The Plague-sower Gesualdo Bufalino 1988

The Year of the Death of Ricardo Reis José Saramago 1992-04-27 From the Nobel Prize-winning author: "A capacious, funny, threatening novel" of wandering souls and political upheaval in 1930s Portugal (The New York Times Book Review). The year is 1936, and the dictator António de Oliveira Salazar is establishing himself in Portugal, edging his country toward civil war. At the same time, Dr. Ricardo Reis has returned home to Lisbon after a long sojourn in Brazil. What’s brought him back is word that the great poet, Fernando Pessoa, has died. With no intention of resuming his practice, Reis now dabbles in his own poetry, wastes his days strolling the boulevards and back streets, engages in affairs with two different women—and is followed through each excursion by Pessoa’s ghost. As a fascist revolution roils, and as Reis’s path intersects with three relative strangers—two living, one dead—Reis may finally discover the reality of his own chimerical existence. “A rich story about human relationships and dreams.”—The New York Times Called “a magnificent tour-de-force, perhaps one of the best novels published in Europe since World War II” (The Bloomsbury Review) and “altogether remarkable” (The Wall Street Journal), The Year of the Death of Ricardo Reis is a PEN Award winner and stands among the finest works by the author of Blindness. Translated by Giovanni Pontiero **Heidegger and the Jews** Donatella Di Cesare 2018-08-23 Philosophers have long struggled to reconcile Martin Heidegger’s involvement in Nazism with his status as one of the greatest thinkers of the twentieth century. The recent publication of his Black Notebooks has reignited fierce debate on the subject. These thousand-odd pages of jotted observations profoundly challenge our image of the quiet philosopher’s exile in the Black Forest, revealing the shocking extent of his anti-Semitism for the first time. For much of the philosophical community, the Black Notebooks have been either used to discredit Heidegger or seen as a bibliographical detail irrelevant to his thought. Yet, in this new book, renowned philosopher Donatella Di Cesare argues that Heidegger’s “metaphysical anti-Semitism” was a central part of his philosophical project. Within the context of the Nuremberg race laws, Heidegger felt compelled to define Jewishness and its relationship to his concept of Being. Di Cesare shows that Heidegger saw the Jews as the agents of a modernity that had disfigured the spirit of the West. In a deeply disturbing extrapolation, he presented the Holocaust as both a means for the purification of Being and the Jews’ own “self-destruction”; a process of death on an industrialized scale that was the logical conclusion of the acceleration in technology they themselves had brought about. Situating Heidegger’s anti-Semitism firmly within the context of his thought, this groundbreaking work will be essential reading for students and scholars of philosophy and history as well as the many readers interested in Heidegger’s life, work, and legacy.

The Philosophy of Giambattista Vico Benedetto Croce 1913

Italian Modernism Mario Moroni 2004-01-01 Italian Modernism was written in response to the need for an historiographic and theoretical reconsideration of the concepts of Decadentismo and the avant-garde within the Italian critical tradition. Focussing on the confrontation between these concepts and the broader notion of international modernism, the essays in this important collection seek to understand this complex phase of literary and artistic practices as a response to the epistemes of philosophical and scientific modernity at the end of the nineteenth century and in the first three decades of the twentieth. Intellectually provocative, this collection is the first attempt in the field of Italian Studies at a comprehensive account of Italian literary modernism. Each contributor documents how previous critical categories, employed to account for the literary, artistic, and cultural experiences of the period, have provided only partial and inadequate descriptions, preventing a fuller understanding of the complexities and the interrelations among the cultural phenomena of the time.

