Che Guevara Jon Lee Anderson 1997 Making use of unprecedented access to Guevara's personal archives, his guerrilla cohorts, and Cuban government archives, an exhaustive biography traces the life of the Latin American communist revolutionary.

Guevara, Also Known as Che Paco Ignacio Taibo, II 1999-08-19 Mexican novelist and historian Paco Ignacio

Taibo II here captures the life and character of Che Guevara, the preeminent Latin-American revolutionary of the late twentieth century. The symbol of radical egalitarianism and the war against social injustice, Guevara was gunned down in the jungles of southeastern Bolivia in 1967, his death surrounded by questions that remain unanswered. In the years since he died, fascination with Che and his independent and pragmatic

brand of Guerilla Marxism have become increasingly focused. Taibo, whose extensive contacts in Latin American political activism gives him unprecedented access to hitherto untapped sources, probes Che's life with a storyteller's pen and an historian's judgment. Delving into vast archives to which few researchers have entry, Taibo investigates the mystery and myth surrounding Che's life, careers, and ideals.

The Bolivian Diary Che Guevara 2009 With an introduction by Fidel Castro Che Guevara's famous last diary, found in his backpack after he was captured by the Bolivian Army in 1967, and which played a pivotal role in catapulting him to iconic status after his death.

The Bolivian Diary of Ernesto Che Guevara Che Guevara 1994 In December 1956 Guevara was part of the expedition that landed in Cuba aboard the yacht Granma to begin the guerrilla struggle. Originally the troop doctor, Guevara became a commander of the Rebel Army.

Che Guevara H. Yaffe 2009-02-25 Che Guevara remains an iconic figure, four decades after his death. Yet his most significant contribution - his work as a member of the Cuban government - is rarely discussed. This book explores his impact on Cuba's economy, through fascinating new archival material and interviews.

Back on the Road Che Guevara 2001 The fascinating travel diaries that make up this volume are a vital complement to "The Motorcycle Diaries," described by the "London Times" as "'Das Kapital' meets 'Easy Rider.'" These journals chronicle Guevara's trip through Latin America as his youthful idealism was developing into the political fervor that made him a revolutionary icon. Copyright © Libri GmbH. All rights reserved.

My Friend Ché Ricardo Rojo 1968 An Argentine lawyer, friend of the late Guevara, writes of his involvement in Latin American revolutions.

Che Guevara and the FBI Michael Ratner 1997 "Published for the first time are the U.S. secret police files on the legendary revolutionary Ernesto Guevara, showing how the FBI and CIA monitored his movements and activity in the United States, Mexico, Cuba, Africa and Latin America. A Freedom of Information Act request succeeded in obtaining the FBI file on Guevara, containing a wide selection of CIA and other secret documents. With an introduction by the editors, U.S. attorneys Michael Ratner and Michael Steven Smith, this book poses the obvious question: why did the FBI have such a dossier? 'Che is fairly intellectual for a Latino,' reads a 1958 CIA document on Guevara during the period of the guerrilla war in Cuba. Watched closely after the 1959 revolution, Guevara's every public word was recorded and transmitted to the FBI and CIA, with particular note taken of his anti-U.S. statements. Later documents concern Guevara's disappearance from Cuba in 1965 and his resurfacing in Africa and Bolivia as a guerrilla leader. The sensational materials included in these secret files add to suspicions that U.S. spy agencies were plotting to assassinate Guevara when he was a Cuban government leader in the early 1960s and suggest that they were involved in the pursuit and murder of Guevara in Bolivia in 1967." "For all those interested in Che Guevara, Washington's relationship with Latin America and the workings of the U.S. spy agencies, this book is a significant new contribution."--Jacket.

Che Guevara Stuart A. Kallen 2013 Examines the life of Che Guevara, including his family's background, childhood, education, and groundbreaking work as a revolutionary fighting against poverty.

Socialism and Man in Cuba Ernesto Che Guevara 1989-01-01 Guevara's best-known presentation of the political tasks and challenges in leading the transition from capitalism to socialism. Includes Castro's 1987 speech on the 20th anniversary of Guevara's death.

Death of a Revolutionary Richard Legé Harris 2000 Based on field research in Bolivia months after Che's death in 1967, Harris (global studies, California State U.-

Monterey) profiles the legendary revolutionary's life and legacy. First published in 1970. Annotation copyrighted by Book News Inc., Portland, OR
José Martí, Ernesto "Che" Guevara, and Global Development Ethics S. Babbitt 2014-09-18 This book argues that the overlooked ideas of José Martí and Ernesto 'Che' Guevara explain recent politics in Latin America and the Caribbean but also, even more significantly, offer a defensible alternative direction for global development ethics.

