The diamond was known as the African Star, and it was the greatest and most stunning diamond in the globe. It was secured by a high-tech security system, and a team of armed guards. No one could steal it, or so they assumed. But someone did. An individual succeeded to get around the security, to evade the guards, to break the glass, and to steal the diamond. And no one noticed them, no one listened to them, no one identified who they were. They left no sign, no clue, no evidence. They vanished into the nightfall, with the African Star. And the riddle of the missing diamond began.