The Supernatural in Modern English Fiction Dorothy Scarborough 1917

The Dismemberment of Orpheus Ihab Hassan 1982 In this book, the first edition of which was published in 1971 by Oxford University Press, Ihab Hassan takes Orphic dismemberment and regeneration as his metaphor for a radical crisis in art and language, culture and consciousness, which prefigures postmodern literature. The modern Orpheus, he writes, “sings on a lyre without strings.” Thus, his sensitive critique traces a hypothetical line from Sade through four modern authors—Hemingway, Kafka, Genet, and Beckett—to a literature still to come. But the line also breaks into two Interludes, one concerning “Pataphysics, Dada, and Surrealism, and the other concerning Existentialism and Altertature. Combining literary history, brief biography, and critical analysis, Hassan surrounds these authors with a complement of avant-garde writers whose works also foreshadow the postmodern temper. These include Jarry, Apollinaire, Tzara, Breton, Sartre, Camus, Nathalie Sarraute, Robbe-Grillet, and in America, Cage, Salinger, Ginsberg, Barth, and Burroughs. Hassan takes account also of related contemporary developments in art, music, and philosophy, and of many works of literary theory and criticism. For this new edition, Hassan has added a new preface and postface on the developing character of postmodernism, a concept which has gained currency since the first edition of this work, and which he himself has done much to theorize.

The Voice of Memory Primo Levi 2018-05-18 Over the course of more than twenty-five years, Primo Levi gave more than two hundred newspaper, journal, radio and television interviews speaking with such varied authors as Philip Roth and Germaine Greer. Marco Belpolini and Robert Gordon have selected and translated thirty-six of the most important of these interviews for The Voice of Memory.

Love and Saint Augustine Hannah Arendt 2014-12-10 The brilliant thinker who taught us about the banality of evil explores another brilliant thinker and his concept of love. Hannah Arendt, the author of The Origins of Totalitarianism and The Human Condition, began her scholarly career with an exploration of Saint Augustine’s concept of caritas, or neighborly love, written under the direction of Karl Jaspers and the influence of Martin Heidegger. After her German academic life came to a halt in 1933, Arendt carried her dissertation into exile in France, and years later took the same battered and stained copy to New York. During the late 1950s and early 1960s, as she was completing or reworking her most influential studies of political life, Arendt was simultaneously annotating and revising her dissertation on Augustine, amplifying its argument with terms and concepts she was using in her political works of the same period. The dissertation became a bridge over which Arendt traveled back and forth between 1929 Heidelberg and 1960s New York, carrying with her Augustine’s question about the possibility of social life in an age of rapid political and moral change. In Love and Saint Augustine, political science professor Joanna Vecchiarelli Scott and philosophy professor Judith Chelius Stark make this important early work accessible for the first time. Here is a completely corrected and revised English translation that incorporates Arendt’s own substantial revisions and provides additional notes based on letters, contracts, and other documents as well as the recollections of Arendt’s friends and colleagues during her later years. “Both the dissertation and the accompanying essay are accessible to informed lay readers. Scott and Stark’s conclusions about the cohesive evolution of Arendt’s thought are compelling but leave room for continuing discussion.”—Library Journal “A revelation.”—Kirkus Reviews

The Professor’s Daughter Emmanuel Guibert 2007-04-17 Follows the adventures of Lillian, the daughter of renowned Egyptologist Professor Bowell, and Imhotep IV, a dashing mummy owned by the professor who is awake for the first time in thirty centuries and is in love with Lillian.

Voicing the Word Marina Spunta 2004 Drawing on the recent renewal of interest in the debate on orality and literacy this book investigates the varying perceptions and representations of orality in contemporary Italian fiction, providing a fresh perspective on this rich and fast-developing debate and on the study of the Italian literary language. The book brings together a number of complementary approaches to orality from the fields of linguistics, literary and media studies and offers a detailed analysis of a broad variety of authors and texts that appeared over the last three decades - ranging from internationally acclaimed writers such as Celati, Duranti and Tabucchi, through De Luca and Baricco, to the latest generation of writers, such as Campo, Ballestra and Nove. By exploring the complementary facets of Italian orality, and its diachronical developments since the seventies, this study questions the traditionally dichotomic approach to the study of orality and literacy and posits a more flexible, cross-modal approach that accounts for the increasing hybridisation of text forms and media and for the greater interaction between the spoken and the written as well as their representations.

