Dear Ijeawele, or A Feminist Manifesto in Fifteen Suggestions
Chimamanda Ngozi Adichie 2017-03-07 NATIONAL BESTSELLER • The award-winning author of *We Should All Be Feminists* and *Americanah* gives us this powerful statement about feminism today—written as a

letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. Dear Ijeawele is Adichie's letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong,

independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today. A Skimm Reads Pick ● An NPR Best Book of the Year

Love Goes to Buildings on Fire Will Hermes 2012-09-04 Chronicles five epochal years of music in the Big Apple against a backdrop of the period's high crime, limited government resources and low rents, tracing the formations of key sounds while evaluating the contributions of such artists as Willie Colón, Bruce Springsteen and Grandmaster Flash.

My Wonderful Nursery Rhyme Collection Editors of Silver Dolphin Books 2016-08-01 All the classic nursery rhymes, stunningly illustrated in a gift to be treasured. My Wonderful Nursery Rhyme Collection is the perfect gift for baby showers or birthdays. It includes a die-cut cover, ribbon bookmark, and 192-pages of classic rhymes paired with modern illustration. This nursery rhyme collection is sure to be a collectible passed through the generations.

The Art of Renaissance Europe Rebecca Arkenberg 2000 Works in the Museum's collection that embody the Renaissance interest in classical learning, fame, and beautiful objects are illustrated and discussed in this resource and will help educators introduce the richness and diversity of Renaissance art to their students. Primary source texts explore the great cities and powerful personalities of the age. By studying gesture and narrative, students can work as Renaissance artists did when they created paintings and drawings. Learning about perspective, students explore the era's interest in science and mathematics. Through projects based on poetic forms of the time, students write about their responses to art. The activities and lesson plans are designed for a variety of classroom needs and can be adapted to a specific curriculum as well as used for independent study. The resource also includes a bibliography and glossary.

Record Research 1982

Titian Remade Maria H. Loh 2007 This insightful volumes the use of

imitation and the modern cult of originality through a consideration of the disparate fates of two Venetian painters - the canonised master Titian and his artistic heir, the little-known Padovanino.

Epic Content Marketing: How to Tell a Different Story, Break through the Clutter, and Win More Customers by Marketing Less

Joe Pulizzi 2013-09-27 Reach more customers than ever with TARGETED CONTENT Epic Content Marketing helps you develop strategies that seize the competitive edge by creating messages and "stories" tailored for instant, widespread distribution on social media, Google, and the mainstream press. It provides a step-by-step plan for developing powerful content that resonates with customers and describes best practices for social media sharing and search engine discoverability. Joe Pulizzi is a content marketing strategist, speaker and founder of the Content Marketing Institute, which runs the largest physical content marketing event in North America, Content Marketing World.

Engineering News and American Contract Journal 1904

The Wrong Case James Crumley 2016-04-20 An extraordinary detective story from one of the great American crime fiction authors. Milo once had a thriving divorce-case business in the small town of in the Pacific Northwest, but because of liberal new divorce laws he has taken to drinking and staring out the window. He's up to his third drink of the morning when an attractive young woman walks into his office and asks him to find her brother. He takes on what seems a routine missing-person case in hopes of getting to know her better, but finds himself involved in what is most definitely the wrong case. Everyone is a victim, one way or another, of a crime that took place long before the novel begins.

Ethnic and Vernacular Music, 1898-1960 Paul Vernon 1995-12-11

Detailed information on almost all ethnic and vernacular recordings from many countries on 78rpm is provided in this seminal work. The current state of discographical research in this wide and varied field is such that

a research tool of this nature is badly needed. Jesse Walter Fewkes and Mary Hemenway recorded Native American music as early as 1890; Bela Bartok recorded rural music in the Balkans; Erich von Hornbostel, the grand old man of ethnomusicology in Europe, recorded in Southeast Asia. More than just a discography, this work demonstrates that cultures around the world and over time have more similarities than differences. A necessity for scholars, students, archivists, and individual record collectors and dealers. The goals of this volume are many and varied: to promote thought and discussion toward a concise definition of recorded ethnic music; to assist specialists working on individual discographical projects; to introduce users to the interconnectedness of cultures through regional music; to gather heretofore disparate pieces of information under one cover in a way that for the first time allows specialists to accurately identify all manner of recordings in many languages. The four sections of the volume work together for easy usage through cross referencing. The philosophy behind the volume was expressed by Rodney Gallop when he remarked that music, for him, was often the key to the understanding of other cultures.

