The Curated Wardrobe Rachel Lord 2018-03-31 The Curated Wardrobe (FREE BONUS) Find Your Personal Style With This Simple System And Build a Smart Wardrobe Now! Stuffing your wardrobe with variety of items does not necessarily indicate that you are a fashionable and a contemporary stylish individual. You ought always to keep in your consideration that the quality matters considerably more than the quantity. It is not at all about how much you have in the closet, yet it is about how well you can use what you have to create stylish combinations and unique fashionable manifestations. You should not be at all ashamed if you happen to have a wardrobe with pieces of outfit less than what your friends as acquaintances do, especially in case you adopt your own style which is reflected by your wardrobe, and you are always aware of what to wear, promptly choosing without confusions or hesitations, and mostly always satisfied with these choices, whereas the others are still too far from reaching that stage of confidence and self-organisation, and they may in frequent cases compensate for this skill-lacking by demonstrating some arrogance and pride of how much their closets harbor. Basically, the curated wardrobe stands for the wardrobe that harbors the collection of clothes, shoes and accessories that can be: - Brought in combination and harmony with each other - Reflect your style and self as a whole - Convenient and useable in all various occasions In other words, it is you at the aspect of fashion. I am introducing to you this guide on basis of how I have implemented the curation principle as well as the multitude of wardrobes which I came across and which have not yet reached that phase because of the unwillingness or unawareness of their owners. I am hopeful that my ideas would be effective and of a great benefit for you to apply, and that they would impart in you a motive to get up, start sorting out your belongings and finally accomplish something worthy in your daily life.