Che Guevara Ernesto Guevara 1977

Guerrilla Warfare Ernesto Che Guevara 2021-09-15

Companero Jorge G. Castañeda 2009-07-16 By the time he was killed in the jungles of Bolivia, where his body was displayed like a deposed Christ, Ernesto "Che" Guevara had become a synonym for revolution everywhere from Cuba to the barricades of Paris. This extraordinary biography peels aside the veil of the Guevara legend to reveal the charismatic, restless man behind it. Drawing on archival materials from three continents and on interviews with Guevara's family and associates, Castaneda follows Che from his childhood in the Argentine middle class through the years of pilgrimage that turned him into a committed revolutionary. He examines Guevara's complex relationship with Fidel Castro, and analyzes the flaws of character that compelled him to leave Cuba and expend his energies, and ultimately his life, in quixotic adventures in the Congo and Bolivia. A masterpiece of scholarship, *Companero* is the definitive portrait of a figure who continues to fascinate and inspire the world over.

The Marxism of Che Guevara Michael Löwy 2023-06-14 In this seminal exploration of Che Guevara's contributions to Marxist thinking, Michael Löwy traces Che's ideas about Marxism both as they related to Latin America and to more general philosophical, political, and economic issues. Now revised and updated, this edition includes a chapter on Guevara's search for a new paradigm of socialism and a substantive essay by Peter McLaren on Che's continued relevance today. Löwy portrays Guevara as a revolutionary humanist who considered all political questions from an internationalist viewpoint. For him, revolutionary movements in Latin America were part of a world process of emancipation. Löwy considers especially Che's views on the contradiction between socialist planning and the law of value in the Cuban economy and his search for an alternative road to the "actually existing socialism" of the Stalinist and post-Stalinist Soviet bloc. Che's varied occupations—doctor and economist, revolutionary and banker, agitator and ambassador, industrial organizer and guerri

The Politics of Che Guevara Samuel Farber 2016-05-18 This reexamination of Ernesto "Che" Guevara's thoughts on socialism, democracy, and revolution is a must-read for today's activists—or anyone longing to fight for a better world. Fifty years after his death, Guevara remains a symbol to legions of young rebels and revolutionaries. This unique book provides a way to critically engage with Guevara's economic views, his ideas about revolutionary agency, and his conduct as guerrilla commander and government administrator in Cuba. Samuel Farber was born and raised in Cuba. He has written extensively on Cuba and the Cuban Revolution and is author of *Cuba Since the Revolution of 1959*.

The Bolivian Diary Ernesto Che Guevara 2022-06-14 The last diary of revolutionary Che Guevara with entries up until two days before his murder. This new edition of Che Guevara's diary of the last year of his life describes Che's efforts to launch a guerrilla insurrection against the military government of Bolivia. It was found in his backpack when he was captured by the Bolivian Army in October 1967. This edition includes Fidel Castro's "A Necessary Introduction," exposing the lies of an earlier, pre-emptive edition prepared by the C.I.A. to discredit Che and the Bolivian expedition, as

well as the Cuban Revolution itself. The Bolivian Diary reveals an older, more time-tested, and health-compromised Che than either the exuberant The Motorcycle Diaries or the mature and implacable Congo Diary. There is rich irony here as he recounts the daily challenges faced by his small guerrilla band, the pronouncements of the military government, and the actions of the large military force attacking them. The last entry describes the day before Che's capture, two days before his murder.

Che Guevara Jon Lee Anderson 2010-04-20 Acclaimed around the world and a national best-seller, this is the definitive work on Che Guevara, the dashing rebel whose epic dream was to end poverty and injustice in Latin America and the developing world through armed revolution. Jon Lee Anderson's biography traces Che's extraordinary life, from his comfortable Argentine upbringing to the battlefields of the Cuban revolution, from the halls of power in Castro's government to his failed campaign in the Congo and assassination in the Bolivian jungle. Anderson has had unprecedented access to the personal archives maintained by Guevara's widow and carefully guarded Cuban government documents. He has conducted extensive interviews with Che's comrades—some of whom speak here for the first time—and with the CIA men and Bolivian officers who hunted him down. Anderson broke the story of where Guevara's body was buried, which led to the exhumation and state burial of the bones. Many of the details of Che's life have long been cloaked in secrecy and intrigue. Meticulously researched and full of exclusive information, Che Guevara illuminates as never before this mythic figure who embodied the high-water mark of revolutionary communism as a force in history.

