Pocket Kama Sutra Anne Hooper 1996 Following the brilliant success of Hooper's *Pocket Sex Guide*, Dorling Kindersley introduces a fully illustrated manual, based on the ancient Indian manuscript, *The Kama Sutra*, which features advice on communication, preparation, and instructions on many unusual positions. Color photos throughout.

The Oxford Handbook of Meditation Miguel Farias 2021-10-21

Meditation techniques, including mindfulness, have become popular wellbeing practices and the scientific study of their effects has recently turned 50 years old. But how much do we know about them: what were they developed for and by whom? How similar or different are they, how effective can they be in changing our minds and biology, what are their social and ethical implications? *The Oxford Handbook of Meditation* is the most comprehensive volume published on meditation, written in accessible language by world-leading experts on the science and history of these techniques. It covers the development of meditation across the world and the varieties of its practices and experiences. It includes approaches from various disciplines, including psychology, neuroscience, history, anthropology, and sociology and it explores its potential for therapeutic and social change, as well as unusual or negative effects. Edited by practitioner-researchers, this book is the ultimate guide for all interested in meditation, including teachers, clinicians, therapists, researchers, or anyone who would like to learn more about this topic.

Kama Sutra (Collins Need to Know?) J. Rogiere 2011-12-15 A modern interpretation of the classic erotic text.

The Power of Denial Bernard Faure 2009-01-10 Innumerable studies have appeared in recent decades about practically every aspect of women's lives in Western societies. The few such works on Buddhism have been quite limited in scope. In *The Power of Denial*, Bernard Faure takes an important step toward redressing this situation by boldly asking: does Buddhism offer women liberation or limitation? Continuing the innovative exploration of sexuality in Buddhism he began in *The Red Thread*, here he moves from his earlier focus on male monastic sexuality to Buddhist conceptions of women and constructions of gender. Faure argues that Buddhism is neither as sexist nor as egalitarian as is usually

thought. Above all, he asserts, the study of Buddhism through the gender lens leads us to question what we uncritically call Buddhism, in the singular. Faure challenges the conventional view that the history of women in Buddhism is a linear narrative of progress from oppression to liberation. Examining Buddhist discourse on gender in traditions such as that of Japan, he shows that patriarchy--indeed, misogyny--has long been central to Buddhism. But women were not always silent, passive victims. Faure points to the central role not only of nuns and mothers (and wives) of monks but of female mediums and courtesans, whose colorful relations with Buddhist monks he considers in particular. Ultimately, Faure concludes that while Buddhism is, in practice, relentlessly misogynist, as far as misogynist discourses go it is one of the most flexible and open to contradiction. And, he suggests, unyielding in-depth examination can help revitalize Buddhism's deeper, more ancient egalitarianism and thus subvert its existing gender hierarchy. This groundbreaking book offers a fresh, comprehensive understanding of what Buddhism has to say about gender, and of what this really says about Buddhism, singular or plural.

Countervisions Darrell Y. Hamamoto 2000 Spotlighting Asian Americans on both sides of the motion picture camera, *Countervisions* examines the aesthetics, material circumstances, and politics of a broad spectrum of films released in the last thirty years. This anthology focuses in particular on the growing presence of Asian Americans as makers of independent films and cross-over successes. Essays of film criticism and interviews with film makers emphasize matters of cultural agency--that is, the practices through which Asian American actors, directors, and audience members have shaped their own cinematic images. One of the anthology's key contributions is to trace the evolution of Asian American independent film practice over thirty years. Essays on the Japanese American internment and historical memory, essays on films by women and queer artists, and the reflections of individual film makers discuss independent productions as subverting or opposing the conventions of commercial cinema. But *Countervisions* also resists simplistic readings of "mainstream" film representations of Asian Americans and enumerations of negative images. Writing about Hollywood stars Anna May Wong and

Nancy Kwan, director Wayne Wang, and erotic films, several contributors probe into the complex and ambivalent responses of Asian American audiences to stereotypical roles and commercial success. Taken together, the spirited, illuminating essays in this collection offer an unprecedented examination of a flourishing cultural production. Author note: Darrell Y. Hamamoto is Associate Professor in the Asian American Studies Program at the University of California, Davis. He is the author of *Nervous Laughter: Television Situation Comedy and Liberal Democratic Ideology*, *Monitored Peril: Asian Americans and the Politics of Television Representation*, and *New American Destinies: A Reader in Contemporary Asian and Latino Immigration*. Sandra Liu is a Ph.D. candidate in the Department of Ethnic Studies, University of California, Berkeley.

