A Companion to Franklin D. Roosevelt William D. Pederson 2011-03-21 A Companion to Franklin D. Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II. Represents a state-of-the-art assessment of current scholarship on FDR, the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR's life and times, from his health, relationships, and Supreme Court packing, to New Deal policies, institutional issues, and international relations Features 35 essays by leading FDR scholars

Eleanor in the Village Jan Jarboe Russell 2021-03-30 Documents the story of Eleanor Roosevelt's abrupt relocation to Greenwich Village in 1920, discussing her motivations and how her time there influenced her perception of herself and shaped her progressive political views. **The Moral Basis of Democracy** Eleanor Roosevelt 2016-07-19 A wartime manifesto on the moral obligations of democratic citizens from the most influential first lady in American history. With the threat of the Third Reich looming, Eleanor Roosevelt employs the history of human rights to establish the idea that at the core of democracy is a spiritual responsibility to other citizens. Roosevelt then calls on all Americans, especially the youth, to prioritize the well-being of others and have faith that their fellow citizens will protect them in return. She defines this trust between people as a trait of true democracy. Roosevelt advances an optimistic model for the democracy of the future, and although we've taken some steps in the direction of her vision, it's still a long way from reality. The issues first addressed in this 1940 essay—namely financial inequality and racial discrimination—are sadly still relevant today, as bigotry continues to undermine our national unity. Her first publication as first lady, *The Moral Basis of Democracy* is an honest and heartfelt call for all Americans to choose love and faith over hatred and fear. Roosevelt takes an inspiring stance in defense of democracy, progress, and morality; the wisdom imparted here is timeless, and a must-read for every American. This edition features a foreword by Rev. Carol Howard Merritt, an introduction by Roosevelt historian Allida Black, PhD, and an illustrated biography of Eleanor Roosevelt including images from the author's estate.

Eleanor Roosevelt: In Her Words Nancy Woloch 2017-09-05 This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, Eleanor Roosevelt: In Her Words tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and "the forgotten woman;" to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines ("Ten Rules for Success in Marriage"), her insights on women in politics ("Women Must Learn to Play the Game As Men Do"), her commentary on World War II ("What We Are Fighting For"), her work for civil rights ("The Four Equalities"), her clash with Soviet delegates at the UN ("These Same Old Stale Charges"), and her advice literature ("If You Ask Me"). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the "America First" mindset, Eleanor Roosevelt underlined the interdependence of people and of nations. Eleanor Roosevelt: In Her Words illuminates her achievement as a champion of civil rights, human rights, and democratic ideals.

Historical Materials in the Franklin D. Roosevelt Library Franklin D. Roosevelt Library 1985

Eleanor Roosevelt John William Theodore Youngs 2006 Biography of Eleanor Roosevelt, now in its third edition immerses students in both the personal and public side of one of the most dynamic figures of the twentieth century. Incorporating the latest scholarship, Eleanor Roosevelt: A Personal and Public Life tells the story of a woman who fought for the rights of the downtrodden in America and later led an effort to bring the great resources of the United States to all the citizens of the world, leaving a legacy that has lasted for decades.

Dear Mrs. Roosevelt Robert Cohen 2003-10-16 Impoverished young Americans had no greater champion during the Depression than Eleanor Roosevelt. As First Lady, Mrs. Roosevelt used her newspaper columns and radio broadcasts to crusade for expanded federal aid to poor children and teens. She was the most visible spokesperson for the National Youth Administration, the New Deal's central agency for aiding needy youths, and she was adamant in insisting that federal aid to young people be administered without discrimination so that it reached blacks as well as whites, girls as well as boys. This activism made Mrs. Roosevelt a beloved figure among poor teens and children, who between 1933 and 1941 wrote her thousands of letters describing their problems and requesting her help. Dear Mrs. Roosevelt presents nearly 200 of these extraordinary documents to open a window into the lives of the Depression's youngest victims. In their own words, the letter writers confide what it was like to be needy and young during the worst economic crisis in American history. Revealing both the strengths and the limitations of New Deal liberalism, this book depicts an administration concerned and caring enough to elicit such moving appeals for help yet unable to respond in the very personal ways the letter writers hoped.

