Dear Kamala Peggy Brooks-Bertram 2021-02-02 Women of all ages, races, and nations share their hopes, fears, desires, advice, and support with the new Vice President. As the first woman of color elected as the Vice President of the United States, Kamala Harris broke through many barriers and made history, energizing a host of women who have a lot to say. Seeing a model of themselves filling the second-most-powerful office in the Free World, women from Africa to California, Canada to Florida began writing to the new Vice President. Dear Kamala: Women Write to the New Vice President showcases a selection of these heartfelt and moving letters. Girl Scouts confide their fears for a future ravaged by climate change; a business owner in Harlem offers unflinching advice about the need for real investment in inner cities; civil rights activists share their stories, struggles, and successes over the decades. Filled with moving personal stories and heartbreaking tales of racial injustices suffered, Dear Kamala offers much more than kind words. They represent an offer of support and a call to action for all those who will be at Vice President Harris's side throughout the next four years.

Soul of a Democrat Thomas B. Reston 2018-05-29 A brief history of the Democratic Party and the national ideals it has abandoned over time, thus losing its working class base—and its soul.

Intentioning Gloria Feldt 2021-09-28 Intentioning by best-selling author Gloria Feldt will help you envision the life and career you might have thought were impossible dreams, then give you the courage and actionable tools to achieve them. In the wake of the coronavirus pandemic and a pandemic of racial injustice that together shook our world to its core and revealed deep fault lines in our culture, Gloria Feldt, New York Times best-selling author, speaker, commentator, international leadership expert, successful CEO, and feminist icon, shows how we can seize the once-in-a-lifetime opportunity created by massive disruption to build back stronger with diverse women at the center of the recovery. In Intentioning: Sex, Power, Pandemics, and How Women Will Take The Lead for (Everyone's) Good, Feldt inspires diverse women to embrace their personal power to lead with intention, confidence, and joy. It comes as no surprise to her that women flexed their formidable muscles when needed most, representing a disproportionate number of essential workers during the darkest days of the coronavirus global outbreak and leading the charge against racism in the United States. But this book is decidedly about the future, taking the leadership lessons learned from this disruption and creating a better world for all. Feldt not only unveils the next step in advancing gender parity in all spheres of business and life, but she also lays out the vital next steps in the overall advancement of our economy and our civilization. The "Lead Like a Woman" framework and the "9 Leadership Intentioning Tools" she presents in this book will prepare, motivate, and propel women of all diversities and intersectionalities now so that by 2025, women will have attained their fair and equal share of leadership positions across all sectors of industry and society. We simply cannot squander women's talents when so much hangs in the balance. Women must be at the

vanguard of reimagining and reconstructing a vibrant and sustainable future for us all.

She Proclaims Jennifer Palmieri 2020-07-21 Take action and shatter the glass ceiling with this empowering and optimistic feminist guide from the #1 New York Times bestselling author of Dear Madam President. In an era marked by a frustrating sense of stagnation for women, Jennifer Palmieri has found a way to move beyond the bounds of patriarchy. Building on the lessons shared in Dear Madam President, Palmieri argues that women have gone as far as they can in a world made for men, and it is time to break from it. She Proclaims declares what most women know in their souls but have yet to say out loud—that they deserve something better than a life where men hold a vast majority of power and women continue to be undervalued. It is a manifesto for the second century of feminism that no longer chases a man's elusive path but proclaims the value, ambition, and emotion women have had all along to change their world by changing how they engage in it. This book celebrates the accomplishments and history of the women's movement, and through personal reflections and stories of other inspirational female leaders, Jennifer shares concrete advice and insights she's learned from her journey out of a man's world that will inspire you to boldly chart your own course in life.

Represent June Diane Raphael 2019-09-03 “Over the last few years we’ve seen a remarkable surge of women running for office, and even better, winning. Running takes courage, passion, and commitment, but it also takes books like this. June and Kate have created a wonderful resource for women as they think about taking the leap.”—Hillary Rodham Clinton Turn “can I do this?” into “yes, I can!” Join the growing wave of women leaders with Represent, an energetic, interactive, and inspiring step-by-step guide showing how to run for the approximately 500,000 elected offices in the US. Written with humor and honesty by writer, comedian, actress, and activist June Diane Raphael and Kate Black, former chief of staff at EMILY’s list, Represent is structured around a 21-point document called “I’m Running for Office: The Checklist.” Doubling as a workbook, Represent covers it all, from the nuts and bolts of where to run, fundraising, and filing deadlines, to issues like balancing family and campaigning, managing social media and how running for office can work in your real life. With infographics, profiles of women politicians, and wisdom and advice from women in office, this is a must-own for any woman thinking of joining the pink wave.