Chinese Religiosities Mayfair Mei-hui Yang 2008-11-04

"Extraordinarily timely and useful. As China emerges as an economic and political world power that seems to have done away with religion, in fact it is witnessing a religious revival. The thoughtful essays in this book show both the historical conflicts between state authorities and religious movements and the contemporary encounters that are shaping China's future. I am aware of no other book that covers so much ground and can be used so well as an introduction to this important field." —Peter van der Veer, University of Utrecht

Kama Sutra Vatsyayana 2013-04-23 One of the earliest texts on sexuality and sexual behavior, the Kama Sutra was written in Sanskrit by the Hindu philosopher Vatsyayana between 400 BCE and 200 CE, and explores concept of kama, or sexual pleasure. According to the Hindu religion, kama is one of the four main goals of life, along with dharma (righteousness), artha (worldly and material well-being), and moksha (liberation). Although the Kama Sutra provides practical advice on sex, it is not simply a sexual handbook, but is a philosophical guide to love and family intended to help its readers create a more balanced, harmonious and pleasure-filled life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more

titles in the HarperPerennial Classics collection to build your digital library.

Unmasking Buddhism Bernard Faure 2011-09-13 UNMASKING BUDDHISM Can we talk of Buddhism as a unified religion or are there many Buddhisms? Is Buddhism a religion of tolerance and pacifism as many people think? Is Buddhism a religion without god(s)? Or is it more of a philosophy than a religion? Renowned Buddhist scholar Bernard Faure answers these and other questions about the basic history, beliefs and nature of Buddhism in easy-to-understand language. It is an ideal introduction for anyone who has unanswered questions about one of the world's largest and most popular religions.

Field Notes for Food Adventure Brad Leone 2021-11-23 NEW YORK TIMES BESTSELLER • A FOOD52 BEST COOKBOOK OF THE YEAR • Join Brad Leone, star of Bon Appétit's hit YouTube series *It's Alive*, for a year of cooking adventures, tall tales, and fun with fire and fermentation in more than 80 ingenious recipes. Come along with Brad Leone as he explores forests, fields, rivers, and the ocean in the hunt for great food and good times. These pages are Brad's field notes from a year of adventures in the Northeast, getting out into nature to discover its bounty, and capturing memorable ideas for making delicious magic at home anytime. He taps maple trees to make syrup, and shows how to use it in surprising ways. He forages for ramps and mushrooms, and preserves their flavors for seasons to come. He celebrates the glory of tomatoes along with undersung fruits of the sea like squid and seaweed. Inspiration comes from hikes into the woods, trips to the dock, and cooking poolside in the dead of summer. And every dish has a signature Brad Leone approach—whether that's in *Sous Vide Mountain Ribs* or *Spicy Smoked Tomato Chicken*, *Sumac Lemonade* or *Fermented Bloody Marys*, *Cold Root Salad*, *Marinated Beans*, or just a few shakes of a *Chile Hot Sauce* that's dead simple to make. This is a book about experimentation, adventure, fermentation, fire, and having fun while you're cooking. And hey, you might just learn a thing or two. Let's get going!

Anne Hooper's Ultimate Sex Positions Anne Hooper 2009-11-02 Over

Perfect for anyone looking to spice up their sex life.

Money, Sex, War, Karma David R. Loy 2008-03-10 What's Wrong with Sex? How to Drive Your Karma Consciousness Commodified The Karma of Food The Three Poisons, Institutionalized Why We Love War These are just some of the chapters in this brilliant book from David R. Loy. In little time, Loy has become one of the most powerful advocates of the Buddhist worldview, explaining like no one else its ability to transform the sociopolitical landscape of the modern world. In this, his most accessible work to date, he offers sharp and even shockingly clear presentations of oft-misunderstood Buddhist staples-the working of karma, the nature of self, the causes of trouble on both the individual and societal levels-and the real reasons behind our collective sense of "never enough," whether it's time, money, sex, security... even war. Loy's "Buddhist Revolution" is nothing less than a radical change in the ways we can approach our lives, our planet, the collective delusions that pervade our language, culture, and even our spirituality.

