Recreational Scuba Dive Training for the beginning diver for use with NASE Worldwide's Open Water Diver training program. Presented in full color, with key side notes of importance and interest to divers, this manual does not constitute a diver training program, but is to be used under the direction of a NASE Worldwide Recreational Scuba Instructor. It is also an excellent source of information for certified divers as source information to keep their knowledge current.

2022-08-04 If you are planning to take your
Open Water Diver course in a few weeks,
then you need a study guide that will help
you prepare for the final test with practise
questions. We include things to know before
you take the test, tips from an experienced
instructor, tricks for taking the exam,
Recreational Dive Planner information and
57 practise questions. During the test you
need to answer questions about the basic
principles of scuba diving, which shows that
you know how to plan dives, choose the
right scuba gear and understand
underwater signals and diving procedures.
This book is written by an experienced
instructor to help you make sure you are
adequately prepared and ready! It was
updated in 2022 to include Covid related
questions.