Make Trouble Cecile Richards 2018-04-03 From Cecile Richards, the former president of Planned Parenthood for more than a decade, daughter of the late Ann Richards, featured speaker at the Women’s March on Washington, and “the heroine of the resistance” (*Vogue*), comes “an enthralling memoir” (*Booklist*, starred review) filled with “practical advice and inspiration for aspiring leaders everywhere” (*Hillary Rodham Clinton*). Cecile Richards has been an activist since she was taken to the principal’s office in seventh grade for wearing an armband in protest of the Vietnam War. Richards had an extraordinary childhood in ultra-conservative Texas, where her civil rights attorney father and activist mother taught their kids to be troublemakers. She had a front-row seat to observe the rise of women in American politics and watched her mother, Ann, transform from a housewife to an electrifying force in the Democratic party. As a young woman, Richards worked as a labor organizer alongside women earning minimum wage, and learned that those in power don’t give it up without a fight. She experienced first-hand the misogyny, sexism, fake news, and the ever-looming threat of violence that constantly confront women who challenge authority. Now, after years of advocacy, resistance, and progressive leadership, she shares her “truly inspiring” (*Redbook*) story for the first time—from the joy and heartbreak of activism to the challenges of raising kids, having a life, and making change, all the while garnering a reputation as “the most badass feminist EVER” (*Teen Vogue*). In the “powerful and infinitely readable” (*Gloria Steinem*) *Make Trouble*, Richards reflects on the people and lessons that have gotten her through good times and bad, and encourages the rest of us to take risks, make mistakes, and make trouble along the way.

Let’s Not Do That Again Grant Ginder 2022-04-05 "Hilarious, suspenseful, and whip smart." —Cynthia D’Aprix Sweeney Meet the Harrisons! A mother running for Senate, a son running from his problems, and a daughter running straight into trouble... From Grant Ginder, the author of *The People We Hate at the Wedding*, comes a poignant, funny, and slyly beguiling novel which proves that, like democracy, family is a messy and fragile thing —perfect for fans of *Veep*’s biting humor, the family drama of *Succession*, and the joys of Kevin Wilson’s *Nothing to See Here*. Nancy Harrison is running for Senate, and she’s going to win, goddamnit. Not that that’s her slogan, although it could be. She’s said all the right things. Passed all the right legislation. Chapped her lips kissing babies. There’s just one problem: her grown children. Greta and Nick Harrison are adrift. Nick is floundering in his attempts to write a musical about the life of Joan Didion (called *Hello to All That!*). And then there’s his little sister Greta. Smart, pretty, and completely unmotivated, allowing her life to pass her by like the shoppers at the Apple store where she works. One morning the world wakes up not to Nancy making headlines, but her daughter, Greta. She’s in Paris. With extremist protestors. Throwing a bottle of champagne through a beloved bistro’s front window. In order to save her campaign, not to mention her daughter, Nancy and Nick must find Greta before it’s too late. Smart, funny, and surprisingly tender, *Let’s Not Do That Again* shows that family, like politics, can hurt like a mother.

The B Words Tricia Kagerer 2020-09-22 An executive VP shares thirteen challenges women face in the workplace, their impact, and strategies for women to overcome them and achieve success. Navigating the workforce as a woman can feel like making your way through a minefield. Step too far in one direction, and suddenly, you’re considered bossy and overbearing and difficult to work with. Too far in the other, and you lose your power and voice. And if you try to stay in the middle, you could still be contributing to a long history of stagnant mind-sets that have hindered women from reaching true equality. In *The B Words: 13 Words Every Woman Must Navigate for Success*, Tricia Kagerer uses her experience and the experiences of other women to help women of all ages and in all walks of life achieve their goals. Kagerer identifies the challenges as —both internal and external—each as a different “B” word, that hold women back both personally and professionally, then explores their impact and outlines strategies for overcoming them. Whether that means navigating difficult relationships with coworkers, building effective professional networks, or confronting one’s own limiting beliefs and biases, Kagerer’s advice shows how we can break through these obstacles and find our way to self-defined success. This book fights for true equality in the workforce and calls for bridges to be built not only between women but between men and women as well, fostering open communication and understanding that will lead to a brighter future. Praise for *The B Words* “From balance and babies to badasses and bravery, this book packs a punch about living with intention.” —Sharon Orlopp, former Global Chief Diversity Officer, Walmart “*The B Words* is a great guide, not only for women just starting out, but also for those who have been in the business for years.” —Dr. Sally Spencer-Thomas, author & keynote speaker “A must-read for every male leader! Tricia is candid about the difficult situations women experience and rarely share.” —Jeffrey Tobias Halter, Corporate Gender Strategist & President, YWomen