Che, My Brother Juan Martin Guevara 2017-04-21 On 9 October 1967, Ernesto Che Guevara, Marxist guerrilla leader and hero of the Cuban Revolution, was captured and executed by Bolivian forces. When the Guevara family learned from the front pages that Che was dead, they decided to say nothing. Fifty years on, his younger brother, Juan Martin, breaks the silence to narrate his intimate memories and share with us his views of the character behind one of history's most iconic figures. Juan Martin brings Che back to life, as a caring and protective older brother. Alongside the many practical jokes and escapades they undertook together, Juan Martin also relates the two extraordinary months he spent with the Comandante in 1959, in Havana, at the epicentre of the Cuban Revolution. He remembers Che as an idealist and adventurer and also as a committed intellectual. And he tells us of their parents - eccentric, cultivated, bohemian - and of their brothers and sisters, all of whom played a part in his political awakening. This unique autobiographical account sheds new light on a figure who continues to be revered as a symbol of revolutionary action and who remains a source of inspiration for many who believe that the struggle for a better world is not in vain.

I Embrace You with All My Revolutionary Fervor Ernesto Che Guevara 2021-10-19 The first-ever edition of Che Guevara's letters, the vast majority never-before published in English in any form. Ernesto Che Guevara was a voyager—and thus a letter writer—for his entire adult life. The letters collected in I Embrace You with All My Revolutionary Fervor: Letters 1947-1967 range from letters home during his Motorcycle Diaries trip, to the long letter to Fidel after the success of the Cuban revolution in early 1959 (from which the book's title comes), from the most personal to the intensely political, revealing someone who not only thought deeply about everything he encountered, but for whom the process of social transformation was a constant companion from his youth until shortly before his death. His letters give us Che the son, the friend, the lover, the guerrilla fighter, the political leader, the

philosopher, the poet. Che in these letters is often playful, funny, sometimes sarcastic, and deeply affectionate. His life was short, and these twenty years, from when he was 19 until days before his death, show it was also incredibly rich and full. As his daughter Aleida Guevara, also a doctor like her father, writes, "When you write a speech, you pay attention to the language, the punctuation and so on. But in a letter to a friend or a member of your family, you don't worry about those things. It is you speaking, in your authentic voice. That's what I like about these letters; they show who Che really was and how he thought. This is the true political testimony of my father."

Who Was Che Guevara? Ellen Labrecque 2019-06-04 Viva la revolución! Find out how Che Guevara--a doctor turned communist leader and much more than a face on a T-shirt--ended up paying the ultimate price for his cause. His very image has become associated with a spirit of rebellion, but Ernesto Guevara--known around the world simply as Che--didn't dream of becoming a revolutionary. Author Ellen Labrecque takes readers on a journey through Che's life starting with his childhood in Argentina, to his travels through South and Central America as a young physician, and ending with his final years as a key player in the Cuban revolution. His legacy--as the author of The Motorcycle Diaries, a champion of the poor, and a force for change in Cuba--is both personal and political.

The Story of Che Guevara Lucía Álvarez de Toledo 2010 Follows Che's astonishing journey from his birth in Rosario and his early years in his parent's mate plantation in Misiones to the heart of Castro's Cuban government through to the unforgiving jungle that formed the backdrop to his doomed campaigns in the Congo and Bolivia.

Guerrilla Warfare Che Guevara 2002-01-01 Che Guevara, the larger-than-life hero of the 1959 revolutionary victory that overturned the Cuban dictatorship, believed that revolution would also topple the imperialist governments in Latin America. Che's call to action, his proclamation of "invincibility"--the ultimate victory of revolutionary forces--continues to influence the course of Latin American history and international relations. His amazing life story has lifted him to almost legendary status. This edition of Che's classic work Guerrilla Warfare contains the text of his book, as well as two later essays titled "Guerrilla Warfare: A Method" and "Message to the Tricontinental." A detailed introduction by Brian Loveman and Thomas M. Davies, Jr., examines Guevara's text, his life and political impact, the situation in Latin America, and the United States' response to Che and to events in Latin America. Loveman and Davies also provide in-depth case studies that apply Che's theories on revolution to political situations in seven Latin American countries from the 1960s to the present. Also included are political chronologies of each country discussed in the case studies and a postscript tying the analyses together. This book will help students gain a better understanding of Che's theoretical contribution to revolutionary literature and the inspiration that his life and Guerrilla Warfare have provided to revolutionaries since the 1960s. This volume is an invaluable addition to courses in Latin American studies and political science.

