Handhelds in Medicine

2005-12-06 Scott M. Strayer Have you ever wanted to calculate the predicted peak flow for one of your asthmatic patients without spending valuable minutes searching for that confounded little slide rule gizmo? Wouldn't it be great if you could somehow remember all Mrs. Jones' medications when the nursing home calls to see if it's OK to treat her acutely elevated blood pressure with some atenolol? Handheld computers are emerging as the stethoscopes of the twenty-first century, and no clinician should be without this essential tool. These small, easy-to-use devices are now powerful enough to help clinicians manage information and make medical decisions at the point of care. This comprehensive how-to guide targets all levels of handheld computer users, from novices to experts, and demonstrates how to make the most of handheld computers in any medical practice. Designed with easy-to-understand, hands-on exercises for each new skill presented, this book begins with choosing a handheld and "getting to know" your new device. It then progresses through downloading and installing software, using charge capture and e-prescription programs, Internet and evidence-based resources for your device, designing and programming your own programs, and going wireless. Written by three experienced family medicine clinicians, Handhelds in Medicine is designed to improve every day practice for any busy health professional. There are chapters written for and by nearly every health professional, including nurses, physician assistants and speech pathologists. Reviews of handheld devices and websites will be kept current at www.handheldsinmedicine.com

The iPod & iTunes Pocket Guide

2009-02-02 Christopher Breen Here is your essential companion to the iPod touch, classic, nano, and shuffle, and the iTunes application. The iPod & iTunes Pocket Guide, Third Edition, steers you through how to Import songs into iTunes and assemble playlists, listen to podcasts, and burn CDs. Find music, movies, TV shows, videos, and audiobooks on the iTunes. Store and see song and film recommendations, discover podcasts, and send gift certificates. Buy music from the iTunes Wi-Fi Music Store and sync songs with your computer. Use your iPod to keep contacts, view events, and store files (as a portable hard drive). Make your iPod even more useful (and awe your friends) with fascinating tips and tricks. Fix common problems and learn what to do if you can't fix them yourself.

How to Do Everything with Your Visor

2000-09-29 Dave Johnson Enhance your experience and get the most out of your new Visor or Visor Deluxe with this comprehensive, solutions-packed guidebook.

Hand Bone Age

2005 Vicente Gilsanz For decades, the determination of bone maturity has relied on a visual evaluation of skeletal development in the hand and wrist, most commonly using the Greulich and Pyle atlas. The Gilsanz and Ratib digital atlas takes advantage of the advent of digital imaging and provides a more effective and objective approach to skeletal maturity assessment. This atlas integrates the key morphological features of ossification in the bones of the hand and wrist and provides idealized, sex- and age-specific images of skeletal development. This computer-generated set of images should serve as a reasonable alternative to the reference books currently available.

PC Mag

1999-10-19 PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology.

Writing and illustrating a graphic novel is a challenging but rewarding endeavor. It requires a combination of creativity, narrative prowess, and artistic talent. In this detailed guide, we will cover everything you need to know to create great work and get it published.

Once you have completed your graphic novel, you need to start thinking about getting it published. There are a few different ways to do this:

****Submit your graphic novel to publishers.**** There are many publishers that accept unsolicited submissions from graphic novel creators. You can find a list of publishers on the website of the Graphic Novel Educators Forum.

****Self-publish your graphic novel.**** Self-publishing is a great option for graphic novel creators who want to have more control over the creative process and the release of their work.

I hope this guide has been useful. With hard work and dedication, you can create a graphic novel that is both entertaining and thought-provoking.

First Love that Never Fades

Anna could never erase from memory her first love, Leo. Their paths had crossed when they were both 16, at a enchanting summer camp. They were utterly smitten, spending every day sharing laughter, exchanging heartfelt thoughts, and sharing stolen kisses. Their bond was indestructible, and they vowed to keep in touch, to wait for each other, and to never let their love fade. But life, as it often does, had different plans in store for them. They lost communication, they moved on with their lives, and they eventually married other people. Years passed, and the whirlwind of life took them in different directions. But fate, it seems, had not forgotten their unbreakable connection. At a chance encounter, at a nostalgic reunion, their paths crossed once again. The moment they laid eyes on each other, the embers of their affection rekindled. The same electric spark that had drawn them together years ago was still unmistakable. They felt the same joy that had fueled their teenage romance, but they also felt the reality of their present. Their emotions swirled for the unwavering devotion they had shared, but their minds grappled with the complexity of their current lives. They were caught in an emotional battle, torn between the alluring memories of their first love and the complications of their present. They stood at a crossroads, forced to make a heartbreaking choice. Would they choose the all-consuming passion of their first love, risking the uncertainty that lay ahead, or would they hold onto the stability of their current lives, forever wondering what could have been? Only time would tell if their unwavering connection would survive the test of time.