No Hard Feelings Liz Fosslien 2019-02-05 Wall Street Journal Bestseller! Next Big Idea Club selection—chosen by Malcolm Gladwell, Susan Cain, Dan Pink, and Adam Grant as one of the “two most groundbreaking new nonfiction reads of the season!” “A must-read that topples the idea that emotions don’t belong in the workplace.” -- Susan Cain, author of *Quiet* A hilarious guide to effectively expressing your emotions at the office, finding fulfillment, and defining work-life balance on your own terms. How do you stop the office grouch from ruining your day? How do you enjoy a vacation without obsessing about the unanswered emails in your inbox? If you’re a boss, what should you do when your new, eager hire wants to follow you on Instagram? The modern workplace can be an emotional minefield, filled with confusing power structures and unwritten rules. We’re expected to be authentic, but not too authentic. Professional, but not stiff. Friendly, but not an oversharer. Easier said than done! As both organizational consultants and regular people, we know what it’s like to experience uncomfortable emotions at work - everything from mild jealousy and insecurity to panic and rage. Ignoring or suppressing what you feel hurts your health and productivity -- but so does letting your emotions run wild. Our goal in this book is to teach you how to figure out which emotions to toss, which to keep to yourself, and which to express in order to be both happier and more effective. We’ll share some surprising new strategies, such as: * Be selectively vulnerable: Be honest about how you feel, but don’t burden others with your deepest problems. * Remember that your feelings aren’t facts: What we say isn’t always what we mean. In times of conflict and miscommunication, try to talk about

Dear Madam President An Open Letter To The Women Who Will Run The World Pdf Pdf upload Suny I Ferguson

your emotions without getting emotional. * Be less passionate about your job: Taking a chill pill can actually make you healthier and more focused. Drawing on what we’ve learned from behavioral economics, psychology, and our own experiences at countless organizations, we’ll show you how to bring your best self (and your whole self) to work every day.

Hoosiers and the American Story Madison, James H. 2014-10-01 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America’s westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana’s stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Ask a Manager Alison Green 2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—*Booklist* (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—*Library Journal* (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Committee Bryan William Marshall 2021-09-16 A deftly crafted insider account of how congressional committees really work, updated for 2021

Who Thought This Was a Good Idea? Alyssa Mastromonaco 2017-03-21 New York Times bestseller! If your funny older sister were the former deputy chief of staff to President Barack Obama, her behind-the-scenes political memoir would look something like this... Alyssa Mastromonaco worked for Barack Obama for almost a decade, and long before his run for president. From the then-senator's early days in Congress to his years in the Oval Office, she made Hope and Change happen through blood, sweat, tears, and lots of briefing binders. But for every historic occasion-meeting the queen at Buckingham Palace, bursting in on secret climate talks, or nailing a campaign speech in a hailstorm-there were dozens of less-than-perfect moments when it was up to Alyssa to save the day. Like the time she learned the hard way that there aren't nearly enough bathrooms at the Vatican. Full of hilarious, never-before-told stories, WHO THOUGHT THIS WAS A GOOD IDEA? is an intimate portrait of a president, a book about how to get stuff done, and the story of how one woman challenged, again and again, what a "White House official" is supposed to look like. Here Alyssa shares the strategies that made her successful in politics and beyond, including the importance of confidence, the value of not being a jerk, and why ultimately everything comes down to hard work (and always carrying a spare tampon). Told in a smart, original voice and topped off with a couple of really good cat stories, WHO THOUGHT THIS WAS A GOOD IDEA? is a promising debut from a savvy political star.

Women, Men and U. S. Politics Jennifer L. Lawless 2017 Challenging the conventional wisdom about gender and U.S. politics.

United Nations Correspondence Manual : a Guide to the Drafting, Processing, and Dispatch of Official United Nations Communications United Nations. Department of General Assembly Affairs and Conference Services 2000

China Rx Rosemary Gibson 2018 Millions of Americans are taking prescription drugs made in China and don't know it-- and pharmaceutical companies are not eager to tell them. This probing book examines the implications for the quality and availability of vital medicines for consumers. Several decades ago, penicillin, vitamin C, and many other prescription and over-the-counter products were manufactured in the United States. But with the rise of globalization, antibiotics, antidepressants, birth control pills, blood pressure medicines, cancer drugs, among many others are made in China and sold in the United States. China's biggest impact on the US drug supply is making essential ingredients for thousands of medicines found in American homes and used in hospital intensive care units and operating rooms. The authors convincingly argue that there are at least two major problems with this scenario. First, it is inherently risky for the United States to become dependent on any one country as a source for vital medicines, especially given the uncertainties of geopolitics. For example, if an altercation in the South China Sea causes military personnel to be wounded, doctors may rely upon medicines with essential ingredients made by the adversary. Second, lapses in safety standards and quality control in Chinese manufacturing are a risk. Citing the concerns of FDA officials and insiders within the pharmaceutical industry, the authors document incidents of illness and death caused by contaminated medications that prompted reform. This is a disturbing, well-researched book and a wake-up call for improving the current system of drug supply and manufacturing.

