The Dead Sea Scrolls Lawrence H. Schiffman 2007-01-01 The Dead Sea Scrolls are perhaps the most important archaeological discovery of the twentieth century. These lectures set before the public the real Dead Sea Scrolls, the most important collections of Jewish texts from the centuries before the rise of Christianity. Only through efforts to understand what the scrolls can teach us about the history of Judaism is it possible for us to learn what they have to teach us about the history of Christianity. Professor Schiffman leads the listener through the complex details of the Scrolls and their true meaning for the world.

The Dead Sea Scrolls in Scholarly Perspective Devorah Dimant 2012-01-20 This book contains an exhaustive survey of past and present Qumran research, outlining its particular development in various circumstances and national contexts. For the first time, perspectives and information not recorded in any other publication are highlighted.

The Dead Sea Scrolls Millar Burrows 1978

The Complete Dead Sea Scrolls in English Géza Vermès 1997 Fifty years after the Scrolls' first discovery and following the long-awaited release of all the scroll texts to scholars in 1991, The complete Dead Sea Scrolls in English is now completely revised and expanded.

Words of Light Kenneth Hanson 2000 This beautiful book of virtues by the author of "Kabbalah" illuminates the desert disciples for living a more spiritual life, as practiced by the Essenes, scribes of the sacred Scrolls. French fold cover.

The Dead Sea Scrolls Timothy H. Lim 2017 Since their discovery in 1947, the Dead Sea Scrolls have become an icon in popular culture that transcends their status as ancient Jewish manuscripts. Everyone has heard of the Scrolls, but amidst the conspiracies, the politics, and the sensational claims, it can be difficult to separate the myths from the reality. In this Very Short introduction, Timothy Lim discusses the cultural significance of the finds, and the religious, political and legal controversies during the seventy years of study since the discovery. He also looks at the contribution the Scrolls have made to our understanding of the Old Testament or Hebrew Bible, and the origins of early Christianity. Exploring the most recent scholarly discussions on the archaeology of Khirbet Qumran, and the study of the biblical texts, the canon, and the history of the Second Temple Period, he considers what the scrolls reveal about sectarianism in early Judaism. Was the archaeological site of Qumran a centre of monastic life, a fortress, a villa, or a pottery factory? Why were some of their biblical texts so different from the ones that we read today? Did they have 'a Bible'? Who were the Essenes and why did they think that humanity is to be divided between 'the sons of light' and those in darkness? And, finally, do the Scrolls reflect the teachings of the earliest followers of Jesus? ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Dead Sea Scrolls Kenneth Hanson 1997 Hebrew scholar Kenneth Hanson captures all the mystery and excitement of the rediscovery of the scrolls, the half-century of intrigue that followed, and the ancient Hebrew sect that wrote, preserved, and died defending these treasured works.

John Marco Allegro Judith Anne Brown 2005 This book explores the life and work of John Allegro, freethinker and rebel, whose work on the Dead Sea Scrolls led him to challenge the Church, the editing team, and most conventional assumptions about the development of Christianity.

The Dead Sea Scrolls Today, Rev. Ed James VanderKam 2010-02-22 This perennially bestselling book on the Dead Sea Scrolls by one of the fields most respected scholars has now been revised and updated to reflect

scholarship and debates since the book was first published in 1994.

LIFE The Dead Sea Scrolls The Editors of Life 2017-02-03 In the late 1940s, perhaps the greatest archeological find of modern times occurred when Bedouin shepherds unearthed mysterious scrolls in a cave near the Dead Sea, just south of Jerusalem. These documents turned out to be manuscripts-some of them biblical-reflecting the beliefs of a vanished Jewish sect that fled Jerusalem during the time of Christ. But what was the connection between the documents and the ruins of an abandoned nearby settlement known as Qumran? Like some holy, historical cross between Raiders of the Lost Ark and The Da Vinci Code, LIFE's book follows the race to unearth-and decode-the many other manuscripts hidden in the desert caves.

The Dead Sea Scrolls Géza Vermès 1981 This marvelous book brings us up to date on the study of the Dead Sea Scrolls, taking its place at the head of the line of introductions to the subject.

