Rogue Rascal: The Rourkes Series, Book 9 Kylie Gilmore 2020-03-17 What happens in Vegas follows me home...and it's my best friend's little sister. Jack I'm the good-time guy, so when my best friend asked me to be in charge of his bachelor party, you'd better believe we're heading to Vegas. After our wild night, I wake up in a strange hotel room, wearing a gold band on my finger. Worse, there's a bridal veil on the nightstand. Then I relax. Ha-ha. Very funny, guys. I'm the king of pranks, and my friends are getting me back. But then my bride appears, and the real nightmare begins. It's Riley, my best friend's little sister, looking all grown up and—gulp—married. To me. My best friend forbade me even looking at her on account of my rep for one-nighters. This has to end right away. Only somehow I get more and more tangled up in her life, trying to do damage control, and a funny thing happens on the way to ending this marriage— I'm having second thoughts. This romantic comedy stands alone with a swoonworthy happily-ever-after! No cliffhangers. Rogue Prince: A Secret Prince Romantic Comedy (The Rourkes Series, Book 7) Kylie Gilmore 2019-10-22 An enemies-to-lovers, second chance romcom with a secret prince! Dylan I'm the crown prince of Villroy, but instead of taking the king's throne like I should have, my father got us all exiled. I'd complain, but he had good reason. Now our once royal family lives in Brooklyn, and I'm about to inherit a new kingdom: my uncle's construction business. It's an opportunity to build my real estate empire and make something of myself. All I need is an experienced person to help take it to the next level. And then the girl who grew up next door to me—all woman now—shows up with just the business experience I need. Too bad Ariana Bianchi hates me. I used to think it was undeserved—fallout from our families' longtime feud—but there was this one time... Ariana I'm newly divorced and crashing at my parents' house until I can get my life on track for my ultimate goal of having a baby with the help of a sperm bank. It's the reason for my divorce—he didn't want kids—and at thirty-one the clock is ticking. So when the gorgeous pig of a man, Dylan Rourke, shows up at my parents' house to ask me to work as a consultant for his company, I see an opportunity. He wants something from me? Yeah, well, I want something in return, too. Only Dylan makes this way more complicated than it needs to be. Only I never expected my new roommate would be the grouchiest man on earth. It almost cancels out his sexy rugged good looks. Almost. Sean The last thing I need is a woman moving into the house I'm renovating on the side. First of all, I live here. Second, I'm running on fumes trying to juggle my day job too. I don't have time for her irritating cheer or her distractingly cute little body. I've got work to do. Polly I'm a modern twenty-three-year-old princess bound by rules more suited to medieval times. My father's declining health means I will soon be queen, but, as a woman, I will not be allowed to rule alone. I can only claim my birthright by marrying the man chosen for me—a business tycoon useful to our kingdom. My parents are unbending. If I do not comply, my younger cousin will take my place simply because he's a man. I'm the one who must bend, or walk away and lose everything—my family, my birthright, my island home. I never met a man tempting enough to risk a kingdom...and then I meet him. Oscar I'm the good-looking one. If you need to pick me out of the middle of the Rourke clan, that's how you do it. Does it bother me that nothing is expected of the fourth-born son other than to flash my devastatingly handsome smile for the press? Maybe. Would I like to be needed even just by one person who sees me as the key to something important? Yes. And then I meet her. Only lightning struck for the wrong woman. She's on Villroy for a short time before she must return home and marry the man her parents have chosen. If she doesn't, she loses her birthright. If I truly care for Polly, I'll walk away. The Loner's Bride (a cute romantic comedy set in a western frontier town) Ruth Ann Nordin Katie Jackson is all grown up, and it's time for her to find a husband. Though the young men have been coming by the orphanage where she is working, none of them catches her fancy. They all seem like they need to do a lot more growing up before they're ready for the responsibilities of a wife and children. They're all more like little brothers than serious prospects for marriage. If only they were more like Jeremiah Barlow who happens to be running the orphanage. He's perfect. Mature, kind, and gentle. Best of all, she's attracted to him in a way she's never been attracted to anyone before. It's not long before Jeremiah becomes aware of Katie's interest in him. And worse, he's just as interested in her. But it would never work. He's twice her age. His best days are behind him. Katie, however, is not one to give up. When she wants something badly enough, she'll move heaven and earth to get it. And Jeremiah is on her list.