Kama Sutra for 21st-century Lovers Anne Hooper 2007 Everyone dreams of enjoying mind-blowing, intense sexual pleasure. Kama Sutra both evokes and enhances the reality with beautiful, seductive images, and then reveals how to achieve intense sexual sensation. A re-issue of the bestselling Kama Sutra for 21st-century Lovers by Anne Hooper, it starts by revealing how to achieve unashamed pleasure, showing the fundamentals of successful lovemaking through sensual massage, kissing, foreplay, and oral sex. The core of the book is an exotic cocktail of over 100 positions from the world's ancient sex manuals, Kama Sutra, Ananga Ranga, The Perfumed Garden, and Tao, one accompanied by beautiful images, imaginatively representing the passion and sensation of the lovemaking. The text then tells you in the clearest possible way how

to master each position for ultimate satisfaction, the author emphasizing the importance of pressure points, manners, artistic freedom, and giving advice on how to maximize the pleasure for him and for her. A beautiful, erotic book, Kama Sutra gives you all the inspiration you need to bring Eastern magic to your lovemaking.

KISS Guide to the Karma Sutra Anne Hooper 2001 Discover the Kama Sutra - why it was written and for whom, and how it came to be known. Learn the importance of touch and kissing and how these can add to lovemaking.

The Lotus Sutra 2014-04-14 The Lotus Sutra is regarded as one of the world's great religious scriptures and most influential texts. It's a seminal work in the development of Buddhism throughout East Asia and, by extension, in the development of Mahayana Buddhism throughout the world. Taking place in a vast and fantastical cosmic setting, the Lotus Sutra places emphasis on skillfully doing whatever is needed to serve and compassionately care for others, on breaking down distinctions between the fully enlightened buddha and the bodhisattva who vows to postpone salvation until all beings may share it, and especially on each and every being's innate capacity to become a buddha. Gene Reeves's new translation appeals to readers with little or no familiarity with technical Buddhist vocabulary, as well as long-time practitioners and students. In addition, this remarkable volume includes the full "threefold" text of this classic.

Japanese Rinzai Zen Buddhism Jørn Borup 2008-02-28 Japanese Rinzai Zen Buddhism gives a new perspective on contemporary Japanese Zen Buddhism. Ideas, ritual practices, temples and interactions between the clergy, the laity and the institution are investigated as living representations of a unique and yet common Japanese religion.

The Origins of Yoga and Tantra Geoffrey Samuel 2008-03-27 Yoga, tantra and other forms of Asian meditation are practised in modernized forms throughout the world today, but most introductions to Hinduism or Buddhism tell only part of the story of how they developed. This book is an interpretation of the history of Indic religions up to around 1200 CE, with particular focus on the development of yogic and tantric traditions.

It assesses how much we really know about this period, and asks what sense we can make of the evolution of yogic and tantric practices, which were to become such central and important features of the Indic religious scene. Its originality lies in seeking to understand these traditions in terms of the total social and religious context of South Asian society during this period, including the religious practices of the general population with their close engagement with family, gender, economic life and other pragmatic concerns.

Anne Hooper's Ultimate Sexual Touch Anne Hooper 1995 Touch is our most fundamental sense and the one that has the most profound influence on our well-being. Touch is the most likely of our senses to be neglected, especially in Anglo-Saxon culture such as in the UK, the USA, and Australia. In these cultures, sensuality is usually equated with sexuality, so touch is frequently taboo in all but the most intimate of situations.

The Civilization of Illiteracy Mihai Nadin 1997 Phenomena related to the transition from a literacy-dominated civilization to one of various means of expression and communication are at the center of his book. The fall of totalitarian regimes, the current structural difficulties of the European Community, the burden of state bureaucracies, the world-wide effort of re-engineering, and the global economy are part of the bigger picture of a necessary development.

