La guerra paraguayana Giuliano Da Frè 2015

Bando Buenos Aires (Province) Gobernador Martin Rodriguez 1821

The Invention of Argentina Nicolas Shumway 2023-04-28 The nations of Latin America came into being without a strong sense of national purpose and identity. In *The Invention of Argentina*, Nicholas Shumway offers a cultural history of one nation's efforts to determine its nature, its destiny, and its place among the nations of the world. His analysis is crucial to understanding not only Argentina's development but also current events in the Argentine Republic.

Historiografía militar argentina Roberto Etchepareborda 1984

Storia Militare dell'Argentina 1700-1824 Virgilio Ilari 2015-08-30 La storia militare dell'Argentina dagli esordi della colonia nel 1600, passando dalla spedizione di Cevallos al presidente Yrigoyen (1758 - 1917). Completo e professionale studio su tre volumi. Il primo volume si occupa degli anni dal 1700 al 1824. Con illustrazioni a colori.

Storia politico-militare della guerra dell'indipendenza italiana (1859-1860) 1867

Episodios militares José S. Daza 1914

Historia militar de la República Argentina Argentina. Ejército. Estado Mayor General 1914

Batallas por la libertad Pablo Camogli 2005 Si bien los nombres de Chacabuco, San Lorenzo, Tacuari, Riobamba o Vilcapugio resuenan en nuestros oídos como episodios de la lucha por la independencia, solemos subordinar la importancia de las acciones militares a los sucesos de índole política. Sin embargo, la propia historia nos muestra algo distinto. Ya desde los primeros pasos de la emancipación, los sucesivos gobiernos patrios comprendieron que el futuro de la revolución dependía enteramente de los resultados de la guerra, y fue esta su principal preocupación. Mas de una vez, los avatares belicos determinaron que medidas políticas, económicas o sociales debían ser tomadas, y hasta decidieron el destino de gobernantes e instituciones.

Memoria militar sobre e estado de la guerra con el Paraguay en 1876 Bartolomé Mitre 1903

Anti-americanism in Latin America and the Caribbean Alan McPherson 2006-03 "an excellent collection. Like any good collection, the articles raise as many questions as they answer. [that] highlight the value of the collection for use in undergraduate courses on Latin American history, inter-American relations or U.S. foreign policy. Liberal use of appropriate political cartoons adds spice to the readings." * Hispanic

Argentina Garibaldi G B Laguardia 2014-01-15 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Historia militar de la República Argentina durante el siglo de 1810 a 1910 Augusto A. Maligne 1910

Liberal Thought in Argentina, 1837-1940 Natalio R. Botana 2013 This is the first compilation of primary sources that document the history and tradition of liberal thought in Argentina throughout the nineteenth and first half of the twentieth century. With only two exceptions, none of the works have ever been translated into English until now. Liberal ideas were very important in Argentina from the time of independence. The Argentine constitution (1853-60), in force for a long time, was based on liberal principles taken from both the North American and the European tradition. The general structure of the collection is chronological, taking the reader through an analysis of different periods of liberal thought in Argentina: from liberalism as opposed to dictatorial rule, to liberalism as the framework of the National Constitution (1852-60). Importance is given to the development of liberalism in government and opposition (1857-1910) and to the last period (1912-40), the twilight of liberalism. Chapter 1 addresses the dictatorship of Juan Manuel de Rosas (1837-50), during which time a set of liberal ideas was formed that would subsequently have a decisive influence on the second period, the formation of the National Constitution (1852-60). Chapters 3 and 4 consist of writings that chronicle the surge of liberalism in Argentina, first, during the period between 1857 and 1879, and, later, between 1880 and 1910. These chapters reflect the great political, economic, and social debates that exemplify the variety and richness of the body of liberal ideas during this time. The writings in the final chapter review the gradual decline of liberalism. They rescue from obscurity those voices and writings that upheld and defended liberal ideals in several aspects, namely, those ideals concerning electoral and constitutional reforms and the resistance of the advance of different expressions of totalitarian dictatorship during the twentieth century.

Batallas por la patria 2018

Mediterranean Diasporas Maurizio Isabella 2015-11-19 *Mediterranean Diasporas* looks at the relationship between displacement and the circulation of ideas within and from the Mediterranean basin in the long 19th century. In bringing together leading historians working on Southern Europe, the Balkans, and the Ottoman Empire for the first time, it builds bridges across national historiographies, raises a number of comparative questions and unveils unexplored intellectual connections and ideological formulations. The book shows that in the so-called age of nationalism the idea of the nation state was by no means dominant, as displaced intellectuals and migrant communities developed notions of double national affiliations, imperial patriotism and liberal imperialism. By adopting the Mediterranean as a framework of analysis, the collection offers a fresh contribution to the growing field of transnational and global intellectual history, revising the genealogy of 19th-century nationalism and liberalism, and reveals new perspectives on the intellectual dynamics of the age of revolutions.

Storia militare dell'Argentina 1825-1862 Virgilio Ilari 2015-08-30 La storia militare dell'Argentina dagli esordi della colonia nel 1600, passando dalla spedizione di Cevallos al presidente Yrigoyen (1758 - 1917). Completo e professionale studio su tre volumi. Il secondo volume si occupa degli anni che vanno dal 1825 al 1862. Con illustrazioni a colore.

Jesuit Kaddish James Bernauer, S.J. 2020-03-30 While much has been written about the Catholic Church and the Holocaust, little has been published about the hostile role of priests, in particular Jesuits, toward Jews and Judaism. Jesuit Kaddish is a long overdue study that examines Jesuit hostility toward Judaism before the Shoah and the development of a new understanding of the Catholic Church's relation to Judaism that culminated with Vatican II's

landmark decree *Nostra aetate*. James Bernauer undertakes a self-examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation. Jesuit Kaddish demonstrates the way Jesuit hostility operated, examining Jesuit moral theology's dualistic approach to sexuality and, in the case of Nazi Germany, the articulation of an unholy alliance between a sexualizing and a Judaizing of German culture. Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of *Nostra aetate*. This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as "Righteous Among the Nations" by Israel's Yad Vashem Holocaust Center. Jesuit Kaddish offers a crucial contribution to the fields of Catholicism and Nazism, Catholic-Jewish relations, Jesuit history, and the history of anti-Semitism in Europe.