It's Up to the Women Eleanor Roosevelt 2017-04-11 "Eleanor Roosevelt never wanted her husband to run for president. When he won, she . . . went on a national tour to crusade on behalf of women. She wrote a regular newspaper column. She became a champion of women's rights and of civil rights. And she decided to write a book."--Jill Lepore, from the Introduction "Women, whether subtly or vociferously, have always been a tremendous power in the destiny of the world," Eleanor Roosevelt wrote in *It's Up to the Women*, her book of advice to women of all ages on every aspect of life. Written at the height of the Great Depression, she called on women particularly to do their part—cutting costs where needed, spending reasonably, and taking personal responsibility for keeping the economy going. Whether it's the recommendation that working women take time for themselves in order to fully enjoy time spent with their families, recipes for cheap but wholesome home-cooked meals, or America's obligation to women as they take a leading role in the new social order, many of the opinions expressed here are as fresh as if they were written today.

The Autobiography of Eleanor Roosevelt Eleanor Roosevelt 2014-10-21 A candid and insightful look at an era and a life through the eyes of one of the most remarkable Americans of the twentieth century, First Lady and humanitarian Eleanor Roosevelt. The daughter of one of New York's most influential families, niece of Theodore Roosevelt, and wife of President Franklin Delano Roosevelt, Eleanor Roosevelt witnessed some of the most remarkable decades in modern history, as America transitioned from the Gilded Age, the Progressive Era, and the Depression to World War II and the Cold War. A champion of the downtrodden, Eleanor drew on her experience and used her role as First Lady to help those in need. Intimately involved in her husband's political life, from the governorship of New York to the White House, Eleanor would eventually become a powerful force of her own, heading women's organizations and youth movements, and battling for consumer rights, civil rights, and improved housing. In the years after FDR's death, this inspiring, controversial, and outspoken leader would become a U.N. Delegate, chairman of the Commission on Human Rights, a newspaper columnist, Democratic party activist, world-traveler, and diplomat devoted to the ideas of liberty and human rights. This single volume biography brings her into focus through her own words, illuminating the vanished world she grew up, her life with her political husband, and the post-war years when she worked to broaden cooperation and understanding at home and abroad. The Autobiography of Eleanor Roosevelt includes 16 pages of black-and-white photos. *Eleanor Roosevelt* Emma E. Haldy 2016-01-01 The My Itty-Bitty Bio series are biographies for the earliest readers. This book examines the life of Eleanor Roosevelt in a simple, age-appropriate way that will help children develop word recognition and reading skills. Includes a timeline and other informative backmatter.

Eleanor Roosevelt Russell Freedman 1993 Publisher Description

Who Was Eleanor Roosevelt? Gare Thompson 2004-01-05 For a long time, the main role of First Ladies was to act as hostesses of the White House...until Eleanor Roosevelt. Born in 1884, Eleanor was not satisfied to just be a glorified hostess for her husband, President Franklin Delano Roosevelt. Eleanor had a voice, and she used it to speak up against poverty and racism. She had experience and knowledge of many issues, and fought for laws to help the less fortunate. She had passion, energy, and a way of speaking that made people listen, and she used these gifts to campaign for her husband and get him elected president-four times! A fascinating historical figure in her own right, Eleanor Roosevelt changed the role of First Lady forever.