Pure-bred Dogs, American Kennel Gazette 1977-10

Orcs: Bad Blood Stan Nicholls 2009-04-08 Stryke and his band of warriors return in the first part of a brand-new Orcs adventure! When the orcs discovered a world filled with their own kind, they thought they would live there till the end of their days. But the appearance of an unlikely ally will change everything. This ally -- a human -- tells of the atrocities being visited upon orcs back in the other world. He implores Stryke and his companions to come back so that they may save their kind from extinction and wreak vengeance upon the humans who've wronged them. But can this human be trusted? Is he a rare friend to the orc -- or is he there to lure them back for their own personal annihilation?

[Ancient Mesopotamia](#) A. Leo Oppenheim 2013-01-31 "This splendid work of scholarship . . . sums up with economy and power all that the written record so far deciphered has to tell about the ancient and complementary civilizations of Babylon and Assyria."—Edward B. Garside, New York Times Book Review Ancient Mesopotamia—the area

now called Iraq—has received less attention than ancient Egypt and other long-extinct and more spectacular civilizations. But numerous small clay tablets buried in the desert soil for thousands of years make it possible for us to know more about the people of ancient Mesopotamia than any other land in the early Near East. Professor Oppenheim, who studied these tablets for more than thirty years, used his intimate knowledge of long-dead languages to put together a distinctively personal picture of the Mesopotamians of some three thousand years ago. Following Oppenheim's death, Erica Reiner used the author's outline to complete the revisions he had begun. "To any serious student of Mesopotamian civilization, this is one of the most valuable books ever written."—Leonard Cottrell, Book Week "Leo Oppenheim has made a bold, brave, pioneering attempt to present a synthesis of the vast mass of philological and archaeological data that have accumulated over the past hundred years in the field of Assyriological research."—Samuel Noah Kramer, *Archaeology* A. Leo Oppenheim, one of the most distinguished Assyriologists of our time, was editor in charge of the *Assyrian Dictionary of the Oriental Institute* and John A. Wilson Professor of Oriental Studies at the University of Chicago.

Matematica rock Paolo Alessandrini 2019-07-17T00:00:00+02:00 Un viaggio insolito alla scoperta della matematica in un'ambientazione rock: aritmetica, algebra, geometria rese più semplici e divertenti attraverso i numerosi spunti matematici presenti nei dischi e nelle canzoni delle rockstar più famose. Suddiviso in parti tematiche, ognuna dedicata a un ramo della matematica (aritmetica e algebra, statistica e calcolo combinatorio, geometria e topologia, analisi), il libro accompagna il lettore in un percorso che va dai numeri naturali del rock'n'roll dell'orologio (Rock around the Clock) con cui inizia la storia del rock, ai numeri primi di We Will Rock You, alla statistica dei Beatles, alla topologia dei Led Zeppelin, passando per i Coldplay e i Radiohead. Ogni capitolo prende le mosse da un aneddoto, da una vicenda o da un disco della storia del rock, per poi introdurre e trattare un concetto matematico collegato, mantenendo sempre viva la cornice narrativa offerta dallo spunto musicale.

Jews Who Rock Guy Oseary 2016-09-27 Foreword by Ben Stiller

Afterword by Perry Farrell Jewish achievement in the sciences?

Celebrated. Jews in literature? Lionized. But until now, there's been no record of the massive contributions of Jews in Rock n' Roll. Jews Who Rock features 100 top Jewish rockers, from Bob Dylan to Adam Horowitz, Courtney Love (yes, she's half Jewish) to John Zorn, with a concise page of essential data and a biography of each one. Includes the complete lyrics to "The Chanukah Song" by Adam Sandler

We Should All Be Feminists Chimamanda Ngozi Adichie 2015-02-03 NEW YORK TIMES BESTSELLER • The highly acclaimed, provocative essay on feminism and sexual politics—from the award-winning author of *Americanah* In this personal, eloquently-argued essay—adapted from the much-admired TEDx talk of the same name—Chimamanda Ngozi Adichie offers readers a unique definition of feminism for the twenty-first century. Drawing extensively on her own experiences and her deep understanding of the often masked realities of sexual politics, here is one remarkable author's exploration of what it means to be a woman now—and an of-the-moment rallying cry for why we should all be feminists.

