

Eirik A Time Travel Romance Mists Of Albion Book 1 Pdf

Crimson Sand, Crimson Snow

2019-12-31 Craig Gallant An epic dark fantasy set in a desert land that harkens Arabian Nights Eirik Hastin has hidden from the horrors of his past for nearly twenty years as an itinerant tourney fighter and notorious drunkard. Maiara, an orphan raised by an aloof innkeeper and his bitter wife, has known nothing but drudgery and isolation her entire life. However, a seemingly chance encounter with a wizened stranger brings with it promises of something greater for them both. The Broken Kingdoms have all but forgotten the existence of magic after a century of warfare and intrigue. Into this chaos an ancient evil – the stuff of legendary nightmares – emerges from the mists of time. The kingdoms as they now stand, shorn of their past glories, cannot stand against this onslaught. The time of legends may be past, but when wizards and heroes are nowhere to be found, perhaps two wounded, flawed people can make the difference.

The Bell in the Lake

2020-09-29 Lars Mytting The engrossing epic novel—a #1 bestseller in Norway—of a young woman whose fate plays out against her village’s mystical church bells—now in paperback As long as people could remember, the stave church’s bells had rung over the isolated village of Butangen, Norway. Cast in memory of conjoined twins, the bells are said to ring on their own in times of danger. In 1879, young pastor Kai Schweigaard moves to the village, where young Astrid Hekne yearns for a modern life. She sees a way out on the arm of the new pastor, who needs a tie to the community to cull favor for his plan for the old stave church, with its pagan deity effigies and supernatural bells. When the pastor makes a deal that brings an outsider, a sophisticated German architect, into their world, the village and Astrid are caught between past and future, as dark forces come into play. Lars Mytting, bestselling author of Norwegian Wood, brings his deep knowledge of history, carpentry, fishing, and stave churches to this compelling historical novel, an international bestseller sold in 12 countries. With its broad-canvas narrative about the intersection of religion, superstition, and duty, The Bell in the Lake is an irresistible story of ancient times and modern challenges, by a powerful international voice.

Eirik

2017-11-14 Joanna Bell A young girl steps back in time. As a child Paige Renner is no stranger to loneliness and sorrow. When her mother dies, she's left with her grief-stricken father, a man reduced to a shadow of his former self. But Paige discovers the perfect escape. A hidden and secret place, lost in time - the medieval village of Caistley. Only Paige can enter the tiny hamlet. There, among the children of the villagers, she finds friendship and affection. As the years pass, she grows into a young woman, and her visits grow fewer. Home from college, Paige decides to return one last time. But instead of finding a peaceful village, she arrives to find it in flames - Vikings are attacking Caistley. A brutal Viking Berserker leads a raid. The English town offers Eirik and his men little in the way of booty. A few pigs, a few sacks of grain, some gold and silver. Most of the inhabitants have already fled, but a few remain. One in particular - a young woman - catches the warrior's eye. She's oddly dressed, but comely, and she seems innocent - as if she's never known a man's touch. After a little teaching, the chestnut-haired wench should warm his bed nicely. But the woman is as frightened as a spring lamb. Her panic and terror of Eirik makes bedding her a test of his patience. To coax her into his arms, he'll have to be gentle with her, take his time, and show her a more tender side of himself. As the days pass, and his heart softens, Eirik vows to win Paige's love. A harsh winter keeps Paige trapped with her Viking captor. The nights are long and cold. As the snow deepens, a fragile truce forms between them. With every tender touch, he claims a little more of her heart. But the memories of her old life linger. She worries about her father and her duty to return to modern times for his sake. An agonizing choice. When Eirik is wounded, Paige realizes that without modern medicine, her Viking lover will likely die. Does she dare return to the future and risk never making it back to him? Or does she remain by the side of the man she has come to love, as he fades away before her eyes? Authors Note: Eirik is a 110k time-travel romance novel. It contains adult situations and language and is intended for readers over 18.

Historia Norwegie

2003 Inger Ekrem Written during the second half of the 12th century, the Historia Norwegie presents a lively and Christianised account of Norwegian history, particularly of the 10th century.

Ragnar

2018-02-05 Joanna Bell It started with a secret. I make a promise to Paige. I'll never breathe a word. We journey through time to a world of myth and fable, to ancient lands shrouded in mist, ruled by fierce, hulking men. The land of Vikings. The harsh beauty of the sea stands in stark contrast to the men who sail the fjords and open waters. Vikings show no mercy. They raid up and down the coast, hungry for land, grain, livestock - and women. Especially women. When I return to my world without my friend, my life implodes. The police question me. As the last person seen with Paige, I'm now a suspect in her disappearance. My secret... our secret... It's more than a burden, it's a liability. A risk. Everyone thinks I'm guilty. Left with no choice, I travel back to the brutal and unforgiving land. I must find Paige. She's the only person who can clear my name. But instead of finding my friend, Viking raiders find me. Bound and utterly helpless, I'm certain they intend to kill me. But Ragnar, their Jarl, a fierce and powerful warrior, makes his intentions clear. I know the instant I feel his touch on my skin. Ragnar has other plans for me... Author's Note: 'Ragnar' is the second book in the 'Mists of Albion' series. Book 1: Eirik Book 2: Ragnar (this book) Book 3: Ivar Due to adult situations and language, this series is intended for mature readers.