Origins of Geometry Michel Serres 2002-07-01

Poem of the Man-God Volume 1 (The Gospel As Revealed to Me) Maria Valtorta 2021-07-29 Written between the years 1944 and 1947 by the visionary Maria Valtorta. The Poem of the Man-God (recently retitled in its original Italian to "The Gospel As Revealed to Me") is considered one of the greatest works of private revelation to date. Penned in the same style as Ven. Anne Catherine Emmerich and Ven. Mary of Agreda, this work brings a level of detail and intimacy not found in the former’s writings. Although it reads as a novel, it is regarded by many as one of the greatest “commentaries” on Scripture in history, expounding upon many areas of the New Testament that has, at present, remained unexplored or obscure. Most strikingly, it reveals the personalities of Jesus and His Apostles in awe-inspiring detail, and leaves the reader with a greater sense of love and closeness to the second Person of the Holy Trinity. In point of fact, this book moved Mother Teresa so much that she carried with her for spiritual reading, and recommended it, on numerous occasions, to those who asked about it. And when the children of Medjugorje asked Mary what She thought of the book, She said it was the “truth” and to “read it if a person wants to know Jesus.” Despite its controversial history with certain Vatican officials, in the final analysis, the verbal approval by pope Pius XII is more than sufficient for Catholics to read it in good conscience. For those who desire to know Jesus Christ in a more intimate and personal way, there is little else that compares to this work. For a more affordable price, please visit the Lulu Bookstore at https://www.lulu.com/shop

The Savage Father Pier Paolo Pasolini 1999 This is one of Pasolini’s least known books, it is one of his most important challenges to himself and to the world. The book pits assumed Western cultural supremacy against the battle for Africa’s freedom and self-assertion. The Savage Father offers a deep analysis of the internal struggles between the coloniser and the colonised, as well as showing us the externalised conditioning to which both are prey.

Poems of Fernando Pessoa Fernando Pessoa 1998-06 Fernando Pessoa is Portugal’s most important contemporary poet. He wrote under several identities, which he called heteronyms: Albet Caeiro, Alvaro de Campos, Ricardo Reis, and Bernardo Soares. He wrote fine poetry under his own name as well, and each of his “voices” is completely different in subject, temperament, and style. This volume brings back into print the comprehensive collection of his work published by Ecco Press in 1986.

No Way Natalia Ginzburg 1973 No Way is a very short novel, bare and bleak as bones. Its ominous English title is appropriate enough for its mood, except for the easy current slanginess of that phrase, mouthed by so many of us now on trivial occasions.

Sotto Il Velame Saggio Di Un’Interpretazione Generale Del Poema Sacro Giovanni Pascoli 2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the “public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Eloquence of Ghosts Florian Mussgnug 2010 Giorgio Manganelli (1922-1990), one of Italy’s most radical and original writers, went further than most in exploring the creative possibilities of hybrid genres and open forms. Ostentation, theatricality, and a love of drapery and verbal excess are defining features of his body of work, which ranges from prose fiction, literary criticism, and drama to travel writing, treatises, commentaries, and imaginary interviews. This study examines the wealth of Manganelli’s imagination - his grotesque animals, speaking corpses, and melancholy spectres - and argues that his spectacular eloquence was shaped by an exceptional awareness of literary and philosophical models. Following Manganelli’s lead, the author addresses issues such as the boundaries of meaningful language, the relationship between literary and visual texts, fantasy and realism, and the power of literature to express the apprehensions and intimations of human consciousness. **Benaco** Giuseppe Solitto 1897 **While England Sleeps** David Leavitt 2014-06-03 Set against the rise of fascism in 1930s Europe, While England Sleeps tells the story of a love affair between Brian Botsford, an upper-class young English writer, and Edward Phelan, an idealistic employee of the London Underground and member of the Communist Party. Though far better educated than Edward, Brian is also far more callow, convinced that his homosexuality is something he will outgrow. Edward, on the other hand, possesses “an unproblematic capacity to accept?? both Brian and the unorthodox nature of their love for each other-until one day, at the urging of his wealthy aunt Constance, Brian agrees to be set up with a “suitable?? young woman named Philippa Archibald. . . . Pushed to the point of crisis, Edward flees, volunteering to fight Franco in Spain, where he ends up in prison. And Brian, feeling responsible for Edward’s plight, must pursue him across Europe, and into the chaos of war. **Hebrew Manuscripts** **Steinbeck in Vietnam** John Steinbeck 2012-03-29 Although his career continued for almost three decades after the 1939 publication of The Grapes of Wrath, John Steinbeck is still most closely associated with his Depression-era works of social struggle. But from Pearl Harbor on, he often wrote passionate accounts of America’s wars based on his own firsthand experience. Vietnam was no exception. Thomas E. Barden’s Steinbeck in Vietnam offers for the first time a complete collection of the dispatches Steinbeck wrote as a war correspondent for Newsday. Rejected by the military because of his reputation as a subversive, and reticent to document the war officially for the Johnson administration, Steinbeck saw in Newsday a unique opportunity to put his skills to use. Between December 1966 and May 1967, the sixty-four-year-old Steinbeck toured the major combat areas of South Vietnam and traveled to the north of Thailand and into Laos, documenting his experiences in a series of columns titled Letters to Alicia, in reference to Newsday publisher Harry F. Guggenheim’s deceased wife. His columns were controversial, coming at a time when opposition to the conflict was growing and even ardent supporters were beginning to question its course. As he dared to go into the field, rode in helicopter gunships, and even fired artillery pieces, many detractors called him a warmonger and worse. Readers today might be surprised that the celebrated author would risk his literary reputation to document such a divisive war, particularly at the end of his career. Drawing on four primary-source archives—the Steinbeck collection at Princeton, the Papers of Harry F. Guggenheim at the Library of Congress, the Pierpont Morgan Library’s Steinbeck holdings, and the archives of Newsday—Barden’s collection brings together the last published writings of this American author of enduring national and international stature. In addition to offering a definitive edition of these essays, Barden includes extensive notes as well as an introduction that provides background on the essays themselves, the military situation, the social context of the 1960s, and Steinbeck’s personal and political attitudes at the time.