A World Made New Mary Ann Glendon 2002-06-11 Unafraid to speak her mind and famously tenacious in her convictions, Eleanor Roosevelt was still mourning the death of FDR when she was asked by President Truman to lead a controversial commission, under the auspices of the newly formed United Nations, to forge the world's first international bill of rights. A World Made New is the dramatic and inspiring story of the remarkable group of men and women from around the world who participated in this historic achievement and gave us the founding document of the modern human rights movement. Spurred on by the horrors of the Second World War and working against the clock in the brief window of hope between the armistice and the Cold War, they grappled together to articulate a new vision of the rights that every man and woman in every country around the world should share, regardless of their culture or religion. A landmark work of narrative history based in part on diaries and letters to which Mary Ann Glendon, an award-winning professor of law at Harvard University, was given exclusive access, A World Made New is the first book devoted to this crucial turning point in Eleanor Roosevelt's life, and in world history. Finalist for the Robert F. Kennedy Book Award **Roosevelt and Howe** Alfred B. Rollins Jr. 2018-04-24 Roosevelt and Howe is a joint biography of Franklin D. Roosevelt and one of his principal advisors. Louis Howe was not only FDR's first political aide, but the only one who also became an intimate personal friend. Other than Harry Hopkins in the late 1930s, he was the only advisor whom Roosevelt trusted completely to serve his interests without distracting personal ambition or a shadowy private agenda. This book is the story of their separate early lives, of the rare chances which brought them together and of their totally intertwined careers after 1912. It deals with their political strategies, their division of labor in a daily partnership, and their feelings for each other, despite frequent differences about tactics. Louis Howe had a haphazard and fragmented career as an upstate New York newspaperman running a family-owned weekly and filling in for Manhattan papers in Albany during legislative sessions. Struck down by illness, Roosevelt turned to Howe to run his campaign for reelection to the New York Senate in 1912. The story carries them through Roosevelt's World War I career as Assistant Secretary of the Navy, a disappointing run for the Vice-Presidency in 1920, various attempts at business and Roosevelt's desperate brush with death from polio. It centers on the hectic twenties as Roosevelt fought to walk again and Louis struggled to make his crippled boss an eager and viable candidate for the Presidency. It follows

Who Was Eleanor Roosevelt Pdf Pdf upload Suny b Williamson

them through a dynamic term as Governor of New York and the victorious 1932 campaign for the White House. Howe went to the White House with the Roosevelts. He was Secretary to the President but was soon eclipsed by the enormous scope of Roosevelt's affairs and his own quickening illness. He died in 1936, just short of Roosevelt's crucial first campaign for reelection. He could not have imagined how well his protogy would do without him, yet FDR always suffered from the lack of a close, reliable intimate who could say "No" to him. This role was not filled until Harry Hopkins came to share his circle of power.

The Wisdom of Eleanor Roosevelt Eleanor Roosevelt 2003 Hailed as the First Lady of the World' by Harry S. Truman, Eleanor Roosevelt was one of America's great reforming leaders who changed national policy toward youths, blacks, women, the poor and the United Nations. The wife of President Franklin D. Roosevelt, she was one of the most active First Ladies as well as an esteemed public figure in her own right. Gathered here are quotations from her speeches, writings and interviews, conveying the indomitable spirit and passion of this woman who remains an inspiration to leaders of civil and women's rights movements around the world.'

My Day Eleanor Roosevelt 2009-04-15 "I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world." -- Blanche Wiesen Cook Named "Woman of the Century" in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column "My Day" for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., "What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality." "My Day reminds us how great a woman she was." --Atlanta Journal-Constitution