When Scotland Was Jewish Elizabeth Caldwell Hirschman 2015-05-07

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional

historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Working with Stories in Your Community Or Organization Cynthia F Kurtz 2014-05-28 "Working with Stories" is a textbook for people who want to use participatory narrative inquiry (PNI) in their communities and organizations. PNI methods help people discover insights, catch emerging trends, make decisions, generate ideas, resolve conflicts, and connect people. Participatory narrative inquiry draws on theory and practice in narrative inquiry, participatory action research, oral history, mixed-methods research, participatory theatre, narrative therapy, sensemaking, complexity theory, and decision support. Its focus is on the exploration of values, beliefs, feelings, and perspectives through collaborative sensemaking with stories of lived experience. Contents Introduction Fundamentals of Story Work What Is a Story? What Are Stories For? How Do Stories Work? Stories in Communities and Organizations A Guide to Participatory Narrative Inquiry Introducing Participatory Narrative Inquiry Project Planning Story Collection Group Exercises for Story Collection Narrative Catalysis Narrative Sensemaking Group Exercises for Narrative Sensemaking Narrative Intervention Narrative Return Appendices Example Models and Templates for Group Exercises Further Reading: Your PNI Bookshelf Bibliography Acknowledgements and Biography Glossary Index Reader praise "I wanted to say thanks for making Working with Stories available. It's an amazing piece of work, so simple (not the ideas, but the presentation) and unintimidating." "[Working With Stories] is very thorough and helpful to me in exploring ways that I might capture the narrative of a project I am involved in." "Your detailed description of [the sensemaking] process is so useful and helpful. It makes seasoned

facilitators like me yearn to try out the ideas." "Over the past few months I have been reading, reflecting, and feasting on your experiences working with stories. I am really excited to have found "Working With Stories" because it seems like a rich set of options for our needs." "Your terminology and explanation of participatory narrative inquiry have helped me greatly in understanding what I want from my practice and what I might be capable of achieving in social change." "I have been returning to Working With Stories time and again over the past six months to help support a community project, and my printed copy is underlined, noted and dog-eared."

Ghost Stories of St. Petersburg, Clearwater and Pinellas County

Deborah Frethem 2007-11-15 Some parts of sunny Florida can be downright chilling . . . A haunting historical tour with photos included! Does the restless ghost of a murder victim haunt a Gulfport home? Does a doomed pirate search for his lost treasure at John's Pass? Are sea captains and Civil War soldiers still combing the area, years after their deaths? With wit and style, the "Queen of Haunts," Deborah Frethem, calls upon years of experience as the general manager and guide of Tampa Bay Ghost Tours to present legends of sinister deeds and whispers of the past from Florida's haunted peninsula.

star turns a girl's life upside down in "a great novel about first love . . . a very touching book" (Fresh Fiction). These are the things that I've always wanted: To get the top grades in my class. To make my grandmother proud. And most of all, proof that I could succeed where the rest of my family had not: a Stanford acceptance letter, early admission. My mother and my sister were obsessed with boys and love and sex. So obsessed that they lost sight of their futures, of what they wanted. And in the end, they lost everything. I'll never let a boy distract me. I promised myself that. But that was before Tate. Before the biggest pop star on the planet took an interest in me. Before private planes and secret dates and lyrics meant for me alone. There's so much I don't know. Like why he left music. Where he goes when we're not together. What dark past he's hiding. But when we kiss, the future feels far away. And now . . . I'm not sure what I want. "Fun and enjoyable to read . . . Fans of musicians and YA contemporary romance will devour it like I did." —Buried in a Bookshelf

The Encyclopedia of Film James Monaco 1991 An alphabetical reference on the major film figures (stars, producers, directors, writers, et al.), past and present. Ask a Manager Alison Green 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
Nativity Flap Book Sam Taplin 2013-09-01 "Discover the magic of the very first Christmas by lifting the big flaps in this simple story of the nativity"--Publisher.
