a story of one boy's youth that resonates with all who read it. With a beautifully designed cover and professionally typeset manuscript, this edition of Charles Eastman's *Memories of an Indian Boyhood* is a classic work of Native American literature reimagined for modern readers.

**Anabaptist World USA** Donald B. Kraybill 2001 Anchored on a database of 5,400 congregations, this book provides an authoritative overview of more than 60 Amish, Brethren, Hutterite, and Mennonite groups. Interpretative essays, graphics, photographs, group profiles, and state-by-state summaries make this a turn-of-the-century reference.

*To Have Or To Be?* Erich Fromm 2013-06-27 Fromm gennemgår forskellen mellem begreberne at have og at være og mener, at hvis alle tilslutter sig en "værende" livsform, vil et nyt og sundere samfund opstå  
*Beginning Cherokee* Ruth Bradley Holmes 1977 Contains twenty-seven lessons in the Cherokee language, based on the Oklahoma dialect; and includes accompanying exercises, appendices, and alphabetical vocabulary lists.

*Indian Journals* Allen Ginsberg 2007-12-01 Allan Ginsberg was the leading poet and conscience of the Beat generation. *Indian Journals* collects Ginsberg's writings from his trip to India in 1962-63.

**Testi religiosi degli Indiani del Nordamerica** Aa.Vv., 2013-05-15 Questa raccolta offre un contributo significativo alla conoscenza dei riti e delle celebrazioni degli Indiani del Nordamerica, che narrano in queste pagine le loro esperienze e i loro ricordi. Curatore della pubblicazione è Enrico Comba, ricercatore in discipline demotnoantropologiche dell'Università di Torino. Oggi questi testi escono per Utet in forma di ebook, con un accurato compendio critico accessibile via ipertesto.

*Giornale della libreria* 1974

*For an Amerindian Autohistory* Georges E. Sioui 1995 A Huron born and raised near Quebec City, Georges Sioui is the first to present guidelines for the study of Native history from an Amerindian point of view. He argues that these guidelines must be respected if the self-image and social ethics of Native people are to be understood and preserved and shows that they provide a way to greatly improve the way Native people and more recent immigrants to the Americas perceive each other.

**The Human Being** Hans Schwarz 2013-12-20 This overview of Christian anthropology by Hans Schwarz uniquely emphasizes three things: (1) the biblical testimony, (2) the historical unfolding of Christian anthropology through the centuries, and (3) the present affirmation of Christian anthropology in view of rival options and current scientific evidence. Schwarz begins by elucidating the special place occupied by human beings in the world, then ponders the complex issue of human freedom, and concludes by investigating humanity as a community of men and women in this world and in the world beyond. While maintaining a strong biblical orientation, Schwarz draws on a wide range of resources, including philosophy and the natural sciences, in order to map out what it means to be human. Schwarz's *Human Being* will interest anyone who is concerned with how in the face of fascinating scientific insights we can intelligently talk today about human sinfulness, human freedom, and human beings as children of the God who created us.

*Apostles of Empire* Bronwen McShea 2022 *Apostles of Empire* contributes to ongoing research on the Jesuits, New France, and Atlantic World encounters, as well as on early modern French society, print culture, Catholicism, and imperialism.
