Yondering 2004-10-26 Louis L'Amour “Over the years I have been proud to write about the men and women of the American frontier. But I have written many stories with entirely different settings which I have long wanted to share with my readers. “I have collected some of these in Yondering. They are glimpses of what my own life was like during the early years. Those were the rough years; often I was hungry, out of work and facing situations such as I have since written about. “Although these stories take place in a variety of locales, they are stories of people living under conditions similar to the way they might have lived on the frontier. I hope you'll enjoy Yondering.” —Louis L'Amour

The New Book of Middle Eastern Food 2008-12-24 Claudia Roden The definitive volume on Middle Eastern cooking, a modern classic from the award-winning, bestselling author of The Book of Jewish Food and Claudia Roden's Mediterranean Originally published in 1972 and hailed by James Beard as "a landmark in the field of cookery," this new version represents the accumulation of the author's years of extensive travel throughout the ever-changing landscape of the Middle East, gathering recipes and stories. Now featuring more than 800 recipes, including the aromatic variations that accent a dish and define the country of origin: fried garlic and cumin and coriander from Egypt, cinnamon and allspice from Turkey, sumac and tamarind from Syria and Lebanon, pomegranate syrup from Iran, preserved lemon and harissa from North Africa. Claudia Roden has worked out simpler approaches to traditional dishes, using healthier ingredients and time-saving methods without ever sacrificing any of the extraordinary flavor, freshness, and texture that distinguish the cooking of this part of the world. Throughout these pages she draws on all four of the region's major cooking styles: • The refined haute cuisine of Iran, based on rice exquisitely prepared and embellished with a range of meats, vegetables, fruits, and nuts • Arab cooking from Syria, Lebanon, and Jordan—at its finest today, and a good source for vegetable and bulgur wheat dishes • The legendary Turkish cuisine, with its kebabs, wheat and rice dishes, yogurt salads, savory pies, and syrupy pastries • North African cooking, particularly the splendid fare of Morocco, with its heady mix of hot and sweet, orchestrated to perfection in its couscous dishes and tagines From the tantalizing mezze—succulent bites of filled fillo crescents and cigars, chopped salads, and stuffed morsels, as well as tahina, chickpeas, and eggplant in their many guises—to the skewered meats and savory stews and hearty grain and vegetable dishes, here is a rich array of Middle Eastern cooking.

Dark of the West 2019-02-05 Joanna Hathaway "A novel of court intrigue and action-packed military adventure,"\* Joanna Hathaway's Dark of the West, is a breathtaking YA fantasy debut--first in the Glass Alliance series. A pilot raised in revolution. A princess raised in a palace. A world on the brink of war. Aurelia Isendare is a princess of a small kingdom in the North, raised in privilege but shielded from politics as her brother prepares to step up to the throne. Halfway around the world, Athan Dakar, the youngest son of a ruthless general, is a fighter pilot longing for a life away from the front lines. When Athan's mother is shot and killed, his father is convinced it's the work of his old rival, the Queen of Etania—Aurelia's mother. Determined to avenge his wife's murder, he devises a plot to overthrow the Queen, a plot which sends Athan undercover to Etania to gain intel from her children. Athan's mission becomes complicated when he finds himself falling for the girl he's been tasked with spying upon. Aurelia feels the same attraction, all the while desperately seeking to stop the war threatening to break between the Southern territory and the old Northern kingdoms that control it—a war in which Athan's father is determined to play a role. As diplomatic ties manage to just barely hold, the two teens struggle to remain loyal to their families and each other as they learn that war is not as black and white as they've been raised to believe. “Heart-pounding . . . will leave the reader wanting more.”—\*#1 New York Times bestselling author Melissa de la Cruz At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

