When he hires the Rider team to boost his security and investigate the threat, he meets the inscrutable Billy Jean. He keeps his attraction for her in check, but when Billy Jean becomes the target, neither he nor his emotions will remain backstage. Sparks and bullets fly in this romantic suspense adventure. If you like action, adventure, and strong female leads, this is the series for you. The romance is medium with heat with some explicit language. Each novel shares characters, but they are also their own happily-ever-after. \*\*\* "I LOVED THIS BOOK... Now this book had an awesome leading lady Billy Jean. She was kick ass but still had feelings that Ethan was able to pull out. Ethan was also great and protective, but definitely let the professional Billy take charge. The romance was gradual and felt genuine. The suspense was really entertaining and had several plot twists thrown in. Definitely worth the read if you like your romance with some action, suspense, cute families, and danger. I cannot wait to read the rest of the series I missed out on!" —Goodreads Reviewer
