This colossal book brings history to life with an amazing 3-D lenticular cover, detailed fact book, and fun projects like a gladiator helmet kids can build and wear. Warning: with its unique online component, foldout poster, reusable stickers, info cards, and storybook, kids may battle for this book.

See *You Later, Gladiator #9* Jon Scieszka 2004-04-26 Everyone's favorite time-travelers are changing their styles! The Time Warp Trio series now features a brand-new, eye-catching design, sure to appeal to longtime fans, and those new to Jon Scieszka's wacky brand of humor.

Antient Rome: Facts and Fictions Monica M. Bontty

Gladiators Adrienne Lee 2013-07 "Describes the lives of Gladiator warriors, including their training, weapons, and fighting techniques"--Provided by publisher.

Last of the Gladiators James M. LaRossa Jr. 2019-09-10 He was a titan, standing taller than the Empire State Building. He was voted one of the "100 Smartest New Yorkers" and deemed by People Magazine and his peers one of the top half-dozen defense attorneys in the country. His was a household name, so when he died in 2014, the world's leading newspapers ran lengthy obituaries of him. As an attorney, he was a warrior, a Roman gladiator, feared by prosecutors, respected by judges. He represented clients as notorious as mobsters Paul Castellano and Carlo Gambino, and as diverse as Ross Perot, Studio 54, Keith Hernandez, the New York Jets, MGM, Def Jam Records, and Columbian drug lords. He argued before the Supreme Court, and several times remade criminal law in ways that remain to this day. Of nearly 1000 cases he tried, he won more than 80 percent. He was described as a combination of Bob Hope and Darth Vader. He was superhuman, brilliant, charming, and unforgettable. He was trial lawyer Jimmy LaRossa, and they'll never be another American lawyer quite like him. This is his story, Last of the Gladiators: A Memoir of Love, Redemption, and the Mob by his son, James LaRossa Jr.

Gladiators Tim Collins 2014-03-02 Gladiators fought each other in huge arenas in Ancient Rome. Their battles were fierce, violent and gory. Discover a brutal age when bloodshed and death were used for entertainment. This is the lowest reading level WOW! Facts set, with a reading age of 7-7.5 and an interest age of 10-14. This set uses different text types like tables, bullet points and diagrams in order to communicate in an effective and engaging way.

Additionally, readers need not feel the pressure of completing a continued narrative as the books are divided into standalone chapters and the text is broken up with colourful images and fun facts. Readers will enjoy such interesting subjects as the human body, movie monsters and unusual animals of the sea.

The Gladiators: A Tale of Rome and Judea (Classic Reprint) George John Weyte Melville 2018-03-06 Excerpt from The Gladiators: A Tale of Rome and Judea Again the dream changes. Frenzied priest and Druidical stone have vanished like the mist that circled them. It is a beautiful balmy night in June. The woods are black and silver in the moonlight. Not a breath of air stirs the topmost twigs of the lofty elm cut clear and distinct against the sky. Not a ripple blurs the surface of the lake, spread out and gleaming like a set of polished steel. The bittern calls at intervals from the adjacent marsh, and the nightingale carols in the copm. All is peaceful and beautiful, and suggestive of enjoyment or repose. Yet here, lying close amongst the foxglove and the fern, long lines of white robed warriors are waiting but the Signal for assault. And yonder, where the earth-work rises dark and level against the sky, paces to and fro a high-crested sentinel, watching over the safety of the Eagles, with the calm and ceaseless vigilance of that discipline which has made the legionaries masters of the world. 100 Facts Gladiators Rupert Matthews 2015-08-15 100 Facts Gladiators is a non fiction book for kids, bursting with detailed historical images, great activities and exactly 100 gladiator facts for kids. Children will learn everything they need to know about these ancient Roman warriors. 100 Facts Gladiators covers key topics about the ancient spectator sport of fighting to the death in straightforward numbered facts. Each fact is accompanied by beautiful illustrations and photographs, which add visual meaning to the information for kids. Essential topics covered in 100 Facts Gladiators: - The origins of the gladiators and the first fights - Famous gladiators such as Spartacus and the day in the life of a typical gladiator - The changing purpose of the arena for entertainment, politics and a place for punishment Examples of 'I don't believe it!' fascinating facts: - Gladiator helmets were very heavy. They weighed about 7 kilograms - twice as much as an army helmet! - The Romans loved watching animals that had been trained to perform tricks. One animal trainer put on shows in which an ape drove a chariot pulled by camels. - In 165 BC, a play was interrupted when the entire audience left the theatre to watch a gladiatorial show. The actors were left alone in the theatre! Activities to make learning accessible and interactive include: - Make a shield with cardboard, string, coloured pencils and scissors - Quiz question: What name was given to men who trained gladiators? - Recreate the combat of the Andabatae with a game. You will need a blindfold and four or more players Author: Rupert Matthews Consultant: Philip Steele Pages: 48 Age: 6+ Dimensions: 9 X 12 Format: Paperback with holographic foil ISBN: 9781842368787 **Gladiators and Caesars** Eckart Köhne 2000-01-01 Describes the events and games held in the amphitheatres, cicuses, and theaters in ancient Rome.