Eleanor David Michaelis 2020-10-06 The New York Times bestseller from prizewinning author David Michaelis presents a “stunning” (The Wall Street Journal) breakthrough portrait of Eleanor Roosevelt, America’s longest-serving First Lady, an avatar of democracy whose ever-expanding agency as diplomat, activist, and humanitarian made her one of the world’s most widely admired and influential women. In the first single-volume cradle-to-grave portrait in six decades, acclaimed biographer David Michaelis delivers a stunning account of Eleanor Roosevelt’s remarkable life of transformation. An orphaned niece of President Theodore Roosevelt, she converted her Gilded Age childhood of denial and secrecy into an irreconcilable marriage with her ambitious fifth cousin Franklin. Despite their inability to make each other happy, Franklin Roosevelt transformed Eleanor from a settlement house volunteer on New York’s Lower East Side into a matching partner in New York’s most important power couple in a generation. When Eleanor discovered Franklin’s betrayal with her younger, prettier, social secretary, Lucy Mercer, she offered a divorce and vowed to face herself honestly. Here is an Eleanor both more vulnerable and more aggressive, more psychologically aware and sexually adaptable than we knew. She came to accept her FDR’s bond with his executive assistant, Missy LeHand; she allowed her children to live their own lives, as she never could; and she explored her sexual attraction to women, among them a star female reporter on FDR’s first presidential campaign, and younger men. Eleanor needed emotional connection. She pursued deeper relationships wherever she could find them. Throughout her life and travels, there was always another person or place she wanted to heal. As FDR struggled to recover from polio, Eleanor became a voice for the voiceless, her husband’s proxy in the White House. Later, she would be the architect of international human rights and world citizen of the Atomic Age, urging Americans to cope with the anxiety of global annihilation by cultivating a “world mind.” She insisted that we cannot live for ourselves alone but must learn to live together or we will die together. This “absolutely spellbinding,” (The Washington Post) “complex and sensitive portrait” (The Guardian) is not just a comprehensive biography of a major American figure, but the story of an American ideal: how our freedom is always a choice. Eleanor rediscovered a model of what is noble and evergreen in the American character, a model we need today more than ever.

Eleanor Roosevelt, Fighter for Justice Ilene Cooper 2018-08-07 Eleanor Roosevelt, Fighter for Justice shows young readers how the former First Lady evolved from a poor little rich girl to a protector and advocate for those without a voice. Though now seen as a cultural icon, she was a woman deeply insecure about her looks and her role in the world. But by recognizing her fears and constantly striving to overcome her prejudices, she used her proximity to presidents and her own power to aid in the fight for Civil Rights and other important causes. This biography gives readers a fresh perspective on her extraordinary life. It includes a timeline, biography, index, and many historic photographs.

If You Ask Me Eleanor Roosevelt 2018-10-09 Experience the timeless wit and wisdom of Eleanor Roosevelt in this annotated collection of candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When Ladies Home Journal offered her an advice column, she embraced it as yet another way for her to connect with the public. “If You Ask Me” quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, “I hope so.” Queried about whether or when she would retire, she said, “I never plan ahead.” As for the suggestion that federal or state governments build public bomb shelters, she considered the idea “nonsense.” Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt’s warmth, humanity, and timeless relevance.

FBI File on Eleanor Roosevelt 1996

Casting Her Own Shadow Allida M. Black 1997-02-06 Black shows how Eleanor Roosevelt, after being freed from the constraints imposed by her role in the White House, eagerly expanded her career and unabashedly challenged both the Democratic party and American liberals to practice what they preach.

Eleanor Roosevelt: 1884-1933 Blanche Wiesen Cook 1992 A definitive biography of the most important woman in American political history that shows Mrs. Roosevelt in all her roles.

Tomorrow Is Now Eleanor Roosevelt 2012-10-30 Available again in time for election season, Eleanor Roosevelt's most important book—a battle cry for civil rights As relevant and influential now as it was when first published in 1963, Tomorrow Is Now is Eleanor Roosevelt's manifesto and her final effort to move America toward the community she hoped it would become. In bold, blunt prose, one of the greatest First Ladies of American history traces her country's struggle to embrace democracy and presents her declaration against fear, timidity, complacency, and national arrogance. An open, unrestrained look into her mind and heart as well as a clarion call to action, Tomorrow Is Now is the work Eleanor Roosevelt willed herself to stay alive to finish writing. For this edition, former U.S. President Bill Clinton contributes a new foreword and Roosevelt historian Allida Black provides an authoritative introduction focusing on Eleanor Roosevelt's diplomatic career. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

No Ordinary Time Doris Kearns Goodwin 2013-11-05 Presents a social history of the United States in 1940, along with a moment-by-moment account of Roosevelt's leadership and the private lives of the president and First Lady, whose remarkable partnership transformed America. (This book was previously featured in Forecast.)