Summary of Dear Madam President – [Review Keypoints and Take-aways] PenZen Summaries 2022-11-28 The summary of Dear Madam President – An Open Letter to the Women Who Will Run the World presented here include a short review of the book at the start followed by quick overview of main points and a list of important take-aways at the end of the summary. The Summary of The documentary Dear Madam President investigates the various causes of Hillary Clinton's loss in the 2016 election for the presidency of the United States. The ideas provide an insider's perspective on the challenges and controversies that Clinton encountered during her campaign to become the first female president of the United States of America. Behind the Scenes Elizabeth Keckley 1988 Part slave narrative, part memoir, and part sentimental fiction, *Behind the Scenes* depicts Elizabeth Keckley's years as a slave and subsequent four years in Abraham Lincoln's White House during the Civil War (1861-1865). As public drama privately experienced, Keckley's work presents Jefferson Davis and his wife, Abraham Lincoln and Mary Todd Lincoln, and even Stephen Douglas and "Mrs. Senator Douglas" in the foreground, with the war, and slavery as the issue that precipitated it, in the background. Through the eyes of this black woman--an ex-slave, seamstress, and addressmaker--we see a wide range of historical figures and events of the antebellum South, the Washington of the Civil War years, and the final stages of the war.

Dear Madam President Jennifer Palmieri 2018-03-27 THE NUMBER ONE NEW YORK TIMES BESTSELLER DEAR MADAM PRESIDENT is an empowering letter from former White House Communications Director Jennifer Palmieri to the first woman president, and by extension, to all women working to succeed in any

field. By using lessons learned during her experiences with Hillary Clinton, President Obama, and Elizabeth Edwards - to name a few - Palmieri through each chapter creates a forward-thinking framework of inspirational and practical advice for all women everywhere - from boardrooms to living rooms - who are determined to seize control of their lives, their workplaces, and their country. **DEAR MADAM PRESIDENT** will turn the results of the 2016 election into something incredibly empowering for future female leaders and independent thinkers everywhere. We haven't wrapped our heads around what it should look like for a woman to be in the job of President. Our only models are men. This of course was seen during the Hillary Clinton campaign, and no one knows this better than Jennifer Palmieri. While wildly disappointed by the outcome of the election, Palmieri optimistically argues in the book that the Clinton candidacy and all she experienced on the campaign trail - confusion, admiration, hate, love, acceptance, rejection - can now open the country up to reimagining women in leadership roles. And that is what Palmieri takes on in this book - redefining expectations for women looking to lead and creating a blueprint for women candidates and leaders to follow.

Know Your Power Nancy Pelosi 2009-04-07 The national bestseller that has inspired women everywhere to focus on what matters most and follow their dreams wherever they may lead. "Never losing faith, we worked to redeem the promise of America, that all men and women are created equal. For our daughters and our granddaughters today we have broken the marble ceiling. For our daughters and our granddaughters now the sky is the limit." —Nancy Pelosi, after being sworn in as Speaker of the House When Nancy Pelosi became the first woman Speaker of the House, she made history. Now she continues to inspire women everywhere in this thought-provoking collection of wise words—her own and those of the important people who played pivotal roles in her journey.

Rodham Curtis Sittenfeld 2021-06-01 **NEW YORK TIMES BESTSELLER** • From the author of *American Wife* and *Eligible* . . . He proposed. She said no. And it changed her life forever. "A deviously clever what if."—O: The Oprah Magazine "Immersive, escapist."—Good Morning America "Ingenious."—The New York Times **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** The New Yorker • NPR • The Washington Post • Marie Claire • Cosmopolitan (UK) • Town & Country • New York Post In 1971, Hillary Rodham is a young woman full of promise: Life magazine has covered her Wellesley commencement speech, she's attending Yale Law School, and she's on the forefront of student activism and the women's rights movement. And then she meets Bill Clinton. A handsome, charismatic southerner and fellow law student, Bill is already planning his political career. In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced. In the real world, Hillary followed Bill back to Arkansas, and he proposed several times; although she said no more than once, as we all know, she eventually accepted and became Hillary Clinton. But in Curtis Sittenfeld's powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail—one that unfolds in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an uncannily astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, *Rodham* is a singular and unforgettable novel.