By Sorrow's River 2010-06-01 Larry McMurtry In this tale of high-spirited and terrifying adventure, set against the background of the West that Larry McMurtry has made his own, By Sorrow's River is an epic in its own right with the return of the formidable, young Tasmin Berrybender. At the heart of this third volume of his Western saga remains the beautiful and determined Tasmin Berrybender, now married to the “Sin Killer” and mother to their young son, Monty. By Sorrow's River continues the Berrybender party's trail across the endless Great Plains of the West toward Santa Fe, where they intend, those who are lucky enough to survive the journey, to spend the winter. They meet up with a vast array of characters from the history of the West: Kit Carson, the famous scout; Le Partezon, the fearsome Sioux war chief; two aristocratic Frenchmen, whose eccentric aim is to cross the Great Plains by hot air balloon; a party of slavers; a band of raiding Pawnee; and many other astonishing characters who prove, once again, that the rolling, grassy plains are not, in fact, nearly as empty of life as they look. Most of what is there is dangerous and hostile, even when faced with Tasmin's remarkable, frosty sangfroid. She is one of the strongest and most interesting of Larry McMurtry's characters, and she stands at the center of this powerful and ambitious novel of the West.

Why Presidents Fail 2008-07-25 Richard M. Pious Presidents are surrounded by political strategists and White House counsel who presumably know enough to avoid making the same mistakes as their predecessors. Why, then, do the same kinds of presidential failures occur over and over again? Why Presidents Fail answers this question by examining presidential fiascos, quagmires, and risky business-the kind of failure that led President Kennedy to groan after the Bay of Pigs invasion, 'How could I have been so stupid?' In this book, Richard M. Pious looks at nine cases that have become defining events in presidencies from Dwight D. Eisenhower and the U-2 Flights to George W. Bush and Iraqi WMDs. He uses these cases to draw generalizations about presidential power, authority, rationality, and legitimacy. And he raises questions about the limits of presidential decision-making, many of which fly in the face of the conventional wisdom

Terror Television 2013-02-25 John Kenneth Muir Although horror shows on television are popular in the 1990s thanks to the success of Chris Carter's The X-Files, such has not always been the case. Creators Rod Serling, Dan Curtis, William Castle, Quinn Martin, John Newland, George Romero, Stephen King, David Lynch, Wes Craven, Sam Raimi, Aaron Spelling and others have toiled to bring the horror genre to American living rooms for years. This large-scale reference book documents an entire genre, from the dawn of modern horror television with the watershed Serling anthology, Night Gallery (1970), a show lensed in color and featuring more graphic makeup and violence than ever before seen on the tube, through more than 30 programs, including those of the 1998-1999 season. Complete histories, critical reception, episode guides, cast, crew and guest star information, as well as series reviews are included, along with footnotes, a lengthy bibliography and an in-depth index. From Kolchak: The Night Stalker to Millennium, from The Evil Touch to Buffy the Vampire Slayer and Twin Peaks, Terror Television is a detailed reference guide to three decades of frightening television programs, both memorable and obscure.

All That's Left Unsaid 2022-09-13 Tracey Lien 2022 LA TIMES BOOK PRIZE FINALIST AND INTERNATIONAL BESTSELLER A Phenomenal Book Club Pick! For fans of Everything I Never Told You and The Mothers, a deeply moving and unflinching debut following a young Vietnamese-Australian woman who returns home to her family in the wake of her brother's shocking murder, determined to discover what happened—a dramatic exploration of the intricate bonds and obligations of friendship, family, and community. Just let him go. These are the words Ky Tran will forever regret. The words she spoke when her parents called to ask if they should let her younger brother Denny out to celebrate his high school graduation with friends. That night, Denny—optimistic, guileless, brilliant Denny—is brutally murdered inside a busy restaurant in the Sydney suburb of Cabramatta, a refugee enclave facing violent crime, an indifferent police force, and the worst heroin epidemic in Australian history. Returning home to Cabramatta for the funeral, Ky learns that the police are stumped by Denny's case: a dozen people were at Lucky 8 restaurant when Denny died, but each of the bystanders claim to have seen nothing. Desperately hoping that understanding what happened might ease her suffocating guilt, Ky sets aside her grief and determines to track down the witnesses herself. With each encounter, she peels back another layer of the place that shaped her and Denny, exposing the seeds of violence that were planted well before that fateful celebration dinner: by colonialism, by the war in Vietnam, and by the choices they've all made to survive. Alternating between Ky's voice and the perspectives of the witnesses, Tracey Lien's extraordinary debut is at once heart-pounding and heart-rending as it probes the intricate bonds of friendship, family, and community through an unforgettable cast of characters, all connected by a devastating crime. Combining evocative family drama and gripping suspense, All That's Left Unsaid is a profound and moving page turner, perfect for readers of Liz Moore, Brit Bennett, and Celeste Ng.