Too Close to the Sun Curtis Roosevelt 2010-10 Curtis Roosevelt was three when he and his sister, Eleanor, arrived at the White House soon after their grandfather's inauguration. The country's "First Grandchildren," a pint-sized double act, they were known to the media as "Sistie and Buzzie."In this rich memoir, Roosevelt brings us into "the goldfish bowl," as his family called it—that glare of public scrutiny to which all presidential households must submit. He recounts his misadventures as a hapless kid in an unforgivably formal setting and describes his role as a tiny planet circling the dual suns of Franklin and Eleanor Roosevelt.Blending self-abasement, humor, awe and affection,Too Close to the Sunis an intimate portrait of two of the most influential and inspirational figures in modern American history—and a thoughtful exploration of the emotional impact of growing up in their irresistible aura.

Eleanor and Hick Susan Quinn 2017-10-03 A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women’s lives and empowered them to play significant roles in one of the most tumultuous periods in American history In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hick encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hick pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to better their troubled world. Deeply researched and told with great warmth, Eleanor and Hick is a vivid portrait of love and a revealing look at how an unlikely romance

influenced some of the most consequential years in American history.

Empty Without You Eleanor Roosevelt 1998 Collected for the first time, here are the intimate letters between First Lady Eleanor Roosevelt and Lorena Hickock, a friend she shared an intimate and passionate bond with. B&W photos. 20,000 first print.

Eleanor Roosevelt Blanche Wiesen Cook 2016 The Federal Bureau of Investigation (FBI) within the U.S. Department of Justice presents FBI case documents regarding American author, diplomat, humanitarian, and former U.S. first lady Eleanor Roosevelt (1884-1962) in PDF format. The case file is provided as part of the FBI's Freedom of Information Privacy Acts (FOIPA) Web site.

Eleanor Roosevelt J. William T. Youngs 2005-02 Examines Eleanor Roosevelt's life as a professional woman, a wife and mother, and, finally, a woman who illuminated her times and exemplified the complexities of womanhood in the twentieth century.

Autobiography Eleanor Roosevelt 2018-10-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Empty Without You Roger Streitmatter 1999-08-19 The relationship between Eleanor Roosevelt and Associated Press reporter Lorena Hickok has sparked vociferous debate ever since 1978, when archivists at the Franklin D. Roosevelt Library discovered eighteen boxes filled with letters the two women exchanged during their thirty-year friendship. But until now we have been offered only the odd quotation or excerpt from their voluminous correspondence. In *Empty Without You*, journalist and historian Rodger Streitmatter has transcribed and annotated 300 letters that shed new light on the legendary, passionate, and intense bond between these extraordinary women. Written with the candor and introspection of a private diary, the letters expose the most private thoughts, feelings, and motivations of their authors and allow us to assess the full dimensions of a remarkable friendship. From the day Eleanor moved into the White House and installed Lorena in a bedroom just a few feet from her own, each woman virtually lived for the other. When Lorena was away, Eleanor kissed her picture of "dearest Hick" every night before going to bed, while Lorena marked the days off her calendar in anticipation of their next meeting. In the summer of 1933, Eleanor and Lorena took a three-week road trip together, often traveling incognito. The friends even discussed a future in which they would share a home and blend their separate lives into one. Perhaps as valuable as these intimations of a love affair are the glimpses this collection offers of an Eleanor Roosevelt strikingly different from the icon she has become. Although the figure who emerges in these pages is as determined and politically adept as the woman we know, she is also surprisingly sarcastic and funny, tender and vulnerable, and even judgmental and petty -- all less public but no less important attributes of our most beloved first lady.

Guide to the Microfilm Edition of the FBI File on Eleanor Roosevelt 1996

Dear Mrs. Roosevelt Cathy D. Knepper 2004 Presents two hundred letters written to Eleanor Roosevelt during Franklin D. Roosevelt's presidency and her responses to them.

