The book "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, first issued in 1997, establishes a systematic model for the study and description of casual conversation in English. The scholars argue that despite its occasionally aimless look and seemingly unstructured content, casual conversation is a very structured undertaking and plays a crucial part in the social formation of reality. The work proceeds through genuine examples of casual conversations including participants diverging in age, gender, ethnicity, and socio-economic class¹². Pulling on understandings from sociology, linguistics, and critical semiotics, the publication furnishes readers with the examinative skills to depict the layers of structure and critical interpretive structures to explain the 'social work' that happens on through chat.
