College Essay Essentials Ethan Sawyer 2016-07-01 Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, *College Essay Essentials* is the only college essay

guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

The Best Book On Ivy League Admissions

Ashley Artmann 2012-03-01 We Know Exactly How You Feel... We've been in your shoes before, and we've succeeded. We all had our weaknesses - for some, it was a low GPA; others, lack of 'Club President' on their resume, not taking an AP or IB class; still others went to schools where they were literally the first ones ever accepted into an Ivy League-caliber school. Why are we doing this? Part of the motivation is seeing the helplessness and stress of our friends going through the process - from younger sisters to family friends to mentorship programs. We see you guys (and girls) asking the same questions and making the same mistakes. We feel like the path to admissions success can be SO OBVIOUS - but only once you've already been through it! We want to help - and after personally experiencing this ourselves, we know that Kaplan and Princeton Review can only go so far. We've decided to share our stories, in detail, so you can learn our exact strategies, insights, techniques, and even materials that we used. What do you have to do to get into your dream school? We can guide you every step of the way to your Ivy League entrance. Getting into the Ivies is not just about tricks to writing an application: you need to work right, think right and act right for years. Our e-book, *The Best Book On Ivy League Admissions*, will tell you how to make yourself the most attractive student out there. It's guaranteed to improve your chances to get into your dream school.