Legendary Ladies Ann Shen 2018-04-03 Goddesses — Mythology — Inspiration Readers who have enjoyed Warrior Goddess Training or Women Who Run with the Wolves will love Ann Shen's *Legendary Ladies Goddesses* from mythology: Goddesses from our past are celebrated in this lushly illustrated book by Ann Shen, the author and artist who created *Bad Girls Throughout History*. American Kompromat Craig Unger 2021-01-26 ****THE INSTANT NEW YORK TIMES BESTSELLER**** Kompromat n.—Russian for "compromising information" This is a story about the dirty secrets of the most powerful people in the world—including Donald Trump. It is based on exclusive interviews with dozens of high-level sources—intelligence officers in the CIA, FBI, and the KGB, thousands of pages of FBI investigations, police investigations, and news articles in English, Russian, and Ukrainian. *American Kompromat* shows that from Trump to Jeffrey Epstein, kompromat was used in operations far more sinister than the public could ever imagine. Among them, the book addresses what may be the single most important unanswered question of the entire Trump era: Is Donald Trump a Russian asset? The answer, *American Kompromat* says, is yes, and it supports that conclusion backs with the first richly detailed narrative on how the KGB allegedly first "spotted" Trump as a potential asset, how they cultivated him as an asset, arranged his first trip to Moscow, and pumped him full of KGB talking points that were published in three of America's most prestigious newspapers. Among its many revelations, *American Kompromat* reports for the first time that: • According to Yuri Shvets, a former major in the KGB, Trump first did business over forty years ago with a Manhattan electronics store co-owned by a Soviet émigré who Shvets believes was working with the KGB. Trump's decision to do business there triggered protocols through which the Soviet spy agency began efforts to cultivate Trump as an asset, thus launching a decades-long "relationship" of mutual benefit to Russia and Trump, from real estate to real power. • Trump's invitation to Moscow in 1987 was billed as a preliminary scouting trip for a hotel, but according to Shvets, was actually initiated by a high-level KGB official, General Ivan Gromakov. These sorts of trips were usually arranged for 'deep development,' recruitment, or for a meeting with the KGB handlers, even if the potential asset was unaware of it. • Before Trump's first trip to Moscow, he met with Natalia Dubinina, who worked at the United Nations library in a vital position usually reserved as a cover for KGB operatives. And many more...

More than Ready Cecilia Muñoz 2020-04-07 Advice and inspiration for women of color seeking new heights of influence, from the "incredible" top Latinx advisor to President Obama (Jennifer Palmieri, author of *Dear Madam President*). Women of color today are contributing to an unprecedented wave of "firsts"-whether they are the first in a family to attend college, the first to serve as CEO of a Fortune 500 company, or the first in public office, women of color are reaching new heights of influence. Cecilia Muñoz was a first, too, and she knows what it means to make her way without exemplars to follow. The first Latinx to lead the White House Domestic Policy Council, Muñoz draws lessons from the challenges she faced as the senior Hispanic person in the Obama White House and as a longtime powerful voice in the Civil Rights Movement. She shares her insights, along with those of some extraordinary women of color she met along the way, as an offering of inspiration to women of color who are no longer willing to be invisible or left behind. Full of invaluable lessons about working through fear, facing down detractors, and leading with kindness, Muñoz provides the thoughtful insight and tactical tools women of color need to be successful-without compromising who they are.

Beyond the Call Eileen Rivers 2018-11-06 A riveting account of three women who fought shoulder-to-shoulder with men and worked with local women to restore their lives and push back the Taliban They marched under the heat with 40-pound rucksacks on their backs. They fired weapons out of the windows of military vehicles, defending their units in deadly battles. And they did things that their male counterparts could never do--gather intelligence on the Taliban from the women of Afghanistan. As females they could circumvent Muslim traditions and cultivate relationships with Afghan women who were bound by tradition not to speak with American military men. And their work in local villages helped empower Afghan women, providing them with the education and financial tools necessary to rebuild their nation--and the courage to push back against the insurgency that wanted to destroy it. For the women warriors of the military's Female Engagement Teams (FET) it was dangerous, courageous, and sometimes heartbreaking work. *Beyond the Call* follows the groundbreaking journeys of three women as they first fight military brass and culture and then enemy fire and tradition. And like the men with whom they served, their battles were not over when they returned home.

