The Shawl Cynthia Ozick 2021-04-13 From the winner of the National Book Critics Circle Award comes a story about the Holocaust that “burns itself into the reader’s imagination with almost surreal powers” (The New York Times). “Read this great little book of Cynthia Ozick’s: It contains dazzling staggering pages filled with sadness and truth.” —Elie Wiesel, Chicago Tribune A devastating vision of the Holocaust and the unfillable emptiness it left in the lives of those who passed through it.

Fear of Animals Enrique Serna 2008 After trading his desire to write for a life as a secret policeman, former crime reporter Evaristo Reyes finds himself immersed in the tuggish mire of Mexico’s law enforcement. He justifies the sacrifice of his artistic integrity as a necessary evil aimed at creative research—all the while enjoying the salary and perks of his squalid position. When his brutish boss orders him to kill a marginal literary critic who has insulted the president in print, he identifies with the scribe instead, and is soon incriminated for a murder he fails to commit. This narrative eloquently depicts the difficulties of having a social conscience in a world where corruption, censorship, and back-stabbing are a way of life.

Sunfall Jim Al-Khalili 2020-03-17 ‘Excellent, exactly how good science fiction should be- gripping story, beautifully told, while at the same time being scientifically well-informed.’ tweeted RICHARD DAWKINS. ‘Reminiscent of vintage Arthur C. Clarke . . . has a chilling, nail-biting authenticity’ said JAMES LOVEGROVE in the Financial Times. From renowned theoretical physicist, broadcaster and author Jim Al-Khalili, comes this thrilling debut novel drawing on cutting-edge science and set in a near-future full of dazzling technologies. 2041 and the world as we know it grinds to a halt. Our planet seems to be turning against itself - it would appear that the magnetic field, that protects life on Earth from deadly radiation from space, is failing . . . Desperate to quell the mass hysteria that would surely follow, world governments have concealed this rapidly emerging Armageddon. But a young Iranian hacktivist stumbles across the truth, and it becomes a race against time to reactivate the earth’s core using beams of dark matter. As a small team of brave and brilliant scientists battle to find a way of transforming theory into practice, they face a fanatical group intent on pursuing their own endgame agenda- for they believe mankind to be a plague upon this earth and will do anything, commit any crime, to ensure that the project fails . . . And so bring about humanity’s end.

Journey Toward the Cradle of Mankind Guido Gozzano 1996 The author recounts his experiences traveling in India, and shares his impressions of the land, its people, and culture

Dutch Short Stories for Beginners Lingo Mastery 2020-07-09 Do you know what the hardest thing for a Dutch learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students. Books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book, we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the beautiful Dutch tongue. How Dutch Short Stories for Beginners works: - Each story is exciting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Dutch and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Dutch, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Dutch Short Stories for Beginners and start learning Dutch right now!

The Way of a Serpent Torngy Lindgren 1997

The Twenty Days of Turin: A Novel Giorgio De Maria 2017-02-07 Named one of NPR’s Best Books of 2017 Written during the height of the 1970s Italian domestic terror, a cult novel, with distinct echoes of Lovcraft and Borges, makes its English-language debut. In the spare wing of a church-run sanatorium, some zealous youths create “the Library,” a space where lonely citizens can read one another’s personal diaries and connect with like-minded souls in “dialogues across the ether.” But when their scribblings devolve into the ugliest confessions of the macabre, the Library’s users learn too late that a malicious force has consumed their privacy and their sanity. As the city of Turin suffers a twenty-day “phenomenon of collective psychosis” culminating in nightly massacres that hundreds of witnesses cannot explain, the Library is shut down and erased from history. That is, until a lonely salaryman decides to investigate these mysterious events, which the citizenry of Turin fear to mention. Inevitably drawn into the city’s occult netherworld, he unearths the stuff of modern nightmares: what’s shared can never be unshared. An allegory inspired by the grisly neo-fascist campaigns of its day, The Twenty Days of Turin has enjoyed a fervent cult following in Italy for forty years. Now, in a fretful new age of “lone-wolf” terrorism fueled by social media, we can find uncanny resonances in Giorgio De Maria’s vision of mass fear: a mute, palpating dread that seeps into every moment of daily existence. With its stunning anticipation of the Internet—and the apocalyptic repercussions of oversharing—this bleak, prescient story is more disturbingly pertinent than ever. Brilliantly translated into English for the first time by Ramon Glazov, The Twenty Days of Turin establishes De Maria’s place among the literary ranks of Italo Calvino and beside classic horror masters such as Edgar Allan Poe and H. P. Lovecraft. Hauntingly imaginative, with visceral prose that chills to the marrow, the novel is an eerily clairvoyant magnum opus, long overdue but ever timely.