Viking Born

2015-07-08 Jo Grafford A premature winter and fear of a second mer attack threaten the Vikings' return to their mystical home of New Dorset. While Sven oversees the grueling task of rowing across the icy Atlantic, he is haunted by creatures of the mists. Whispering ghosts and a breathtakingly beautiful mermaid named Willow follow their longship. She assures him it is not the beginning of another deadly mer attack on his sailors. This time she comes to trance one man only. Him.

Ivar

2018-04-25 Joanna Bell Two young women vanish, time-traveling to the age of the Vikings. Sophie Foster, a rookie cop, vows to find them. I might be the junior investigator on the force, but I'm not letting two girls disappear without a trace. Alone, I search the quiet forests where they were last seen. As a single mom with a young daughter, this case means more to me than any other, but the trail has gone cold. Tramping through the snow, I despair. My steps falter and I stumble. In a single, terrifying instant, I tumble through the darkness to another time, deep in the past. I emerge in an old world, a rugged land, a brutal realm ruled by Vikings. Ivar, their leader, stands even taller than his men. Powerfully built, with a gaze that could melt arctic frost, he makes my heart race with fear - and desire. His people say he's the Jarl of Jarls. I say he's as fierce as a lion. He rescues me from a vicious attack but claims me as his own. When I'm alone with him, his eyes seduce me. His touch leaves me helpless with need. More than anything, I want to belong to him. But I can't stay with Ivar no matter how strong his hold on me. I must return to my daughter. I wait for my chance to escape and race back to the modern world. Back to my child. I never imagined that I was being followed. Not until it was too late. Ivar, my six and a half-foot tall, Viking warrior, follows me back to the twenty-first century... Author's Note: 'Ivar' is Book 3 in the Mists of Albion series and it is recommended that you read 'Eirik' (Book 1) and 'Ragnar' (Book 2) first. This

Eirik A Time Travel Romance Mists Of Albion Book 1 Pdf upload Caliva a Williamson

book is a full-length 115k word novel and, due to mature scenes and language, is recommended for readers over 18.

Those Rosy Hours at Mazandaran

2015-02-14 Marion Grace Woolley A young woman confronts her own dark desires, and finds her match in a masked conjurer turned assassin. Inspired by Gaston LeRoux's The Phantom of the Opera, Marion Grace Woolley takes us on forbidden adventures through a time that has been written out of history books. "Those days are buried beneath the mists of time. I was the first, you see. The very first daughter. There would be many like me to come. Svelte little figures, each with saffron skin and wide, dark eyes. Every one possessing a voice like honey, able to twist the santur strings of our father's heart." It begins with a rumour, an exciting whisper. Anything to break the tedium of the harem for the Shah's eldest daughter. People speak of a man with a face so vile it would make a hangman faint, but a voice as sweet as an angel's kiss. A master of illusion and stealth. A masked performer, known only as Vachon. For once, the truth will outshine the tales. On her birthday, the Shah gifts his eldest daughter Afsar a circus. With the circus comes a man who will change everything. Note: Mature subject matter

Knights meticulous research and razor-sharp prose have turned what could have been a mere spy novel into a gripping exploration of the human psyche and the consequences of moral ambiguity.

Miracle eirik a time travel romance mists of-The Rise and Fall of a Pop Star

She had a dream. She desired to be a singer. She wished to entertain, to dance, to perform, to delight. She desired to be famous, to be cherished, to be idolized. She wanted to have it all, fame, fortune, glory. She toiled diligently, she practiced, she auditioned, she astonished. She got a deal, a music contract, a agent, a creator. She made an album, a hit, a phenomenon. She became a star, a famous person, a marvel. She had it all, followers, money, accolades. She was on cloud nine, she was experiencing her goal. But she also had a hidden side. She had a mystery, a problem, an dependency. She started to fall apart, to err, to stir up trouble. She faced criticism, backlash, lawsuits. She lost her fans, her wealth, her awards. She lost her status, she became a joke, a catastrophe. She forfeited it all, her notoriety, her wealth, her honor. She was the ascent and decline of a performer.

In the neglected attic of an old historic mansion, where dust danced in the slanting sunlight, a chest rested beneath a tattered tapestry. Inside, letters bound in silk ribbons revealed the correspondence between two star-crossed lovers separated by time. Their words, like echoes in time, held the key to a love that defied the boundaries of time and space.
