Dwight Eisenhower and the Holocaust

Jason Lantzer 2023-10-23 Dwight Eisenhower's encounter with the Holocaust altered how he understood the Second World War and shaped how he led the United States and the Western Alliance during the Cold War. This book is the first to blend

scholarship on Eisenhower, World War II, and the Holocaust together, constructing a narrative that offers new insights into all three, all while uncovering the story of how he became among the first to vow that such atrocities would never again be allowed to happen. From the moment he stepped foot in the concentration camp Ohrdruf in April 1945, defeating Nazi Germany took on a moral hue for Eisenhower that had largely been absent before. It spurred the belief that totalitarianism in all its forms needed to be confronted. This conviction shaped his presidency and solidified American engagement in the postwar world. Putting these pieces of the story together alters how we view and understand the second half of the twentieth century.

2013-04-12 There's food growing everywhere! You'll be amazed by how many of the plants you see each day are actually nutritious edibles. Ideal for first-time foragers, this book features 70 edible weeds, flowers, mushrooms, and ornamental plants typically found in urban and suburban neighborhoods. Full-color photographs make identification easy, while tips on common plant locations, pesticides, pollution, and dangerous flora make foraging as safe and simple as stepping into your own backyard.

world's most famous garden and understand the strength of its attraction since it was bought and transformed by writer Vita Sackville West and diplomat Harold Nicholson in the 1930s. This unforgettable garden of rooms is influential today for its design, its exuberant planting, and its effect on visitors as a complete garden experience. Author Tim Richardson explores its power and its magic, explaining the nuances of its evolution and shows how we can all enjoy it today.

by examining them through the eye of the camera they serve as a visual artistic exploration of historical works and circumstances. In addition, Heidi Specker's images are also always a reflection of photography as a medium and its reception. Heidi Specker lectures at the Academy of Fine Arts in Leipzig. Her projects have been presented in numerous solo shows, for example 2005 in the Sprengel Museum in Hanover, 2015 in Pinakothek der Moderne, Munich and Berlinische Galerie, 2016. This title and the accompanying exhibition in Kunstmuseum Bonn offers the first comprehensive survey of Heidi Specker's work and assembles important bodies of work from the last 20 years. Published on the occasion of the exhibition, Heidi Specker: Fotografien at Kunstmuseum