Blood Debts Ashley Gardner 2017-07-10 Leonidas, freedman, once the most popular gladiator in Rome and champion of the games, now must fight for his life outside the arena. A man who owed him money was murdered, and Leonidas is a prime suspect. With the assistance of Cassia, daughter of a Greek scribe who was bestowed upon him as his slave, Leonidas fights for justice in the back lanes of Imperial Rome. Cassia has no idea how to cook and clean or mend and weave, but she is very good at finding things out and writing things down, able to work through a dozen mathematical problems by the time most people can think of a sentence. Knowing both intuitively and empirically that Leonidas is innocent of the murder, she resolves to help clear him of the crime. It's the least she can do for a man who has proved to be far less brutal than his reputation and who protects all who come within his sphere. And if Leonidas loses, he faces a short, painful future back in the amphitheater, this time without hope of survival. A novella of the Leonidas the Gladiator mysteries.

Those About to Die Daniel Mannix 2014-01-13 Thousands flocked to see gladiators, charioteers, wild animals, women and children hacked, crucified, torn to pieces, ravished, burned, and drown. Biographies, paintings, historical evidence and an author's imagination merge to tell the story of one of history's most ruthless exhibitions--the Roman games.

Naked Statues, Fat Gladiators, and War Elephants Garrett Ryan 2021-09-01 Why didn't the ancient Greeks or Romans wear pants? How did they shave? How likely were they to drink fine wine, eye birth control, or survive surgery? In a series of short and humorous essays, Naked Statues, Fat Gladiators, and War Elephants explores some of the questions about the Greeks and Romans that ancient historian Garrett Ryan has answered in the classroom and online. Unlike most books on the classical world, the focus is not on famous figures or events, but on the fascinating details of daily life. Learn the answers to: How tall were the ancient Greeks and Romans? How long did they live? What kind of pets did they have? How dangerous were their cities? Did they believe their myths? Did they believe in ghosts, monsters, and/or aliens? Did they jog or lift weights? How did they capture animals for the Colosseum? Were there secret police, spies, or assassins? What happened to the city of Rome after the Empire collapsed? Can any families trace their ancestry back to the Greeks or Romans?

Spartacus Rob Shone 2005-01-15 This book describes the fighting of Spartacus and his slave army in their rebellion against the Romans.

Gladiators Arising: Blood-Bought vs. Blood Sport Trent Herbert 2022-03-08 History repeats. Gladiators Arising: Blood-Bought vs. Blood Sport examines the resurgence of blood sports in the world today and its infiltration into the church. Historians are calling on people not to be comforted in the false assumption that gladiatorial fights could never happen again. Yet, it is realized that the neo-gladiators of Mixed Martial Arts have already arisen. This book walks through the corridors of time and takes a panoramic historical view of the early church's collision with gladiators and its ultimate victory. The exploding concussion crisis makes this a timely book and the uncomfortable realities need a biblical response. Gladiators Arising demonstrates the early church's success in piercing the darkness with the Light of Christ. It was through loving those created in His image and sharing the Gospel no matter the cost that changed the course of history. The cross today, standing within the weathered Roman Colosseum, beckons us to remember the past, understand the present, and prepare for the future.

Spartacus: The Gladiator Ben Kane 2012-06-05 "Gritty, passionate and violent, this thrilling book is a real page-turner and a damn good read. It brings Spartacus--and ancient Rome--to vivid, colorful life." --Steven Pressfield, author of Gates of Fire Long the stuff of legends, Spartacus is known to most modern readers through the classic Kubrick film version of Howard Fast's novel. Now bestselling historical novelist Ben Kane returns to the source material and presents a lively and compelling new vision of the man who was Spartacus--Roman army auxiliary, slave, gladiator and ultimately the leader of an army of slaves who nearly brought Rome to its knees. Ben Kane's brilliant novel begins in the Thracian village to which Spartacus has returned after escaping from life as an auxiliary in the Roman army. Jealous of his attachment to Ariadne, a Dionysian priestess, the Thracian king betrays Spartacus to the Romans who take him, along with Ariadne, into captivity and to the school of gladiators at Capua. Against the background of the unbelievable brutality of gladiatorial life, Spartacus and Crixus the Gaul plan the audacious overthrow of their Roman masters. They escape and flee to Vesuvius, where they recruit and train an army of escaped slaves that will have to face the conquerors of the known world, the most successful deadly army in all of history in a battle that will set in motion the legend that is Spartacus.