You Learn by Living Eleanor Roosevelt 1983-01-01 She was born before women had the right to vote yet went on to become one of America's most influential First Ladies. A Gallup poll named her one of the most admired people of the twentieth century and she remains well known as a role model for a life well lived. Roosevelt wrote *You Learn by Living* at the age of seventy-six, just two years before her death. The commonsense ideas'and heartfelt ideals'presented in this volume are as relevant today as they were five decades ago. Her keys to a fulfilling life? Some of her responses include: learning to learn, the art of maturity, and getting the best out of others.

A Picture Book of Eleanor Roosevelt David A. Adler 2018-01-01 "...A worthwhile and significant addition to any elementary collection." - School Library Journal

Eleanor Roosevelt FBI Files 2006 "3,900 pages of files copied from FBI Headquarters in Washington, D.C., and archived on CD-ROM, covering Anna Eleanor Roosevelt, wife of President Franklin Delano Roosevelt, writer, columnist, lecturer, and humanitarian. Documents from 1940 to 1975 include correspondences between former FBI Director J. Edgar Hoover and Mrs. Roosevelt, FBI monitoring of her political activities and travels, her newspaper column, citizens' correspondence concerning Mrs. Roosevelt's liberal views, threats made against Mrs. Roosevelt's life and well being and newspaper clippings. "Eleanor Roosevelt's FBI file is one of the wonders of the Western world. It is one of the largest individual files that Hoover compiled."--Blanche Cook, historian and journalist, author of "Eleanor Roosevelt: Volume I, 1884-1933" 300 additional pages of documents include correspondences between Eleanor Roosevelt and Robert F. Kennedy, original texts and transcripts of speeches and interviews while Mrs. Roosevelt campaigned for John F. Kennedy's presidential race. Included are 400 pages of files covering Joseph P. Lash. The FBI covered Lash because of his socialist politics during his college days and his friendship with Eleanor Roosevelt. An affair between Lash and Mrs. Roosevelt has been alleged and disputed. Files chronicle Mrs. Roosevelt's intervention on behalf of Lash, when he was turned down for an officer's commission in the Navy. Lash instead joined the Army as a meteorologist. Files show that the Army Counterintelligence Corps placed a listening device in a Chicago hotel room occupied by Lash. A memo by a FBI agent conveys his belief that a recording was made, confirming a physical relationship between Lash and Mrs. Roosevelt. Files contain transcripts of intercepted correspondences between Mrs. Roosevelt and Lash. Files show the Army considered a court martial of Lash for having an affair with his future wife Trude Pratt, who at the time was married to another man. Files contain transcripts of recordings of hotel room conversations between Lash and Pratt. In 1972 Lash won a Pulitzer Prize in 1972 for his biography of the Roosevelts, "Franklin and Eleanor."--- http://www.paperlessarchives.com/eroose.html.

Eleanor Roosevelt: an American Conscience Tamara K. Hareven 1968 In her own lifetime, Eleanor Roosevelt became an American heroine. She overcame a shy and timid girlhood, a domineering mother and mother-in-law, and the enmity of her critics to become a symbol and an

institution. She was coaxer and companion to a great President. She revolutionized the role of the First Lady and thereby elevated the American woman to a new level of public consciousness. Eleanor Roosevelt lived many lives in one lifetime. In whatever area she was active, her touch was unique. She could have chosen to be only a teacher, or a wife, or a First Lady, or a writer, or a public speaker, or a social reformer, or her country's representative at the United Nations. Instead, she functioned effectively in all these roles because of a deep commitment to democracy and social justice, and a special style. Because of this style, and her position, Mrs. Roosevelt constantly suffered criticism from those she annoyed. Her image was intricate and contradictory -- a politician or a politician's wife; a saint or a busybody; the embodiment of American ideals or a radical threat to the American way of life. But even those who hated her were impressed by her personal warmth which carried so effectively to the people she moved among. In this book, Tamara Hareven tells Mrs. Roosevelt's story in fascinating detail, with particular attention to her impact upon American society. Miss Hareven goes behind the scenes to analyze Mrs. Roosevelt's influence on government, the real meaning of her public ideas, and her personal loneliness. This is an engaging portrait of a great woman, driven by a perpetual sense of duty, who conquered herself that she might help others to conquer.

