It was the time 2023, and the globe stood on the brink of battle. The United States and Peoples Republic of China, the two world powers, had been engaged in a fierce contest, vying for assets, influence, and dominance. They had both developed advanced weapons, including lasers, drones, and orbiters, that could strike any place, any moment. They had clandestinely built space stations, that could launch atomic weapons, that can annihilate the planet. They were both set to utilize these weapons, if necessary. But they were not the sole ones. There existed a third force, a concealed force, that had watching them, waiting patiently for them both, getting ready for them both. They were the extraterrestrials, and they had come to prevent them both. They had come arrived to protect the globe, or to finish it. They had come come to start the star wars that changed chronicle.
