Galactic Conflicts which Altered Past  
It had been the year 2023, and the earth stood on the brink of battle. The United States and Peoples Republic of China, the pair of superpowers, had been locked in a intense contest, contending for assets, power, and dominance. They had both created sophisticated weapons, such as laser weapons, unmanned aerial vehicles, and satellites, which could hit any location, any moment. They had covertly constructed space stations, which can deploy atomic weapons, which could destroy the earth. They were both set to utilize these weapons, if required. But they were the sole ones. There was a third power, a hidden entity, which had watching them both, waiting for them both, preparing for them. They were extraterrestrials, and they had arrived to stop them. They had come to rescue the world, or to finish it all. They had come to start the galactic wars that altered past.