Sexuality and Its Discontents Jeffrey Weeks 2002-05-03 Few topics evoke so much anxiety and pleasure, pain and hope, discussion and silence as sexuality. Throughout the Christian era it has been a major moral preoccupation. Since the eighteenth century it has also been the focus of 'scientific' exploration and political activity. But, despite this obsessive concern, we are still as baffled as our predecessors about the 'true' meaning of sex. In this book Jeffrey Weeks unravels the dense web of historical, theoretical and political forces that have culminated in the contemporary crisis of sexual meanings and values. The book begins with a powerful evocation of our present discontents and their potent signs: the rise of the New Right, the retreat of progressive forces and a wave of moral panics around sex. It argues that this crisis is rooted in a tradition

which has ascribed an inflated importance to sexuality, whilst claiming a privileged access to truth. The author then examines radical debates of recent years, and asks whether they contain the potentiality for taking us beyond the existing boundaries of sexuality. From this analysis emerges a controversial 'radical pluralist' approach to sexuality built on an acceptance of diversity and choice. By linking our present discontents to a clear understanding of the past, Jeffrey Weeks presents a rational, optimistic and challenging vision of a realizable future.

Kama Sutra Anne Hooper Spice up your sex life with this classic combination of ancient eroticism and tempting modern tips and techniques. Provocative exercises to heighten orgasmic enjoyment Sensual massage techniques to restore and build sexual energy levels Tantalising repertoire of skin-to-skin positions for closer sexual intimacy
The Wrestler's Body Joseph S. Alter 1992-08-03 The Wrestler's Body tells the story of a way of life organized in terms of physical self-development. While Indian wrestlers are competitive athletes, they are also moral reformers whose conception of self and society is fundamentally somatic. Using the insights of anthropology, Joseph Alter writes an ethnography of the wrestler's physique that elucidates the somatic structure of the wrestler's identity and ideology. Young men in North India may choose to join an akhara, or gymnasium, where they subject themselves to a complex program of physical and moral fitness. Alter's first-hand description of each detail of the wrestler's regimen offers a unique

perspective on South Asian culture and society. Wrestlers feel that moral reform of Indian national character is essential and advocate their way of life as an ideology of national health. Everyone is called on to become a wrestler and build collective strength through self-discipline.

The Art of South and Southeast Asia Steven Kossak 2001 Presents works of art selected from the South and Southeast Asian and Islamic collection of The Metropolitan Museum of Art, lessons plans, and classroom activities.

Probing the Depths of Evil and Good 2007-01-01 In the few years since the attack on the World Trade Center on September 11, 2001, evil has become a central theme in the media and human consciousness: the evil of terrorism, the evil of secular culture, concern for poverty, and climate change... Yet different cultures and religious traditions have different ideas of what evil is and what its root causes are. Although there is no massive clash of cultures, many disagreements and also conflicts in the world arise from the deep differences in views of evil. This volume explores religious views of evil. Scholars from different religions and from various parts of the world describe how people probe the depths of evil—and by necessity that of good—from their own background in various worldviews. In their explorations, almost all address the need to go beyond morality, and beyond legalistic definitions of evil and of good. They point to the radical depths of evil in the world and in human society and reinforce our intuition that there is no easy solution. But if we can gain a better understanding of what people from other worldview traditions and cultures consider evil, we are that much closer to a more peaceful world.

The Cambridge World History Jerry H. Bentley 2015-04-09 The era from 1400 to 1800 saw intense biological, commercial, and cultural exchanges, and the creation of global connections on an unprecedented scale. Divided into two books, Volume 6 of the Cambridge World History series considers these critical transformations. The first book examines the material and political foundations of the era, including global considerations of the environment, disease, technology, and cities, along with regional studies of empires in the eastern and western hemispheres,

crossroads areas such as the Indian Ocean, Central Asia, and the Caribbean, and sites of competition and conflict, including Southeast Asia, Africa, and the Mediterranean. The second book focuses on patterns of change, examining the expansion of Christianity and Islam, migrations, warfare, and other topics on a global scale, and offering insightful detailed analyses of the Columbian exchange, slavery, silver, trade, entrepreneurs, Asian religions, legal encounters, plantation economies, early industrialism, and the writing of history.

The Modern Kama Sutra Kamini Thomas 2008-08-20 Transform your lovemaking into erotic ecstasy with the secrets of the Kama Sutra - the most ancient, renowned and explicit guide to sexual pleasure. The Culture of India Britannica Educational Publishing 2010-04-01 Heir to a diverse array of traditions, the Indian subcontinent boasts customs that are distinguished by a constant juxtaposition of the ancient and the modern. The omnibus culture that has resulted from a rich history reflects an accommodation of ideas from across the globe and over time. This inviting narrative examines the tapestry of major events and beliefs that imbue everyday Indian life with vitality, and it presents the remarkable achievements in writing and the arts that have influenced individuals throughout the world.

