## A Concise History of Japan

2015-02-26 Brett L. Walker To this day, Japan's modern ascendancy challenges many assumptions about world history, particularly theories regarding the rise of the west and why the modern world looks the way it does. In this engaging new history, Brett L. Walker tackles key themes regarding Japan's relationships with its minorities, state and economic development, and the uses of science and medicine. The book begins by tracing the country's early history through archaeological remains, before proceeding to explore life in the imperial court, the rise of the samurai, civil conflict, encounters with Europe, and the advent of modernity and empire. Integrating the pageantry of a unique nation's history with today's environmental concerns, Walker's vibrant and accessible new narrative then follows Japan's ascension from the ashes of World War II into the thriving nation of today. It is a history for our times, posing important questions regarding how we should situate a nation's history in an age of environmental and climatological uncertainties.

### *The Making of Modern Japan*

2009-07-01 Marius B. Jansen Magisterial in vision, sweeping in scope, this monumental work presents a seamless account of Japanese society during the modern era, from 1600 to the present. A distillation of more than fifty years' engagement with Japan and its history, it is the crowning work of our leading interpreter of the modern Japanese experience. Since 1600 Japan has undergone three periods of wrenching social and institutional change, following the imposition of hegemonic order on feudal society by the Tokugawa shogun; the opening of Japan's ports by Commodore Perry; and defeat in World War II. The Making of Modern Japan charts these changes: the social engineering begun with the founding of the shogunate in 1600, the emergence of village and castle towns with consumer populations, and the diffusion of samurai values in the culture. Marius Jansen covers the making of the modern state, the adaptation of Western models, growing international trade, the broadening opportunity in Japanese society with industrialization, and the postwar occupation reforms imposed by General MacArthur. Throughout, the book gives voice to the individuals and views that have shaped the actions and beliefs of the Japanese, with writers, artists, and thinkers, as well as political leaders given their due. The story this book tells, though marked by profound changes, is also one of remarkable consistency, in which continuities outweigh upheavals in the development of society, and successive waves of outside influence have only served to strengthen a sense of what is unique and native to Japanese experience. The Making of Modern Japan takes us to the core of this experience as it illuminates one of the contemporary world's most compelling transformations.

1988 Yamamura Kozo Survey of the historical events and developments in medieval Japan's polity, economy, society and culture.

### Japan

2013-09-01 Mikiso Hane What is a shogun? Who were the samurai and what is the warrior code? What lies behind the Japanese work ethic? From the ancient tea ceremony to the boom and subsequent downturn of its economic prosperity, this uniquely concise introduction to Japan and its history surveys nearly 10,000 years of society, culture, economics and politics. Balancing economic and political information with new insights into the twin spheres of art and religion, Mikiso Hane offers authoritative coverage of all aspects of Japanese life. With a particular focus on the key events of the last 200 years, the author also pays special attention to the changing conditions of those whose history has been so frequently neglected - the women, the peasants, and the lowest order of untouchables. Well-rounded and enlightening, this informative account of Japan and its people will be greatly appreciated by historians, students and all those with an interest in this diverse and enigmatic country.

## A Brief History of Japan

2017-08-01 Jonathan Clements This fascinating history tells the story of the people of Japan, from ancient teenage priest-queens to teeming hordes of salarymen, a nation that once sought to conquer China, yet also shut itself away for two centuries in self-imposed seclusion. First revealed to Westerners in the chronicles of Marco Polo, Japan was a legendary faraway land defended by a fearsome Kamikaze storm and ruled by a divine sovereign. It was the terminus of the Silk Road, the furthest end of the known world, a fertile source of inspiration for European artists, and an enduring symbol of the mysterious East. In recent times, it has become a powerhouse of global industry, a nexus of popular culture, and a harbinger of post-industrial decline. With intelligence and wit, author Jonathan Clements blends documentary and storytelling styles to connect the past, present and future of Japan, and in broad yet detailed strokes reveals a country of paradoxes: a modern nation steeped in ancient traditions; a democracy with an emperor as head of state; a famously safe society built on 108 volcanoes resting on the world's most active earthquake zone; a fast-paced urban and technologically advanced country whose land consists predominantly of mountains and forests. Among the chapters in this Japanese history book are: The Way of the Gods: Prehistoric and Mythical Japan A Game of Thrones: Minamoto vs. Taira Time Warp: 200 Years of Isolation The Stench of Butter: Restoration and Modernization The New Breed: The Japanese Miracle

### *Japan*

### **A Concise History of Japan**

2015-02-26 Brett L. Walker A comprehensive and engaging new history, charting Japan's development from its origins through to the present day.

### A Concise History of the United States of America

2012-03-05 Susan-Mary Grant Born out of violence and the aspirations of its early settlers, the United States of America has become one of the world's most powerful nations. The book begins in colonial America as the first Europeans arrived, lured by the promise of financial profit, driven by religious piety and accompanied by diseases which would ravage the native populations. It explores the tensions inherent in a country built on slave labour in the name of liberty, one forced to assert its unity and reassess its ideals in the face of secession and civil war, and one that struggled to establish moral supremacy, military security and economic stability during the financial crises and global conflicts of the twentieth century. Woven through this richly crafted study of America's shifting social and political landscapes are the multiple voices of the nation's history: slaves and slave owners, revolutionaries and reformers, soldiers and statesmen, immigrants and refugees. These voices help define the United States at the dawn of a new century.

### *A Concise History of Bolivia*

2011-01-31 Herbert S. Klein In its first Spanish edition, Herbert Klein's A Concise History of Bolivia won immediate acceptance within Bolivia as the new standard history of this important nation. Surveying Bolivia's economic, social, cultural and political evolution from the arrival of early man in the Andes to the present, this current version brings the history of this society up to the present day, covering the fundamental changes that have occurred since the National Revolution of 1952 and the return of democracy in 1982. These changes have included the introduction of universal education and the rise of the mestizos and Indian populations to political power for the first time in national history. This second edition brings this story through the first administration of the first self-proclaimed Indian president in national history and the major changes that the government of Evo Morales has introduced in Bolivian society, politics and economics.

**a concise history of japan cambridge concise** - Hi precious reader. Searching for unique ideas is one of the interesting events but it can be also exhausted whenever we can not discover the desired plan. Exactly like you now, You are searching for unique concepts about a concise history of japan cambridge concise right?

Truly, we have been realized that a concise history of japan cambridge concise is being one of the most popular subject right now. So we tried to identify some terrific a concise history of japan cambridge concise image to suit your needs. Here it is. it was from reliable on-line source and that we love it. We expect it bring a new challenge for a concise history of japan cambridge concise topic. So, what about you? Do you love it too? Do you agree that this graphic will likely be one of wonderful resource for a concise history of japan cambridge concise? Please leave a thoughts for us, we hope we can present much more helpful info for next articles.

This excellent a concise history of japan cambridge concise image has submitted. Recognizing the exaggeration ways to get this book **a concise history of japan cambridge concise** is additionally useful. You have remained in right site to start getting this info. acquire the a concise history of japan cambridge concise connect that we have enough money here and check out the link.

You could purchase lead a concise history of japan cambridge concise or get it as soon as feasible. You could quickly download this a concise history of japan cambridge concise after getting deal. So, when you require the books swiftly, you can straight acquire it. Its hence completely easy and thus fats, isnt it? You have to favor to in this spread
