### *Reaching the Animal Mind*

2009-06-16 Karen Pryor From the founder of “clicker” training, the widely praised humane approach to shaping animal behavior, comes a fascinating book—part memoir, part insight into how animals and people think and behave. A celebrated pioneer in the field of no-punishment animal training, Karen Pryor is responsible for developing clicker training—an all-positive, safe, effective way to modify and shape animal behavior—and she has changed the lives of millions of animals. Practical, engrossing, and full of fascinating stories about Pryor’s interactions with animals of all sorts, *Reaching the Animal Mind* presents the sum total of her life’s work. She explains the science behind clicker training, how and why it works, and offers step-by-step instructions on how you can clicker-train any animal in your life. For bonus video clips, slide shows, articles, downloadable exercises, and links expanding on the contents of the book, go to [ReachingtheAnimalMind.com](http://ReachingtheAnimalMind.com).

### *Don't Shoot the Dog*

2019-12-03 Karen Pryor Karen Pryor’s clear and entertaining explanation of behavioral training methods made *Don’t Shoot the Dog* a bestselling classic with revolutionary insights into animal—and human—behavior. In her groundbreaking approach to improving behavior, behavioral biologist

Karen Pryor says, “Whatever the task, whether keeping a four-year-old quiet in public, housebreaking a puppy, coaching a team, or memorizing a poem, it will go fast, and better, and be more fun, if you know how to use reinforcement.” Now Pryor clearly explains the underlying principles of behavioral training and reveals how this art can be applied to virtually any common situation. And best of all, she tells how to do it without yelling threats, force, punishment, guilt trips—or shooting the dog. From the eight methods for putting an end to all kinds of undesirable behavior to the ten laws of “shaping” behavior, Pryor helps you combat your own addictions and deal with such difficult problems as a moody spouse, an impossible teen, or an aged parent. Plus, there’s also incredibly helpful information on house training the dog, improving your tennis game, keeping the cat off the table, and much more! “In the course of becoming a renowned dolphin trainer, Karen Pryor learned that positive reinforcement...is even more potent than prior scientific work had suggested...*Don’t Shoot the Dog* looks like the very best on the subject—a full-scale mind-changer” (*The Coevolution Quarterly*). Learn why pet owners rave, “This book changed our lives!” and how these pioneering techniques can work for you, too.

### **Don't Shoot the Dog!**

### *Playtraining Your Dog*

1985-12-15 Patricia Gail Burnham At last, an inexpensive paperback edition of a book that has been acclaimed as one of the most useful and reliable guides to training your dog. Obedience training does not have to resemble Marine boot camp, with the dog as the recruit and the trainer as the drill instructor. Nor does it have to be work. Rather, as the title of this comprehensive guide suggests, it can be playful fun for both -- with a few rules thrown in to shape the game into an obedience exercise. *Playtraining Your Dog* provides an alternative to the violence that conventional training methods inflict on the minds and bodies of dogs. Using widely known, standardized exercises from the American Kennel Club, and written in a clear, informative style, this book contributes to realizing the full potential of both the dog and the dog/owner

relationship. Topics covered include: - instructors & training classes - training time - motivation - advice for showing a dog - cues & body language *Playtraining Your Dog* is an essential addition to every dog-owner's -- and dog-lover's -- library.

### *Culture Clash*

1996 Jean Donaldson The book that has shaped modern dog training and ownership with its unique and scientifically sound recognition of the "cultural" differences between dogs and humans. Dogs can't read so you need to in order to really understand your dog.

### Plenty in Life Is Free

2012 Kathy Sdao In this new book, renowned dog trainer Kathy Sdao reveals how her journey through life and her decades of experience training marine mammals and dogs led her to reject a number of sacred cows including the leadership model of dog training.
