Shadow Voices John Connolly 2021-10-28 All hardbacks in the first print run will be signed by the author. The story of genre fiction - horror, romantic fiction, science fiction, crime writing, and more - is also the story of Irish fiction. Irish writers have given the world Lemuel Gulliver, Dracula, and the world of Narnia. They have produced pioneering tales of detection, terrifying ghost stories and ground-breaking women's popular fiction.

Now, for the first time, John Connolly's one volume presents the history of Irish genre writing and uses it to explore how we think about fiction itself. Deeply researched, and passionately argued, SHADOW VOICES takes the lives of more than sixty writers - by turns tragic, amusing, and adventurous, but always

extraordinary - and sets them alongside the stories they have written, to create a new way of looking at genre and literature, both Irish and beyond. Here are vampires and monsters, murderers and cannibals. Here are female criminal masterminds and dogged detectives, star-crossed lovers and vengeful spouses. Here are the SHADOW VOICES.

The Gates John Connolly 2010-09-28 Young Samuel Johnson and his dachshund, Boswell, are trying to show initiative by trick-or-treating a full three days before Halloween, which is how they come to witness strange goings-on at 666 Crowley Road. The Abernathys don't mean any harm by their flirtation with the underworld,

but when they unknowingly call forth Satan himself, they create a gap in the universe, a gap through which a pair of enormous gates is visible. The gates to Hell. And there are some pretty terrifying beings just itching to get out. . . . Bursting with imagination and impossible to put down, New York Times bestselling author John Connolly's "wholly original" (People) and "refreshing" (San Francisco Chronicle) novel is about the pull between good and evil, physics and fantasy. It is about a quirky and eccentric boy, who is impossible not to love, and the unlikely cast of characters who give him the strength to stand up to a demonic power.

He is a dangerous man, driven by compassion, rage, and the desire for vengeance. Prosperous and its townsfolk recognize that he poses a threat to their security that runs deeper than any in their long history. But this community has its own way of protecting itself, and its sheltered residents have marked Charlie for death so that Prosperous may survive. Prosperous, and the secret that is buried beneath it...

A Time of Torment John Connolly 2016-08-02 #1 internationally bestselling author John Connolly delivers a masterful combination of "the hard-boiled with the supernatural" (Publishers Weekly, starred review) with this return of dangerous and driven private investigator Charlie Parker as he battles an old evil that haunts a strange and isolated community. Jerome Burnel was once a hero. He intervened to prevent multiple killings, and in doing so damned himself. His life was torn apart, imprisoned and brutalized. But in his final days, with the hunters circling, he tells his story to private detective Charlie Parker. He speaks of the girl who was

marked for death, but was saved; of the ones who tormented him, and an entity that hides in a ruined stockade. Parker is not like other men. He died, and was reborn. He is ready to wage war. Now he will descend upon a strange, isolated community called the Cut, and face down a force of men who rule by terror, intimidation, and murder. All in the name of the being they serve. All in the name of the Dead King.

Nocturnes Kazuo Ishiguro 2009-09-22 From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* comes an inspired sequence of stories as affecting as it is beautiful. With the clarity and precision that have become his trademarks, Kazuo Ishiguro interlocks five short pieces of fiction to create a world that resonates with emotion, heartbreak, and humor. Here is a fragile, once famous singer, turning his back on the one thing he loves; a music junky with little else to offer his friends but opinion; a songwriter who inadvertently breaks up a marriage; a jazz musician who thinks the answer to his career lies in changing his physical appearance; and a young cellist whose tutor has devised a remarkable way to foster his talent. For each, music is a central part of their lives and, in one way or another, delivers them to an epiphany.

In "The New Daughter," a father comes to suspect that a burial mound on his land hides something very ancient, and very much alive; in "The Underbury Witches," two London detectives find themselves battling a particularly female evil in a town culled of its menfolk. And finally, private detective Charlie Parker returns in the long novella "The Reflecting Eye," in which the photograph of an unknown girl turns up in the mailbox of an abandoned house once occupied by an infamous killer. This discovery forces Parker to confront the possibility that the house is not as empty as it appears, and that something has been waiting in the darkness for its chance to kill again.

The Black Angel John Connolly 2006-02-01 When a young woman disappears from the streets of New York City, ties of friendship and blood inevitably draw ingenious, tortured detective Charlie Parker into the search. But the Black Angel is not a legend. It is real. It lives. It dreams. And the mystery of its existence may contain the secret of Parker's own origins.