The Gladiator Alan Baker 2000 Take "a lively, voyeuristic glimpse into the ancient world" of the gladiator (Publishers Weekly)

Gladiators in Suits Simone Adams 2019-08-21 One of the most popular shows to come out of Shondaland, Shonda Rhimes's production company, is ABC's political drama Scandal (2012-18)--a series whose tremendous success and marketing savvy led LA Times critic Mary McNamara to hail it as "the show that Twitter built" and Time magazine to name its protagonist as one of the most influential fictional characters of 2013. The series portrays a fictional Washington, DC, and features a diverse group of characters, racially and otherwise, who gather around the show's antiheroine, Olivia Pope, a powerful crisis manager who happens to have an extramarital affair with the president of the United States. For seven seasons, audiences learned a great deal about Olivia and those interwoven in her complex world of politics and drama, including her team of "gladiators in suits," with whom she manages the crises of Washington's political elite. This volume, named for both Olivia's team and the show's fans, analyzes the communication, politics, stereotypes, and genre techniques featured in the television series while raising key questions about the intersections of race, gender, sexuality, and viewing audiences. The essays range from critical looks at various members of Scandal's ensemble, to in-depth analyses of the show's central themes, to audience reception studies via interviews and social media analysis. Additionally, the volume contributes to research on femininity, masculinity, and representations of black womanhood on television. Ultimately, this collection offers original and timely perspectives on what was one of America's most "scandalous" prime-time network television series.

The Gladiators vs. Spartacus, Volume 1 Henry MacAdam 2020-11-13 Using previously unpublished correspondence and personal journal entries from screenwriter Abraham Polonsky, neglected notices in Variety and other Hollywood trade publications, and a wide range of published sources, this narrative backstory of rival movie productions of The Gladiators vs Spartacus documents that intense competition with greater precision and clarity than any other existing account. The key role that this little-known chapter of Hollywood's blacklist history played, in connection with Dalton Trumbo's successful effort to win screen credit for Spartacus, is now for the first time available to film historians and lay readers. A companion study, Volume 2, is devoted to Abraham Polonsky's rediscovered screenplay.

The Gladiators 1925

Blood of a Gladiator Ashley Gardner 2020-05-21 Leonidas, champion gladiator of Rome, is set free from the games by a mysterious benefactor who grants him freedom, a place to live, and a servant-Cassia, a scribe-to look after him. But the benefactor is only so generous--Leonidas must pay his own way and Cassia's, which means hiring himself out. The sharp-witted Cassia quickly lands him a post as a bodyguard, escorting a retired senator to Ostia. The journey soon turns deadly, as Leonidas and Cassia find themselves squarely in the middle of intrigue that reaches from the slums of the Subura to the Palatine Hill and the emperor Nero himself.

The World of the Gladiator Susanna Shadrake 2005 The world of the gladiator

Sold to the Alien Gladiators Corin Cain 2019-01-28 We will claim her.She looks at my triad with disgust and hatred.We stare at her with pure hunger. Captured and forced to battle in the blood-soaked arenas of Bugra, my triad will live and die under the scorching sun. The only thing that moves our weary muscles and overcomes the pain of our wounds is the obsession of claiming our fated mate.She is brought to us humiliated and disheveled, and yet still her eyes burn with defiance. We are born to battle. We are born to blood and violence. Aurelians have no master, and when we break our shackles there will be a reckoning. She will be ours, even if I have to level empires and plunge the universe into war. I would kill for her, die for her, even as her hatred burns me to the core. She will be ours.Look inside to preview the book!

See *You Later, Gladiator #9* Jon Scieszka 2004-04-26 Everyone's favorite time-travelers are changing their styles! The Time Warp Trio series now features a brand-new, eye-catching design, sure to appeal to longtime fans, and those new to Jon Scieszka's wacky brand of humor.

Invisible Romans Robert Knapp 2011-11-29 Robert Knapp brings to light the laboring men, housewives, prostitutes, freedmen, slaves, soldiers, and gladiators who formed the backbone of the ancient Roman world, and the outlaws and pirates who lay beyond it. The lives of these invisible Romans emerge from graffiti, incantations, fables, astrological writings, and even the New Testament.

