The Influence of Social Media on Psychological Well-being
Social media has become an essential element of our lives, especially for the new age group. We utilize it to connect, to share, to educate ourselves, to entertain, and to express ourselves. But what might be the consequences of social media on our mental health? In which manner does it impact our emotions, our self-esteem, our relationships, our well-being, and our behavior? This book aims to address these questions, by studying the most recent

research and data on the subject. It is going to investigate the constructive and negative sides of social media, the risk factors and defensive elements, the actions and tactics, and the upcoming directions and ramifications. It is going to also provide practical advice and recommendations for consumers, guardians, teachers, and professionals, on how exactly to use online platforms in a healthful and accountable manner.