Orientalia Alberto Toso Fei 2021-05-05 In a Venetian version of the "Arabian Nights," Saddo Drisdi-the Italianized version of his Turkish name, Sa'dullah Idrisi-the last surviving Turk in the city of Venice, captivates seven children who have fled the Austrians and crept stealthily into the Fondaco dei Turchi, an ancient entrepôt now slipping into decay, with tales of princesses and corsairs, sultanas and doges, saints and warriors. The year is 1838 and the city on the lagoon is languishing under Austro-Hungarian domination: very little survives of the one-time splendor of the Serenissima. The old man gathers the children around him to recount countless stories of Venetians and Ottomans, filled with savage battles, passionate love affairs, women abducted, saints' relics pilfered, and evildoers turned into stone. These are the doings that filled the centuries-old histories between the Serenissima and the Sublime Porte, between Venice and Constantinople, hovering between mythology and history. "Orientalia" is a seductive account shrouded in legend that reconstructs with scholarly precision the past and the iconography of a Venice now (perhaps) lost.

Psychoanalysis and the Unconscious and Fantasia of the Unconscious D. H. Lawrence 2012-03-27 "Extraordinary. Certainly a landmark in the history of psychoanalysis."—Kenneth Rexroth This volume features two profound essays by one of the English language’s most famous and controversial authors. D. H. Lawrence wrote Psychoanalysis and the Unconscious and Fantasia of the Unconscious in the early 1920s, during his most productive period. Initially intended as a response to psychoanalytic criticism of his novel Sons and Lovers, these works progressed into a counterproposal to the Freudian psychoanalytic theory of the unconscious and the incest motive. They also voice Lawrence’s concepts of education, marriage, and social and political action. “This pseudo-philosophy of mine,” explained Lawrence, “was deduced from the novels and poems, not the reverse. The absolute need one has for some sort of satisfactory mental attitude towards oneself and things in general makes one try to abstract some definite conclusions from one’s experiences as a writer and as a man.” With these two essays, the author articulates his insights into the mental struggle to rationalize and reconcile the polarity that exists between emotional and intellectual identities. Critical to understanding Lawrence’s other works, they offer a bold synthesis of literary theory and criticism of Freudian psychology.

In Search of a Glorious Death Carlo Mazzantini 1992 This autobiographical narrative provides an alternative perspective of World War I, recounting the experiences of a Roman schoolboy who volunteered to fight against the Allies after Italy surrendered in 1943. But he is not sent to the front. Instead, with professional soldiers from the Russian front and fanatical fascists, he fights in the civil war that raged in Mussolini’s puppet state. He is captured in Milan after the German surrender and is spared execution by his captors, boys of his own age.

Pescara Tales (1902) Gabriele D’Annunzio 2017-07 The setting for his collection of eighteen stories by Gabriele D’Annunzio (1863-1938) was the Adriatic seaport of Pescara and its hinterland in the Italian region of Abruzzo, the author depicting events and personalities from the time of his youth, but also drawing from bygone incidents that were yet memorable in the area’s folk history. Pescara may not have had the cachet of celebrated cities such as Venice or Florence, but sympathetically and wryly revealed here by the pen of one of Italy’s great writers it lives and breathes with a vitality probably best compared to that of James Joyce’s ‘dear dirty Dublin’. Indeed Joyce, who admired D’Annunzio, may well have been inspired by the Italian’s canoes of small-town life, his parade of saints, voluptuaries and reprobates, their repressions, obsessions, individual dissolutions, collective explosions of anarchy, and their aptness for bizarre behavior that extended from the catatonic to the manic. D’Annunzio came to recognize just how exotic his native region was after he had left it for Rome, where he worked for some years as a journalist and essay writer in the employ of various literary magazines. His Abruzzo articles, and especially those in which he records examples of extraordinary devotional behavior (akin to what Mark Twain was witnessing at that time on the banks of the Ganges), became the basis of the stories in this collection. D’Annunzio was a published poet at the age of sixteen, and his verse has never been absent from the Western Canon since. Something of his painterly style, the layered brushwork of his descriptions, the gorgeous romantic renderings of rural scenes and the moods of the sea, his celebrations of sensuality, his aesthete’s fascination with all the possible bodily conditions, from the virginal-voluptuous to the decayed and moribund (he has been hailed as ‘the body’s poet’), will amaze and delight the reader even in the blandest and most dictionary-dependent translation. The present one is no such, however. Vladislav Zhukov is an experienced translator who has rendered works from four languages into English, including a substantial book of poetry, three volumes of short stories, and a novel (all available on Amazon.com). His knowledge of Italian is that of someone who acquired the language while living in Italy during his youth.