The Dead Sea Scrolls 2012 Since they were first discovered in the caves at Qumran in 1947, the Dead Sea Scrolls have aroused more fascination--and more controversy--than perhaps any other archaeological find. They appear to have been hidden in the Judean desert by the Essenes, a Jewish sect that existed around the time of Jesus, and they continue to inspire veneration and conspiracy theories to this day. John Collins tells the story of the bitter conflicts that have swirled around the scrolls since their startling discovery, and sheds light on their true significance for Jewish and Christian history. Collins.

The Oxford Handbook of the Dead Sea Scrolls Timothy H. Lim 2010-10-28 Thirty international scholars probe the main disputed issues in the study of the Dead Sea Scrolls. Essays engage with the lively debate continues over the archaeology and history of the site, the nature and identity of the sect, and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition.

Israel and the Dead Sea Scrolls Edmund Wilson 2019-11-05 "Reading him, it is not difficult to imagine the ardor with which Edmund Wilson pursued his complex subject; it was the kind of subject he had always liked best, involving as it did history, politics, ancient lore, and all his faculties for imaginative reconstruction and historical analysis ... No book quite like this has been written in our century." —Leon Edel

Freeing the Dead Sea Scrolls Hershel Shanks 2010-06-03 Fascinating account of a world-renowned Biblical Archaeologist and his scrapes with Governments, Nomads and Scoundrels.

The Dead Sea Scrolls and the Origins of the Bible Eugene Ulrich 1999-06-15 The Dead Sea Scrolls from Qumran provide the oldest, best, and most direct witness we have to the origins of the Hebrew Bible. Prior to the discovery of the Scrolls, scholars had textual evidence for only a single, late period in the history of the biblical text, leading them to believe that the text was uniform. The Scrolls, however, provide documentary evidence a thousand years older than all previously known Hebrew manuscripts and reveal a period of pluriformity in the biblical text prior to the stage of uniformity. In this important collection of studies, Eugene Ulrich, one of the world's foremost experts on the Dead Sea Scrolls, outlines a comprehensive theory that reconstructs the complex development of the ancient texts that eventually came to form the Old Testament. Several of the essays set forth his pioneering theory of "multiple literary editions," which is replacing older views of the origins of the biblical text. The Dead Sea Scrolls and the Origins of the Bible represents the leading edge of research in the exciting field of Scrolls studies.

The Book of Job Mark Larrimore 2020-02-25 The life and times of this iconic and enduring biblical book The book of Job raises stark questions about the meaning of innocent suffering and the relationship of the human to the divine, yet it is also one of the Bible's most obscure and paradoxical books. Mark Larrimore provides a panoramic history of this remarkable book, traversing centuries and traditions to examine how Job's trials and his challenge to God have been used and understood in diverse contexts, from commentary and liturgy to philosophy and art. Larrimore traces Job's reception by figures such as Gregory the Great,

William Blake, and Elie Wiesel, and reveals how Job has come to be viewed as the Bible's answer to the problem of evil and the perennial question of why a God who supposedly loves justice permits bad things to happen to good people.

The Dead Sea Scrolls Weston Fields 2013-03-09 Who discovered the Dead Sea Scrolls? When and where were they discovered? How were they saved? Who has them now? Will more be discovered? Have all the scrolls been published? Are some still hidden away? Were there conspiracies to suppress some scrolls? How do the scrolls affect Christianity and Judaism? How similar are the biblical scrolls to our Bible today? These and other questions are answered in *The Dead Sea Scrolls, A Short History*, which offers information from exclusive interviews and unpublished archives.

The Dead Sea Scrolls and Christian Origins Joseph A. Fitzmyer 2000-03-03 Originally written to appeal to both scholars and general readers interested in the Dead Sea Scrolls, all of the articles in this volume have been updated to take into account current discussions of this extraordinary archaeological find."--BOOK JACKET.

LIFE Women of the Bible The Editors of LIFE 2019-03-15 LIFE Magazine presents Legendary Women of the Bible.

Apocalypticism in the Dead Sea Scrolls John J. Collins 2002-01-04 Since the photographs of the Dead Sea Scrolls were released in 1992, there has been an explosion of interest in them. This volume explores the issue of apocalypticism in the Scrolls; how the notions of the 'end', Messianic expectation and eternal life affected the Dead Sea sect, influenced Judaism and filtered into Christianity. Collins' volume provides a valuable and accessible introduction to the interpretation of the Scrolls, which is an informative addition to the series examining the major themes of the Scroll texts.