Dear Madam President An Open Letter To The Women Who Will Run The World Pdf Pdf upload Suny I Ferguson

The Ladies' Book of Etiquette, and Manual of Politeness Florence Hartley 1875

Dear Madam President Jennifer Palmieri 2018-03-27 Redefine the expectations for women in leadership roles with this #1 New York Times bestselling volume of inspiring advice by the former communications director for Barack Obama and Hillary Clinton. Framed as an empowering letter from former Hillary Clinton Communications Director Jennifer Palmieri to the first woman president, and by extension, to all women working to succeed in any field, *Dear Madam President* is filled with forward-thinking, practical advice for all women who are determined to seize control of their lives-from boardroom to living room. As a country, we haven't wrapped our heads around what it should look like for a woman to be in the job of President. Our only models are men. While wildly disappointed by the outcome of the 2016 election, Palmieri argues that our feelings-confusion, love, hate, acceptance-can now open the country up to reimagining women in leadership roles. And that is what Palmieri takes on in this book-redefining expectations for women looking to lead and creating a blueprint for women candidates and leaders to follow. *Dear Madam President* will turn the results of the 2016 election into something incredibly empowering for graduates, future female leaders, and independent thinkers everywhere.

Dear Enemy Jean Webster 2013-04-16 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Stealing the Show Joy Press 2019-03-19 From a leading cultural journalist, the definitive cultural history of female showrunners—including exclusive interviews with such influential figures as Shonda Rhimes, Amy Sherman-Palladino, Mindy Kaling, Amy Schumer, and many more. "An urgent and entertaining history of the transformative powers of women in TV" (Kirkus Reviews, starred review). In recent years, women have radically transformed the television industry both behind and in front of the camera. From Murphy Brown to 30 Rock and beyond, these shows and the extraordinary women behind them have shaken up the entertainment landscape, making it look as if equal opportunities abound. But it took decades of determination in the face of outright exclusion to reach this new era. In this "sharp, funny, and gorgeously researched" (Emily Nussbaum, *The New Yorker*) book, veteran journalist Joy Press tells the story of the maverick women who broke through the barricades and the iconic shows that redefined the television landscape starting with Diane English and Roseanne Barr—and even incited controversy that reached as far as the White House. Drawing on a wealth of original interviews with the key players like Amy Sherman-Palladino (*Gilmore Girls*), Jenji Kohan (*Orange is the New Black*), and Jill Soloway (*Transparent*) who created storylines and characters that changed how women are seen and how they see themselves, this is the exhilarating behind-the-scenes story of a cultural revolution.

Trainwreck Bill Press 2008-03-31 A news commentator explains how the conservative movement went awry and traces its rise and fall from Robert Taft and Ronald Reagan to George W. Bush, looking at the budget deficits, spending overruns, and corruption that has resulted from its missteps.

The Return of the Moguls Dan Kennedy 2018-03-06 The Return of the Moguls chronicles an important story in the making, one that will affect more than just the newspaper business—it has the power to change democracy as we know it. Over the course of a generation, the story of the daily newspaper has been an unchecked slide from record profitability and readership to plummeting profits, increasing irrelevance, and inevitable obsolescence. The forces killing major dailies, alternative weeklies, and small-town shoppers are well understood—or seem obvious in hindsight, at least—and the catalog of publications that have gone under reads like a who’s who of American journalism. During the past half-century, old-style press barons gave way to a cabal of corporate interests unable or unwilling to invest in the future even as technological change was destroying their core business. The Taylor family sold the *Boston Globe* to the New York Times Company in 1993 for a cool \$1.1 billion. Twenty years later, the Times Company resold it for just \$70 million. The unexpected twist to the story, however, is not what they sold it for but who they sold it to: John Henry, the principal owner of the Boston Red Sox. A billionaire who made his money in the world of high finance, Henry inspired optimism in Boston because of his track record as a public-spirited business executive—and because his deep pockets seemed to ensure that the shrunken newspaper would not be subjected to further downsizing. In just a few days, the sale of the *Globe* was overtaken by much bigger news: Jeff Bezos, the founder of Amazon and one of the world's richest people, had reached a deal to buy the *Washington Post* for \$250 million. Henry's ascension at the *Globe* sparked hope. Bezos's purchase seemed to inspire nothing short of ecstasy, as numerous observers expressed the belief that his lofty status as one of our leading digital visionaries could help him solve the daunting financial problems facing the newspaper business. Though Bezos and Henry are the two most prominent individuals to enter the newspaper business, a third preceded them. Aaron Kushner, a greeting-card executive, acquired California's *Orange County Register* in July 2012 and then pursued an audacious agenda, expanding coverage and hiring journalists in an era when nearly all other newspaper owners were trying to avoid cutting both. The newspaper business is at a perilous crossroads. This essential book explains why, and how today's new crop of media moguls might help it to survive.