America's Secret War George Friedman 2005-10-11 George Friedman delivers the geopolitical story that the mainstream media has been unable to uncover -- the startling truth behind America's foreign policy and war effort in Afghanistan, Iraq, and beyond. Friedman, founder of Stratfor, one of the world's most respected private global intelligence firms, and Geopolitical Futures, has an unmatched ability to provide clear perspective on the current geopolitical map. In America's Secret War, George Friedman identifies the United States' most dangerous enemies, delves into presidential strategies of the last quarter century, and reveals the real reasons behind the attack of 9/11--and the Bush administration's motivation for the war in Iraq. It describes in eye-opening detail America's covert and overt efforts in the global war against terrorism: Not only are U.S. armies in combat on every continent, but since 9/11 the intelligence services of dozens of nations have been operating in close partnership with the CIA. Drawing on his vast information-gathering network, Friedman presents an insightful picture of today's world that goes far beyond what is reported on television and in other news media. Al Qaeda's war plans and how they led to 9/11 The threat of a suitcase nuclear bomb in New York and how that changed the course of the war. The deal the U.S. made with Russia and Iran which made the invasion of Afghanistan possible -- and how those deals affect the United States today. How fear and suspicion of the Saudis after 9-11 tore apart the Bush-Saudi relationship and why Saudi Arabia's closest friends in the administration became the Saudi's worst enemies. The real reasons behind George W. Bush's invasion of Iraq and how WMD became the cover for a much deeper game. How the CIA miscalculated about Saddam Hussein's and Iran's real plans, leaving the U.S. bogged down in the war. How the war in Iraq began with a ruse, pretending that a "target of opportunity" attack on Saddam Hussein had presented itself. The real story about why the U.S. raises and lowers its alert status and why the United States can't find and destroy al Qaeda. The strategic successes that are slowly leading the United States to victory America's Secret War is an unprecedented look at the new world war being waged behind-the-scenes today. It is sure to stir debate and capture headlines around the world.

Emperors and Gladiators Thomas Wiedeman 2002-03-11 Of all aspects of Roman culture, the gladiatorial contests for which the Romans built their amphitheatres are at once the most fascinating and the most difficult for us to come to terms with. They have been seen variously as sacrifices to the gods or, at funerals, to the souls of the deceased; as a mechanism for introducing young Romans to the horrors of fighting; and as a direct substitute for warfare after the imposition of peace. In this original and authoritative study, Thomas Wiedeman argues that gladiators were part of the mythical struggle of order and civilisation against the forces of nature, barbarism and law breaking, representing the possibility of a return to new life from the point of death; that Christian Romans rejected gladiatorial games not on humanitarian grounds, but because they were a rival representation of a possible resurrection.

The Gladiators George John Whyte-Melville 1890 Dark and stern, in their weird beauty, lower the sad brows of the Queen

of Hell. Dear to her are the pomp and power, the shadowy vastness, and the terrible splendour of the nether world. Dear to her the pride of her unbending consort; and doubly dear the wide imperial sway, that rules the immortal destinies of souls. But dearer far than these--dearer than flashing crown and fiery sceptre, and throne of blazing gold--are the memories that glimmer bright as sunbeams athwart those vistas of gloomy grandeur, and seem to fan her weary spirit like a fresh breeze from the realms of upper earth. She has not forgotten, she never can forget, the dewy flowers, the blooming fragrance of lavish Sicily, nor the sparkling sea, and the summer haze, and the golden harvests that wave and whisper in the garden and granary of the world. Then a sad smile steals over the haughty face; the stern beauty softens in the gleam, and, for a while, the daughter of Ceres is a laughing girl once more.

Gladiator Dan Clark 2009-02-10 Aggressive, explosive, and boasting awesome athletic ability, Dan Clark rose to tremendous fame as Nitro on American Gladiators. He quickly emerged as the most popular cast member and became a reality television superstar. But a twenty-year affair with steroids led to a life of pissing blood, smuggling drugs, destroying hotel rooms, getting arrested, growing breasts, and lying bloodied in the street after a vicious fight with his best friend. This is Clark's riveting, fiercely candid account of his life, career, and steroid addiction. From an upbringing defined by tragedy and a difficult search for identity to tales of performing center stage at Madison Square Garden and bedding Playboy Bunnies and porn stars, Clark explores the price of fame, the pressure of stardom, and how the whole steroid-fueled fantasy finally imploded. What began in high school as a way to speed up recovery from injury rapidly turned into an all-consuming addiction. With self-deprecating humor and a trove of incredible stories, Clark provides an eye-opening report on the dangers of steroids both obvious and hidden -- and offers his thoughts on why steroid use remains a persistent problem today. More than just a pulpy exposé, *Gladiator* is a triumphant story of self-discovery and redemption.