Qumran and Jerusalem Lawrence H. Schiffman 2010-03-08 With the full publication of the Dead Sea Scrolls come major changes in our understanding of these fascinating texts and their significance for the study of the history of Judaism and Christianity. One of the most significant changes that one cannot study Qumran without Jerusalem nor Jerusalem without Qumran is explored in this important volume. / Although the Scrolls preserve the peculiar ideology of the Qumran sect, much of the material also represents the common beliefs and practices of the Judaism of the time. Here Lawrence Schiffman mines these incredible documents to reveal their significance for the reconstruction of the history of Judaism. His investigation brings to life a period of immense significance for the history of the Western world.

Behind the Essenes Philip Davies 1987

Jesus & the Riddle of the Dead Sea Scrolls Barbara Elizabeth Thiering 1992 Examines the connection between the scrolls and the early Christian Church and discusses what they reveal about the historical life of Jesus

The Dead Sea Scrolls John DeSalvo 2014 The Dead Sea Scrolls continue to fascinate readers from all walks of life. Ever since they were first discovered by a Bedouin shepherd in the Judean desert in 1947, they have been the subject of endless debate and speculation that continues to this day. It was not until as recently as 1991, when all 800 documents from eleven caves were finally available in translation, that numerous alternative theories were put forward about their authorship and their dating. The now famous Copper Scroll with its detailed list of supposed buried treasure is examined as are the theories surrounding it, such as the possible connection with the lost treasure of the Knights Templar. Finally, the relevance of the Dead Sea Scrolls to the New Testament and the messianic Jesus are explored.

Who Wrote the Dead Sea Scrolls? Norman Golb 2013-02-01 Dr. Norman Golb's classic study on the origin of the Dead Sea Scrolls is now available online. Since their earliest discovery in 1947, the Scrolls have been the object of fascination and extreme controversy. Challenging traditional dogma, Golb has been the leading proponent of the view that the Scrolls cannot be the work of a small, desert-dwelling fringe sect, as various earlier scholars had claimed, but are in all likelihood the remains of libraries of various Jewish groups, smuggled out of Jerusalem and hidden in desert caves during the Roman siege of 70 A. D. Contributing to the enduring debate sparked by the book's original publication in 1995, this digital edition contains additional material reporting on new developments that have led a series of major Israeli and European archaeologists to support Golb's basic conclusions. In its second half, the book offers a detailed analysis of the workings of the scholarly monopoly that controlled the Scrolls for many years, and discusses

Golb's role in the struggle to make the texts available to the public. Pleading for an end to academic politics and a commitment to the search for truth in scrolls scholarship, *Who Wrote the Dead Sea Scrolls?* sets a new standard for studies in intertestamental history "This book is 'must reading'.... It demonstrates how a particular interpretation of an ancient site and particular readings of ancient documents became a straitjacket for subsequent discussion of what is arguably the most widely publicized set of discoveries in the history of biblical archaeology...." Dr. Gregory T. Armstrong, 'Church History' Golb "gives us much more than just a fresh and convincing interpretation of the origin and significance of the Qumran Scrolls. His book is also... a fascinating case-study of how an *idée fixe*, for which there is no real historical justification, has for over 40 years dominated an elite coterie of scholars controlling the Scrolls...." Daniel O'Hara, 'New Humanist'

A Guide to the Dead Sea Scrolls and Related Literature Joseph A. Fitzmyer 2008-09-15 The Dead Sea Scrolls are found in many varied publications -- often ordered only by publication date, rather than a more easily navigable system -- making specific texts difficult to find. Joseph Fitzmyer's guide offers a practical remedy to this dilemma. *A Guide to the Dead Sea Scrolls and Related Literature* starts by explaining the conventional system of abbreviations for the Scrolls. Then it helpfully lists specifically where readers can find each of the Scrolls and fragmentary texts from the eleven caves of Qumran and all the related sites, using the officially assigned numbers of the text. Fitzmyer supplies information on study tools helpful for scholars -- concordances, dictionaries, translations, outlines of longer texts, and more -- and briefly indicates electronic resources for the study of the Dead Sea Scrolls.

