*The Hazaras of Afghanistan* S. A. Mousavi 2018-10-24 Study of the second largest but least well-known ethnic group in Afghanistan that also confronts the taboo subject of Afghan national identity. Largely Farsi-speaking Shi'ias, the Hazaras traditionally inhabited central Afghanistan, but because of the war are now widely scattered.

*308 Circuits* Jan Buiting 2003 This is the ninth in the 300 series of circuit design books, again contains a wide range of circuits, tips and design ideas. The book has been divided into sections, making it easy to find related subjects in a single category. The book not only details DIY electronic circuits for home construction but also inspiring ideas for projects you may want to design from the ground up. Because software in general and microcontroller programming techniques in particular have become key aspects of modern electronics, a number of items in this book deal with these subjects only. Like its predecessors in the 300 series, "308 Circuits" covers the following disciplines and interest fields of modern electronics: test and measurement, radio and television, power supplies and battery chargers, general interest, computers and microprocessors, circuit ideas and audio and hi-fi.

*Roth Unbound* Claudia Roth Pierpont 2013-10-22 A critical evaluation of Philip Roth—the first of its kind—that takes on the man, the myth, and the work Philip Roth is one of the most renowned writers of our time. From his debut, *Goodbye, Columbus*, which won the National Book Award in 1960, and the explosion of Portnoy's Complaint in 1969 to his haunting reimagining of Anne Frank's story in *The Ghost Writer* ten years later and the series of masterworks starting in the mid-eighties—*The Counterlife*, *Patrimony*, *Operation Shylock*, *Sabbath's Theater*, *American Pastoral*, *The Human Stain*—Roth has produced some of the great American literature of the modern era. And yet there has been no major critical work about him until now. Here, at last, is the story of Roth's creative life. *Roth Unbound* is not a biography—though it contains a wealth of previously undisclosed biographical details and unpublished material—but something ultimately more rewarding: the exploration of a great writer through his art. Claudia Roth Pierpont, a staff writer for *The New Yorker*, has known Roth for nearly a decade. Her carefully researched and gracefully written account is filled with remarks from Roth himself, drawn from their ongoing conversations. Here are insights and anecdotes that will change the way many readers perceive this most controversial and galvanizing writer: a young and unhappily married Roth struggling to write; a wildly successful Roth, after the uproar over *Portnoy*, working to help writers from Eastern Europe and to get their books known in the West; Roth responding to the early, Jewish—and the later, feminist—attacks on his work. Here are Roth's family, his inspirations, his critics, the full range of his fiction, and his friendships with such figures as Saul Bellow and John Updike. Here is Roth at work and at play. *Roth Unbound* is a major achievement—a highly readable story that helps us make sense of one of the most vital literary careers of the twentieth and

twenty-first centuries.

*Hypnotic Writing* Joe Vitale 2006-12-22 Discover the secrets of written persuasion! "The principles of hypnosis, when applied to copywriting, add a new spin to selling. Joe Vitale has taken hypnotic words to set the perfect sales environment and then shows us how to use those words to motivate a prospect to take the action you want. This is truly a new and effective approach to copywriting, which I strongly recommend you learn. It's pure genius." -Joseph Sugarman, author of *Triggers* "I've read countless book on persuasion, but none come close to this one in showing you exactly how to put your readers into a buying trance that makes whatever you are offering them irresistible." -David Garfinkel, author of *Advertising Headlines That Make You Rich* "I am a huge fan of Vitale and his books, and *Hypnotic Writing* (first published more than twenty years ago), is my absolute favorite. Updated with additional text and fresh examples, especially from e-mail writing, Joe's specialty, *Hypnotic Writing* is the most important book on copywriting (yes, that's really what it is about) to be published in this century. Read it. It will make you a better copywriter, period." -Bob Bly, copywriter and author of *The Copywriter's Handbook* "I couldn't put this book down. It's eye opening and filled with genuinely new stuff about writing and persuading better. And it communicates it brilliantly and teaches it brilliantly-exemplifying the techniques by the writing of the book itself as you go along." -David Deutsch, author of *Think Inside the Box*, [www.thinkinginside.com](http://www.thinkinginside.com) "Hypnotic Writing is packed with so much great information it's hard to know where to start. The insights, strategies, and tactics in the book are easy to apply yet deliver one heck of a punch. And in case there's any question how to apply them, the before-and-after case studies drive the points home like nothing else can. *Hypnotic Writing* is not just about hypnotic writing. It is hypnotic writing. On the count of three, you're going to love it. Just watch and see." -Blair Warren, author of *The Forbidden Keys to Persuasion*