Eleanor Roosevelt's Book of Common Sense Etiquette Eleanor Roosevelt 2016-12-13 In an era of incivility, discover a timeless guide to good manners from First Lady Eleanor Roosevelt. "The basis of all good human behavior is kindness," says Eleanor Roosevelt in this classic handbook, first published in 1962 as a "modern book of etiquette for modern Americans." As a politician, diplomat, and activist, as well as the longest-serving First Lady of the United States, Mrs. Roosevelt knew that thoughtful, civil behavior was essential to peaceful, productive relationships. In this etiquette guide, she teaches that decorum is not about strict adherence to formal rules; it is about approaching all social situations with consideration for others. She advises, "If ever you find yourself in a situation in which following a formal rule would be manifestly unkind, forget it, and be kind instead." Drawing from her personal and professional experiences, Roosevelt covers a broad range of topics, including business dealings and family affairs, writing letters and receiving guests, and entertaining at home and traveling abroad. Beginning with the necessity of good manners between husband and wife, she considers the importance of courtesy in society at large and the role all Americans play as ambassadors of democracy while visiting foreign countries. In an era of incivility, Eleanor Roosevelt's *Book of Common Sense Etiquette* is more relevant than ever. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Eleanor Roosevelt, Volume 3 Blanche Wiesen Cook 2016-11-01 One of the New York Times's 100 Notable Books of 2016 One of NPR's 10 Best Books of 2016 "Heartachingly relevant...the Eleanor Roosevelt who inhabits these meticulously crafted pages transcends both first-lady history and the marriage around which Roosevelt scholarship has traditionally pivoted." -- The Wall Street Journal The final volume in the definitive biography of America's greatest first lady. "Monumental and inspirational...Cook skillfully narrates the epic history of the war years... [a] grand biography." -- The New York Times Book Review Historians, politicians, critics, and readers everywhere have praised Blanche Wiesen Cook's biography of Eleanor Roosevelt as the essential portrait of a woman who towers over the twentieth century. The third and final volume takes us through World War II, FDR's death, the founding of the UN, and Eleanor Roosevelt's death in 1962. It follows the arc of war and the evolution of a marriage, as the first lady realized the cost of maintaining her principles even as the country and her husband were not prepared to adopt them. Eleanor Roosevelt continued to struggle for her core issues—economic security, New Deal reforms, racial equality, and rescue—when they were sidelined by FDR while he marshaled the country through war. The chasm between Eleanor and Franklin grew, and the strains on their relationship were as political as they were personal. She also had to negotiate the fractures in the close circle of influential women around her at Val-Kill, but through it she gained confidence in her own vision, even when forced to amend her agenda when her beliefs clashed with government policies on such issues as neutrality, refugees, and eventually the threat of communism. These years—the war years—made Eleanor Roosevelt the woman she became: leader, visionary, guiding light. FDR's death in 1945 changed her world, but she was far from finished, returning to the spotlight as a crucial player in the founding of the United Nations. This is a sympathetic but unblinking portrait of a marriage and of a woman whose passion and commitment has inspired generations of Americans to seek a decent future for all people. Modest and self-deprecating, a moral force in a turbulent world, Eleanor Roosevelt was unique.

Eleanor Roosevelt, Volume 3 Blanche Wiesen Cook 2017-11-07 One of the New York Times's 100 Notable Books of 2016 One of NPR's 10 Best Books of 2016 "Heartachingly relevant...the Eleanor Roosevelt who inhabits these meticulously crafted pages transcends both first-lady history and the marriage around which Roosevelt scholarship has traditionally pivoted." -- The Wall Street Journal The final volume in the definitive biography of America's greatest first lady.