The Idea of the Postmodern Hans Bertens 1995 On Postmodenism

With Borges Alberto Manguel 2006 "In Buenos Aires, 1964, a blind writer approaches a sixteen-year-old bookstore clerk asking if he would be interested in a part-time job reading aloud." "The writer was Jorge Luis Borges, one of the world’s finest literary minds; the boy was Alberto Manguel, who was later to become an internationally acclaimed author and bibliophile." "The young Manguel spent several years reading aloud and transcribing for the enigmatic Borges. Here he recalls this time with integrity and warmth, offering us an intimate and moving portrait of one of the great literary luminaries."--BOOK JACKET. **The Vertical of the Role** Jurij Alschitz 2003

Folk Religion in Japan Ichiro Hori 1974 Ichiro Hori’s is the first book in Western literature to portray how Shinto, Buddhist, Confucian, and Taoist elements, as well as all manner of archaic magical beliefs and practices, are fused on the folk level. Folk religion, transmitted by the common people from generation to generation, has greatly conditioned the political, economic, and cultural development of Japan and continues to satisfy the emotional and religious needs of the people. Hori examines the organic relationship between the Japanese social structure—the family kinship system, village and community organizations—and folk religion. A glossary with Japanese characters is included in the index.

The Book of Disquiet: The Complete Edition Fernando Pessoa 2017-08-29 For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa’s greatest literary achievement. An “autobiography” or “diary” containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa’s death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa’s entire writing life.

Men in Dark Times Hannah Arendt 1968 Collection of essays which present portraits of individuals ranging from Rosa Luxemburg to Pope John XXIII who the author believes have illuminated “dark times.” **Dreams of Dreams and the Last Three Days of Fernando Pessoa** Antonio Tabucchi 1999 "The Last Three Days of Fernando Pessoa finds the poet on his deathbed, where he is visited by his heteronyms, the poets he invented, whose poetry and voices invented him. Antonio Tabucchi, scholar and Italian translator of Pessoa's work, here pronounces a farewell to a man who was several of the greatest writers of the twentieth century."--BOOK JACKET. **Lady Ferry** Sarah Orne Jewett 1998

The Forests of Norbjo Giuseppe Dessì 1975

The Fire and the Tale Giorgio Agamben 2017-03-21 What is at stake in literature? Can we identify the fire that our stories have lost, but that they strive, at all costs, to rediscover? And what is the philosopher's stone that writers, with the passion of alchemists, struggle to forge in their word furnaces? For Giorgio Agamben, who suggests that the parable is the secret model of all narrative, every act of creation tenaciously resists creation, thereby giving each work its strength and grace. The ten essays brought together here cover works by figures ranging from Aristotle to Paul Klee and illustrate what urgently drives Agamben's current research. As is often the case with his writings, their especial focus is the mystery of literature, of reading and writing, and of language as a laboratory for conceiving an ethico-political perspective that places us beyond sovereign power.