Daughter of the Cold War Grace Kennan Warnecke 2018-05-04 Grace Kennan Warnecke's memoir is about a life lived on the edge of history. Daughter of one of the most influential diplomats of the twentieth century, wife of the scion of a newspaper dynasty and mother of the youngest owner of a major league baseball team, Grace eventually found her way out from under the shadows of others to forge a dynamic career of her own. Born in Latvia, Grace lived in seven countries and spoke five languages before the age of eleven. As a child, she witnessed Hitler's march into Prague, attended a Soviet school during World War II, and sailed the seas with her father. In a multi-faceted career, she worked as a professional photographer, television producer, and book editor and critic. Eventually, like her father, she became a Russian specialist, but of a very different kind. She accompanied Ted Kennedy and his family to Russia, escorted Joan Baez to Moscow to meet with dissident Andrei Sakharov, and hosted Josef Stalin's daughter on the family farm after Svetlana defected to the United States. While running her own consulting company in Russia, she witnessed the breakup of the Soviet Union, and later became director of a women's economic empowerment project in a newly independent Ukraine. Daughter of the Cold War is a tale of all these adventures and so much more. This compelling and evocative memoir allows readers to follow Grace's amazing path through life – a whirlwind journey of survival, risk, and self-discovery through a kaleidoscope of many countries, historic events, and fascinating people.

Brag Better Meredith Fineman 2020-06-16 This effortless and unapologetic approach to self-promotion will manage your anxiety and allow you to champion yourself. Does talking about your accomplishments feel scary or icky because you're worried people will think you're "obnoxious"? Does it feel more natural to "put your head down and do the work"? Are you tired of watching the loudest people in your industry get disproportionate praise and rewards? If you answered "yes" to any of the above, you might be self-sabotaging. You need to learn to Brag Better. Meredith Fineman has built a career working with "The Qualified Quiet": smart people who struggle to talk about themselves and thus go underestimated or unrecognized. Now, she shares the surefire and anxiety-proof strategies that have helped her clients effectively communicate their achievements and skillsets to others. *Bragging Better* doesn't require false bravado, talking over people, or pretending to be more qualified than you are. Instead, Fineman advocates finding quiet confidence in your opinions, abilities, and background, and then turning up the volume. In this book, you will learn the career-changing tools she's developed over the past decade that make bragging feel easy, including: Get remembered by focusing your personal brand and voice on key adjectives (like "effective, subtle, and edgy") Practice explaining what you do in simple, sticky terms to earn respect and recognition from the public and people at work. Eliminate words that undermine your work and find better ones--like your bio saying you're "trying" or "attempting" to do something instead that you ARE doing it. If you're ready to begin *Bragging Better*--to telling the truth about your accomplishments with grace and confidence--this book is for you.

Social Q's Philip Galanes 2012-11-27 A series of whimsical essays by the New York Times "Social Q's" columnist provides modern advice on navigating today's murky moral waters, sharing recommendations for such everyday situations as texting on the bus to splitting a dinner check.

Madam President Nicolle Wallace 2015-04-28 Take “a breezy romp through the corridors of power town” (USA TODAY) with co-host of The View and former White House Communications director Nicolle Wallace in her electrifying insider novel of three powerful women on a day that will change the country forever. Charlotte Kramer, the 45th President of the United States, has done the unprecedented in allowing a network news team to document a day in her life—and that of her most senior staff. But while twenty news cameras are embedded with the president, the unthinkable happens: five major attacks are leveled on US soil. Her secretary of defense, Melanie, and her press secretary, Dale, must instantly jump into action in supporting the president and reassuring the country that the safety they treasure is in capable hands. But secrets have always thrived in President Kramer’s White House. With all eyes on them and America’s stability on the line, all three women are hiding personal and professional secrets that could rock the West Wing to its very foundations...and change the lives of the people they love most. With an insider’s sharp eye and her trademark winning prose, Nicolle Wallace delivers a timely novel of domestic and political intrigue that is impossible to put down.

