### *Compelling Interest*

2003-03-12 Mitchell J. Chang In recent years American colleges and universities have become the locus of impassioned debates about race-conscious social policies, as conflicting theories clash over the ways to distribute the advantages of higher education in a fair and just manner. Just below the surface of these policy debates lies a complex tangle of ideologies, histories, grievances, and emotions that interfere with a rational analysis of the issues involved. As never

before, the need for empirical research on the significance of race in American society seems essential to solving the manifest problems of this highly politicized and emotionally charged aspect of American higher education. The research evidence presented in this book has a direct relevance to those court cases that challenge race-conscious admission policies of colleges and universities. Though many questions still need to be addressed by future research, the empirical data collected to date makes it clear that affirmative action policies do work and are still very much needed in American higher education. This book also provides a framework for examining the evidence pertaining to issues of fairness, merit, and the benefits of diversity in an effort to assist courts and the public in organizing beliefs about race and opportunity.

## **Representation**

1997-04-08 Stuart Hall This broad-ranging text offers a comprehensive outline of how visual images, language and discourse work as 'systems of representation'. Individual chapters explore: representation as a signifying practice in a rich diversity of social contexts and institutional sites; the use of photography in the construction of national identity and culture; other cultures in ethnographic museums; fantasies of the racialized 'Other' in popular media, film and image; the construction of masculine identities in discourses of consumer culture and advertising; and the gendering of narratives in television soap operas.

## **Guide for All-Hazard Emergency Operations Planning**

1998-05 Kay C. Goss Meant to aid State & local emergency managers in their efforts to develop & maintain a viable all-hazard emergency operations plan. This guide clarifies the preparedness, response, & short-term recovery planning elements that warrant inclusion in

emergency operations plans. It offers the best judgment & recommendations on how to deal with the entire planning process -- from forming a planning team to writing the plan. Specific topics of discussion include: preliminary considerations, the planning process, emergency operations plan format, basic plan content, functional annex content, hazard-unique planning, & linking Federal & State operations.

Sam awoke with a scream, his body drenched in perspiration. The same terrifying nightmare had once again tormented his sleep, the one where he was chased by a menacing figure wielding a knife. He glanced at the clock; it was 3:15 am. He tried to placate his racing heart, attempting to convince himself that it was merely a figment of his imagination. Yet, deep down, he knew it was far more than that. He knew the enigmatic figure was real, and it was moving relentlessly towards him. He had seen it before, in the horrific news reports, in the detailed police sketches, in the stricken faces of the victims. It was the dreaded serial killer that had been haunting the city for what seemed like an eternity. And Sam was his next target.
