Jim Corbett TRIPTI NAINWAL 1971-04-01 In the early 20th century when the hills of Kumaon echoed with the bone-chilling roar of a man-eating tiger, it was the sure shot hunter, 'Carpet Sahib' who went to put an end to the terror. But what was often missed was the intense sorrow he felt when one of these magnificent creatures had to be shot down. Jim Corbett understood the tiger and respected it. He recognised its irreplaceable place in the circle of life and described it as the 'large-hearted gentleman with boundless courage'. Amar Chitra Katha tells the story of Jim Corbett and traces his life and love for one of India's most valuable and endangered animals.

Philosophy of Sri Madhavacarya B. N. K. Sharma 2014-01-01 The volume is a good presentation of the philosophy of Sri Madhavacarya, complete in its architectonic unity. The author probes its ontological and epistemological foundations and critically examines the structure erected on them. The discussion focuses on crucial doctrines of theism and brings to light for the first time the striking parallelisms of thought between Madhva and his Western contemporary St. Thomas

Aquinas. Light is also thrown on how Madhva and his commentators anticipated the views of modern philosophers like Spencer, Russell and Hobhouse on the nature of time, space and memory. The latest researches on Madhavacarya's role in the Vedantic Bhakti movement and his attempt to harmonize the Upanisadic texts on monism and dualism are substantially drawn upon.

Encyclopedia of Hinduism Denise Cush 2012-08-21 The Encyclopedia of Hinduism contains over 900 entries reflecting recent advances in scholarship which have raised new theoretical and methodological issues as well as identifying new areas of study which have not been addressed previously. The debate over the term 'Hinduism' in the light of post-Orientalist critiques is just one example of how once standard academic frameworks have been called into question. Entries range from 150-word definitions of terms and concepts to 5,000-word in-depth investigations of major topics. The Encyclopedia covers all aspects of Hinduism but departs from other works in including more ethnographic and contemporary material in contrast to an exclusively textual and historical approach. It includes a broad range of subject matter such as: historical developments (among them nineteenth and twentieth century reform and revival); geographical distribution (especially the diaspora); major and minor movements; philosophies and theologies; scriptures; deities; temples and sacred sites; pilgrimages; festivals; rites of passage; worship; religious arts

(sculpture, architecture, music, dance, etc.); religious sciences (e.g. astrology); biographies of leading figures; local and regional traditions; caste and untouchability; feminism and women's religion; nationalism and the Hindu radical right; and new religious movements. The history of study and the role of important scholars past and present are also discussed. Accessibility to all levels of reader has been a priority and no previous knowledge is assumed. However, the in-depth larger entries and the design of the work in line with the latest scholarly advances means that the volume will be of considerable interest to specialists. The whole is cross-referenced and bibliographies attach to the larger entries. There is a full index.

Six Glorious Epochs of Indian History Vinayak Damodar Savarkar 2019-11-19 Vinayak Damodar Savarkar, commonly known as Swatantryaveer Savarkar or just Veer Savarkar was a fearless freedom fighter, social reformer, writer, dramatist, poet, historian, political leader and philosopher. 19th Century Maharashtra Shraddha Kumbhojkar 2020-10-27 Maharashtra in the nineteenth century exhibits all the characteristics of a society standing at the crossroads of civilization. Western education, press, industrialisation and material changes in production and consumption patterns resulted in fundamental changes in the thinking of the people. The first half of the nineteenth century witnessed the beginning of the Postal Service in 1837, rise and spread of the native press and rudimentary education. The second half witnessed more dramatic events such as the coming of the Railways and the establishment of the Indian National Congress that changed the destiny of the subcontinent forever. The book takes a fresh look at the various aspects of nineteenth century Maharashtra. It includes the critiques and reviews of literature, language, history writing and women's reforms in this period. It argues that the elite attempts at social reform had their own inherent limitations. They could not reach the level of radicality reached by the

subalterns whose lived experience of discrimination was the biggest stimulus for reform. Mahatma Phule stands out from among a range of thinkers in this period for his innovative understanding of the Indian reality. Phule was one of the rare thinkers who reconciled the Indian reality with its Universal counterpart.