Ernesto Che Guevara Dennis Abrams 2010 Examines the life of Ernesto "Che" Guevara, who was a trained doctor, writer, military leader and radical activist.

Che's Travels Paulo Drinot 2010-08-11 Ernesto "Che" Guevara twice traveled across Latin America in the early 1950s. Based on his accounts of those trips (published in English as The Motorcycle Diaries and Back on the Road), as well as other historical sources, Che's Travels follows Guevara, country by country, from his native Argentina through Chile, Peru, Colombia, and Venezuela, and then from Argentina through Bolivia,

Peru, Guatemala, and Mexico. Each essay is focused on a single country and written by an expert in its history. Taken together, the essays shed new light on Che's formative years by analyzing the distinctive societies, histories, politics, and cultures he encountered on these two trips, the ways they affected him, and the ways he represented them in his travelogues. In addition to offering new insights into Guevara, the essays provide a fresh perspective on Latin America's experience of the Cold War and the interplay of nationalism and anti-imperialism in the crucial but relatively understudied 1950s. Assessing Che's legacies in the countries he visited during the two journeys, the contributors examine how he is remembered or memorialized; how he is invoked for political, cultural, and religious purposes; and how perceptions of him affect ideas about the revolutions and counterrevolutions fought in Latin America from the 1960s through the 1980s. Contributors Malcolm Deas Paulo Drinot Eduardo Elena Judith Ewell Cindy Forster Patience A. Schell Eric Zolov Ann Zulawski

Che Guevara on Guerrilla Warfare 1970

The Awakening of Latin America Ernesto Che Guevara 2022-11-22 This classic anthology on Latin America shows the Argentine-born revolutionary's cultural depth, rigorous intellect, and intense emotional engagement with a continent and its people. In a letter to his mother in 1954, a young Ernesto Guevara wrote, "The Americas will be the theater of my adventures in a way that is much more significant than I would have believed." In *The Awakening of Latin America* we have the story of those adventures, charting Che's evolution from an impressionable young medical student to the "heroic guerrilla," assassinated in cold blood in Bolivia. Spanning seventeen years, this anthology draws on from his family's personal archives and offers the best of Che's writing: examples of his journalism, essays, speeches, letters, and even poems. As Che documents his early travels through Latin America, his involvement in the Guatemalan and Cuban revolutions, and his rise to international prominence under Fidel Castro, we see how his fervent commitment to social justice shaped and was shaped by the continent he called home.

Che Fidel Castro 2006 Castro's own description of the historic political partnership that changed the face of Cuba and Latin America. He vividly portrays Che - the man, the revolutionary and the thinker - recounting in detail his last days with Che in Cuba and giving a frank assessment of the Bolivian mission.

Self Portrait Che Guevara Che Guevara 2004 An intimate look at the man behind the icon, from the Guevara family's private archives. Includes extraordinary unpublished short stories and poems written to his wife and children as well as photos from the Guevara family album, showing a surprisingly sensitive and artistic side to the legendary revolutionary. Che's self-portrait photography are a key feature of the selection, presented alongside other material finally released for publication from his family's archives.

Exposing the Real Che Guevara Humberto Fontova 2007 FONTOVA/EXPOSING THE REAL CHE GUEVA

The Diary of Che Guevara Ernesto Che Guevara 2014-04 This is Che Guevara's last diary, compiled from notebooks found in his backpack when he was captured by the Bolivian army in October 1967 and subsequently executed. This is the definitive account of the attempt to spark a continent-wide revolution in Latin America.

Global Justice Ernesto Che Guevara 2023-01-24 Three speeches on corporate globalism and imperialism by one of the most widely known guerilla fighters, political theorists, and organizers, Che Guevara. In this collection of three speeches, Ernesto Che Guevara offers a revolutionary view of a world in which human solidarity and understanding replace imperialist aggression and exploitation. First, in a sharp speech

given in Algeria on February 24, 1965 at the Afro-Asia Economic Seminar, Che speaks about the nature of capitalism and the revolutionary struggle that would open the way for a new, socialist society. Guevara's 1965 essay, "Socialism and Man in Cuba," is a milestone in twentieth-century emancipatory social thought. Finally, "Message to the Tricontinental" is one of Che's more well-known works, which outlines the tactics and strategies that should be followed in revolutionary struggle. This collection of writings merges Che's philosophy, politics, and economics in his all encompassing, coherent revolutionary vision. His ideas and his struggle strike a chord in the current search for global justice.