Mysteries of Venice. Seven Nights of History and Myth. Legends, Ghosts, Enigmas and Curiosities Alberto Toso Fei 2015

Venice Alberto Toso Fei 2011 'As the 13th century drew to a close, Marco Polo returned from China with the Ruyi, a legendary scepter he stole from Emperor Kublai Khan. After Marco Polo's death, the magical sword lay hidden with the traveler in his tomb in Venice. Today, both the tomb and the scepter have vanished. Carlo Dolfin, an old Venetian professor, has found some papers in his personal archive that could be of vital importance to locate the Ruyi. But he needs your help to find it, before it falls into the wrong hands!--

Downsiders Neal Shusterman 2012-02-21 Beneath the sewer grates and manholes of the city lies a strange and secret world called the Downside. Every Downsider knows that it's forbidden to go Topside, and most fear a collision of the two worlds. But fourteen-year-old Talon is curious about what goes on above ground, and one day he ventures out in search of medicine for his ailing sister. There he meets Lindsay, who is as curious about Talon's world as he is about hers. When Lindsay visits the Downside for the first time, she marvels at the spirit of the Downsiders, and the way they create works of art from topside "trash," like old subway tokens and forgotten earrings. As awed as she is by the Downside, however, she also questions its origins, and when she finds out that this fantastic world is not all it appears to be, she is determined to tell Talon the truth. Then a construction accident threatens to crush Talon's world, and his loyalty is put to the test. Can the truth save the Downside, or will it destroy an entire civilization? Neal Shusterman takes readers on an amazing journey into a place that's only a few steps away, yet beyond their wildest dreams.

Wandering Among the Stars Wirtton Arvel 2015-07-05 The motivational journey of a poet among his walking words, a tale written in prose with many poems and inspirational quotes. ‘Wandering among the stars’ tells the love story between the protagonist and life. A story where poetry and prose are intertwined like soul and body, to bring this love story to life so the reader can live it. So it’s not about a collection of poems, least of all a story in verse. Maybe it could be described as a book of ‘narrated poems’ or as a ‘literary musical’; actually it represents a narrative experiment that lies somewhere between a meta-novel, a collection of poems and an essay; its main aim is to encourage those readers that usually prefer to read only prose works to read poetry as well. (Do you want to try?) As a poetry anthology it includes chapters about love, the cosmos, death, spirituality and poetry itself. Italian edition of this book has been a hit and has remained for more than twelve consecutive months among the bestsellers of its category in the Italian Kindle Store. (http://smarturl.it/stelle) - ‘Wonderful book! Wirtton Arvel is the new Gibran’ Mark J. - ‘Poetry is the sound track of our soul; this book tells why’ Josh Russell - ‘It’s like a never ending story singing the song of universe to our soul’ Liz Baum - ‘Very inspirational biography, for all ‘active dreamers’ and life lovers’ Brandon Dyer - ‘This book is like nothing I have ever read before’ David H. Birley - ‘Reading the book, you become a part of something bigger than yourself’ Uvi Poznansky - ‘An interesting sensory experience’ Dennis Waller - ‘Simply beautiful. A treasure for anyone who loves poems’ Ionia Martin - ‘A book for lovers of words’ Scarlet Jensen - ‘Impudent stillness’ (one of the poems) is a jewel of combination of words and ideas’ Jean Pailler - ‘This book cannot be summarized - that would tarnish its beauty of wholeness’ Grady Harp Grab the free Kindle preview (“send sample” button) and give it a try! It’s also available in Italian (http://smarturl.it/stelle) and in a bilingual parallel texts edition [English-Italian] (http://smarturl.it/ProsePoetry) More from Kentauron:

Italian Reader - Short Stories (English-Italian Parallel Text) 2016-12-12 This book contains a selection of 16 finest short stories which have been adapted from originals written by the world’s greatest storytellers such as: O. Henry, W.S. Maugham, R. Goldberg and others. There are also 5 mini-stories presented at the beginning of the book as a “warm-up exercise”.The stories have been thoroughly adapted (to preserve the gist of the original), translated into Italian language and presented as English - Italian parallel text. The book is intended mainly for Elementary to middle-Intermediate level learners. Deliver Us Luigi Meneghello 2011-05-27 Originally published in 1963, and today considered a landmark in twentieth century Italian literature, Luigi Meneghello’s Deliver Us is the memoir, not of an extraordinary childhood, but of the very ordinary one the author shared with most of his generation, when Italy was a rural country under the twin authorities of Church and Fascism. His boyhood begins in 1922, the year of Mussolini’s March on Rome, and ends when Meneghello, 21, goes up into the hills to join the partisans. Called a romanzo—a story, although not a novel, as that term usually suggests—the book is a genre all of its own that mixes personal and collective memory, amateur ethnography, and reflections on language. Meneghello’s sharp insights and narrative skill come together in an original meditation on how words, people, places, and things shape thought itself. Only loosely chronological, Deliver Us proceeds by themes—childhood games, Fascist symbols, religious precepts, and the rites of poverty, of death, of eros, and of love. Meneghello’s ironic musings and profoundly honest recollections make an utterly unsentimental human comedy of that was the whole world to his dawning consciousness.

Tilbury Town Edwin Arlington Robinson 1953

A Christmas Carol Charles Dickens 1994-09-27 A gorgeous hardcover edition of the timeless holiday classic, featuring stunning full-color illustrations by Arthur Rackham, with a gilt-stamped cloth cover, acid-free paper, sewn bindings, and a silk ribbon marker. No holiday season is complete without Charles Dickens’s dramatic and heartwarming story of the transformation of miserly Ebenezer Scrooge through the efforts of the Ghosts of Christmas Past, Present, and Future. Set on a cold Christmas Eve in Victorian London, and featuring Scrooge’s long-suffering and mild-mannered clerk, Bob Cratchit, Bob’s kindhearted son, Tiny Tim; and a host of colorful characters, A Christmas Carol was an instant hit and has been beloved ever since by generations of readers of all ages.

Randomized Algorithms: Approximation, Generation, and Counting Russ Bubley 2012-12-06 Randomized Algorithms discusses two problems of fine pedigree: counting and generation, both of which are of fundamental importance to discrete mathematics and probability. When asking questions like “How many are there?” and “What does it look like on average?” of families of combinatorial structures, answers are often difficult to find – we can be blocked by seemingly intractable algorithms. Randomized Algorithms shows how to get around the problem of intractability with the Markov chain Monte Carlo method, as well as highlighting the method’s natural limits. It uses the technique of coupling before introducing “path coupling” a new technique which radically simplifies and improves upon previous methods in the area.

Next Nature K.M. Mensvoort 2011 ING 17 Flap copy

Little Novels of Sicily Giovanni Verga 2011-03-01 First Published in a single volume in 1883, the stories collected in Little Novels of Sicily are drawn from the Sicily of Giovanni Verga’s childhood, reported at the time to be the poorest place in Europe. Verga’s style is swift, sure, and implacable; he plunges into his stories almost in midbreath, and tells them with a stark economy of words. There’s something dark and tightly coiled at the heart of each story, an ironic, bitter resolution that is belied by the deceptive simplicity of Verga’s prose, and Verga strikes just when the reader’s not expecting it. Translator D. H. Lawrence surely found echoes of his own upbringing in Verga’s sketches of Sicilian life: the class struggle between property owners and tenants, the relationship between men and the land, and the unsentimental, sometimes startlingly lyric evocation of the landscape. Just as Lawrence veers between loving and despising the industrial North and its people, so too Verga shifts between affection for and ironic detachment from the superstitious, uneducated, downtrodden working poor of Sicily. If Verga reserves pity for anyone or anything, it is the children and the animals, but he doesn’t spare them. In his experience, it is the innocents who suffer first and last and always.

