A History of Missions in India Julius Richter 1908

Covenanting Pilgrimages and Studies Adam Brown Todd 1911

Western Admirers of Ramakrishna and His Disciples Gopal Stavig 2010-10-02 This classic work of research published by

Advaita Ashrama, a Publication centre of Ramakrishna Math, Belur Math, India, brings under a single volume around 600 persons inspired by the ideals of Sri Ramakrishna and his disciples. Notable personalities whose connection with the Vedanta Movement in the West is delineated include Aldous Huxley, Arnold Toynbee, Albert Einstein, Ralph Waldo Emerson, Carl Jung, Mark Twain, J D Salinger and Joseph Campbell among others. For the scholars it is a mine of information presented precisely, and for the devotees of Ramakrishna, it is an inspiring account of western admiration for Ramakrishna and his disciples. The Routledge Handbook of the State in Premodern India Hermann Kulke 2022-01-13 This handbook presents a multilayered and multidimensional history of state formation in premodern India. It explores dense and rich local and subregional historiography from the mid-first millennium BC to the eighteenth century in South Asia. Shifting the focus away from economic and political factors, this handbook revises the conventional understanding of states and empires and locates them in their quotidian conduct and activity on socio-cultural and concomitant factors. Comprehensive in scope, this handbook addresses a range of themes connected with the idea of state formation in the subcontinent. It includes discussions and debates on ritual practices and the Brahmanical order in early India; the Delhi Sultanate and role of Sultans among the Hindu kings; the cosmopolitan 'Islamicate' cultural influences on Puranic Hinduism; cultural background of the Mughal state. The handbook examines new questions and ideologies of state formation, such as: · facets of violence and resistance; · the significance of the autonomous spaces and forests; · regional elites, including 'Little kings'; tribal background of some famous cults; · trade and maritime commerce; · royal patronage, courtly manners, lineage formation; · imperial architecture, monuments, and temple, among others. Featuring case studies from different part of the India subcontinent, and with contributions by renowned historians, this authoritative handbook will be an indispensable reading for teachers, scholars, and students of early India, medieval India, premodern India, South Asian history, Asian history, historiography, economic history, historical sociology, and South Asia studies.

Daemons Are Forever David Gordon White 2021-02-01 A richly illustrated tapestry of interwoven studies spanning some six thousand years of history, *Daemons Are Forever* is at once a record of archaic contacts and transactions between humans and protean spirit beings—*dæmons*—and an account of exchanges, among human populations, of the science of spirit beings: *dæmonology*. Since the time of the Indo-European migrations, and especially following the opening of the Silk Road, a common *dæmonological* vernacular has been shared among populations ranging from East and South Asia to Northern Europe. In this virtuoso work of historical sleuthing, David Gordon White recovers the trajectories of both the “inner demons” cohabiting the bodies of their human hosts and the “outer *dæmons*” that those same humans recognized each time they encountered them in their enchanted haunts: sylvan pools, sites of geothermal eruptions, and dark forest groves. Along the way, he invites his readers to reconsider the potential and promise of the historical method in religious studies, suggesting that a “connected histories” approach to Eurasian *dæmonology* may serve as a model for restoring history to its proper place at the heart of the discipline of the history of religions.

Mountain, Water, Rock, God Luke Whitmore 2018-11-27 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. In *Mountain, Water, Rock, God*, Luke Whitmore situates the disastrous flooding that fell on the Hindu Himalayan shrine of Kedarnath in 2013 within a broader religious and ecological context. Whitmore explores the longer story of this powerful realm of the Hindu god Shiva through a holistic theoretical perspective that integrates phenomenological and systems-based approaches to the study of religion, pilgrimage, place, and ecology. He argues that close attention to places of religious significance offers a model for thinking through connections between ritual, narrative, climate destabilization, tourism, development, and disaster, and he shows how these critical components of human life in the twenty-first century intersect in the human experience of place.

Dancing the Self William Sturman Sax 2002 Over a period of ten years, William Sax studied the inhabitants of the former kingdom of Garhwal, located in north India. He saw and took part in many performances of the *pandav lila*, a ritual reenactment of scenes from the *Mahabharata* in dance.