*The Matcha Cookbook* Aster 2018-08-02 From a simple matcha latte, to ice cream, infused salt, smoothie bowls, tea loaves and homemade beauty recipes, *The Matcha Cookbook* explores the history, health benefits and 50 delicious recipes using this super healthy ingredient. As an ingredient, matcha is growing in popularity with health foodies and wellness seekers, with over 2.7 million posts on Instagram. Research shows that matcha can reduce the risk of cancer, improve heart health, aid recovery from exercise and help prevent ageing; the traditional matcha tea alone contains the nutritional equivalent of 10 cups of regular green tea, with 137 times more antioxidants, acting as the body's defence agents. Recipes include: Creamed corn & egg on sourdough Matcha bliss balls Summer rolls with matcha dipping sauce Seared rib eye steak with matcha dressed greens Matcha lemon posset

*Living by Vow* Shohaku Okumura 2012-06-26 A Sot Zen priest and Dharma successor of Kosho Uchiyama Roshi explores eight of Zen's most essential and universal liturgical texts and explains how the chants in these works support meditation and

promote a life of freedom and compassion.

**How to Play Madison Square Garden - A Guide to Stage Performance** Mindi Abair 2011-08 Whether you're contemplating a rock star career as a pop goddess or just want to kill the competition at your high school talent contest, the rules and concepts of being a great performer are the same. Why do some bands sell out stadiums while other talented musicians can't sell 30 tickets to their show? Developing your personal stage presence and all it encompasses has typically been learned the long hard way. Lots of shows, lots of clubs, some you win, some you lose. It can be a long, frustrating process. How to Play Madison Square Garden saves you time and teaches you the techniques used by multi-platinum artists. Learn how to: Define who you are as a performer; Forge a lasting bond with your audience; Deal with stage fright; Develop that elusive "it" factor; And more... "For the next generation of wanna-be arena-fillers, there is now an alternative to spending years on the road, playing empty dives, and pimping out the bass player to get radio play. Mindi Abair's book gives away every professional secret of how to make it to Madison Square Garden. And how to get an encore!" -John Taylor of Duran Duran and veteran of Madison Square Garden

**Strange Power of Speech** Susan Eilenberg 1992 Eilenberg's subject is the relationship between tropes of literary property and signification in the writings and literary politics of Wordsworth and Coleridge. She argues that a complex of ideas about property, propriety, and possession informs the images of literary authority, textual identity, and poetic figuration found in the two writers' major work. During the period of their closest collaboration as well as at points later in their careers, Wordsworth and Coleridge took as their primary material the images of property and propriety upon which definitions of meaning and figuration have traditionally depended, grounding these images in writings about landed and spiritual property, material and intellectual theft, dispossession by banks and possession by demons. The writings and the politics generated by the literalization of such images can be read as allegorical of the structures and processes of signification. Each such gesture addresses in some way the fundamental question - who owns language, or who controls meaning?; Eilenberg's approach brings to bear a combination of deconstructive, psychoanalytic, and both new and literary historical methods to provide a deeper understanding of the relationship between two of the major figures of English Romanticism as well as fresh insight into what is at stake in the analogy between the verbal and the material or the literary and the economic.

**A Thesis on the Rationales of Import Substitution Industrialization Strategy** Hong Liang 1997-10 The purpose of this research paper is to try to clarify and evaluate the major issues and arguments in the debate on Import Substitution Industrialization Strategy (ISI) between the neoclassical economists and the development economists. In particular, it will focus on some basic underlying models employed by the two schools of thought, rather than on specific policy recommendations given by either school. It will conclude that the critiques against ISI from the neoclassical economists are based on a static equilibrium model, which can not fully comprehend the dynamic relationship between growth and ISI at a macroeconomic level. This paper starts by examining the historical background and formative influences of ISI, then goes on to compare and contrast the structuralist rationales for ISI and neoclassical rationales against it. The conclusion I reached is that the fundamental rationales behind ISI-- the infant industry argument, external economies and linkages effects--remain intellectually valid. The issue of terms of trade has important relevance to development economics but should be studied in a different context. The general conclusion of this paper is that import substitution as an industrialization strategy remains viable and may be of great importance or less developed countries that want to catch up economically with industrialized countries.

**A Writer's Time** Kenneth J. Atchity 1988-08-01

**The Man Who Invented Fiction** William Egginton 2017-01-10 "A heroic history of novel-reading itself." --The Atlantic In the early seventeenth century, a crippled, graying, almost toothless veteran of Spain's wars against the Ottoman Empire published a book. It was the story of a poor nobleman, his brain addled from reading too many books of chivalry, who deludes himself that he is a knight errant and sets off on hilarious adventures. That book, Don Quixote, went on to sell more copies than any other book beside the Bible, making its author, Miguel de Cervantes, the single most-read author in human history. Cervantes did more than just publish a bestseller, though. He invented a way of writing. This book is about how Cervantes came to create what we now call fiction, and how fiction changed the world. The Man Who Invented Fiction explores Cervantes's life and the world he lived in, showing how his influences converged in his work, and how his work--especially Don Quixote--radically changed the nature of literature and created a new way of viewing the world. Finally, it explains how that worldview went on to infiltrate art, politics, and science, and how the world today would be unimaginable without it. William Egginton has brought thrilling new meaning to an immortal novel.