Japanese Demon Lore Noriko T. Reider 2010-09-30 Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctively gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to modern fiction and political propaganda. They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and complex significance as "others" to the Japanese.

Satipatthāna Anālayo 2003 "This book helps to fill what has long been a glaring gap in the scholarship of early Buddhism, offering us a detailed textual study of the Satipatthāna Sutta, the foundational Buddhist discourse on meditation practice."--Back cover.

A Systematic Course in the Ancient Tantric Techniques of Yoga and Kriya Swami Satyananda Saraswati 2007-01-01

Anne Hooper's Kama Sutra Anne Hooper 1994 Written more than 2,000 years ago, the Kama Sutra focuses on enhancing sensuality with

heightened spirituality and erotic satisfaction. Anne Hooper, a noted sex therapist, highlights sexual techniques and interprets ancient wisdom for today's lovers. Full-color photographs and illustrations.

Kama Sutra Erotica Anne Hooper 2011-01-12 The original Kama Sutra, written in the 2nd Century CE, gets a totally modern, totally erotic update in Anne Hooper's newest, beautifully photographed edition. A virtual - and sensual - feast of lovemaking takes you from flirtation to lust to passion and ecstasy, with dramatic images illustrating every intimate moment along the way. Hooper, a best-selling author and noted sex therapist, makes the ancient text accessible for modern lovers, discussing how the extreme sensuality propounded by the Kama Sutra affects our bodies, minds, and even our spirituality. Explicit depictions of the top Kama Sutra poses are supplemented by other position from equally renowned Eastern texts. Six special extended features also teach you how to transition through positions to maximize pleasure for both you and your partner. Through techniques, positions, turn-ons and more, you'll reach a new state of intimacy and sexual bliss. Lovemaking will never be the same!

The Kama Sutra of Vatsyayana Vatsyayana 2021-08-29 The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsyayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indrajī. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual

organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

Orientalism and Religion Richard King 2013-04-03 Orientalism and Religion offers us a timely discussion of the implications of contemporary post-colonial theory for the study of religion. Richard King examines the way in which notions such as mysticism, religion, Hinduism and Buddhism are taken for granted. He shows us how religion needs to be reinterpreted along the lines of cultural studies. Drawing on a variety of post-structuralist and post-colonial thinkers, such as Foucault, Gadamer, Said, and Spivak, King provides us with a challenging series of reflections on the nature of Religious Studies and Indology.

Once Upon a Future Time Jan Nattier 1991 An in-depth study of Buddhist theories of the decline and disappearance of their own religion. Nattier's work challenges previous assumptions on this topic and focuses on the critical study of the "Kausambi Story," a Buddhist prophecy of decline, in its Tibetan, Central Asian, and Chinese variants.

The New Kama Sutra Richard Emerson 2019-02-05 The ultimate guide

to satisfying, exciting lovemaking . . . beautifully illustrated and brought up to date. The Kama Sutra has enhanced sexual experiences since the fourth century--and a leading sex author has reinterpreted this iconic manual for today. Richard Emerson provides twenty-first-century couples with practical advice on sexual technique, relationships, and emotional well-being, while maintaining the book's belief in uninhibited pleasure through sex. Together, the empowering text, exquisite art from the original Kama Sutra, and tasteful erotic photographs celebrate the art of lovemaking. Reissue

Anne Hooper's Kama Sutra Anne Hooper 1994 'The Kama Sutra' has long enjoyed a reputation as the finest piece of illustrated erotic literature ever written. In this transformation of the 2,000-year-old masterpiece, Anne Hooper brings the teachings of this ancient book of sexual wisdom to a new generation of lovers. The book brings together the best of The Kama Sutra, The Ananga Ranga, The Perfumed Garden, and The Tao to create a new classic. The authors of these works offered creative solutions to sexual problems, enhancing sensuality through innovative techniques. Their ancient teachings remain as dynamic as ever - as Anne Hooper reveals when she draws aside the curtain of myth and mystery that surrounds these erotic volumes. Illustrated with photographs of contemporary couples, Anne Hooper's Kama Sutra presents all the arts of seduction and will inspire every reader to

introduce more variety and excitement into sex.

Healing Love through the Tao Mantak Chia 2005-07-15 A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which enables higher practices of spiritual development. Jing is produced in the sexual organs, and it is energy women lose continually through menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm.