[Ethnic Groups of South Asia and the Pacific](#) James B. Minahan 2012-08-30 This comprehensive guide to the Pacific and South Asia provides detailed and enlightening information about the many ethnic groups of this increasingly important region of the world. Ideally suited for high school and undergraduate students studying subjects such as anthropology, geography, and social studies, *Ethnic Groups of South Asia and the Pacific: An Encyclopedia* provides clear, detailed, and up-to-date information on each major group in South Asian and Pacific Island countries, including India, Nepal, Indonesia, Pakistan, Singapore, Australia, Tonga, Samoa, and the Solomon Islands. Organized alphabetically by ethnic group, each entry provides an introduction followed by accessible descriptions of the origins, early history, cultural life, political life, and modern history of the ethnicity. Alternate names, major population centers, primary languages and religions, and other important characteristics of each group are also covered. Beyond being a valuable resource for student research, this book will be enlightening and entertaining for general readers interested in South Asia and the Pacific.

Tales of Justice and Rituals of Divine Embodiment Aditya Malik 2016-05-12 Based on extensive ethnographic fieldwork conducted in the Central Himalayan region of Kumaon, *Tales of Justice and Rituals of Divine Embodiment* draws on oral and written narratives, stories, testimonies, and rituals told and performed in relation to the "God of Justice,"

Goludev, and other regional deities. The book seeks to answer several questions: How is the concept of justice defined in South Asia? Why do devotees seek out Goludev for the resolution of matters of justice instead of using the secular courts? What are the sociological and political consequences of situating divine justice within a secular, democratic, modern context? Moreover, how do human beings locate themselves within the indeterminateness and struggles of their everyday existence? What is the place of language and ritual in creating intimacy and self? How is justice linked to intimacy, truth, and being human? The stories and narratives in this book revolve around Goludev's own story and deeds, as well as hundreds of petitions (*manauti*) written on paper that devotees hang on his temple walls, and rituals (*jagar*) that involve spirit possession and the embodiment of the deity through designated mediums. The *jagars* are powerful, extraordinary experiences, mesmerizing because of their intensity but also because of what they imply in terms of how we conceptualize being human with the seemingly limitless potential to shift, alter, and transform ourselves through language and ritual practice. The petitions, though silent and absent of the singing, drumming, and choreography that accompany *jagars*, are equally powerful because of their candid and intimate testimony to the aspirations, breakdowns, struggles, and breakthroughs that circumscribe human existence.

The Athenaeum James Silk Buckingham 1905

Holy Himalaya E. Sherman Oakley 2017-11-23 Excerpt from *Holy Himalaya: The Religion, Traditions, and Scenery of Himalayan Province (Kumaon and Garhwal)* India is Britain's great romantic asset, and one of her chief claims to historical distinction. The nation that dominates the Indian peninsula is, from the standpoint of human interest and culture, the most enviable nation of the world. The glory that was Greece and the grandeur that was Rome have passed away, and their sites only are left as relics of the past. India, on the contrary, has the more vivid charm of a treasure yet unexplored, a storehouse of existing marvels, a vast and complex field for research of every kind. Many secrets of bygone races and eras are yet to be wrung from its buried monuments and unpublished manuscripts. Here the ancient world yet lives on in the daily lives of men. Customs, cults, and ideas that have perished from the memory of the rest of the human race are here in full force. India is the land that above all has power to stir the imagination. Ritual Journeys in South Asia Christoph Bergmann 2019-09-03 This book focuses on the ritualized forms of mobility that constitute phenomena of pilgrimage in South Asia and establishes a new analytical framework for the study of ritual journeys. The book advances the conceptual scope of 'classical' Pilgrimage Studies and provides empirical depth through individual case studies. A key concern is the strategies of ritualization through which actors create, assemble and (re-)articulate certain modes of displacement to differentiate themselves from everyday forms of locomotion. Ritual journeys are understood as being both productive of and produced by South Asia's socio-economically uneven, politically charged and culturally variegated landscapes. From various disciplinary angles, each chapter explores how spaces and movements in space are continually created, contested and transformed through ritual journeys. By focusing on this co-production of space and mobility, the book delivers a conceptually driven and empirically grounded engagement with the diverse and changing traditions of ritual journeying in South Asia. Interdisciplinary in its approach, the book is a must-have reference work for academics interested in South Asian Studies, Religious Studies, Anthropology and Human Geography with a focus on pilgrimage and the socio-spatial ideas and practices of ritualized movements in South Asia.

Holy Himalaya E. Sherman Oakley 2015-06-25 Excerpt from *Holy Himalaya: The Religion, Traditions, and Scenery of Himalayan Province (Kumaon and Garhwal)* India Britain's great romantic asset, and one of her chief claims to historical distinction. The nation that dominates the Indian peninsula is, from the standpoint of human interest and culture, the most enviable nation of the world. "The glory that was Greece and the grandeur that was Rome" have passed away, and their sites only are left as relics of the past.
