## Citizen

2014-10-07 Claudia Rankine \* Finalist for the National Book Award in Poetry \* \* Winner of the National Book Critics Circle Award in Poetry \* Finalist for the National Book Critics Circle Award in Criticism \* Winner of the NAACP Image Award \* Winner of the L.A. Times Book Prize \* Winner of the PEN Open Book Award \* ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Boston Globe, The Atlantic, BuzzFeed, NPR. Los Angeles Times, Publishers Weekly, Slate, Time Out New York, Vulture, Refinery 29, and many more . . . A provocative meditation on race, Claudia Rankine's long-awaited follow up to her groundbreaking book Don't Let Me Be Lonely: An American Lyric. Claudia Rankine's bold new book recounts mounting racial aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV- everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, Citizen is a powerful testament to the individual and collective effects of racism in our contemporary, often named "post-race" society.

## The White Card

2019-03-19 Claudia Rankine A play about the imagined fault line between black and white lives by Claudia Rankine, the author of Citizen The White Card stages a conversation that is both informed and derailed by the black/white American drama. The scenes in this one-act play, for all the characters' disagreements, stalemates, and seeming impasses, explore what happens if one is willing to stay in the room when it is painful to bear the pressure to listen and the obligation to respond. —from the introduction by Claudia Rankine Claudia Rankine's first published play, The White Card, poses the essential question: Can American society progress if whiteness remains invisible? Composed of two scenes, the play opens with a dinner party thrown by Virginia and Charles, an influential Manhattan couple, for the up-and-coming artist Charlotte. Their conversation about art and representations of race spirals toward the devastation of Virginia and Charles's intentions. One year later, the second scene brings Charlotte and Charles into the artist's studio, and their confrontation raises both the stakes and the questions of what—and who—is actually on display. Rankine's The White Card is a moving and revelatory distillation of racial divisions as experienced in the white spaces of the living room, the art gallery, the theater, and the imagination itself.

## Collected Poems: 1950–2012

2016-06-21 Adrienne Rich The collected works of Adrienne Rich, whose poetry is "distinguished by an unswerving progressive vision and a dazzling, empathic ferocity" (New York Times). A Finalist for the 2017 Pulitzer Prize in Poetry. Adrienne Rich was the singular voice of her generation and one of our most important American poets. She brought discussions of gender, race, and class to the forefront of poetical discourse, pushing formal boundaries and consistently examining both self and society. This collected volume traces the evolution of her poetry, from her earliest work, which was formally exact and decorous, to her later work, which became increasingly radical in both its free-verse form and feminist and political content. The entire body of her poetry is on display in this vast volume, including the National Book Award–winning Diving Into the Wreck and her prize-winning Atlas of the Difficult World. The Collected Poems of Adrienne Rich gathers and memorializes all of her boldly political, formally ambitious, thoughtful, and lucid work, the whole of which makes her one of the most prolific and influential poets of our time.

## Nothing in Nature is Private

1994 Claudia Rankine Poetry. African American Studies. "Claudia Rankine is a fiercely gifted young poet. Intelligence, a curiosity and hunger for understanding like some worrying, interior, physical pain, a gift for being alert in the world. She knows when to bless and to curse, to wonder and to judge, and she doesn't flinch. NOTHING IN NATURE IS PRIVATE is an arrival. It's the kind of book that makes you hopeful for American poetry."—Robert Hass "I am excited by Claudia Rankine's poems, their elegance, their emotional force, their scrupulous intimation of multiple identities. Representing brilliantly the prismatic vision of a Jamaican, middle class, intellectual black woman living in America, they address the widest constituency of readers. This is a richly rewarding collection."—Mervyn Morris

## Just Us

2020-09-08 Claudia Rankine FINALIST FOR THE 2021 ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN NONFICTION Claudia Rankine's Citizen changed the conversation—Just Us urges all of us into it As everyday white supremacy becomes increasingly vocalized with no clear answers at hand, how best might we approach one another? Claudia Rankine, without telling us what to do, urges us to begin the discussions that might open pathways through this divisive and stuck moment in American history. Just Us is an invitation to discover what it takes to stay in the room together, even and especially in breaching the silence, guilt, and violence that follow direct addresses of whiteness. Rankine's questions disrupt the false comfort of our culture's liminal and private spaces—the airport, the theater, the dinner party, the voting booth—where neutrality and politeness live on the surface of differing commitments, beliefs, and prejudices as our public and private lives intersect. This brilliant arrangement of essays, poems, and images includes the voices and rebuttals of others: white men in first class responding to, and with, their white male privilege; a friend's explanation of her infuriating behavior at a play; and women confronting the political currency of dying their hair blond, all running alongside fact-checked notes and commentary that complements Rankine's own text, complicating notions of authority and who gets the last word. Sometimes wry, often vulnerable, and always prescient, Just Us is Rankine's most intimate work, less interested in being right than in being true, being together.