**Language Teacher Identity in TESOL** Bedrettin Yazan 2020-04-22 This volume draws on empirical evidence to explore the interplay between language teacher identity (LTI) and professional learning and instruction in the field of TESOL. In doing so, it makes a unique contribution to the field of language teacher education. By reconceptualizing teacher education, teaching, and ongoing teacher learning as a continuous, context-bound process of identity work, Language Teacher Identity in TESOL discusses how teacher identity serves as a framework for classroom practice, professional, and personal growth. Divided into five sections, the text explores key themes including narratives and writing; multimodal spaces; race, ethnicity, and language; teacher emotions; and teacher educator-researcher practices. The 15 chapters offer insight into the experiences of preservice teachers, in-service teachers, and teacher educators in global TESOL contexts including Canada, Japan, Korea, Norway, Sri Lanka, Turkey, the United Kingdom, and the United States. This text will be an ideal resource for researchers, academics, and scholars interested in furthering their knowledge of concepts grounding LTI, as well as teachers and teacher educators seeking to implement identity-oriented approaches in their own pedagogical practices.

**Law in the Middle East** Majid Khadduri 2010 Reprint of first and only edition. Originally published: Washington, D.C.: Middle East Institute, 1955. xviii, 395 pp. A committee from The Middle East Institute, led by George Camp Keiser, Chairman of the Board of Governors, enlisted outstanding authorities on Middle East law to contribute chapters on specific topics. Includes an extensive glossary of Islamic legal terms. Reprint of Volume 1 [all published]. "The American profession should welcome this exhaustive and authentic work edited by two scholars who are authorities on the law of Islam and also students of the law of the United States. These editors have enlisted leading authorities on special subjects and have presented the whole in a manner that should appeal to American interest and understanding. Dr. Khadduri and Dr. Liebesny are entitled to our thanks and to our congratulations. It is to be hoped that Law in the Middle East will be widely read and pondered by the American legal profession and all who believe understanding begets good will." Robert H. Jackson, Foreword, viii-ix. Majid Khadduri [1909-2007] was a Professor of Middle East Studies at the School of Advanced International Studies of The Johns Hopkins University and Director of Research and Education at the Middle East Institute in Washington, D. C. He was the author of several books in English and Arabic on Middle Eastern affairs, including War and Peace in the Law of Islam. Herbert J. Liebesny [1911-1985] was a member of the Advisory Board of the Middle East Journal and author of The Government of French North Africa and Foreign Legal Systems: A Comparative Analysis.

**A Dictionary of Literary Terms and Literary Theory** J. A. Cuddon 1998-10-23 The fourth edition of J.A. Cuddon's classic dictionary has been thoroughly revised and updated to maintain it as the most comprehensive and accessible work of its kind currently available, for students, teachers and general readers alike. Expanded to include many new entries, it has been improved throughout, in places rendered more concise, in others amended and extended, with both major and minor additions. The work of the third edition, to cover the schools and various terminologies of literary theory is continued, without compromising coverage afforded to more traditional critical terms and topics. At this untimely death in 1996, Charles Cuddon, as he was known, had completed much of the revisory and updating work involved in preparing the edition. That work and other unfinished plans and outlines have since been overseen and developed by C.E. Preston of Sidney Sussex college, Cambridge, helped, as she acknowledges, by several of her academic colleagues. Among the entries extensively rewritten or newly contributed are: \* "CrimeFiction", \* "Dramatic Monologue", \* "Ellipsis", \* "Punctuation", \* "Rhyme", \* "Verse Novel", and \* "Sonnet Cycle". After more than twenty years in print, Cuddon's Dictionary of Literary Terms and Literary Theory remains "a superlative work of reference that will be read for pleasure", just as it was acclaimed to be when first published in 1976. There is now no better memorial to its author's extraordinary polymathy and literary scholarship.

**The Hazāras** Hassan Poladi 1989

**Memoir** Ben Yagoda 2009 An analysis of the memoir as a literary art form considers the hallmark stories written by some of the western world's most famous contributors while examining the controversial nature of the fraudulent memoir and its role in shaping collective memories. By the author of The Sound on the Page.