The Jefferson Bible Peter Manseau 2020-09-29 The life and times of a uniquely American testament In his retirement, Thomas Jefferson edited the New Testament with a penknife and glue, removing all mention of miracles and other supernatural events. Inspired by the ideals of the Enlightenment, Jefferson hoped to reconcile Christian tradition with reason by presenting Jesus of Nazareth as a great moral teacher—not a divine one. Peter Manseau tells the story of the Jefferson Bible, exploring how each new generation has reimagined the book in its own image as readers grapple with both the legacy of the man who made it and the place of religion in American life. Completed in 1820 and rediscovered by chance in the late nineteenth century after being lost for decades, Jefferson's cut-and-paste scripture has meant different things to different people. Some have held it up as evidence that America is a Christian nation founded on the lessons of the Gospels. Others see it as proof of the Founders' intent to root out the stubborn influence of faith. Manseau explains Jefferson's personal religion and philosophy, shedding light on the influences and ideas that inspired him to radically revise the Gospels. He situates the creation of the Jefferson Bible within the broader search for the historical Jesus, and examines the book's role in American religious disputes over the interpretation of scripture. Manseau describes the intrigue surrounding the loss and rediscovery of the Jefferson Bible, and traces its remarkable reception history from its first planned printing in 1904 for members of Congress to its persistent power to provoke and enlighten us today.

Jesus and the Dead Sea Scrolls John Bergsma 2019-09-10 A major new work on the Dead Sea Scrolls, the oldest sacred documents of Judaism, which reveals their surprising connections to early Christianity. "A luminous treatment of a fascinating subject! Highly recommended!"—Scott Hahn, author of *The Fourth Cup* From award-winning scholar John Bergsma comes an intriguing book that reveals new insights on the Essenes, a radical Jewish community predating Christianity, whose existence, beliefs, and practices are often overlooked in the annals of history. Bergsma reveals how this Jewish sect directly influenced the beliefs, sacraments, and practices of early Christianity and offers new information on how Christians lived their lives, worshipped, and eventually went on to influence the Roman Empire and Western civilization. Looking to Hebrew scripture and Jewish tradition, Bergsma helps to further explain how a simple Jewish peasant could go on to inspire a religion and a philosophy that still resonates 2,000 years later. In this enriching and exciting exploration, Bergsma demonstrates how the Dead Sea Scrolls—the world's greatest modern archaeological discovery—can shed light on the Church as a sacred society that offered hope, redemption, and salvation to its member. Ultimately, these mysterious writings are a time machine that can transport us back to the ancient world, deepen our appreciation of Scripture, and strengthen our understanding of the Christian faith. "An accessible introduction . . . This is a handy entry point for readers unfamiliar with Essenes or those interested in the Dead Sea Scrolls."—Publishers Weekly

The Archaeology of Qumran and the Dead Sea Scrolls Jodi Magness 2002 Magness (early Judaism, U. of North Carolina, Chapel Hill), who has extensive archaeological experience in the area, has written a popular account of the archaeology, meaning, and controversies surrounding the Dead Seas Scrolls and the archaeological site of Qumran where they were found. Without sacrificing content, Magness turns this story into a fascinating page-turner. Annotation copyrighted by Book News, Inc., Portland, OR

The Complete World of the Dead Sea Scrolls Philip R. Davies 2011-03-07 ARCHAEOLOGY. New in paperback, this is a fully illustrated volume on the discovery, meaning and significance of all the "Dead Sea Scrolls" by acknowledged experts in the field. Offering intriguing historical and religious insights into the period of authorship, from Babylon to Bar Kokhba, and expert interpretation of the manuscripts using palaeography, Carbon-14 dating and computer reconstructions, the book also includes factfiles, tables, reconstructions, scroll photographs and a guide to where to see the scrolls today.

The Book of Genesis Ronald Hendel 2019-09-10 During its 2,500-year life, the book of Genesis has been the keystone to important claims about God and humanity in Judaism and Christianity, and it plays a central role in contemporary debates about science, politics, and human rights. The authors provide a panoramic history of this iconic book, exploring its impact on Western religion, philosophy, literature, art, and more.

