assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

*Above the Fold, Revised Edition*

2016-07-15 Brian D Miller Above the Fold is a book about the fundamentals of clear graphic communication within the context of Web design. The book has three sections, which follow the cycle of a typical Web project: PLAN Section 1 focuses on the predesign phase of a Web project. From project planning and brief writing to information architecture and responsive grid creation. DESIGN The second section of Above the Fold explores the enduring principles of design and the nuances that are specific to the field of Web design. OPTIMIZE Finally, we close the loop and discover ways to enable your client to maximize the investment they've made in their Web site with marketing and analytics.

*Understanding Exposure*

*Albion's Seed*

1991-03-14 David Hackett Fischer This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have