Guerrilla Warfare Ernesto Che Guevara 2021-09-15 'Guerrilla Warfare' by the revolutionary Ernesto Che Guevara, written in 1960, has become a how-to manual for thousands of guerrilla fighters in various countries around the world. Guevara intended it to be a guidebook on guerrilla warfare, as inspiration for the revolutionary movement. Fascinating to admirers and adversaries alike, he captured the minds of millions with his leadership and his belief in guerrilla warfare as the only effective agent to achieve political change. Here, in his own classic text on revolution, Che draws on his first-hand experience of the Cuban campaign to document all aspects of guerrilla warfare, from its aims to its organization and training. He analyses how in Cuba, against all odds, a small band of dedicated fighters grew in strength with the support of the people to defeat a dictator's army. Guevara emphasizes that guerrilla warfare is a favorable method against totalitarian regimes, where political opposition and legal civil struggle is impossible to conduct.

Che Guevara, Economics and Politics in the Transition to Socialism Carlos Tablada Pérez 1989 Che Guevaras teoretiske bidrag til opbygningen af socialismen på Cuba 1959-1966, mens han var medlem af den cubanske revolutionsregering

Che Guevara Guerrilla Warfare Che Guevara 1969 *Che Guevara, Paulo Freire, and the Pedagogy of Revolution* Peter McLaren 2000-01-12 Che Guevara, Paulo Freire, and the Pedagogy of Revolution examines what is currently at stake_culturally, politically, and educationally_in contemporary global capitalist society. Written by one of the world's most renowned critical educators, this book evaluates the message of Che Guevara and Paulo Freire for contemporary politics in general and education in particular. Forcefully argued and eloquently written, Che Guevara, Paulo Freire, and the Pedagogy of Revolution is a clarion call for building a new social order premised on the ideas and philosophy of two of the most important revolutionary figures of this century. It is an indispensable reference point for building transnational alliances between the North American and Latin American. Che Guevara, Paulo Freire is the best introduction available to the ideas and philosophy of these two iconoclastic figures.

Che Guevara Reader Che Guevara 2003 The most comprehensive version of Che's writings available in English. Covering Che's writings on the Cuban revolutionary war, the first years of the revolution in Cuba and his vision for Latin America and the third world, it includes such classic essays as "Socialism and Man in Cuba" and "Two, Three, Many Vietnams". Contains several unpublished articles, essays and letters, including a letter from Che to his children shortly before his death in Bolivia in 1967 and an essay, "Strategy and Tactics for the Latin American Revolution".

Exposing the Real Che Guevara Humberto Fontova 2008-08-26 A debunking of liberal myths about one of the most bloodthirsty icons of the twentieth century. Hollywood, Madison Avenue, and the mainstream media

celebrate Ernesto "Che" Guevara as a saint, a sex symbol, and a selfless martyr. But their ideas about Che—whose face adorns countless T-shirts and posters—are based on the lies of Fidel Castro's murderous dictatorship. Che's hipster fans are classic "useful idiots," the name Stalin gave to foolish Westerners who parroted his lies about communism. And their numbers only increased after a new biopic was released, starring Benicio Del Toro. But as Humberto Fontova reveals in this myth-shattering book, Che was actually a bloodthirsty executioner, a military bumbler, a coward, and a hypocrite. In fact, Che can be called the godfather of modern terrorism. Fontova reveals:

- How he longed to destroy New York City with nuclear missiles.
- How he persecuted gays, blacks, and religious people.
- How he loved material wealth and private luxuries, despite his image as an ascetic. Are Che fans like Angelina Jolie, Jesse Jackson, Carlos Santana, and Johnny Depp too ignorant to realize they've been duped? Or too anti-American to care?

Che Guevara Richard L. Harris 2010-11-18 This concise biography of the world famous revolutionary Che Guevara

provides the most up-to-date and comprehensive account available of his remarkable life, tragic death, and enduring political legacy. Che Guevara is one of the most controversial and iconic figures in recent memory and is still a hero to many. *Che Guevara: A Biography* provides a balanced and engaging introduction to the famous revolutionary leader. Based on original research, the biography reveals how Che's early life prepared him for leadership in the Cuban Revolution. It also explores his revolutionary activities in Africa and Bolivia, as well as the circumstances surrounding his tragic death on October 9, 1967. More than just a record of events, the book cogently examines Che's contributions to the theory and tactics of guerrilla warfare, his ideas about imperialism and socialism, and his enduring political legacy. It includes original information on the 1997 discovery of the hidden remains of his body and on the celebration of his life and ideals by the socialist regime in Cuba. And it looks at the reasons why leftist political leaders, movements, and governments in Latin America and the Caribbean still pay homage to this charismatic man.