Rogue Beast: A Beauty and the Beast Romantic Comedy (The Rourkes Series, Book 12) Kylie Gilmore 2020-09-22 Beauty meets Beast in a case of mistaken identity, a fake relationship, and very real chemistry... Harper Everyone thinks I'm tough as nails because I used to play a CEO on TV. I'm not. Unfortunately, it's brought weird stalker men out of the woodwork, which is why I finally broke down and hired a bodyguard. Cut to: a beast of a man with striking aquamarine eyes shows up on the set of my new show. Insta-lust completely takes me by surprise. I'm talking a full head-to-toe rush of heat, fluttering stomach, every nerve ending alive. This is a problem. I have a boyfriend, and this is supposed to be a professional relationship. I'm lusty as a teenager coming face-to-face with my crush. And then I realize—my crush is into it. Garrett I was visiting my sister-in-law on set when Harper Ellis invited me to her trailer. She's a beauty, all right. A little shy and very sweet. We really connected, so I didn't want to spoil the moment by admitting I wasn't her bodyguard. Her real guard shows up, and I figure that's the end of it. Turns out she's got a boyfriend. But then they break up, and the fallout makes people feel sorry for her (the guy cheated on her in a public way). To save face, she claims she was seeing me. I don't care if we're faking a relationship for the good PR, the chemistry is real, and I start thinking we have a future. Until everything blows up in my face. Now I need to prove that we belong together. This romantic comedy stands alone with a swoonworthy happily-ever-after! No cliffhangers. No strings. No attachments. Get in, get out—euphemism intended. The lesser known second rule? Make sure your casual hookup isn't about to become your wedding planner. Yeah. Long story. The wedding was going to be a fake. The only catch was nobody could know. Not even my wedding planner. Now the wedding planner thinks I'm the world's biggest bastard. She thinks I'm in love with the woman I'm supposed to marry. She thinks a lot of things, but she doesn't know the truth. She's got no idea she's going to fall for me by the time this thing is over. She's got no idea our little hookup wasn't meaningless. Not to me, at least. And worst? She thinks she's safe around me. She thinks I'm off the market, that there can't be a repeat because there's someone else. There's nobody else. Just her. And ever since the first taste, I knew she was all there'd ever be. Author's Note: Don't run away from the ultimate playboy. He's ready to fake marry you so hard. She's sweet and sassy, he's over the top in everything. They're a match made in fake marriage history.

Rogue Angel: The Rourkes Series, Book 10 Kylie Gilmore 2020-05-19 A humorous forbidden romance! Becca That one-night stand with Hot Builder Guy was not in the plan. Completely unlike me but, in a moment of weakness, I was drawn in by his piercing blue eyes, his charming smile, and his spectacularly muscled everything. It was a mistake. Finding You Jo Watson 2017-05-02 For fans of USA Today bestselling authors Christina Lauren and Sally Thorne comes a hilarious romantic comedy about finding your family, finding yourself, and maybe finding love along the way. Being adopted never made Jane Smith feel unloved, just unlike the rest of her family. As her twenty-fifth birthday approaches, she is struck by an overwhelming longing to finally find her place in the world. So in a very un-Jane-like move, she books a last-minute ticket to Greece to find her birth father and the real Jane. All she knows about him is that he was a tour guide named Dimitri. Armed with this knowledge and several surprise boxes of condoms from her mom (not embarrassing at all), Jane takes off. Within minutes of landing she makes two important discoveries. First, everyone in Greece is named Dimitri, and second, fate might be playing a sick joke on her when a sexy tour guide called Dimitri comes to fetch her from the airport. He offers to help Jane with her search--if she'll go on an adventure with him. Stable Jane would never risk a steamy vacation romance. But real Jane might finally be ready to listen to her heart. Will Jane find her biological father, or will she end up finding something else entirely? "Top Pick! Almost a Bride put a smile on my face more than once. The dialogue was witty, the words were well-written and the heroine was one-of-a-kind." -- Harlequin Junkie

Bridezillas and Billionaires Alina Jacobs 2020-05-31 You ever had one of those really terrible days at work? You know, where the maid of honor accuses the bride of cheating on the groom with the best man AND the groom's father? No? Welp... Welcome to life as a wedding planner for the rich and entitled of Manhattan. I've seen it all--from the nastiest bridezilla to the most overindulged billionaire. And Evan is the worst. Tall, dark, and handsome, he has a ridiculously ripped body under his formal suit and runs a massive hedgefund that's actively making the world a worse place. I don't even feel sorry for him when he walks away from the altar in a daze. Well, maybe a little bit. Enough that I now have a billionaire holed up in my teeny tiny apartment. I regret it immediately. My violently antisocial cat has welcomed him like a long lost brother, Evan's half-naked six-foot-five frame is sprawled across my bed, and he's eaten all of my lasagna. A day and an epic screaming match later, he's out on the street, and I have my high-stress, lonely life back. But I can't worry about a billionaire's hurt feelings. After all I have a business to run and bridezillas to corral. But when I go to meet with my latest bride, guess-who is there smirking at me. Evan's decided he's ready to move on from the cheating witch. Who does he want as he rebound? Me. But I am immune to Evan's obnoxious displays of wealth and his piercing blue eyes. These panties are staying firmly on. Mostly. Except for that one time. But it's not like anyone's falling in love right? Right?! This standalone, full length romantic comedy has no cliffhangers but does have a swoon-worth HEA! This book is STEAMY! The highs are hilarious and the lows are as deep as the voice of the guy you fantasize about!

What are friends for? But now I'm worried I played the part too well because we're heading home, and she makes a confession: she's tired of saving herself for marriage and wants me to be her first. Her first! I can't go there. The woman has committed relationship written all over her, something I'm never doing again for good reason.