Letters, 1925-1975 Hannah Arendt 2004 When they first met in 1925, Martin Heidegger was a star of German intellectual life and Hannah Arendt was his earnest young student. What happened between them then will never be known, but both would cherish their brief intimacy for the rest of their lives. The ravages of history would soon take them in quite different directions. After Hitler took power in Germany in 1933, Heidegger became rector of the university in Freiburg, delivering a notorious pro-Nazi address that has been the subject of considerable controversy. Arendt, a Jew, fled Germany the same year, heading first to Paris and then to New York. In the decades to come, Heidegger would be recognized as perhaps the most significant philosopher of the twentieth century, while Arendtwould establish herself as a voice of conscience in a century of tyranny and war. Illuminating, revealing, and tender throughout, this correspondence offers a glimpse into the inner lives of two major philosophers.

The Red Book: A Reader's Edition C. G. Jung 2012-12-17 Presents the Swiss psychologist's thoughts, experiences, and everything he felt after a period of time spent seeing visions, hearing voices, and inducing hallucinations.

The Talismans of Shannara Terry Brooks 2000-10-11 The fourth volume of The Heritage of Shannara, which continues one of the most popular fantasy series of all time. The Shadowen still swarm over the Four Lands, poisoning everything with their dark magic. And their leader is determined to destroy all the Scions of Shannara. For Walker Boh, he dispatches the Four Horsemen. For Wren, he sends an untrue friend. And for Par, he devises the most terrible fate of all. With these traps cleverly laid, the charges given by the shade of the Druid Allanon are doomed to failure—unless Par can discover a way to harness the power of the Sword of Shannara. Thus continues the enthralling Shannara epic, a spellbinding tale of adventure, magic, and myth... BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic.

The Question of Palestine Edward W. Said 1980

Book Was There Andrew Piper 2012-10-12 Andrew Piper grew up liking books and loving computers. While occasionally burying his nose in books, he was going to computer camp, programming his Radio Shack TRS-80, and playing Pong. His eventual love of reading made him a historian of the book and a connoisseur of print, but as a card-carrying member of the first digital generation—and the father of two digital natives—he understands that we live in electronic times. Book Was There is Piper’s surprising and always entertaining essay on reading in an e-reader world. Much ink has been spilled lamenting or championing the decline of printed books, but Piper shows that the rich history of reading itself offers unexpected clues to what lies in store for books, print or digital. From medieval manuscript books to today’s playable media and interactive urban fictions, Piper explores the manifold ways that physical media have shaped how we read, while also observing his own children as they face the struggles and triumphs of learning to read. In doing so, he uncovers the intimate connections we develop with our reading materials—how we hold them, look at them, share them, play with them, and even where we read them—and shows how reading is interwoven with our experiences in life. Piper reveals that reading’s many identities, past and present, on page and on screen, are the key to helping us understand the kind of reading we care about and how new technologies will—and will not—change old habits. Contending that our experience of reading belies naive generalizations about the future of books, Book Was There is an elegantly argued and thoroughly up-to-date tribute to the endurance of books in our ever-evolving digital world.

The School for Gods Elia D'Anna 2017-01-30

Donizetti and the World of Opera in Italy, Paris, and Vienna in the First Half of the Nineteenth Century Herbert Weinstock 1979

The Double Bond Carole Angier 2002 Perhaps the most important writer to emerge from the death camps, Primo Levi is known for "Survival in Auschwitz, The Reawakening, " and the classic "The Periodic Table." Angier has spent nearly ten years writing this meticulously researched, vivid, and moving biography.