**Music in Ancient Greece and Rome** John G Landels 2002-01-31 Music in Ancient Greece and Rome provides a comprehensive introduction to the history of music from Homeric times to the Roman emperor Hadrian, presented in a concise and user-friendly way. Chapters include: \* contexts in which music played a role \* a detailed discussion of instruments \* an analysis of scales, intervals and tuning \* the principal types of rhythm used \* and an exploration of Greek theories of harmony and acoustics. Music in Ancient Greece and Rome also contains numerous musical examples, with illustrations of ancient instruments and the methods of playing them.

**The Gentle Weapon** Moshe Mykoff 1999 The "gentle weapon" of prayer opens the heart and soul and gives voice to our deepest yearnings, while bringing us closer to God. The startling wisdom of Rebbe Nachman of Breslov will help you talk with God and enable you to hear your own voice as well.

**Memphis Noir** Lauren P. Cantwell 2015-11-03 "A collection of stories celebrating the underbelly of the city, its ghosts, and the characters that give Memphis its rich patina of blues." –Memphis Flyer The Home of the Blues knows how darkness can permeate a person's soul—and what it can drive you to do. It's the soundtrack to a city that's made up of equal parts hope and despair, past and present, death and rebirth. On the streets of Memphis, noir hits the right note. Memphis Noir features stories by city standouts Richard J. Alley, David Wesley Williams, Dwight Fryer, Jamey Hatley, Adam Shaw, Penny Register-Shaw, Kaye George, Arthur Flowers, Suzanne Berube Rorhus, Ehi Ike, Lee Martin, Stephen Clements, Cary Holladay, John Bensko, Sheree Renée Thomas, and Troy L. Wiggins. "A remarkable picture of contemporary Memphis emerges in this Akashic noir volume . . . Something for everyone." –Publishers Weekly "Covers train cars and Beale Street, hoodoo and segregation, Nathan Bedford Forrest and, of course, Graceland, and even includes a graphic novella." –Memphis Flyer "Captures the subtlety of the Memphis ethos, where blacks and whites, rich and poor, are intimately entwined. The collection—fifteen stories by some of the city's finest writers—bleeds the blues and calls down the dark powers that permeate this capital of the Delta." –The Commercial Appeal (Memphis) "The new anthology Memphis Noir is replete with murders, ghosts, gangsters, a sharp-toothed baby, Boss Crump, and high water on the bluff." –Memphis Magazine

**A Multicultural Dictionary of Literary Terms** Gary Carey 1999 What is a corrido? What is the difference between a tanka, a choka and a renga? What does it mean when you're doing the dozens? What is a Bildungsroman? This dictionary of literary terms provides the student, scholar, librarian, or researcher with definitions, explanations, and models of the styles and forms of works of literature. Along with novel, tone, tragedy, and scansion are haiku, noh, griot, and other terms that derive from works long undervalued by the literary world. The examples come from a very broad field of authors—reflecting a spirit of inclusion of all people, races and literary traditions. The editors have elected to quote from literary examples that students are likely to have read and to which they most readily relate (for instance, Angelou's I Know Why the Caged Bird Sings was preferred over a work such as Paradise Lost, which fewer students have read and understand). Included is a listing of poets laureate to the Library of Congress, literature winners of the Pulitzer and Nobel prizes, Booker McConnell Prize winners, a time line of world literature and an index.

**Never Better!** Miriam Udel 2016-04-18 It was only when Jewish writers gave up on the lofty Enlightenment ideals of progress and improvement that the Yiddish novel could decisively enter modernity. Animating their fictions were a set of unheroic heroes who struck a precarious balance between sanguinity and irony that author Miriam Udel captures through the phrase "never better." With this rhetorical homage toward the double-voiced utterances of Sholem Aleichem, Udel gestures at these characters' insouciant proclamation that things had never been better, and their rueful, even despairing admission that things would probably never get better. The characters defined by this dual consciousness constitute a new kind of protagonist: a distinctively Jewish scapegrace whom Udel denominates the polit or refugee. Cousin to the Golden Age Spanish pícaro, the polit is a socially marginal figure who narrates his own story in discrete episodes, as if stringing beads on a narrative necklace. A deeply unsettled figure, the polit is allergic to sentimentality and even routine domesticity. His sequential misadventures point the way toward the heart of the picaresque, which Jewish authors refashion as a vehicle for modernism—not only in Yiddish, but also in German, Russian, English and Hebrew. Udel draws out the contours of the new Jewish picaresque by contrasting it against the nineteenth-century genre of progress epitomized by the Bildungsroman. While this book is grounded in modern Jewish literature, its implications stretch toward genre studies in connection with modernist fiction more generally. Udel lays out for a diverse readership concepts in the history and theory of the novel while also explicating the relevant particularities of Jewish literary culture. In addressing the literary stylistics of a "minor" modernism, this study illuminates how the adoption of a picaresque sensibility allowed minority authors to write simultaneously within and against the literary traditions of Europe.
