New Testament Basics for Catholics John

Bergsma 2015-10-02 Award-winning author and

theology professor John Bergsma follows up his

popular Bible Basics for Catholics—which has sold

more than 60,000 copies—with a more in-depth

look at the New Testament. Using simple illustrations and the same clear, conversational style that characterized his earlier book, Bergsma introduces four of the most important writers in the New Testament: Matthew, Luke, Paul, and John. With humor and simple illustrations, theology professor John Bergsma focuses on Matthew, Luke, Paul, and John, whose writings comprise about 90 percent of the New Testament. The gospel of Matthew, written for Jewish Christians, illuminates the life and teachings of Christ as the long-promised Messiah. In Luke's gospel, readers will delve into the

infancy and Triduum narratives, as well as the Acts of the Apostles and the life of the early Church. This leads the reader to discover St. Paul and his first and arguably greatest theological treatise: Romans. Finally, “the beloved apostle” St. John draws us in to the unsurpassed beauty of the fourth gospel, as well as the most mysterious book of the New Testament: the book of Revelation. A concluding chapter offers suggestions for further study. Intended as an introductory work for those who are new to scripture study, *New Testament Basics for Catholics* does not aspire to be a comprehensive

guide to all twenty-seven books of the New Testament, but is intended to lay the foundation for a lifetime of scripture reading.

Rose Bible Basics: Why Trust the Bible Rose Publishing 2013-12-16 Rose Bible Basics series: Why Trust the Bible? Is the Bible an ancient document that has been tampered with? Has it been edited many times over the centuries and now is filled with errors? How can we know what the Bible really said when the originals no longer exist? Bestselling books that promote these doubts, such as Bart Ehrman's *Misquoting Jesus: The Story Behind Who Changed the Bible and Why*, are influencing today's news media, and these teachings are being treated as fact. Now is the time to address the topic of textual criticism in

our churches and help Christians become better informed – ready to "defend the faith." "The Bible can be trusted," says author Dr. Timothy Paul Jones. The good news is that the Bible is reliable, even though it was hand copied and there are variations between texts. This ebook explains the variations and why they don't affect the trustworthiness of the Scriptures. Dr. Jones' interest in this topic began many years ago when he came across these arguments in seminary. At first his faith was badly shaken and he wondered if he still believed. But as he dug deeper, he found answers. Dr. Jones shows the errors in

critics' logic and facts —and does it in an easy-to-understand style with charts, diagrams, and explanations. This full-color ebook gives answers to the following claims by critics: •The Gospels were written long after Jesus lived by people who weren't eyewitnesses. •The stories about Jesus' life and death were not handed down reliably and not recorded accurately. •The Bible is full of textual errors, as proven by the Dead Sea Scrolls •The New Testament wasn't finalized until hundreds of years after Jesus and his disciples, so there could have been many other "Gospels" accepted and later rejected -- in addition to the

four Gospels found in the Bible today. •The originals of the Bible are lost, therefore we have no way of knowing what it actually said. •The Bible was edited by people who had an "agenda" and changed many teachings. The chapter titles are How We Got the Bible; Dead Sea Scrolls; 100 Proofs for the Bible; Why Trust the Bible; 100 Prophecies Fulfilled by Jesus; and the Gospels "Lost" & Found. Full color, dozens of color photos and illustrations and charts.

Jesus Is No Secret Carolyn Nystrom 1994-06-09

This new book in the Children's Bible Basics series uses simple words, adhering closely to

Scripture, to relate evangelism and missions to a child's life experience. Nystrom explains that God wants people to talk about Him and teaches children to help missionaries, as well as be missionaries, wherever they are. A durable, reasonably-priced book with full-color art.

Psalm Basics for Catholics John Bergsma

2018-03-16 In his third back-to-basics look at the Bible, popular theology professor and bestselling Catholic author and speaker John Bergsma highlights the presence of Jesus in the psalms and helps us understand their meaning in light of the story of salvation. Bergsma employs the same

conversational style and simple illustrations found in Bible Basics for Catholics and New Testament Basics for Catholics to help bridge the gap between the world of contemporary Catholics and the ancient world of the Bible. In Psalm Basics for Catholics, John Bergsma introduces us to King David, the story of Israel, and the salvation of the Jewish people through the coming of Jesus. For more than two thousand years, Christians have sung, chanted, and prayed the psalms, a practice of worship inherited from our Jewish ancestors in faith. Whether prayed during Mass, the Liturgy of the Hours, or in personal reflection, these ancient

hymns continue to be a guiding light for Catholics. Yet rarely do we step back and look at how the psalms fit into the story of salvation revealed in the Bible the way Bergsma does here. Bergsma also addresses common questions about the psalms, including Do the psalms really predict Jesus? What do we make of the so-called curse psalms? Why do we pray the psalms in the Liturgy of the Hours? How do I read and pray the psalms? Bergsma's insightful, practical examination of the psalms helps Catholics see how their promise is fulfilled in Christ.

Bible Basics Duncan Heaster 2011-01-05 Bible Basics is a detailed study of basic Biblical doctrines and teachings. It's a self study guide, with questions at the end of each of the 11 sections. It's designed to go through the basic message of the Bible from start to finish. Bible Basics is a positive presentation of the Gospel, but there are digressions to discuss difficult Bible passages, and to demonstrate that many confusing doctrines such as the Trinity, immortal soul and infant sprinkling are not Biblical nor strictly Christian, but instead merely the creation of mainstream church theologians. What's the Message? Sullivan, Kevin 2022 The Bible, argues the author, is "the best self-help book of all time." Reaching beyond a conventionally religious readership, What's the

Message? gives a fresh and positive approach, including "ponderings" that make sense of the ancient words of Scripture in contemporary terms. With the Bible basic story line in view, the author enables readers to interact intelligibly with the big themes: love of God and love of neighbor, mercy and forgiveness, effective prayer, faith and assurance, service to others, and spiritual renewal. While this book introduces new readers to the Bible who could otherwise be intimidated by its size and antiquity, its goal is ultimately to encourage readers to engage in a fuller study of the Bible than they have previously pursued... or

even thought possible.

What did they do, or not do, to prevent corruption of the gospel? What can you do to protect the gospel of Jesus Christ
