It had been the time 2023, and the globe was at the edge of battle. The U.S. and Peoples Republic of China, the pair of global powers, had been locked in a ferocious contest, vying for supplies, power, and dominance. They had both engineered sophisticated arms, including lasers, unmanned aerial vehicles, and spacecrafts, which could hit any location, anytime. They had clandestinely constructed orbital stations, which can fire nuclear missiles, that can destroy the world. They were ready to employ them, if at all required. But they were alone. There was a third power, a hidden force, that had watching them both, waiting patiently for them, getting ready for them both. They were the ETs, and they had come to prevent them. They had come to protect the globe, or to terminate it all. They had come arrived to begin the space wars which altered past.