Gladiator Science Allison Lassieur 2016-08 "Consultant: Josh Davis, historian and craftsman, Davis Reproductions, St. Paul, MN"--Title page.

Chess Gladiator Asa Hoffmann 1996

God's Gladiators Stuart Wilde 2003-01-01

Spartacus and His Glorious Gladiators Toby Brown 2003-12 You've probably heard of Spartacus... The world of the Roman Empire and life in Thrace form the backdrop to this incredible tale. Beginning with his time at and escape from gladiator school, we follow Spartacus into the crater of Vesuvius, where he amasses his slave army. Ages 8+.

Gladiator: The Roman Fighter's [Unofficial] Manual Philip Matyszak 2011-04-15 An entertaining yet factual insider's guide: how to become a gladiator, hone your fighting skills, and thrill the crowds in the Colosseum. The Wargaming Compendium Henry Hyde 2013-08-19 An extensive reference guide to the exciting hobby, for beginners as well as longtime players. Wargaming is a fascinating, engrossing, and exciting pastime that encompasses a wide range of

different talents. The average wargamer uses the skills of artist, designer, sculptor, illustrator, historian, librarian, researcher, mathematician, and creative writer, as well as the more obvious ones of general, admiral, or air marshal for large games, or perhaps lieutenant, commodore, or squadron leader for skirmishes. Aside from calling upon many skills, wargaming also covers many aspects of combat, spanning the history of Earth. With science fiction gaming, we plunge into imagined worlds many thousands of years into the future, and a fantasy gamer, of course, deals with eons of imagined history, as anyone who has read *The Lord of the Rings* will know. A wargamer may find themselves recreating an encounter between a handful of adversaries one day, or a massed battle involving perhaps hundreds of miniature troops the next. Moreover, it is possible to play wargames that recreate warfare on land, on sea, in the air, or even in outer space. This book demonstrates the wonderfully varied hobby of wargaming with miniatures, looking at the broad scope of what it has to offer as well as detailed explanations of how to get involved, including comprehensive rules for gladiator combat, Wild West skirmishes, and the horse and musket era, as well as lots of advice for anyone new to wargaming. Whether you're a complete newcomer to the hobby, or a veteran of many years, you'll find plenty in *The Wargaming Compendium* to entertain and inspire you.

Gladiator Dewey Gram 2000 Ridley Scott brings the splendour of Ancient Rome to the big screen, with Russell Crowe as the Roman general who wreaks vengeance on the man who rules the Roman empire. The film is released on 19th May 2000.

Max and the Gladiator Damian Harvey 2020-06-18 This story is part of Reading Champion, a series carefully linked to book bands to encourage independent reading skills, developed with Dr Sue Bodman and Glen Franklin of UCL Institute of Education (IOE) Max is on a school trip to Chester to visit some Roman ruins. As he takes a little nap after lunch he is suddenly transported back in time ... and before him stands a fully armed Roman Gladiator! Reading Champion offers independent reading books for children to practise and reinforce their developing reading skills. Fantastic, original stories are accompanied by engaging artwork and a reading activity. Each book has been carefully graded so that it can be matched to a child's reading ability, encouraging reading for pleasure. The Key Stage 2 Reading Champion Books are suggested for use as follows: Independent Reading 11: start of Year 3 or age 7+ Independent Reading 12: end of Year 3 or age 7+ Independent Reading 13: start of Year 4 or age 8+ Independent Reading 14: end of Year 4 or age 8+ Independent Reading 15: start of Year 5 or age 9+ Independent Reading 16: end of Year 5 or age 9+ Independent Reading 17: start of Year 6 or age 10+ Independent Reading 18: end of Year 6 or age 10+

Gladiator Philip Wylie 2015-11-18 Genetically altered to achieve superhuman levels of strength, speed, and intelligence, a young man struggles to find his place in the world. This 1930 novel predates Superman and develops the superhero archetypes.

The Gladiators, Vol. 2 of 2 George John Whyte Melville 2017-11-28 Excerpt from *The Gladiators*, Vol. 2 of 2: A Tale of Rome and Judaea At a signal from the superior priestess, the long, white line stood still, while her lictors seized the horses, and surrounded the chariot. Already a crowd of curious bystanders was gathering, and the glare of the burning Capitol shed its light even here, on their dark, eager faces, contrasting strangely with the veiled figures that occupied the middle of the street, cold and motionless as marble.