Sleep Tight, Little Wolf. Bilingual Children’s Book (English - Anglo-Saxon/Old English) Ulrich Renz 2016-10-04 Bilingual children’s book (age 2 and up) Tim can’t fall asleep. His little wolf is missing! Perhaps he forgot him outside? Tim heads out all alone into the night - and unexpectedly encounters some friends... “Sleep Tight, Little Wolf” is a heart-warming bedtime story. It has been translated into more than 50 languages and is available as a bilingual edition in all conceivable combinations of languages. www.childrens-books-bilingual.com

Manituana Wu Ming 2010-06-14 1775—The conflict between the British Empire and the American colonies erupts in all-out war. Rebels and loyalists to the British Crown compete for an alliance with the Six Nations of the Iroquois, the most powerful Indian confederation, boasting a constitution hundreds of years old. In the Mohawk River Valley, Native Americans and colonists have co-existed for generations. But as the thunder of war approaches and the United States struggles violently into existence, old bonds are broken, friends and families are split by betrayal, and this mixed community is riven by hatred and resentment. To save his threatened world, the Mohawk war chief Joseph Brant sets off in a restless journey that will take him from New York to the salons of Georgian London at the heart of the British Empire.

Short Stories in Dutch for Beginners Olly Richards 2019-12-26 An unmissable collection of eight unconventional and captivating short stories for young and adult learners of Dutch. “Olly’s top-notch language-learning insights are right in line with the best of what we know from neuroscience and cognitive psychology about how to learn effectively. I love his work - and you will too!” - Barbara Oakley, PhD, Author of New York Times bestseller A Mind for Numbers Short Stories in Dutch for Beginners has been written especially for learners from high-beginner to low-intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference (CEFR) for languages, these eight captivating stories will both entertain you, and give you a feeling of progress when reading. What does this book give you? · Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making reading fun, while you learn a wide range of new vocabulary · Controlled language at your level to help you progress confidently · Realistic spoken dialogues, to help you learn conversational expressions and improve your speaking ability · Accessible grammar so you learn new structures naturally, in a stress-free way · Beautiful illustrations accompanying each story, to set the scene and support your understanding · Pleasure! Research shows that if you’re enjoying reading in a foreign language, you won’t experience the usual feelings of frustration - ‘It’s too hard!’ ‘I don’t understand!’ Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress, including: · A glossary for bolded words in each chapter · A bilingual word list · Full plot summary · Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed. From science fiction to fantasy, to crime and thrillers, Short Stories in Dutch for Beginners will make learning Dutch easy and enjoyable.

Wittgenstein's Tractatus Peter Sullivan 2013-02-28 These new studies of Wittgenstein's 'Tractatus' represent a significant step beyond recent polemical debate. They cover a wide range of themes, and show that close investigation into the composition of the work, and into the various influences on it, has much to yield in revealing the complexity and fertility of Wittgenstein's early thought.

Hotel Florida: Truth, Love, and Death in the Spanish Civil War Amanda Vaill 2014-04-22 A spellbinding story of love amid the devastation of the Spanish Civil War Madrid, 1936. In a city blasted by a civil war that many fear will cross borders and engulf Europe—a conflict one writer will call "the decisive thing of the century"—six people meet and find their lives changed forever. Ernest Hemingway, his career stalled, his marriage sour, hopes that this war will give him fresh material and new romance; Martha Gellhorn, an ambitious novice journalist hungry for love and experience, thinks she will find both with Hemingway in Spain. Robert Capa and Gerda Taro, idealistic young photographers based in Paris, want to capture history in the making and are inventing modern photojournalism in the process. And Arturo Barea, chief of the Spanish government's foreign press office, and Ilsa Kulcsar, his Austrian deputy, are struggling to balance truth-telling with loyalty to their sometimes compromised cause—a struggle that places both of them in peril. Beginning with the cloak-and-dagger plot that precipitated the first gunshots of the war and moving forward month by month to the end of the conflict. Hotel Florida traces the tangled and disparate wartime destinies of these three couples against the backdrop of a critical moment in history: a moment that called forth both the best and the worst of those caught up in it. In this noir landscape of spies, soldiers, revolutionaries, and artists, the shadow line between truth and falsehood sometimes became faint indeed—your friend could be your enemy and honesty could get you (or someone else) killed. Years later, Hemingway would say, "It is very dangerous to write the truth in war, and the truth is very dangerous to come by." In Hotel Florida, from the raw material of unpublished letters and diaries, official documents, and recovered reels of film, the celebrated biographer Amanda Vaill has created a narrative of love and reinvention that is, finally, a story about truth: finding it, telling it, and living it—whatever the cost. *INCLUDES 16 PAGES OF BLACK-AND-WHITE

The Guilt Complex Mauro Lena 2021-12-16 Sandra's life is turned upside when she comes face to face with Mirco, her ex-boyfriend and the love of her life. Any hopes of a happy ending vanish when she wakes the next morning to find him brutally murdered. Twenty-six years old, suffocated by an obsessive, paranoid father, Sandra begins her own investigation into Mirco's death, only to find herself digging into her own past, unearthing memories she never even knew she had, and uncovering decades of secrets and guilt-fuelled lies.

