Poverty and Shared Prosperity 2018 2018-12-10 World Bank The World Bank Group has two overarching goals: End extreme poverty by 2030 and promote shared prosperity by boosting the incomes of the bottom 40 percent of the population in each economy. As this year's Poverty and Shared Prosperity report documents, the world continues to make progress toward these goals. In 2015, approximately one-tenth of the world's population lived in extreme poverty, and the incomes of the bottom 40 percent rose in 77 percent of economies studied. But success cannot be taken for granted. Poverty remains high in Sub-Saharan Africa, as well as in fragile and conflict-affected states. At the same time, most of the world's poor now live in middle-income countries, which tend to have higher national poverty lines. This year's report tracks poverty comparisons at two higher poverty thresholds—\$3.20 and \$5.50 per day—which are typical of standards in lower- and upper-middle-income countries. In addition, the report introduces a societal poverty line based on each economy's median income or consumption. Poverty and Shared Prosperity 2018: Piecing Together the Poverty Puzzle also recognizes that poverty is not only about income and consumption—and it introduces a multidimensional poverty measure that adds other factors, such as access to education, electricity, drinking water, and sanitation. It also explores how inequality within households could affect the global profile of the poor. All these additional pieces enrich our understanding of the poverty puzzle, bringing us closer to solving it. For more information, please visit worldbank.org/PSP

White Fragility 2018-06-26 Dr. Robin DiAngelo The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

So You Want to Talk About Race 2019-09-24 Ijeoma Oluo In this #1 New York Times bestseller, Ijeoma Oluo offers a revelatory examination of race in America Protests against racial injustice and white supremacy have galvanized millions around the world. The stakes for transformative conversations about race could not be higher. Still, the task ahead seems daunting, and it's hard to know where to start. How do you tell your boss her jokes are racist? Why did your sister-in-law hang up on you when you had questions about police reform? How do you explain white privilege to your white, privileged friend? In So You Want to Talk About Race, Ijeoma Oluo guides readers of all races through subjects ranging from police brutality and cultural appropriation to the model minority myth in an attempt to make the seemingly impossible possible: honest conversations about race, and about how racism infects every aspect of American life. "Simply put: Ijeoma Oluo is a necessary voice and intellectual for these times, and any time, truth be told." —Phoebe Robinson, New York Times bestselling author of You Can't Touch My Hair

Crying in H Mart 2021-04-20 Michelle Zauner #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East

Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

The Cruelty Is the Point 2021-06-29 Adam Serwer NEW YORK TIMES BESTSELLER • From an award-winning journalist at The Atlantic, these searing essays make a powerful case that “real hope lies not in a sunny nostalgia for American greatness but in seeing this history plain—in all of its brutality, unadorned by euphemism” (The New York Times). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • “No writer better demonstrates how American dreams are so often sabotaged by American history. Adam Serwer is essential.”—Ta-Nehisi Coates To many, our most shocking political crises appear unprecedented—un-American, even. But they are not, writes The Atlantic’s Adam Serwer in this prescient essay collection, which dissects the most devastating moments in recent memory to reveal deeply entrenched dynamics, patterns as old as the country itself. The January 6 insurrection, anti-immigrant sentiment, and American authoritarianism all have historic roots that explain their continued power with or without President Donald Trump—a fact borne out by what has happened since his departure from the White House. Serwer argues that Trump is not the cause, he is a symptom. Serwer’s phrase “the cruelty is the point” became among the most-used descriptions of Trump’s era, but as this book demonstrates, it resonates across centuries. The essays here combine revelatory reporting, searing analysis, and a clarity that’s bracing. In this new, expanded version of his bestselling debut, Serwer elegantly dissects white supremacy’s profound influence on our political system, looking at the persistence of the Lost Cause, the past and present of police unions, the mythology of migration, and the many faces of anti-Semitism. In so doing, he offers abundant proof that our past is present and demonstrates the devastating costs of continuing to pretend it’s not. The Cruelty Is the Point dares us, the reader, to not look away.

Robin 2018-05-15 Dave Itzkoff From New York Times culture reporter Dave Itzkoff, the definitive biography of Robin Williams – a compelling portrait of one of America’s most beloved and misunderstood entertainers. From his rapid-fire stand-up comedy riffs to his breakout role in *Mork & Mindy* and his Academy Award-winning performance in *Good Will Hunting*, Robin Williams was a singularly innovative and beloved entertainer. He often came across as a man possessed, holding forth on culture and politics while mixing in personal revelations – all with mercurial, tongue-twisting intensity as he inhabited and shed one character after another with lightning speed. But as Dave Itzkoff shows in this revelatory biography, Williams’s comic brilliance masked a deep well of conflicting emotions and self-doubt, which he drew upon in his comedy and in celebrated films like *Dead Poets Society*; *Good Morning, Vietnam*; *The Fisher King*; *Aladdin*; and *Mrs. Doubtfire*, where he showcased his limitless gift for improvisation to bring to life a wide range of characters. And in *Good Will Hunting* he gave an intense and controlled performance that revealed the true range of his talent. Itzkoff also shows how Williams struggled mightily with addiction and depression – topics he discussed openly while performing and during interviews – and with a debilitating condition at the end of his life that affected him in ways his fans never knew. Drawing on more than a hundred original interviews with family, friends, and colleagues, as well as extensive archival research, Robin is a fresh and original look at a man whose work touched so many lives.

Milkman 2018-12-04 Anna Burns Winner of the Man Booker Prize “Everything about this novel rings true. . . . Original, funny, disarmingly oblique and unique.”—The Guardian In an unnamed city, middle sister stands out for the wrong reasons. She reads while walking, for one. And she has been taking French night classes downtown. So when a local paramilitary known as the milkman begins pursuing her, she suddenly becomes “interesting,” the last thing she ever wanted to be. Despite middle sister’s attempts to avoid him—and to keep her mother from finding out about her maybe-boyfriend—rumors spread and the threat of violence lingers. *Milkman* is a story of the way inaction can have enormous repercussions, in a time when the wrong flag, wrong religion, or even a sunset can be subversive. Told with ferocious energy and sly, wicked humor, *Milkman* establishes Anna Burns as one of the most consequential voices of our day.

Born a Crime 2016-11-15 Trevor Noah #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, *Time*), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, NPR, *Esquire*, *Newsday*, and *Booklist* Trevor Noah’s unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.