The Essenes, the Scrolls, and the Dead Sea Joan E. Taylor 2015-01-30 The mystery surrounding the Dead Sea Scrolls remains, over 60 years after their rediscovery. Who hid them and why? This groundbreaking book reinvigorates the contested hypothesis that the Essenes were responsible. Rather than being a marginal esoteric sect, Taylor shows that this group acted as one of the leading legal schools of Judaism.

The Dead Sea Scrolls John J. Collins 2019-05-28 Since they were first discovered in the caves at Qumran in 1947, the Dead Sea Scrolls have aroused more fascination-- and controversy-- than perhaps any other archaeological find. Collins sheds light on the bitter conflicts that have swirled around the scrolls, and sheds lights on their true significance for Jewish and Christian history.

Encyclopedia of the Dead Sea Scrolls Lawrence H. Schiffman 2000 Counter Discovered in 1947 by a Bedouin shepherd, the Dead Sea Scrolls are a collection of 800 manuscripts nearly one thousand years older than any other writings of the Hebrew Scriptures. Ever since, these mysterious documents have raised many questions. What do the scrolls tell us about the people who wrote them? What information do they have about early Christianity and Second Temple Judaism? How do they confirm or contradict what we thought we knew about the Bible? Featuring 450 articles by an international community of scholars, the Encyclopedia is the definitive account of what we know about the Dead Sea Scrolls--their history, relevance, meaning, and the controversies that surround them. With contributions from 100 distinguished scholars representing diverse traditions and fields of learning, this volume offers the most comprehensive critical

synthesis of current knowledge about the Dead Sea Scrolls. Along with viewing the works in their historical, archaeological, linguistic, and religious contexts, the archaeological evidence is explored and the methods used to date, document and preserve the manuscripts are explained. With extensive cross-references, blind entries and an index, this definitive reference work provides authoritative answers and information for all readers.

Reclaiming the Dead Sea Scrolls Lawrence H. Schiffman 1994 Discusses the importance of the Dead Sea Scrolls in understanding the history of Judaism, and argues that they reveal how Christianity emerged from ancient Judaism

The Complete Dead Sea Scrolls in English Geza Vermes 2004-06-24 The discovery of the Dead Sea Scrolls in the Judaeian desert between 1947 and 1956 transformed our understanding of the Hebrew Bible, early Judaism and the origins of Christianity. These extraordinary manuscripts appear to have been hidden in the caves at Qumran by members of the Essene community, a Jewish sect in existence before and during the time of Jesus. Some sixty years after the Scrolls' first discovery, this revised and much expanded edition of *The Dead Sea Scrolls in English* crowns a lifetime of research by the great Qumran scholar Geza Vermes. As well as superb translations of all non-biblical texts sufficiently well preserved to be rendered into English, there are also a number of previously unpublished texts, and a new preface. Since its first publication in 1962, *The Dead Sea Scrolls in English* has established itself as the standard English translation of the non-Biblical Qumran Scrolls and as giving an astonishing insight to the organization, customs, history and beliefs of the community responsible for them. This edition will contain new material, together with extensive new introductory material and notes.

The Dead Sea Scrolls and the Christian Myth John Marco Allegro 1984

The Dead Sea Scrolls and the Developmental Composition of the Bible Eugene Ulrich 2015-04-14 Ulrich presents in *The Dead Sea Scrolls and the Developmental Composition of the Bible* the parade of surprises the scrolls provide regarding the scriptures' development through history. A sequel to *The Biblical Qumran Scrolls*, this volume explores the scrolls' significance.

Beyond the Qumran Community John J. Collins 2010 With the full publication of the Dead Sea Scrolls, fresh analysis of the evidence presented can be and indeed, should be made. *Beyond the Qumran Community* does just that, reaching a surprising conclusion: the sect described in the Dead Sea Scrolls developed later than has usually been supposed and was never confined to the site of Qumran. / John J. Collins here deconstructs the Qumran community and shows that the sectarian documents actually come from a text spread throughout the land. He examines the Community Rule, or Yahad, and considers the Teacher of Righteousness, a pivotal figure in the Essene movement. After examining the available evidence, Collins concludes that it is, in fact, overwhelmingly likely that the site of Qumran housed merely a single settlement of a very widespread movement.