The Incal: #1. Orphan of the city shaft Alexandro Jodorowsky 2001 The Complete adventures of John Difool continue as the investigation into the mysterious birth rate in the Red Ring continues. In this volume, John stumbles across several overwhelming obstacles including the involvement of the Prez, the robocops, and the Techno pope in a grand conspiracy, becoming a professional detective and falling in love. If all of this wasn't enough, this volume of the series also features tons of actions and the deaths of several characters. A must-read chapter in one of the most acclaimed sci-fi stories in the world.

Sabrina Nick Drnaso 2021-05-04 How many hours of sleep did you get last night? Rate your overall mood from 1 to 5, 1 being poor. Rate your stress level from 1 to 5, 5 being severe. Are you experiencing depression or thoughts of suicide? Is there anything in your personal life that is affecting your duty? When Sabrina disappears, an airman in the U.S. Air Force is drawn into a web of suppositions, wild theories, and outright lies. He reports to work every night in a bare, sterile fortress that serves as no protection from a situation that threatens the sanity of Teddy, his childhood friend and boyfriend of the missing

woman. Sabrina's grieving sister Sandra struggles to fill her days waiting in purgatory. After a videotape surfaces, we see devastation through a cinematic lens, as true tragedy is distorted when fringe thinkers and conspiracy theorists begin to interpret events to fit their own narratives. The follow-up to Nick Drnaso's LA Times Book Prize winning *Beverly*, Sabrina depicts a modern world devoid of personal interaction and responsibility, where relationships are stripped of intimacy through glowing computer screens. An indictment of our modern state, Drnaso contemplates the dangers of a fake news climate. Timely and articulate, Sabrina leaves you gutted, searching for meaning in the aftermath of disaster.

Elric The Stealer of Souls Michael Moorcock 2008-02-19 "The stories here are the raw heart of Michael Moorcock. They are the spells that first drew me and all the numerous admirers of his work with whom I am acquainted into Moorcock's luminous and captivating web." -from the Foreword by Alan Moore, creator of *V for Vendetta* When Michael Moorcock began chronicling the adventures of the albino sorcerer Elric, last king of decadent Melniboné, and his sentient vampiric sword, Stormbringer, he set out to create a new kind of fantasy adventure, one that broke with tradition and reflected a more up-to-date sophistication of theme and style. The result was a bold and unique hero-weak in body, subtle in mind, dependent on drugs for the vitality to sustain himself-with great crimes behind him and a greater destiny ahead: a rock-and-roll antihero who would channel all the violent excesses of the sixties into one enduring archetype. Now, with a major film in development, here is the first volume of a dazzling collection of stories containing the seminal appearances of Elric and lavishly illustrated by award-winning artist John Picacio-plus essays, letters, maps, and other material. Adventures include "The Dreaming City," "While the Gods Laugh," "Kings in Darkness," "Dead God's Homecoming," "Black Sword's Brothers," and "Sad Giant's Shield." An indispensable addition to any fantasy collection, Elric: The Stealer of Souls is an unmatched introduction to a brilliant writer and his most famous-or infamous-creation. "The most significant UK author of sword and sorcery, a form he has both borrowed from and transformed." -The Encyclopedia of Fantasy From the Trade Paperback edition.

Venetian Legends and Ghost Stories Alberto Toso Fei 2002

The Two Towers John Ronald Reuel Tolkien 1982

Fantastic Tales Iginio Ugo Tarchetti 2020-09-29 Lawrence Venuti, winner of a Guggenheim fellowship and the Global Humanities Translation Prize, among many other awards, has translated into English these Italian Gothic tales of obsessive love, mysterious phobias, and the hellish curse of everlasting life. In this collection of nine eerie stories, Iginio Ugo Tarchetti switches effortlessly between the macabre and the breezily comical. Set in nineteenth-century Italy, his characters court spirits and blend in with the undead: passionate romances filled with jealousy and devotion are fueled by magic elixirs. Time becomes fluid as characters travel between centuries, chasing affairs that never quite prosper. First published by Mercury House in 1992.

Barbapapa's New House Annette Tison 2014-03-06 Full of gentle humour, every Barbapapa story celebrates the power of family and friends. In this story, Barbapapa and his family have to find a perfect new home after their old one is turned into apartments.