No Man's Land 2021-11-08 John Vigna In this powerful, panoramic novel set in the late 1890s, in a sliver of rugged western wilderness, a fourteen-year-old girl named Davey—too young to be given a chance at creating her own life—finds herself raised by a group of eccentrics, hostile misfits who rescued her as an infant on a bloody battlefield. She roams the countryside with them, led by Reverend Brown, a charismatic false prophet, hosting revivals for unsuspecting believers while lingering on the cusp of unimaginable events. Davey tries to locate a semblance of peace in this harrowing, beautiful place, but what she finds instead is an astonishing panoply of falsehoods and depravity, a vicious world comprised of murderers, thieves, and dancing bears. And in this unforgiving landscape of craggy beauty and singular resoluteness, she wages a fight against truth while traversing the delicate line between destiny and fate as she comes to understand the role Reverend Brown plays in her life. No Man's Land is part classic coming-of-age story, part unwavering portrait of the bloody price of power, a raw and bold novel about the search for family, and a grand story about an education in the pull of predestination and the responsibility of freewill. Haunting on every page, filled with sorrow and awe, and stunning in the tonality of its vision, No Man's Land is an unflinching meditation on the legacy of violence, its senseless destructiveness, and the fearless dignity and tenderness required to rise above it. My Life: Everything but BUY THE BOOK 2013-08-19 Scott Ludwig To: Editor, Atlanta Journal-Constitution I believe your newspaper has been missing something for the last two decades. In fact it was the original reason I became a loyal subscriber in the first place: the thrice-weekly columns of my all-time favorite writer, the late, great Lewis Grizzard. Trust me when I say that as a loyal University of Florida graduate it's difficult for me to admit there is actually something good that came out of the University of Georgia, and that something would be Lewis Grizzard. Born and raised in nearby Moreland (I reside in Peachtree City, Georgia), Grizzard had a major influence on my writing style. This is my sixth self-published book; one of them sold so well a publisher came a-calling to buy the rights to it. Now I'd like to take my writing to the next level. That's where you come in. Consider this book as both my job application and resume for a position on your editorial staff. Everything here on the back cover is my cover letter to you. I leave you with one simple question: When do I start?

The Western Films of Robert Mitchum 2019-11-05 Gene Freese Robert Mitchum was--and still is--one of Hollywood's defining stars of Western film. For more than 30 years, the actor played the weary and cynical cowboy, and his rough-and-tough presence on-screen was no different than his one off-screen. With a personality fit for western-noir, Robert Mitchum dominated the genre during the mid-20th century, and returned as the anti-hero again during the 1990s before his death. This book lays down the life of Mitchum and the films that established him as one of Hollywood's strongest and smartest horsemen. Going through early classics like Pursued (1947) and Blood on the Moon (1948) to more recent cult favorites like Tombstone (1993) and Dead Man (1995), Freese shows how Mitchum's nuanced portrayals of the iconic anti-hero of the West earned him his spot in the Cowboy Hall of Fame.

The Outsiders 2012-05-15 S. E. Hinton Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. The World in Guangzhou 2017-11-16 Gordon Mathews Only decades ago, the population of Guangzhou was almost wholly Chinese. Today, it is a truly global city, a place where people from around the world go to make new lives, find themselves, or further their careers. A large number of these migrants are small-scale traders from Africa who deal in Chinese goods—often knockoffs or copies of high-end branded items—to send back to their home countries. In The World in Guangzhou, Gordon Mathews explores the question of how the city became a center of “low-end globalization” and shows what we can learn from that experience about similar transformations elsewhere in the world. Through detailed ethnographic portraits, Mathews reveals a world of globalization based on informality, reputation, and trust rather than on formal contracts. How, he asks, can such informal relationships emerge between two groups—Chinese and sub-Saharan Africans—that don't share a common language, culture, or religion? And what happens when Africans move beyond their status as temporary residents and begin to put down roots and establish families? Full of unforgettable characters, The World in Guangzhou presents a compelling account of globalization at ground level and offers a look into the future of urban life as transnational connections continue to remake cities around the world.