---

## The End of the Alphabet

2007-12-01 Claudia Rankine A “harrowing and hallucinogenic” collection of poems from author of the New York Times–bestselling National Book Award-finalist Citizen: An American Lyric (Library Journal). Claudia Rankine's book-length poem about rising racial tensions in America, Citizen: An American Lyric, won numerous prizes, including the The National Book Critic's Circle Award. Her new collection of poems—intrepid, obsessive, and erotic—tell the story of a woman's attempt to reconcile herself to her own despair. Drawing on voices from Jane Eyre to Lady MacBeth, Rankine welds the cerebral and the spiritual, the sensual and the grotesque. Whether writing about intimacy or alienation, what remains long after is her singular voice—its beguiling cadence and vivid physicality. There is an unprotected quality to this writing, as if each word has been pushed out along the precipice, daring us to go with it. Rankine's power lies in the intoxicating pull of that dare. From one of contemporary poetry's most powerful and provocative authors, The End of the Alphabet is a work where “wits at once keen and tenacious match themselves against grief's genius” (Boston Review).

## McGraw–Hill's Conversational American English

2010-09-22 Richard Spears Learn more than 3,000 English expressions and speak and understand the language easily As a new speaker of English, you may hear some expressions in your daily conversations that you do not understand—yet. McGraw-Hill's Conversational American English will help you learn these expressions, so not only do you know what a person is saying to you, but that you can use the expression yourself! More than 3,000 expressions are organized by theme, so you can find what you are looking for quickly. And each topic is illustrated to further help you understand context. The book features: Common expressions are batched into 350 themes, ranging from general greetings and asking how someone is, to the more specific needs, like showing disbelief, asking someone's intentions, and expressions for a forgotten word or name A comprehensive thematic glossary provides an additional means for the learner to locate expressions by key words and concepts Topics include: Basic Social Encounters, Greetings, Small Talk, Introductions, Ending a Conversation, Good-Byes, Agreeing, Disagreeing Conversational Encounters, Focusing Attention, Launching the Conversation, Making Friends, Complex Matters, Disputes, Discussion and Resolution, Polite Encounters, Prefaces, Communication Barriers

## Challenging Misrepresentations of Black Womanhood

2019-03-22 Marquita M. Gammage 'Challenging Misrepresentations of Black Womanhood' investigates the stereotyping of Black womanhood and the larger sociological impact on Black women's self-perceptions. It details the historical and contemporary use of stereotypes against Black women and how Black women work to challenge and dispel false perceptions, and highlights the role of racist ideas in the reproduction and promotion of stereotypes of Black femaleness in media, literature, artificial intelligence and the perceptions of the general public. Contributors in this collection identify the racists and sexist ideologies behind the misperceptions of Black womanhood and illuminate twenty-first-century stereotypical treatment of Black women such as Michelle Obama

and Serena Williams, and explore topics such as comedic expressions of Black motherhood, representations of Black women in television dramas and literature, and identity reclamation and self-determination. The five sections of the book provide a brief historical overall of the long-standing use of stereotypes used against Black women; explore the systematic attack on Black motherhood and how Black mothers use self-determination to thrive; investigate treatments of Black womanhood in media, television and literature; examine the political impact of stereotyped frameworks used for deconstructing Black female public figures; and discuss self-affirmation and identity reclamation among African women. 'Challenging Misrepresentations of Black Womanhood' establishes the criteria with which to examine the role of stereotypes in the lives of Black females and, more specifically, its impact on their social and psychological well-being.

#### Don't Let Me Be Lonely

2023-10-17 Claudia Rankine A brilliant and unsparing examination of America in the early twenty-first century, Claudia Rankine's Don't Let Me Be Lonely invents a new genre to confront the particular loneliness and rapacious assault on selfhood that our media have inflicted upon our lives. Fusing the lyric, the essay, and the visual, Rankine negotiates the enduring anxieties of medicated depression, race riots, divisive elections, terrorist attacks, and ongoing wars—doom scrolling through the daily news feeds that keep us glued to our screens and that have come to define our age. First published in 2004, Don't Let Me Be Lonely is a hauntingly prescient work, one that has secured a permanent place in American literature. This new edition is presented in full color with updated visuals and text, including a new introduction by the author, and matches the composition of Rankine's best-selling and award-winning Citizen and Just Us as the first book in her acclaimed American trilogy. Don't Let Me Be Lonely is a crucial guide to surviving a fractured and fracturing American consciousness—a book of rare and vital honesty, complexity, and presence.