first, we make the beast beautiful Sarah Wilson 2017-02-28 "Probably the best book on living with anxiety that I've ever read" Mark Manson, bestselling author of The Subtle Art of Not Giving a F*ck Sarah Wilson is a New York Times and Amazon #1 bestselling author, entrepreneur and philanthropist. She's the founder of IQuitSugar.com, whose 8-Week Program has been completed by 1.5 million people in 133 countries. A former news journalist and editor of Cosmopolitan, she was the host of the first series of MasterChef Australia and is the author of the international bestsellers first, we make the beast beautiful, I Quit Sugar: Simplicious, I Quit Sugar and I Quit Sugar For Life. Her latest book is I Quit Sugar: Simplicious Flow. She is ranked as one of the top 200 most influential authors in the world. Sarah blogs in an intimate fashion - on philosophy, anxiety, minimalism and anti-consumerism - at sarahwilson.com, lives in Sydney, Australia, rides a bike everywhere, is a compulsive hiker and is eternally curious. In first, we make the beast beautiful, Sarah directs her intense focus and fierce investigatory skills onto this lifetime companion of hers, looking at the triggers and treatments, the fashions and fads. She reads widely and interviews fellow sufferers, mental health experts, philosophers, and even the Dalai Lama, processing all she learns through the prism her own experiences. Sarah pulls at the thread of accepted definitions of anxiety, and unravels the notion that it is a difficult, dangerous disease that must be medicated into submission. Ultimately, she re-frames anxiety as a spiritual quest rather than a burdensome affliction, a state of yearning that will lead us closer to what really matters. Practical and poetic, wise and funny, this is a small book with a big heart. It will encourage the myriad sufferers of the world's most common mental illness to feel not just better about their condition, but delighted by the possibilities it offers for a richer, fuller life. MORE PRAISE FOR FIRST, WE MAKE THE BEAST BEAUTIFUL "at once a nomadic journey, a cri de coeur and a compendium of hard-won wisdom ..." Professor Patrick McGorry AO MD PhD FRCP FRANZCP FAA FASSA, 2010 Australian of the Year "A witty, well-researched and often insightful book about negotiating a new relationship with anxiety." Andrew Solomon, Professor of Clinical Psychology and author of The Noonday Demon: An Anatomy of Depression

(((Semitism))): *Being Jewish in America in the Age of Trump* Jonathan Weisman 2018-03-20 In the wake of Donald Trump's election and the Pittsburgh synagogue massacre, *(((Semitism)))* is a powerful book that examines how we can fight anti-Semitism in America A San Francisco Chronicle Reader Recommendation The Washington Post: "Timely...[A] passionate call to arms." Jewish Book Council: "Could not be more important or timely." Bernard-Henri Lévy: "It would be wonderful if anti-Semitism was a European specialty and stopped at the border with the United States. Alas, this is not the case. Jonathan Weisman’s new book *(((Semitism)))* shows

why..." Michael Eric Dyson: "With eloquence and poignancy Weisman shows how hatred can slowly and quietly chew away at the moral fabric of society. We now live in an age where more than ever bigotry and oppression no longer need to hide in fear of reproach. The floodgates have opened. This is much more than a personal response to the bigotry he experienced because of his Jewishness; Weisman has written a manifesto that outlines the dangers of marginalizing and demonizing all minority groups. This powerful book is for all of us." Anti-Semitism has always been present in American culture, but with the rise of the Alt Right and an uptick of threats to Jewish communities since Trump took office, including the the Pittsburgh synagogue massacre, New York Times editor Jonathan Weisman has produced a book that could not be more important or timely. When Weisman was attacked on Twitter by a wave of neo-Nazis and anti-Semites, witnessing tropes such as the Jew as a leftist anarchist; as a rapacious, Wall Street profiteer; and as a money-bags financier orchestrating war for Israel, he stopped to wonder: How has the Jewish experience changed, especially under a leader like Donald Trump? In *(((Semitism)))*, Weisman explores the disconnect between his own sense of Jewish identity and the expectations of his detractors and supporters. He delves into the rise of the Alt Right, their roots in older anti-Semitic organizations, the odd ancientness of their grievances—cloaked as they are in contemporary, techy hipsterism—and their aims—to spread hate in a palatable way through a political structure that has so suddenly become tolerant of their views. He concludes with what we should do next, realizing that vicious as it is, anti-Semitism must be seen through the lens of more pressing threats. He proposes a unification of American Judaism around the defense of self and of others even more vulnerable: the undocumented immigrants, refugees, Muslim Americans, and black activists who have been directly targeted, not just by the tolerated Alt Right, but by the Trump White House itself.

United States. Congress The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Dear Mrs. Roosevelt Robert Cohen 2003-10-16 Impoverished young Americans had no greater champion during the Depression than Eleanor Roosevelt. As First Lady, Mrs. Roosevelt used her newspaper columns and radio broadcasts to crusade for expanded federal aid to poor children and teens. She was the most visible spokesperson for the National Youth Administration, the New Deal's central agency for aiding needy youths, and she was adamant in insisting that federal aid to young people be administered without discrimination so that it reached blacks as well as whites, girls as well as boys. This activism made Mrs. Roosevelt a beloved figure among poor teens and children, who between 1933 and 1941 wrote her thousands of letters describing their problems and requesting her help. Dear Mrs. Roosevelt presents nearly 200 of these extraordinary documents to open a window into the lives of the Depression's youngest victims. In their own words, the letter writers confide what it was like to be needy and young during the worst economic crisis in American history. Revealing both the strengths and the limitations of New Deal liberalism, this book depicts an administration concerned and caring enough to elicit such moving appeals for help yet unable to respond in the very personal ways the letter writers hoped.
